February 2 is the Feast of the Purification of the Blessed Virgin Mary which is followed on February 4 by the Patronal Festival. On this day all those who love the reverend and inspiring service of St. Mary's and who are loyal should see to it that by their presence and in their prayers at this yearly festival of the Church they give to it the full measure of their strength

Through the generosity of Miss C. Gertrude Hill the Church has been provided with a beautiful new Altar Book to take the place of the one which has been used in the services of the Church for so many years.

All notices for publication in the weekly Bulletin should be in the hands of the editors not later than Thursday noon, of the week in which they are to appear.

There will be a meeting of the teachers of the Church School on Thursday evening at 8.00 p.m. It is hoped there will be a full attendance.

The secretary of the Episcopal Hospital has written to thank St. Mary's for the Thanksgiving offering which amounted to \$168.00.

The Bishop Suffragan will visit S. Mary's for the rite of Confirmation on the evening of February 23rd, at 8 o'clock. This is always a sacred and impressive ceremony, and being on a week-day this year the whole emphasis of the day will be centered on it.

On Friday afternoons during Lent, at five o'clock, services are held which are intended especially for the young people of the parish. It is hoped that all who are in any way connected with the Church will attend.

The members of the Church School are selling copies of the Lenten number of the Spirit of Missions. This serves a double purpose: helping to fill the mite boxes with the profits of the sales, and also distributing information of the Church's work. Every copy should be sold to get the maximum result.

A stated meeting of S. Mary's Aid will be held on Tuesday, Feb. 20, at 2.30. It is hoped there will be a good attendance.

William Mustin Huggins	Ann Washington Naulty
Howard Stavers Lee	Josephine Dodge Shaeffer

The Rt. Rev. Charles Fiske, Bishop Coadjutor of Central New York, will be the preacher at Evensong on March 11th. Some of you know him through his books, some of you know him personally, and the Rector hopes that you will all know him congregationally, so please make careful note of this date.

On Friday mornings during Lent there will be intercessions for Missions at 10 o'clock in the Chapel.

Owing to the Altar Guild having had the rugs in the Sanctuary thoroughly cleaned, those who serve the altar will be able to enjoy the cleanliness and beautiful colors of the rugs which show once more.

The next regular meeting of the Women's Auxiliary will be held on Tuesday February 27th, at 2.30 P.M. and we hope for a very large attendance.

It is certain that the missionary in Western Nebraska to whom the box was recently sent from St. Mary's will be glad to receive it. It contained a clerical suit, and a fur coat, besides various household articles and clothes. These as well as the quota from the Supply Bureau were provided by the Auxiliary, with the help of some outside donations, and made up and shipped by the Sewing Guild. Three cottas were also provided for the choir director and a silk cassock was made for the curate. We are glad to have accomplished so much while we still have time to do more.

THE SERVICES

If any of the congregation have lost their Lenten cards, giving the calendar and services, they are urged to take more from those at the back of the Church. Lent is an opportunity rather than a duty. If we are to be a strong and healthy congregation, all the members should share in the services. When Lent has passed we do not want anyone to find that he has received no benefit from it.

The clergy hold office hours on Tuesday, Wednesday, Thursday and Friday mornings from 9.30-12.30 for all strictly parish business. Telephone: Baring 0806.

On Friday March 16th, there will be a meeting of the Parish Council in the Parish House at 8 P. M.

The suppers which were started for the Junior Guild now have been made to include all the members of the Church School who come to the Friday afternoon service. From the attendance and enthusiasm of the diners, we feel that they are appreciated.

On Thursday March 15th, there will be a meeting of the West Philadelphia Branch of the Sunday School Association of the diocese at the Chapel of the Mediator, 51st and Spruce Streets. Supper will be served at 6.30 and the Devotional Service will begin at 7.45. Business meeting and addresses at 8.00.

THE PARISH OFFICERS

TREASURER, Mr. Geo. A. Huggins, 4208 Spruse Street.

SECRETARY OF THE VESTRY, Dr. R.G. Kent, 204 St. Mark's Sq.

March 11th is the date that Bishop Fiske, Coadjutor of Central New York is to visit St. Mary's. We all want to show him how much we appreciate his visit, and he will want to see all of us. This is the time of year for Canon XIV. on SECURING an ACCURATE VIEW OF the STATE of the CHURCH. Let the Bishop see what a thriving state St. Mary's is in.

The Rector has asked that all who know of members of the parish who have moved away would make lists of their names and see that they are handed in soon. As yet he has not received enough to fill out the number of those whom we know have been connected with the Church. We want no one to be offended at the time of the Centenary by being omitted from our lists.

There will be a regular meeting of the Vestry on Tuesday evening, March 6th, at 8 p.m. in the Parish House.

Mrs. W. Horner Smith has been leading the parish Mission Study Class on Thursday mornings at 10.30. The meetings have been marked by freedom of discussion which has the great value that each can contribute to and gain from the experience of others.

The Boys' Club has become active again under the leadership of Mr. John Cook, and they have had to move from the room on the second floor to one in the basement where the floor is strong enough to withstand their activity.

The Girls' Friendly Society had taken material from the Supply Bureau which the members will make up and return as part of their Lenten work.

There will be celebrations of the Holy Communion on Easter Day at 6.30, 7.30, and at 11 o'clock. For any to whom these hours are inconvenient it may be added that in Easter week there will be communions Monday, Tuesday and Thursday at 7; and on Wednesday at 10. The clergy will be happy to celebrate privately for any that are sick or house bound if only the request be made. It is a most solemn obligation upon all to make a communion at Eastertide.

Following that at 3 P.M. a pageant, The Cross Moves Westward, will be presented by the Junior Guild with the help of the Choir Boys and others.

Easter Even has for centuries been one of the times appointed for Holy Baptism, and we expect those who have children who have not yet been baptised to bring them at that time. The ceremony will take place at 3.30.

At 4.30 Evensong will be sung with full choir and with the assistance of Mr. Earle Pfouts.

Because the amount given for the general work of the Church was less last year than the previous two years, the Church must either increase her gifts, or give up some of the work authorized at Portland by the Convention.

In this connection we are glad to say that St. Mary's gave more to the general work last year \$3,346.62 than in any previous year. Last year we gave to all extra parochial purposes through the accounting warden \$2589.75; to this is to be added the sum of \$756.87 the gift of organizations or the generosity of private donors, making in all the very creditable total of \$3346.62.

At Evensong on Low Sunday the choir sang a very beautiful service. Mr. S. Wesley Sears presided at the organ. Fourteen families were represented in the congregation by seventeen people. Two of these are juveniles. A most worthy representation on the part of these two! There were two men present one a stranger the other a child of six or seven winters.

Friday evening, at 8 p.m., the April meeting of the Parish Council will take place.

Miss K. S. Smith, treasurer of the United Thank Offering, asks that all contributions may be turned in to her at an early date, to be presented at the meeting on April 26th.

The amount raised by the sale held for the Woman's Auxiliary on March 31st has now reached \$70.00.

The Social Service Committee of the League is appealing for volunteers to help at the service in All Souls' Chapel of the Philadelphia General Hospital, - men to bring in the wheel-chair patients to the chapel, and women to carry the babies for baptism. St. Mary's is pledged to assist on the fourth Sunday of each month. Please notify Mrs. Davies, and be at the chapel at 1.45 p.m.

This month, on the 22nd, our choir will sing at the service.

The May issue of the Parish Bulletin, with a resume of the winter's work and plans for the coming year, will be the last of the season. The editor requests that all announcements be handed to him not later than April 19th.

As a result of the appeal that was made for clothing recently, the Supply Bureau gave the Auxiliary credit for \$32. Very short notice was given to those who wished to donate clothes in answer to this appeal and for that reason it is all the more proper to thank them for their prompt response.

Ascension Day is the Feast of the Coronation of Jesus. I am sure that you will all welcome the opportunity to do him honor at the beginning of the day. There will be a second celebration without music at 10.

The bishop's resignation is a matter of the deepest concern and regret to all. During his short regime the spiritual growth of the diocese has been very marked. There has been opportunity for a central churchmanship to spring up and develop. Extremes have not met, but rather have been welded together, in a loyal, intelligent and moderate churchmanship. It is sad that so spiritual and creative a regime should come to so abrupt a termination. We might have wished to see a coadjutor elected, or an additional suffragan provided, that so our bishop might have had the opportunity to remain the spiritual guide and father of his diocese and leave to others the stupid and wearisome business of committees and boards and finances. Paul has planted. It remains to be seen if Apollos water that so God may give the increase. The bishop has spoken, we can but accept the fact, be profoundly thankful for his twelve precious years of light and leading, and try to carry on the good work begun by him.

On Tuesday May 8th, there will be a meeting of the Vestry.

The Centennial Committee will hold its first meeting, for organizing and making plans, on Wednesday May 9th, at 8 P. M. it is important for all the members to attend to help in shaping the policy to be pursued in future.

St. Mary's Aid will give a reception to the members and friends of the parish in the rectory, on May 10, Ascension Day. No special invitations will be sent, but every one is invited to be present.

The Convention of the Diocese at its recent meeting adopted a canon, which is to form the basis of the relations between the Convention and the Cathedral Church of Christ. The purpose of the Cathedral is to be "a source of spiritual inspiration, a centre of religious learning and culture, and a means of promoting the unity of all Christian Communions and of extending to all peoples the blessings of the Christian faith."

The Centennial Committee has met and organized under the general chairmanship of Mr. Charles Herbert Yarnall. Particular committees have been appointed to develop the following projects viz., Yarnall Memorial Endowment, Centennial Fund, Architectural Memorial, Publications, Celebration and Hospitality. Details of Plans will be forthcoming in due course. All communications should be addressed to the General Secretary, Mr. J. Gardner Crowell, Jr., or the Rector, 3914 Locust Street.

On Tuesday, May 15th St. Mary's Aid will hold its Annual Meeting. There will be the election of officers for the ensuing year.

An "Earnings Party" will be held after the meeting, the proceeds of which will go to the Centennial Fund.

On May 13th and 20th the Church School will hold examinations. The purposes of this are three. To see how much the students have definitely learned so that they can give a clear answer, to impress upon them the importance of doing faithful work, and to see how efficient the school is. The last comes near being an examination of the school by the examination of the pupils.

We hope to have a picnic for those members of the Church School who like picnics, on May 26th. We know where to go and we know how to get there but if any parishioner wishes to help by taking some of the little ones in an automobile, we will appreciate this assistance.

The Young People's Society gave a party for the Sunday School on May 5th, which was a great success in the pleasure it gave, although many of these invited seem to have suffered a lapse of memory on the appointed day.

St. Mary's Aid desires to thank the members of the Parish for their generous response to its appeal for Rummage. The net proceeds amounted to \$115.22.

THE PARISH RECEPTION

On the evening of Ascension Day St. Mary's Aid gave a reception to the members of the parish in the Rectory. Many of those who came had not been in the Rectory since the alterations were made last year, and all agreed that the effect was charming. The Young People discovered that the floors were made for dancing as well as walking. We appreciate the effort and forethought that was expended by the members of the Aid and thank them for a very enjoyable evening.

After Trinity Sunday EVENING PRAYER will be read at 4.30 and the usual service of EVENSONG at 7.45 will be discontinued for the summer months.

It may be of interest to you who have read and profited by both the Bulletin, sent monthly to your homes, and the Leaflet distributed Sunday by Sunday in the pews, that the money required to

produce both was derived in the following way: 60 parishioners in all subscribed, giving a total of \$75.50! St. Mary's Aid gave \$40. There was one most generous donation of \$75. and the Rector's Discretionary Fund has borne the rest of the burden i.e. \$85.77! There still remains to be paid on the leaflet and for postage a sum of 25 or 30 dollars. The payment of this will have to be met by that same R.D.F. I am amused at times, a bit chagrined at others, when I hear it whispered that the R.D.F. is the Rector's petted child, and that it has a vast income and no business or expenses. I am grateful to the Aid for their constant and generous assistance, in the above and similar enterprises, and am only sorry that I must make so many calls on their funds and their efforts.

The choir deserves a special word of appreciation on the work they have done and the progress they have made this year. There has been a constant and marked improvement of their rendering of the services. The congregation is appreciative.

At the Annual Meeting of the Aid the following members were elected to serve for the ensuing year: Pres. Mrs. A.C. Abbott, 1st Vice Pres. Mrs. Arnold 2nd. Mrs. Maxwell, Recording Sec. Miss Sproul, Corresponding Sec. Mrs. McCall, Treas. Mrs. S. G. Diehl.

On Trinity Sunday, St. Mary's is to help at the service in All Soul's Chapel, Phila. General Hospital, 34th & Pine Sts. More men and women are needed, to be at the Chapel not later than 2 P.M. going in the "special service entrance" and asking for the Episcopal Chapel.

On June 2nd, we will give a "treat" to several wards of the hospital at 2 P.M. in the Red Cross Building. Help is asked for this, too, for bringing in the patients. Mrs. Lee will be glad to receive the names of those who can help or contribute, and to give information.

It has been suggested to the Auxiliary that they carry out a "Prayer Partnership" such as has been tried in Canada and in several of our Dioceses. Further details may be had from Mrs. Chase or Miss Jackson.

The United Thank Offering has now reached \$163.85.

Ordination

On Friday morning, S. Thomas' Day, December 21, at 10.30 with other deacons our assistant minister will be advanced to the Priesthood by the Bishop Suffragan in S. James Church Twenty Second Street at Walnut. The 9.30 service will be omitted here. It is hoped that many members of the Parish will endeavour to be present.

Christmas Day is one of solemn obligation upon all loyal Churchfolk. There will be celebrations of the Holy Communion at 6.30, 7.30, and at 11.00. The latter service will be preceded by sung Matins at 10.30.

Remember that Evensong will be sung with carols at 4.30 on Christmas Eve. Come to Christ's shrine and rejoice before Him in His holy House.

An Exchange. Anyone bring anything they do NOT NEED that is in good condition to the Parish House. Mark it with the owner's name and a moderate valuation. Leave it with the sexton in care for Miss Bankson. On Friday, December 21 the contributors may come from 10 to 12 A.M. and 3 to 5 P.M. and select something they DO NEED of the same value paying an exchange of 25¢ or 50¢ for the opportunity. Contributions not exchanged will be returned.

At the joint meeting of the Auxiliary and the Aid on the 27th of this month, Mrs. Brusstar will be the guest of honour. Tea will be served.

A very generous contribution is therefore asked for on Christmas Day and upon the Sunday following.

8.20 Instruction

Based on Canon Streeter's book, God and Struggle for Existence; The first of two instructions to be given by the Assistant Priest, the Rev. L.M. Brusstar.

The conferences after Evensong are designed to be informational and instructive. They aim to present elements and aspects of the faith to those who would learn more of their religion. A most cordial invitation is extended to all. It is suggested that you and your friends take part in Evensong and then stay for the instruction.

NOTICES

The next Parish day will be Tuesday, January 29th.

Meeting of the Men's Association, January 15th. Speaker Mr. Zesinger; Subject: Stephen Girard. All men are most cordially invited to attend. It is expected that a delegation of men will be present from the neighboring parish of S. Philip.

The Christmas Collection to date (Thursday, Dec. 27) amounted to \$1078.52. There are undoubtedly many more contributions to come in.

Thoughtful attention is asked to the statement to be issued in the forthcoming number of the Bulletin over the signature of the rector and that of the chairman of the Financial Reorganization Committee of the Vestry.

The Financial system of the Parish is being carefully scrutinized and some radical changes are likely to be effected. We have got to live within our incomes. And the time to begin is now.

The diocese has fallen short of its quota for missions during the past year by some \$100,000. The Woman's Auxiliary have suggested a Sacrifice Week. Plans for this will be made known presently. The week designated is that of the 20-27 January.

On the evening of Sunday the 8th January, the Choir will sing H. Alexander Matthews Cantata. The Story of Christmas. Evensong will be said at another hour than the regular. It is hoped that there may be a very large attendance. The collection will be for the expenses incurred in purchasing new music for the choir. Please come and bring friends with you.

NOTICES

There will be a corporate communion of St. Vincent's Guild on Sunday, January 22nd, St. Vincent's Day, at 7.30 A.M.

In recognition of the faithful service of the members of the Guild, a member of the congregation has provided a supper to be given on Tuesday evening, January 24th. The customary rites and ceremonies will attend the presentation of a watch which will be awarded on that occasion for signal faithful service during the past year.

The Rector will welcome any token of appreciation on the part of other members of the congregation to help make the festivities successful as usual.

The Bishop of the Diocese has appointed the Second Sunday in Lent, March 4, as the day of his Visitation to the parish. Confirmation instructions will begin, therefore, on Sunday, January 22nd. These instructions will be given Sunday evenings immediately after Evensong. The Rector will be glad to confer with anyone thinking of Confirmation and extends a cordial invitation to the members of the congregation to attend these instructions.

Although less than a quarter of the members of S. Mary's made a pledge to the Church Program for Missions, we already have a larger amount in sight than was given last year.

It is hard to believe that any Christian should not strive to make an offering, according to ability, for the purpose of extending the knowledge of the Kingdom of God. This is inherent in our very calling and profession. Let me ask you for your own good to try the experiment of giving because the Church expects you to give. Let theories go and follow the Church!

The Accounting Warden reports the total contribution of the Parish towards the Diocesan Missionary Budget Deficit of 1923 amounted to \$652.62. This is very creditable indeed. We must however as a Parish hereafter for some time not from choice but compulsion turn a deaf ear to outside appeals until we have met our obligations for parochial and regular mission quota purposes. The rector regrets therefore that he cannot set before the congregation such appeals as that for the Holy Places of Jerusalem or the Bishop Tuttle Memorial. Our Holy place is S. Mary's, our memorial Hamilton Village.

Address: The Credibility of the Gospel
The Rector

The Vestry have authorized a canvass of all parishioners for more and increased subscriptions. This will be carried out the last Sunday in February. It is the earnest hope of the rector and vestry that any who can increase their regular subscriptions will do so. The expenses of the parish are out to the bone. Are there not some of you who can without inconvenience increase your gifts? Are there not some of you who attend the services or kneel before the altars that are not giving anything to maintain this beautiful house of worship in its usefulness and dignity?

A catechism has been established for the children of the parish under the direct supervision and teaching of the clergy. The catechism will meet in the chapel at 9.45 every Sunday morning.

To date only 51 parishioners have sent in their annual subscription to the Parish Bulletin. The subscription of one dollar may be sent to the rector or to the treasurer of the Men's Association, Mr. T. N. Walker, 4316 Pine Street.

The Executive Secretary of the Diocese tells us that our Parish gave on its apportionment for the year 1923 the sum of \$2340.79 exclusive of the "Sacrifice Week Offering" which amounted to \$652.42; making a total of \$2993.31. The Rector and Vestry feel that this is a very good showing indeed. Our quota for 1924 of \$3300.00 ought not to be impossible, but we must try and keep our extra-Parochial gifts within the limits of the quota's credits.

The singing of H. Alexander Matthew's "Story of Christmas" on the evening of January 6th was so much appreciated that the Choir will give some Sunday Evening in Lent Stainer's "Daughter of Jairus".

The Rector and Vestry need not emphasize again the extreme importance of co-operation in the matter of the Parish Canvass on February 27th. Every effort will be made to thoroughly canvass the members of the Parish on that day or, a visit that day, upon the following Sunday. If there are any of you who read this notice who are not members of the Parish but regular, or occasional, worshipper here, will you not take this as an invitation to make yourselves known and to help in the maintenance of this House of Worship. The Vestry sincerely appreciates the generous help that many of you are now giving. From those of you who are giving to the limit of their ability, not even an additional penny is asked. From all, who can add to their gift an increase, however large or however small, the most earnest appeal is made by those to whom the Congregation has committed the financial cares of the Parish. Do you realize that an additional 25¢ a Sunday from 100 people would increase the income of the Parish \$1300.00 per annum.

The Feast of the Annunciation falling in Lent makes its solemn observation rather difficult. We keep our Patronal Festival on the Sunday after the Feast of the Purification but this year, particularly, in view of much ill considered talk, it would seem becoming for our Parish dedicated to St. Mary the Virgin to honor her day with some particular mark of dignity. There will be the customary celebration of the Holy Communion at 7.00: Morning Prayer at 10.00 and Evensong will be sung in choir with hymns at 5.00 o'clock. We will be glad to express our devotion to our Lord by witnessing to the dignity of His Birth.

Next Sunday morning, March 30th, the preacher will be the Rev. Edmund Souder one of the priests attached to the American Mission in Wu Chang. It will be a particular pleasure to welcome the Rev. Edmund Souder back to his Parish.

The Accounting Warden reports a total increase in pledges and in cash for the year 1924 amounting to \$2116.60. This is remarkably good. The Rector and the Vestry wish to express their sincere appreciation of the affection for and interest in the parish evinced by this generous response to their appeal.

A large congregation witnessed the dedication of the sanctuary lamp at Evensong on Lady Day. The Rev. John A. Goodfellow, Rector of the Church of the Good Shepherd, Kensington, preached and dedicated the lamp. Mr. Henry Budd, for over 40 years a member of Mr. Goodfellow's parish, was a frequent attendant in St. Mary's. It is a fine thing for the parish to have in it a memorial to a man of such robustness of faith and devotion in worship.

Particular invitations will not be sent out. It is the sincere hope of the Rector and Reception Committee that all will accept this intimation as a personal invitation. They will be most welcome. Those of you who are regular attendants and do not feel a particular need for a personal reception can do your bit by bringing or urging your acquaintances to come.

The Rector
is now called upon to prepare for the
ONE HUNDREDTH ANNIVERSARY

An observance of this occasion worthy of the dignity of the Parish, the memories of Founders, Benefactors and Communicants departed this life to the Mercies of Almighty God, no less than the thankful hearts of the living and loving, will entail some extraordinary expenses to which doubtless all will feel a desire to contribute.

The rector will welcome subscriptions large or small towards this laudable purpose.

Will you help?

Respond at once and as your love for the parish inspires. Not a large sum is needed. Any surplus will be credited to the Thomas Coffin Yarnall Memorial Endowment.

The Vestry wish likewise to express their hearty thanks to the Choirmaster and to the members of the Choir, who for ten successive evenings gave ungrudgingly of their time and their energy and by their rendition of the beautiful music were a very important factor in the success of the celebration.

The Vestry direct that this minute be published in the Parish Bulletin, that they may thus openly and officially show their appreciation.

The Summer School for Church Workers, held at Princeton July 6 to 17, is perhaps the most accessible for our Diocese of all such conferences. Several from St. Mary's attended last year's session. It is hoped that there may be an even larger attendance this year. A member of the Parish has promised a scholarship to this conference, to be awarded to one of the younger group. The Rector will be glad to give information. A general announcement of courses and lecturers will be found on the Church Door.

Six Dollars will send a child to CAMP for Ten Days. In arranging your vacation can you not include one day or ten for one of the children? Subscriptions may be sent to Mrs. George C. Davies, 4510 Chester Avenue.

We shall sing EVENSONG for the last time this season on the 31 May. The choir have done excellent work this year. It would be a nice thing if all who can were to make a point of attending Evensong on the 31st.

The CHURCH SCHOOL holds its last session this Sunday. Teachers have been devoted in their work and the School though small, shows proof of their effort. Mr. John Cook, who has this year acted as Superintendent, deserves the greatest commendation.

At the early Eucharists this week we shall be having in mind the PEACE and UNITY of the Church. Pentecost is the Church's birthday. The Church's 1896th birthday finds the Body of Christ still wounded and maimed, the sad result of our pride and wilfulness. Let us both pray and work for the restoration of the visible unity of the Church.

TO VISITORS

Will you not write your name and address in the space provided overleaf that the clergy may make your acquaintance and welcome you to the Parish? You are most cordially welcome, of course, as a visitor, but if you are without a church home and seeking one, the clergy can only know it if you speak to them.

ALL SAINTS' DAY

It is with regret that we learn that Bishop Rhinelander cannot be our guest this coming All Saints' as we had hoped. He overtaxed his strength somewhat this summer and has been obliged to cancel his promise to come to us. We shall welcome, however, the Rev. Julian D. Hamlin, Rector of S. John's Church, Newport, R.I. on November 1. Resolve to be present at two services on that day in honour of all the Saints in all the Ages who have bequeathed to us the Gospel of Christ and the hope of immortality.

S. MARY'S ENRICHED BY GIFTS

The Parish records with pride and gratefulness two most generous gifts received this summer. Senator Patton has presented us with silver candlesticks and vases for the Altar of All Saints. These will be used for the first time on All Saints' Day, Sunday, November 1. To the kindness of Mrs. Ehrenfeld we owe a remarkably beautiful statuette of the Virgin and Christ Child, of Franco-Flemish work, artist unknown, but of Fifteenth Century workmanship. The thanks and appreciation of the Parish go out to these generous benefactors.

CONFIRMATION

Wednesday evening, February 24, is the date set for Confirmation. Bishop Garland was with us last year; this year we shall welcome some visiting bishop. Who that will be cannot be foretold at this time. Will all those interested in confirmation please let the rector have their names at the first opportunity. Classes will be begun in Advent. NOW, is the time to make your desire known.

EVENSONG

Evensong is a service of rich beauty and solemnity;
a fitting and peaceful close to the devotions of the
Lord's Day. The attendance at it is unworthy of both
its dignity and our own devotion. Where our non-at-
tendance is a matter of indifference may we not err
when we fail to come "when it ringeth to Evensong."

NOTES OF THE DECEMBER VESTRY

Mr. Frederick Ehrenfeld was elected to the Vestry. The long and devoted attachment to the Parish of the late Miss Mary Macomb was commemorated by the Vestry by their allotment of \$350 of Parish Endowment Bonds to bear her name perpetually. Miss Macomb in her wonderful devotion to the Parish had for years given Sunday by Sunday a small sum for the endowment of the Parish which in the years has amounted to a very considerable sum. The Vestry felt that her proven love for the Parish made her name worthy of perpetual remembrance.

Mr. W. W. Walker, having removed to Morion, has with regret severed his connection with the Parish, and resigned from the Vestry. S. Mary's, with all the other City Parishes, feels keenly the many removals to the country and suburbs.

CHRISTMAS OFFERING

The Xmas offering is most earnestly commended to the duty and love of all. Holy Church should not need to beg from its children on Christ's birthday. Envelopes have been sent to all on the mailing list. Additional envelopes will be found in the pews on Christmas Day and the Sunday following. Many have been in the past remarkably generous in their remembrance of the Parish on Christmas Day. The Rector and Vestry are confident that not only will they be generous once more, but that many others will come forward and take their part in helping the Parish meet its duties and obligations.

PRAYER BOOK CHANGES AUTHORIZED BY
THE LATE CONVENTION.

The changes in the Prayer Book offices authorized by the late Convention at New Orleans must sooner or later be adopted in all parishes. S. Mary's will use the amended services beginning the first Sunday in the New Year, January 3. The Rector makes an opportunity this morning to introduce these changes to you, that you may familiarize yourselves with them. They are not many, nor difficult, but doubtless will seem strange to us all for some time to come.

PRAYER BOOK ALTERATIONS

Today we use for the first time at Sunday services the Holy Communion Office as amended at the New Orleans Convention. The changes are not many nor important, but will doubtless seem very strange to us all for some time to come. Repetition will bring in time familiarity and ease. The Epistle and Gospel for today, the Second Sunday after Christmas, are also the appointment of the late Convention.

THE CHRISTMAS COLLECTION

The Christmas Collection has reached the sum of \$1485.00. This is very pleasing, and witnesses to the interest and devotion of some 186 contributors. Some of the envelopes were used from the pews to contain an ordinary collection sum. The great and overwhelming

LENT

Welcome deare feast of Lent: who loves not thee
He loves not Temperance, or Authoritie,
But is composed of passion.
The Scriptures bid us fast; the Church says now
Give to thy Mother, what thou wouldst allow
To ev'ry Corporation.

The humble soul compos'd of love and fear
Begins at home and lays the burden there,
Where doctrines disagree
He says, in things which use hath justly got
I am a Scandall to the Church, and not
The Church, is so to me.

Who goeth in the way that Christ hath gone,
Is much more sure to meet with Him, than one
That travelleth by-ways.
Perhaps my God, though He be farre before,
May turn, and take me by the hand, and more,
May strengthen my decays.

The faithful are most earnestly urged to keep these hours sacred, to spend some part of the time at least in devotions and wherever possible to visit the church for prayer and meditation. Surely there is no nobler place in all our city in which to commemorate the Passion of our Lord than before the Altar of our own Parish Church. PLEASE NOTE CAREFULLY THAT EVENSONG
will be sung in THIS church THIS evening at 7.45. Next
Sunday, May 30, there will be no Evensong in THIS church,
but S.Mary's clergy, choir and people will assist at
Evensong in the CHURCH OF S.PHILIP, 42nd ST. and BALTI-
MORE AVE., at 7.45. The first Sunday in June, the four
parishes of, S.Andrew, The Saviour, and S.Philip, their
clergy, choir and people come to us. It is a great
thing that we should join together in this way. The
Rector most urgently hopes that we shall participate
in large numbers at these services whether in our own or
in one of the neighboring churches.

FEBRUARY	PARISH SUPPER
MAY	SPRING RUMMAGE SALE

The proceeds of the November Supper and Sale will be for the Parish. The Supper in February will not be for gain, but in connection with the annual Parish Meeting.

The CHOIR sang last Sunday at the Philadelphia Hospital.

CHOIR and CHURCH SCHOOL will hold a combined outing on Saturday, June 5, at Wawa, thanks to the courtesy of Mr. and Mrs. Wm. J. Dickson.

The members of the AID are to be the guests of Mrs. J. Walter Maxwell on Saturday, June 10, on an outing to the estate of the late Senator Patton.

No call has been made upon the GUARANTORS for the past two months. The summer months are lean months from the point of view of the Accounting Warden, owing to so many parishioners being out of town. It will be necessary to appeal to the Guarantors, not so much to make good a present deficit, for the Parish is doing creditably, but to prepare adequate resources for the summer.

THE CAMPAIGNS FOR THE DIOCESE AND THE PARISH
Will all parishioners please cooperate so far as they can by sending in promptly the cards mailed to them both from the Parish and the Diocese. There is practically no one in the Parish who needs a personal canvass in this matter. The needs of both the Diocese and the Parish are obvious enough. The Parish cannot complete its budget for the coming year until all returns have been made.

It has been brought to my attention that I have never formally in print acknowledged the candelabra on the walls of S. Joseph's Chapel. This neglect I deeply regret. The candelabra are the gift of Mrs. Lewis R. Wood.

PARISH CAMPAIGN

Cards still continue to come in, and these bring a small increase over the amount pledged last year. It is noteworthy that four pledge towards the Missionary work of the Church through the Auxiliary and not through the Parish. Nine who formerly gave their entire subscription to the Parish have divided it now between the current expenses of the Parish and Missionary work. The effect of these and other changes will have to be considered before arriving at a quota figure.

The Rector is unable to announce any further news, no report having come to hand from the Church House.

PARISH NOTES

The Diocesan authorities report that we have exceeded our promised pledge for the Mission work of the Church by \$120.03 for 1926. Directly and indirectly the Parish contributed \$1120.03. May we do even better this year.

Mr. George Hall, general treasurer of the Endowment Fund, reports to date contributions from the active members of the Parish of \$801. This has been deposited in the Western Savings Fund. We wait the completion of the \$1000.00 to make an investment for endowment.

Bishop Julius Atwood will visit the Parish on the evening of Thursday, March 10, to administer the sacrament of Confirmation. Any who are ready and desirous for the Sacrament are invited to join the group for instruction now meeting in S. Joseph's Chapel, Sunday afternoon at 3 p.m., or to speak to the rector, if another day and hour would be more convenient.

The Men's Association has been languishing for some time. The rector had hoped for a reorganization of the work and the creation of renewed interest. No organization could be of greater help at the present time. In view, therefore, of the existing need and the demonstrated inability of the Association to function, the Rector with disappointment and regret feels it is best that the Association should cease to exist. He hopes that a new organization may be created in the near future that will be willing and able to cooperate with the Rector and Vestry in the work of the Parish.

The Rector acknowledged with pleasure the willing assistance of the ever faithful Guarantors. 78 and one half shares have been underwritten. Are there not some of you who can and will help to complete the quota? The burden upon any one is light; the combined assistance of all is a tremendous help.

Deliver us from every touch of ill:
In Thine own service make us glad and free,

There would seem to have been some misunderstanding in connection with the operation of the Guarantors' Fund. An appeal was made in January to make good a deficit in December, and again in February, to make good one in January. The two came unfortunately in rather close conjunction. Of course none who have pledged for 1927 were liable for December, 1926. Most of the Guarantors fortunately continued on from last year, when only five instead of a possible ten appeals were made. Will the Guarantors please regard the January appeal as belonging to their 1926 obligation? The rector trusts that there may be no further need of appeal for some months to come. January and February are rather difficult months, inasmuch as our expenses are at their heaviest and our income (except for the months July to September) at the lightest.

BRIEF MEDITATION

The Cross Interpreting Life

I saw a Cross of burning gold
And jewels glorious to behold

Over it a golden crown
All the people falling down

I saw an ugly Cross of Wood
On it there were stains of blood

Over it a crown of thorn
Plaited for a people's scorn

Cross of gold, no fruit was thine
Nothing but the empty shrine

Cross of wood, thou living tree
The true Vine clung fast to thee

Mary E. Coleridge.

O Christ, Who didst mount the Holy Cross and enlighten the darkness of the world, vouchsafe to enlighten our hearts and bodies, Thou Saviour of mankind, Who livest and reignest with the Father and the Holy Ghost, One God, world without end.

OMISSIONS AND SEVERAL MINOR ERRORS IN THE ANNUAL DIRECTORY
have been called to the Rector's attention. The Rector
is extremely sorry that these have occurred, due to his
negligence and the difficulties under which the little
book is produced. He asks the indulgence of all victims.
He is particularly sorry that in the final setting up of
the book the name of the Treasurer of the S. Mary's Aid,
Mrs. Julia Bailey Diehl, was dropped out. This accident
was probably caused by the removal of the adjoining notice
of the defunct Men's Association which, inserted in the
original copy, was removed in the proof. It is hoped
that despite all the Directory may be of help.

"THE IMMORTALITY WHICH CHRIST PROCLAIMED IN HIS OWN
person and life had indeed been adumbrated in deed
of valour and lives of heroic self-sacrifice, but as
a revelation of life, of the true and proper life of
man, it is as new as it has ever since been unique.
'I am come that they might have life,' is the bur-
den of all He taught and did and suffered.
When St. Paul exclaimed, 'Christ is my life,' he de-
fined what Immortality really is. The triumph
lies in the instinct to triumph; the extension of
life is the quality of life."

NOTICES

All the offerings on Christmas Day are to be devoted to the current expenses of the parish. A liberal offering is desired by the Vestry in order that all obligations against the parish may be discharged by the end of the year. Unusual expenses caused by repairs and betterments were incurred during the year and must now be paid. A generous contribution is therefore asked on this day. Let your liberal giving include S. Mary's Church.

The Church School will take part in the services at Evensong on Christmas Day. The treat and entertainment of the School will be given on Wednesday night at 7.30.

Sister Edith Hilda has accepted an appointment to work in the parish beginning with the New Year. The parish is fortunate indeed in securing the services of Sister Edith and her marked ability makes her a valuable and valued assistant in the work being planned among the children and young people.

NOTICES

There will be a corporate communion of St. Vincent's Guild on Sunday, January 22nd, St. Vincent's Day, at 7.30 A.M.

In recognition of the faithful service of the members of the Guild, a member of the congregation has provided a supper to be given on Tuesday evening, January 24th. The customary rites and ceremonies will attend the presentation of a watch which will be awarded on that occasion for signal faithful service during the past year.

The Rector will welcome any token of appreciation on the part of other members of the congregation to help make the festivities successful as usual.

The Bishop of the Diocese has appointed the Second Sunday in Lent, March 4, as the day of his Visitation to the parish. Confirmation instructions will begin, therefore, on Sunday, January 22nd. These Instructions will be given Sunday evenings immediately after Evensong. The Rector will be glad to confer with anyone thinking of Confirmation and extends a cordial invitation to the members of the congregation to attend these instructions.

Although less than a quarter of the members of S. Mary's made a pledge to the Church Program for Missions, we already have a larger amount in sight than was given last year.

It is hard to believe that any Christian should not strive to make an offering, according to ability, for the purpose of extending the knowledge of the Kingdom of God. This is inherent in our very calling and profession. Let me ask you for your own good to try the experiment of giving because the Church expects you to give. Let theories go and follow the Church!

The voluntary offering in the Red Side of the envelopes on this and every first Sunday is for Communion Alms.

It is not generally understood that by Canon the rector is authorized to take one Sunday offering in the month, usually the first, for Communion Alms.

This is not being done for the reason that the rector is most anxious that the parish be made secure first of all. Every effort is being made to place the finances on a solid and substantial basis, hence every offering is for parish expenses. But this leaves the rector without funds for parish relief and charitable purposes. Your attention is directed to the Red Side on first Sundays which now takes the place of a selected offering. It is voluntary and the rector hopes everyone will make a contribution.

The Lenten services offer an opportunity for prayer and devotion and they should make an especial appeal to the earnest Christian. For this is the season for "extraordinary acts of devotion" which the Church expects of her children. The services are so arranged that the hours may be convenient for all. May we not look for a larger use of the Early Celebrations on the part of the men and women of the congregation?

Friday night, 8.00 o'clock, Mrs. John E. Hill.

Subject: The Church Awake.

These study classes merit better attention than they have so far received. They are being splendidly conducted by Mrs. Gardner and Mrs. Hill, both ladies of high attainment and unusual ability. But there appears to be no specific for religious apathy. Opportunities for spiritual refreshment are also being provided in the Lenten Services which also reflect the same indifference. This is so unusual as to excite comment. Why is this the case? The Church assumes a general need on the part of her communicants, but the communicants do not feel any urge to seek her offices.

There still remains time to make a proper preparation for Easter. Use it.

NOTICES

In the press of other important parish matters the rector quite overlooked the special envelope for the Ascension Day offering. Its significance to him may be gathered from the fact that it is for the Rector's Discretionary Fund.

His only consolation lies in the fact that he did not fail some one else, only himself. The special envelope will be found in the pews and the rector hopes that the congregation will generously remember this Fund.

A Strawberry Festival will be held on the Parish House Lawn, Thursday evening, June 7th, beginning at 6.30 p.m.

Donations of candy and money will be gratefully received by Mrs. Diehl, 238, So. 44th St., Tickets 35¢.

The proceeds from this Festival and from other sources are to be applied toward alterations in the Parish house on the second floor and the erection of a permanent stage for the recreation of the young people of the parish. Contributions for this object are solicited and may be placed in the hands of Mrs. Diehl for that purpose.

St. Mary's Aid will hold a Rummage Sale, Thursday, October 25, at 3911 Market Street.

The Service of Evensong is slowly attracting the attention of a few members of the congregation and others. There is no particular reason why this service should be neglected. We recommend it, as well as the early Celebration, as worthy of better attendance. These two services will always be held regardless of the attendance. But services which do not enlist the support of the members of the congregation can hardly appeal to others whom we endeavor to reach.

The Church School has resumed its sessions at 9.45 Sunday mornings. The work is sadly handicapped by the withdrawal of efficient workers whose interest was so greatly appreciated. For good and sufficient reasons they were unable to continue this year. Yet the work must go on and the need of teachers and other helpers is very evident. We cannot claim to have been successful during the past year, but at least we have kept the banner afloat.

AN APPRECIATION

Through the initiative and interest of Mr. Ralph McPhail, a valued member of S. Mary's, and the kindness of the American Radiator Company, a large Vacuum Cleaner has been presented to the church. As will be seen from the illustration above it is one of the latest models of such machines—designed for the cleaning of public buildings and especially adapted for the cleaning of churches. There are other sizes no doubt suitable for household use but this machine was selected for the difficult task of keeping the church clean because of its unusual power and efficiency. The problem of keeping a church clean cannot be solved without the use of such a machine as the ARCO, and as a matter of fact few churches are really clean without such a mechanical assistant.

With the installation of a complete steam equipment now being erected in the church we shall soon have comfortable heating arrangements and a removal of furnace dust. The products of the American Radiator Company have been selected by the vestry, and the boiler and radiators being used are of such superior quality that our heating troubles will be permanently solved.

It may be noted in the Parish Register following that Letters of Transfer are being issued to those who having removed from the city or to other sections of the city are connecting themselves with the work of the parishes in which they live. This is a natural movement and would excite no comment if the same policy were pursued by those moving into S. Mary's Parish. Our communicant losses are not being balanced, as they should be, by the offering of similar letters on the part of many attendants at S. Mary's.

There are about ninety names on our list of those loyally connected with the parish whose names are not enrolled on our Communicant list. These names cannot be reported to the General Convention as of S. Mary's. For that reason we have a dwindling Canonical list while the Congregation is actually growing. If you are permanently settled in the city kindly secure your Letter of Transfer from your former parish. Your old rector will be delighted to see you settled in S. Mary's.

NOTICES

St. Mary's Sunday at the Philadelphia General Hospital will be observed regularly on the first Sunday in the month.

It is the hope of the Vestry that such interest will be aroused in the congregation that the amount of the Budget will readily be secured for the coming year.

It is difficult to understand why the communicants are not interested and informed as to the manner of supporting the activities of the church. That overhead and running expenses are necessary to the maintaining of divine service is patent to everyone. That money is necessary for the meeting of these expenses is also evident. But sufficient money does not forthcome. While it is everybody's business to support the church, not everyone does. Just who will do it is not evident, if only one out of four makes a pledge for the support of the services.

It is the bounden duty of every Christian member of the church to make an offering every Sunday, whether present at a service or not, commensurate with the ability to contribute. Not to do so passes an additional burden on the faithful already doing their personal duty.

Soon we will be asking for pledges for the year 1929. At present only 66 persons have made a pledge for church support. This situation will shortly be corrected when the parishioners will be asked personally to make a subscription and also make use of the Envelope System for Sunday and other Offerings. We must have a contribution from every member of the Parish.

NOTICES

The sermon this morning will be preached by the Rev. Allen B. Van Meter, Executive Secretary of the Diocese. Mr. Van Meter was formerly Missionary to China, Dean of the Cathedral of Erie, and recently rector of Calvary Church, Germantown.

Standing Resolution of the General Convention.
"Resolved, That, it be recommended to all Clergymen in charge of parishes to bring their flocks as near as practicable to compliance with the spirit of the Apostolic direction to the Church of Corinth. "Upon the first day of the week let every one of you lay by him in store, as God has prospered him;" and that to this end the clergy bring the subject especially to the attention of the people some time during the Advent season of each year."

Altar Guild

Contributions to the fund for Christmas flowers for the altars will be gratefully received by the Altar Guild and may be sent to the Treasurer, Mrs. Roland G. Kent, 204 St. Mark's Square.

In connection with the above notice, a word should be inserted here concerning the decoration of the church itself at Christmas time. The notice of the Altar Guild merely calls attention to the need of flowers for the Altars. The decorations being left to the care of the rector, according to custom.

That being so, the rector will gladly receive contributions also for that purpose.

Come prepared to lay a generous offering on the Altar and make a liberal return to God for His manifold blessings to you.

The Offering will be for the benefit of the parish. Necessary expenditures for repairs and improvements made during the year are still unpaid and we trust your generous offerings will wipe out our debts and satisfy our patient and trusting creditors. To be entirely frank, we need about \$3500 to free us of these obligations. Repairs to the roof alone cost nearly one-third of this amount and the bill is nearly a year old.

The new steam plant on which we saved about \$1300 in installation also must be paid for. This necessary expenditure already has resulted in a saving of \$500 in the annual coal bill. This saving will be reflected in the budget for the coming year and with other economies reduce considerably our necessary running expenses.

Will not every member of the congregation seriously consider making a definite pledge for the expenses of the parish for 1929.

St. Mary's Aid

St. Mary's Aid will hold a special meeting in the Parish House Tuesday, January 15, at 11.00 A.M., for the purpose of arranging for the proposed church supper. The President asks for a large attendance of the members of the Aid and also cordially invites all the women of the parish to attend the meeting.

Christmas Offering

Opportunity to contribute to the Christmas Offering will be given this morning to those who were unable to be present on Christmas Day. Special envelopes will be found in the pews for that purpose.

Evensong

At the service this afternoon the choir will repeat the music of Christmas Eve. In addition, at the Offertory, the Cantata "The Story of Christmas", by Matthews, will be sung. We are grateful to Mr. Banks, our choirmaster, and the members of the choir, for the reverent and beautiful music of Christmas Day.

We call attention to the importance of Evensong. The music at this service is always of a high order and is an hour that lends itself to the spirit of devotion.

It is not generally known that the Offices of Morning and Evening Prayer are the oldest services in the Church. They are the direct successors of the Jewish Monastic Offices. In fact, these flowed naturally into the daily worship of the Christian Church. From the beginning they have been in constant use and in a modified form are constantly used in our daily services.

Evensong combines Vespers and Compline.

Collectors of various funds gathered during the year will also furnish statements to the Rector.

Concerning the Envelopes

The Accounting Warden desires the name of the user of Envelope No. 20 during 1928. The record which he received when he took over the books did not carry that item.

By this time the members of the congregation will have received their envelopes for the present year. We trust that the Red Side, with its designated offerings, will be generally used this year, particularly that for the first Sunday of the month, Communion Alms.

In the issuing of the envelopes this year the Accounting Warden found it absolutely necessary to make a complete rearrangement of the numbers. You may find your customary number changed, but you will confer a favor on Mr. Maxwell personally if you will accept his arrangement.

Let the chronic faultfinder mend his ways.

St. Mary's Aid

The President of St. Mary's Aid, Mrs. J. Walter Maxwell, will appreciate any amount that may be offered toward the furnishing of provisions for the coming Church Supper.

Tickets for the Supper may be obtained from Mrs. Diehl, 238 S. 44th Street, and all returns should be made only to her.

- - - - -

The rector has not received returns from all the collectors and treasurers of various funds collected during the year 1928. Statements should be furnished giving a clear account of the receipt and disposal of all such funds. The rector again calls attention to the necessity of reports from every person connected with any activity, whether funds were collected or not.

Special Offering

The object for consideration today on the Red Side of the envelope is for Theological Education. We commend this monthly offering to your attention for it offers the only opportunity for the congregation to express its interest in the support of men studying for the Sacred Ministry. There are two men of the congregation looking toward Holy Orders.

Prayer Book Changes

The Gospel for today, the Second Sunday after the Epiphany, is to be found in St. Mark 1, 1. The Gospel for today becomes the Holy Gospel for next Sunday; and the Gospel for the Third Sunday becomes the Gospel for the Fourth Sunday. The Gospel for the Fourth Sunday is omitted.

The Sentence after the Gospel in the Liturgy is:
Praise be to Thee, O Christ.

LENT

Again the Church calls for and "requires such a measure of abstinence as is more especially suited to extraordinary acts and exercises of Devotion." Just how "extraordinary" the "acts and exercises" of this coming Lent will be depends entirely on the individual understanding of individual needs. For after all, guilt as well as Grace is personal. Corporate goodness is possible only when all the members of the Body are like-minded and sincere in their search for God. Unregenerate and unrepentant individuals, lukewarm Christians, the actually vicious and mind-twisted are now afforded a special means of Grace for spiritual advancement and spiritual accomplishment. Lent as an institution is valuable only to the extent in which it is really used as a means of Grace. It may become a purely formal observance and if it does it has lost all spiritual significance. If, on the other hand, it is of vital importance in the religious life, it will inevitably lead to more than personal attendance on the special services. It will lead to consideration of the needs of others. What is good for you must be good for another.

Seek out another and by personal touch lead some person into the Way. Dare to talk about your religion. At least you may save your own soul alive.

CONFIRMATION INSTRUCTIONS

These Instructions now being given every Sunday evening after Service in the Chapel, until March 17, are for all who care to attend. While they are necessarily of a somewhat rudimentary character many might find profit in a simple presentation of the fundamental truths of our religion. It is an unpalatable fact that there is widespread ignorance of the Church among our people. This was lamentably disclosed when, during the war, young men were gathered together in camp. Men from all parts of the country were alike unable to find even places in the Prayer Book. When called upon to make responses all alike proved tongue-tied and the page had to be called to have the Creed recited. Just plain lack of instruction. How differently we treat this matter of religious instruction when compared with the manner business men treat their calling! For example, there is a lecturer on business efficiency now visiting this city. He has over a thousand business people attending a short series of instructions and the charge is twenty dollars a person. Comparing the large attendance on the supper at one dollar a ticket and the small attendance at the morning service on the Sunday following, with a small voluntary offering, suggests that a stiff charge for attendance at instructions or at church services would probably enhance their values and make them desirable. Men do value what they pay for.

Under the circumstances are we to conclude that religious instruction means nothing to a religious, and that church worship is worth a casual quarter, with no other obligation involved?

It would be a genuine act of piety if every Christian should make a serious examination of his attitude toward his religion.

PARISH DAY

The regular meeting of the Woman's Auxiliary will be held Tuesday, Feb. 26, at 11 A.M., in the Parish House, after which luncheon will be served for 25¢. Following the luncheon, St. Mary's Aid will meet.

A cordial invitation is extended to all the women of the parish to attend these meetings, and all are earnestly requested to help in this church work.

St. Mary's Aid wishes to extend sincere gratitude to each and every one who assisted either financially or personally with the Turkey Dinner and Bazaar, given Thursday, Jan. 7. The affair proved to be very successful, owing to the cooperation and personal interest manifested by so many of the members of the congregation.

It was no less a financial success, \$324.36 having been added to the treasury after all expenses were met.

Contributors through the envelope system are given an opportunity from time to time to make a special offering through the special envelopes provided for particular purposes not otherwise provided for under ordinary conditions of parish giving. The special object set for Ash Wednesday, through a special envelope, was the Church School. It is hoped that the interest in the Church School is not to be measured by the size of the contribution. Very few, out of the whole number, remembered the School. There will be found in your collection of envelopes that special envelope; do not destroy it, use it for the purpose indicated by making a contribution to that object. Of course those who do not use the envelope system did not have the opportunity of helping to support that work. But, it is perhaps needless to say so, it is very easy, if the desire exists, to join in with the others in giving to the School.

This reminds us, we need a teacher for a GIRL'S CLASS.

SOCIAL SERVICE

Next Sunday is St. Mary's day at the Philadelphia General Hospital. There is need of worn clothing - not too worn - for men and women. Mrs. Maxwell will gladly take care of any donations for this purpose. It is intimated that gifts of money would also be appreciated.

THE ST. MARY'S AID

St. Mary's Aid stepped out at its last meeting and met the rector one-third of the way. He happens to have a firm conviction that a church building, of all buildings, should be spotlessly clean. To the vacuum cleaner already obtained, through the courtesy of the American Radiator Company, he wished to add a scrubbing and waxing machine for the tiles and floor. By devious means he had acquired \$100 toward that end, but the remaining \$50 did not appear. This the Aid has supplied, and we propose to make a demonstration now of our cleanly belief. If those who have complained, and rightly, of misplaced and otherwise valuable soil will duly praise us, it would lighten this particular corner.

THE STAGE

Now that the deck is cleared of this problem and that part of the program finished we have gangway for the next important project. We need badly a suitable provision for the holding of such entertainments as will interest those young people already here and about to come. To have a proper stage will cost about \$500. Those who are interested in this movement are already busily engaged in forming an organization to meet this need. As usual we have only dreams and no money, but dreams come true and money somehow appears.

We are grateful to Mr. Edward Biddle, who, sharing our optimism, made the first contribution for the stage. There will be others, of course. The rector is in a receptive mood.

THE BISHOP'S FUND

As is customary, and at the request of the Bishop of the Diocese, an Offering for his charity fund will be taken on the occasion of the Episcopal Visitation this afternoon. Envelopes for that purpose will be found distributed through the church.

EASTER FLOWERS

Contributions are solicited from the members of the congregation for the purchase of the decorations on Palm Sunday and for Easter Flowers. There is needed generous and widespread interest in this matter to adequately provide for our customary celebration. Contributions may be sent to Mrs. Roland Kent, Treasurer of the Altar Guild.

CONFIRMATION

Bishop Atwood, acting for the Bishop of the Diocese, will be present at Evensong today to administer the Rite of Confirmation.

The attention of the members of the congregation is particularly called to the fact that this is a matter which concerns them. The Church is acting officially in receiving the vows of those of its members already baptised who are now of their own will and consent making open profession of their Faith. We have a right to expect that a large congregation of the Communicants of the parish will be on hand to welcome these young people. It will hearten and encourage these same young persons to know that their Confirmation is a matter of interest to the older persons who by their presence proclaim their own belief in the Church.

NOTICES

At the Parish Election held on Easter Monday evening, the following gentlemen were elected for a tenure of three years, -

Mr. J. Walter Maxwell

Mr. Charles H. Yarnall, Jr.

Mr. J. Erskine Hawkins

Mr. Ralph A. MacPhail

To fill an unexpired term for two years: -

Mr. Alexander D. Horn

The Choir

We take this occasion to express our appreciation of the splendid work of the choir in rendering an unusual musical program last Sunday. It was more than music bought and paid for, it had behind it a religious feeling which went far to increase the devotion of the congregation. There was faithful and hard work back of it all which was beautifully shown in the flawless service. Such a service demands an intelligent appreciation not only of the score but of the underlying purpose of the service itself. For this especially, thanks are due to our fellow-worker, Mr. Banks, our talented choir leader and organist. We consider ourselves fortunate in having his cooperation.

Our thanks are due Mrs. Cope and Mrs. Gilkeson for the gift of six cottas for Choir use. Things wear out and need replacement. Happily these ladies from time to time sense our need and make timely gifts.

Announcement is made that the new Prayer Books will not be available until late after Easter. It is expected that publication will not be possible until about June.

CONFIRMATION

Service of Confirmation will be held next Sunday afternoon at the usual hour of Evensong, 4.30 P.M. Bishop Atwood will be present.

May we call especial attention to this Confirmation service in the afternoon, and ask for a full attendance. Not only is Bishop Atwood to be present, and the visitation of a Bishop is always important, but a momentous and significant action is to take place in the lives of those seeking this Sacramental Grace. Young people, members of the Church of Christ already, are going to stand in the presence of the Church and renew their Christian vows. This implies a congregation of Christ's people interested in the affairs of the Kingdom of God. It is a first moment in souls of these standing before God and in the presence of His people. It is a great moment in the life of a congregation when it receives its own, a voluntary dedication to God.

In this presence and under these circumstances a splendid opportunity is offered to every member of Christ to renew Baptismal vows and make renewed dedication of self to God. Let every member of the Church follow closely the question of the Bishop, which, although addressed to the candidates for Confirmation, is to be taken personally by every soul present, - "Do ye here - renew"-. Let every one present examine himself deeply and make possible a confident "I do."

Ascension Day Services

Ascension Day is a great Feast Day and a day of holy obligation. Falling as it does on a week day, its observance is often neglected. The first service at 6.30 A.M. will be choral and we look for a large congregation.

The special offering for this day is the Rector's Discretionary Fund. Do not fail to remember it. It is the only offering for this Fund in two years.

After the service the choir will have breakfast in the Parish House.

The Entertainment for the Stage

A company of distinguished entertainers have contributed their services Tuesday evening, May 14, 8.15 P. M., for the benefit of the Stage Fund.

The new stage is to be erected during the summer. We hope each member of the parish will join heartily in making this affair a great success by giving personal and financial support. Bring your friends; we guarantee you all an enjoyable evening.

This Sunday St. Mary's Aid will serve at the Hospital. All women are cordially invited to join in this work.

STRAWBERRY FESTIVAL

A Strawberry Festival will be held on the Church lawn, Thursday evening, June 6, 6.30 p.m.

Tickets, 35 cents apiece, three for a dollar.

THE STAGE

A meeting of the Stage Committee will be held immediately after Parish Day meeting on Tuesday, May 21.

The entertainment for the stage fund was a huge and opulent success. To the artists taking part, professional and amateur, we tender our hearty thanks. Our inadequate facilities for such an occasion as this proved conclusively the immediate need for a proper setting in producing later entertainments.

In the Fall we plan to organize a Dramatic Association among the younger people of the congregation and others who may be interested. Already the youngest group of all in the Church School are thinking of Pageants and plays.

The success of the entertainment on Tuesday evening was entirely due to the labors and professional interest of Mrs. Albert Wood. We are grateful to her for the masterly manner in which the whole program was managed.

Through her election to be Secretary of the Woman's Branch of the Convocation of West Philadelphia, St. Mary's was honored by the selection of Mrs. Wood.

Rummage Sale

St. Mary's Aid is planning to hold a Rummage Sale on Thursday, October 17.

Articles for the sale may be sent at any time to the parish house where they will be cared for until needed. Or, if notice is given to Mrs. Diehl, 238 So. 44th St., telephone EVE 8554, they will be sent for and brought to the parish house.

Kindly bear in mind this appeal of St. Mary's Aid and the date, October 17.

The Quota

May we call attention to the needs of the Quota for Missions. Little or nothing has been done during the summer months and our contributions are sadly in arrears. This name "Quota" is a short and convenient title for the amount expected from St. Mary's for the support of the Mission work of the Church both in this Diocese and elsewhere in the Church. It is an obligation resting on the Parish and is not merely an activity of an organization such as the Woman's Auxiliary. This organization has no more responsibility for the Quota than belongs to every Baptised member of the Church. For that purpose it has a special Treasurer, Miss Virginia McDowell. Perhaps confusion has arisen owing to the fact that Miss McDowell is also Treasurer of the Woman's Auxiliary. But the offices are different and separate, the Treasurer having kindly volunteered to act for the Rector as Treasurer of the Quota.

Contributions for Missions are therefore to be sent to the Treasurer, for that sole purpose. But it must be understood that the work of the Woman's Auxiliary has no connection with parish-wide contributions of the Parish for the Quota requirements for Missions.

To date we have paid \$436.32, the balance of our expectation, \$1,000.00, must be met before the end of the year.

Evensong

Attention is directed to the service of Evensong, this afternoon at 4.30.

The Brotherhood of St. Andrew will resume its meetings Thursday, October 17, 8.00 P.M., Parish House.

In the development of the Church School, the infant department has been organized and is now operating. For the present, at least, it will be under the care of Sister Edith.

We are planning to have a class for older boys and girls in connection with the Church School. The first step in this part of the program is to have a competent and faithful teacher, not afraid of discouragement or hard work. Is there such a person in the congregation, who will volunteer for that service? The Rector will be delighted to have such a fellow worker. We are not contemplating instruction in the Bible merely; for Bible instruction, as such, does not appear to have much influence on the young, if we can believe recent investigations and studies. Our idea is to develop Christian character and devotion to the ideals of the Church. To so apply what we know of Christ and His teachings that our young people will choose to do that which is good.

Dolls are being collected to be sent to Miss Rachel M. Walker, of St. Mary's, Shanghai, China, formerly of this parish.

These dolls will be in the parish house, Tuesday, October 22nd, from eleven to five.

SECOND CIRCLE, WOMAN'S AUXILIARY

This Circle will meet in the Parish House on Tuesday Evening, October 29, at 8.00 P.M. The Woman's Auxiliary in meeting, as has been the custom, on Parish Day (that is, in the morning), has prevented many from taking a desired part in this interesting work of the Church. In order that those who are thus deprived may take their part in the missionary activity of the Church, these evening meetings have been arranged. We hope to have a large attendance and an increased interest in the work of the Woman's Auxiliary.

THE NEW PRAYER BOOK

The new Prayer Book has been issued, and will be in the pews as soon as they reach us. Copies are on sale, and may be obtained at Jacobs' Book Store.

This means the displacement of the present books and the purchase of about two hundred copies of the new book. The Rector has already received a contribution toward the purchase of these books for the pews and would welcome further gifts for this purpose.

In this connection the Rector is pleased to announce a gift of money sufficiently large for the purchase of two handsome Altar Books. These will be procured when a proper book is made.

This new book is the result of fifteen years of constant study and hard work on the part of General Convention. It therefore represents the mind of this American Church, which has the right to thus express itself. It is an American Prayer Book for use by American people and demands our unconditional support and loyalty. There can be no other book now.

Communion Alms

Your attention is called to the opportunity of making an offering for the rector's Communion Alms through the envelopes, on the Red Side, on the first Sunday of the month. Unless this offering is made either through the envelopes or through the offering at an early Celebration, the rector receives no Communion Alms. Envelopes at the early Sunday morning Celebration are out of place, that offering is for Communion Alms.

In Memoriam

The flowers on the Altar, All Saints Day, were placed there by the Girls' Friendly Society in memory of
Kate Bankson. In Pace.

Social Service

This being the first Sunday in the month, it is the Sunday afternoon that the members of St. Mary's Aid serve at the Philadelphia General Hospital at 2.00 P.M. Any member of the parish is cordially invited to join in this good work. Call Mrs. J. Walter Maxwell, 3828 Locust St., EVE 4253, and she will gladly see you are called for and taken to the Hospital.

The women of All Souls Guild are giving a party to the patients in the Tuberculosis Ward of this Hospital on Saturday, November 9, at 2.00 P.M. They are making an appeal for financial contributions, even though the amounts are small, to help defray the expenses. Volunteer workers are asked to assemble in the Parish House at 1.30 P.M.

Red Cross

The annual appeal for Red Cross membership will be made on the three remaining Sundays of the month. As has been the custom, parish representatives of the Red Cross will station themselves at the church door for the purpose of receiving individual subscriptions.

St.Mary's Altar Guild

The annual meeting of St.Mary's Altar Guild will be held in the Sacristy on Tuesday, Nov. 12, at eleven o'clock. A cordial invitation is extended to the women of the congregation to attend this meeting. The work of this Guild is most important to the parish. It is so intimately connected with the services of the church that without its capable and enthusiastic cooperation the Rector would be practically helpless in the proper conduct of public worship. He earnestly calls this Guild and its valued work to the attention of the women of the congregation.

Church Attendance

The decline of the habit of church attendance is attracting wide attention. Dwindling congregations, with a few notable exceptions, seem to be the rule in all the churches. So it is not particularly a purely local condition. No one seems to offer a specific remedy for this deplorable condition. It seems to be one of those things that are just too bad. At the same time one can, and indeed must, think about this subject.

For not only is the well-being of the local congregation concerned but the Mission of the Church is imperiled. Congregations themselves have a reason for being only, as we believe, in relation to the purpose and being of the great Church Catholic. To decline the obligations inherent in local membership at St.Mary's, for instance, is to refuse the wider demands of the whole Church. Indefinite churchmanship is equivalent to an indefinite Church. Absenteeism from Sacrament and Worship is denial of both. The Christian who has lost the "habit" of going to church has begun the process of spiritual dissolution. Many necessary things are habits in that they must be continually repeated. Into this category easily fall eating and sleeping. No less is the habit of church attendance a necessity to spiritual well-being. The soul no less than the body must be constantly and regularly refreshed. There is deadly danger in a well preserved body housing a starved and dying spirit. In refusing the claims of the Church the Christian commits suicide.

Thanksgiving Day

On Thursday, Thanksgiving Day, there will be a celebration of the Holy Communion at 7.30 A.M. and the observance of the Day at 10.30 A.M., with Sermon. The offering of the Day is for the Episcopal Hospital. It may not be generally known that the offering of the churches about meets the expenses of services rendered the clergy and their families who are so unfortunate as to require hospital attention. No offering more intimately touches the lives of worthy people than this remembrance of the Episcopal Hospital.

Parish Day

On Parish Day, Tuesday, Nov. 26th, the Woman's Auxiliary will meet as usual at 11:00 A.M. The subject to be discussed is of unusual importance and a well attended meeting is desired. Luncheon at 12:30, 25¢ is the price. St. Mary's Aid will hold its meeting following luncheon. All the women of the congregation are invited to and made welcome at these meetings.

The New Prayer Book

Although the new Prayer Book has been in use since the General Convention, the Book itself was not available until now. They will be found in the pews this morning. Through the greatly appreciated gift of Mrs. Wilfong, the Altar Missals, Service Books and smaller books for the pews were procured. For a like amount of the books in the pews we are grateful to Mr. J. Walter Maxwell. Miss Taylor also made a contribution toward the furnishing of additional books.

We recommend a diligent study of this greatly enriched book of worship.

Our School is showing a gratifying increase, another class of boys having been formed today. There are now four classes in operation under the care of splendid teachers. The Kindergarten, under the supervision of Sister Edith, is supplied with sand table and other equipment and is also growing nicely. We are now prepared to care for any student who applies for membership. The use of the Christian Nurture System insures a graduated and intelligent course of study.

The children are now actively preparing for a Christmas entertainment and treat. It will be held on Holy Innocents' Day, Saturday evening, December 28th.

In time for this as well as the entertainment being rehearsed by the Junior Auxiliary, the new stage will be ready. Work is now in progress and will be completed in the near future.

Holy Communion, 7:00 and 11:00 A.M.

Wednesday, Holy Communion, 10:00 A.M.

Friday, Morning Prayer and Litany, 10:00 A.M.

The Rector and the Altar Guild are grateful for the contributions which made possible the furnishing of the church with Christmas flowers and greens. It is a beautiful custom for the congregation to take an individual part and interest in the adornment of the church for the celebration of Christmas.

The celebration of the Holy Eucharist at the late service was marked by the presence of an orchestra of fourteen pieces which most creditably rendered the service by Tours in F. This was the first rendition of a musical score orchestrated by the Rev. Charles S. Kitchen, who also played the 'cello in the composition. With the exception of the soloists, the services of the orchestra were a free-will offering. Mr. Harry Banks, Mus.Bac., conducted the score, with Mr. James Ervine at the organ.

Reports

As usual at the close of the year, reports of the various organizations of the parish are in order. The rector will appreciate a prompt return from both the Presidents and Treasurers.

From the President: a report of the work of the organization during the year 1929, with a running description of the work and its general condition.

From the Treasurer: a balanced statement of receipts and disbursements for the year.

Dramatic Organization

Now that the Stage has been completed and pronounced a success we are ready to put it to its use. The Church School Christmas Nativity play was a success. The children, who had never been subjected to the ordeal of footlights and color effects, displayed admirable self-possession and sustained their parts with a sincere understanding of the meaning of the play. Both the audience and the players are enthusiastic and demand another play which, of course, will be given in the near future.

A dramatic organization is being formed among the adults for the presentation of plays. Those interested will kindly communicate with the rector, who will be delighted to have their assistance.

Woman's Auxiliary

The usual meeting of the Woman's Auxiliary in the evening will be held in the parish house Tuesday, January 14, at 8.00 P.M. These meetings are informal and all women of the parish are welcomed to these discussions on Missions. Opportunity is also given for hand work and sewing in connection with the work of the Auxiliary.

The Canvass

The reports from the Vestrymen who have been visiting the members for pledges to the Envelopes for the support of the parish have been most satisfactory although the canvass has not been completed. It would be a great help to them if those whom they were unable to see in person would lighten their labors by sending in their pledges to the parish office.

The response has been so cordial that the Vestrymen are delighted with their reception, and wish here to express their appreciation of the courtesy with which they were received.

On the whole the canvass was considered to have been successful, the amount so far is in excess of the pledges made during the last canvass.

We are holding the line splendidly.

The Church Mission Program

This is now called by the short if unlovely name of Quota. That is to say it is the sum expected of this parish for the support of the Missionary work both here in the Diocese and in the Church in the United States and abroad. We are not in a position to accept a quota and pay it. All we can do is to give for Missions the amount of money which is pledged for that purpose.

In order to ascertain that amount the Rector has asked the women of the Auxiliary, and others, to undertake to canvass the congregation. This they are prepared to do and will immediately set themselves to this task.

Then we are through.

All members of the Parish and visitors are cordially invited to attend these meetings.

Social Service

Next Sunday being the first Sunday in February, is St. Mary's day at the Philadelphia General Hospital.

Any one interested in that work and who will volunteer to serve that day will be welcomed.

Conscience Fund

The Rector has acknowledged the receipt of \$1.25 which was received from a person who once, years ago, was a pupil in the Sunday School. The avaricious appropriation of a reward pin by greedy youth is now repudiated with an appropriate act of retribution. Conscience may also make heroes of us all.

A Peculiar Idea

Among the followers of Mennon, commonly called Mennonites, there are in practice most peculiar ideas concerning money. It is their custom to appoint an assessor whose business it is to appraise, after personal examination of visible assets and resources, the amount of money due the church. This levy usually stands and must be paid.

The penalty for non-payment is excommunication from the communion, which is held semi-annually. Communion being a rare occasion, there are no absentees, for absence is proof of rejection.

Some religious people certainly have strange ideas.

On this subject the Lord Bishop of Algoma, Ontario, will address the Church Club of Philadelphia at its meeting in the Church House, Monday evening, February 24, at 8.15 P.M. It will be an illustrated lecture. Any person interested is invited to attend.

Enigmas

In a frankly money age, why is it that churchgoers are so annoyed at the mention of money in connection with the Church? Do they think that money and the Church should not be mentioned in the same breath? Is there anything the matter with money that it cannot be brought into the Church?

The only thing that pays bills is - money.

What social, physical or moral change takes place in men and women when they move into an apartment house?

It is said that people who live in apartment houses do not go to church. We wonder what happens in the change from an old-fashioned dwelling house to an apartment.

Is it because there are no stairs to climb? Perhaps they are the same people who did not go to church when they lived in a house.

Isn't it a bit of nonsense anyway, this talk about apartment houses? When all the people who live in houses come to church we will be in a position to talk over the so-called apartment house problem.

The Lenten Mite Boxes were distributed last Tuesday at the monthly meeting of St. Mary's Aid. The money collected will be their Easter Offering. The Aid urges a wide use of these boxes. They can be obtained from Mrs. Samuel Diehl, 238 S. 44th St.

All Souls' Guild

Members of All Souls' Guild of St. Mary's Church will serve today at the Philadelphia Hospital. Volunteer workers are always needed and welcomed. This work is usually classed under the head of Social Service. So, in a measure, it is when regarded merely as service rendered to the needy and suffering. It is more than that when rendered in the Name of Christ. Then it comes within the range of that saying of our Lord:- Inasmuch as ye have done this to the least of these My children, ye have done it unto Me.

A Lenten Offering

May we call attention particularly to the notice above of St. Mary's Aid. The idea proposed by the Aid is a good one and we recommend its congregational adoption.

The Easter Offering is rather meager as a rule, because it is the result of a strain suddenly imposed. While a resolute and regular denial during Lent, really representing a sacrificed pleasure, would make a creditable Easter Offering. Let your Lent represent an abstinence and your Offering a real gift.

As you know, the children use the boxes for their Missionary Lenten Offering. It is always successful and generally adds a substantial sum to and for the work of the Church. There is no evident reason why this should not also be true in their elders making an offering to their parish church.

The service to be held on Wednesday of this week in the Church of the Saviour is the second of the series to be held on following Wednesday nights. The others will be held in St. Andrew's Church and St. Mary's Church. The preacher on Wednesday will be the Rev. Dr. John Mockridge.

The Observance of Lent

The Lenten services have been arranged with an eye to meet the needs of the congregation. It is more or less a trial and error method, ever subject to change or correction. This is also true of the hours of service. These have been so fixed that every communicant might have a chance to observe Lent by attending one service a week, at least. This might be construed as an extraordinary act of devotion for some, but for all quite a mediocre religious performance. Is there any reason why the observance of Lent should be entrusted exclusively to women? The men of the congregation and also the youths are no less called upon for acts of penitence and devotion. We expect men and boys to do their duty and regularly attend some of these services.

Special Lenten Service

The last service of this series of services being held on Wednesday nights, will be held in St. Mary's Church, Wednesday, April 2, at 8:00 P.M.

The preacher will be the Rev. J. Cullen Ayer, the Rector of St. Philip's Church and our dear friend.

These services have been fairly well attended on the last three Wednesday nights, but the congregations were not noticeable for their size. Is there anything that can be reasonably done to interest Church people in the observance of Lent? These services had for their purpose neighborhood comity and the stimulating of religious life. These have been measurably successful; but what new brand of religion do we face that so influences a majority of our people that it appears to be their pleasure to stay away from Church services?

Whatever may be the cause, it can only be construed as indifference to the claims of this special Season and to coldness of religious life.

Let every communicant and attendant of St.Mary's be informed that it is our custom to expect a liberal offering on Easter Day. Also, that we usually receive such an offering as enables us to pay for the last year's coal bill and other current expenses, the burden of which causes many unhappy hours to our efficient and valued Accounting Warden.

The Easter Communion

Every Communicant of the Catholic Church is required to make a Communion on Easter Day or during the Season. For this great Feast we urge every communicant to make a special preparation during Holy Week. The daily services present such an opportunity, which the Rector hopes will be generally attended.

Missionary Mass Meeting

A Missionary Mass Meeting will be held in the Academy of Music on Monday night, May the 5th. Tickets may be had on application to Mrs. Steinmetz.

This meeting is being held for the purpose of giving information concerning the Advance Program for 1931.

The Advance Program means the inauguration of new work throughout the whole Missionary Field. Under the present arrangement the amount asked of the Church through the Quota is sufficient only for maintaining the existing work of the Church. No improvement or enlargement of any work is possible so long as only subsistence is provided for under the Quota. In the meanwhile the Church is growing, as might indeed be expected, and this expansion has proved an embarrassment to a treasury nicely adjusted to an expense budget. It is to give the Church a chance to grow that this Advance Program has been prepared by the National Council. It is asking for the whole sum of \$1,500,000. Of this amount your Executive Council has accepted the sum of \$113,000 as its share. The meeting on Monday night will be addressed by the Bishops of the Dioceses which have been chosen to represent our gifts. They are either Philadelphia men or men intimately known to us by long association. This meeting is not for the purpose of soliciting contributions.

The annual Convention of the Diocese will meet on Tuesday, the 6th in Holy Trinity Church.

Parish Day

The Woman's Auxiliary will meet on Tuesday, May 20, at 2.00 P.M. in the Parish House.

The Ladies' Aid will meet immediately following this meeting.

The evening meeting of the Woman's Auxiliary will meet at the house of the president.

The Missionary Quota

Many have responded to the women of the Auxiliary who undertook to secure the Quota of this parish for Missions. The amount we expect to secure is \$1,500.00, which was the sum contributed last year and the year before.

Others have not been reached, some have reduced the amount formerly contributed and others have refused. So, at the present time, we are far from reaching the goal of last year. The unfortunate aspect of the situation consists in the fact that if we do not raise this amount some other parish or person will be asked by the Diocese to make up our deficiency, by name. This leaves a bitter taste in our mouth,—chiefly for the reason that we do not belong in the class of dependents. What has been done so easily can easily be done again, and exceeded.

We insist that as members of this great Church we are bound to loyal support of its Mission. No one can escape a common responsibility. It is inherent in our churchmanship.

We always suspect and look for a protestant bias in the excessive abuse of private judgment which results in ill-natured criticism of Priest and Church. As members of the Catholic Church we are bound to accept its demands and likewise to give loyal support to the leadership of its Priest.

The Rector's Discretionary Fund

This Fund has hardly more than an antiquarian flavor. Once it commanded respect and was a reality but for a long time now it has become a memory. The rector can only administer funds given for that purpose when special need arises. The needs are ever present but the funds are missing. Those who use the Envelope System will find this special envelope in their possession; others will find them in the pews.

Strawberry Festival

As is the custom at this time of the year, the Ladies' Aid will hold a Strawberry Festival on the Parish Lawn, Thursday, June 5, beginning at 5.30 P.M. Tickets, 35¢, or three for a dollar. Donations of cake or money may be sent to the President, Mrs. Maxwell, 3828 Locust Street.

This is not just another draft on the pocketbook. After their custom, the Ladies propose to make a fair return for the price of the ticket. This is by no means to be regarded in the light of a "hold-up", nor as a gift. It is a means of securing funds by giving an adequate return for the money asked for the ticket. Every member of the church should be pleased to assist these ladies by helping to make the affair a success.

Sigma Mu Sigma

Sigma Mu Sigma, composed of the young girls, will give a dance in the Parish House, Friday night, June 6, at 9:00 P.M. Tickets, 50¢. No smoking.

For a fair exchange is proposed, the ice cream and strawberries are easily worth the cost of the tickets. It is always interesting to record improvements made to the church property. During June considerable building and repair work have materially helped to improve both the church and the grounds. As a result of a generous offer by Mr. Maxwell we obtained sufficient granite to build a wall on Irvine St. For a long time the wooden fence had been threatening to fall flat on us. The need of replacement was great but the necessary funds were not in sight. Anyway we had no intention of repeating a board fence. With the starting point of the stone, Mrs. Hubbell, Mrs. Morsey, Mr. Maguire and Mr. Hall together financed the building of the wall. We take this opportunity to express our appreciation of their generous gifts and of their sympathetic cooperation.

The building of the wall offered an opportunity of pointing up the Irvine side of the parish house, badly in need of attention.

While the masons were on the job we took occasion to repair a dangerous settlement crack over the entrance to the parish house and to reset the stone coping. At this time a heavy rain disclosed a serious leak in the Chancel roof. This was repaired and the pointing of the East wall renewed. The mason, being a tile setter also, cast an eye over the interior of the church. As a consequence all the rocks were removed by resetting all the loose tiles in the aisles. We were compelled to discharge the mason finally in order to avoid bankruptcy, but the Accounting Warden never faltered to the bitter end.

Finances

The financing of a church is so different from ordinary management that few understand its peculiarity. It is entirely based on voluntary offerings which may or may not be forthcoming. Yet coal must be ordered, and paid for, salaries contracted for and bills run up for various services rendered. These often without sufficient funds in sight to warrant this necessary business procedure. It is only by completely transforming business procedure that a business man can successfully perform the duties of Accounting Warden of a church. He can only patiently wait, with a note in bank probably, for contributions to be forthcoming. The asking for money constantly from chancels is always due to cruel necessity and pressing creditors. Not an edifying proceeding and always a humiliating experience to the unfortunate Priest. In St.Mary's this is not our practice; perhaps it would be better for our finances if it could be done. But we will not do it. Instead we only ask for prompt payments of pledges already made and usually fulfilled. There is due from unpaid pledges quite a large sum which is imperatively needed to keep our credit clean. Kindly make an effort this week to pay up all back envelopes and pledges. It will take the war out of the Warden.

Aside from this seasonable weakness we are happy to state that at least as far as our current expenses are concerned we manage to remain solvent at the close of the business year. With acknowledgments to the ladies of the congregation and others we finally pay our bills and sail on an even keel. We make no headway toward reducing or removing the incubus of debt caused by past mortgages and other indebtedness. The interest on these is a heavy draft on our resources and constantly interferes with our peace of mind. Could we be freed from these payments our condition would be healthy with no financial cloud in the parochial sky.

Parish Reception

Invitations have been mailed to members and friends of
the congregation to a Parish Reception to be given on
Wednesday evening, November 12th, at 8.30 P.M.

It is altogether probable, judging from past experi-
ences, that a name here and there has, for unknown rea-
sons, been omitted. Such omissions are always uninten-
tional and not to be explained. Our lists have been
carefully gone over and the utmost care exercised in the
sending of these invitations. If by any chance there
has been an omission we trust we will be treated with the
leniency we deserve.

The purpose of this gathering is purely social and for
that reason it is the hope of the Rector that everyone
will deem it a pleasure to be present. Congregational
acquaintance is difficult to attain under present condi-
tions. The breaking up of neighborhood bonds and the
scattering of members of the congregation throughout the
city have almost destroyed the old-fashioned intimacies
once characteristic of St. Mary's when Hamilton Village
was a close-knit community. For that reason also it is
probably impossible for the whole congregation to be pres-
ent at the services of the Church. Yet with due allow-
ance for this fact it cannot be denied that the percent-
age of absentees is larger than it should be.

No church can long survive indifference of its members
nor have hope of a healthy life if trivial reasons lead
to religious slackness and spiritual coldness. To speak
of loyalties is futile when apathy has destroyed convic-
tion.

The offering on Thanksgiving Day, as is the custom in this Diocese, will be taken for the Episcopal Hospital. There is an especial need for increased offerings at this time, for reasons most evident. The Hospital is in the midst of a practically closed mill district and the suffering in that district is appalling. Consequently the demands for medical relief have greatly increased and additional contributions are urgently needed. Be generous and make a liberal offering.

Finances

A short while ago reference was made to the peculiarities of church finance. Throughout the Church contracts are entered into and plans made for an estimated income, which being voluntary is expected to be realized during the ensuing twelve months. As a rule these expectations are fulfilled although there is much anxiety when December arrives to close the year. Church Treasurers must have stout hearts to carry on under these circumstances.

This year is no exception to the general rule and this parish is confronted with a situation more severe than usual. We are in no different condition from other institutions than the Churches. But our resources are slender and we now must look to expectations converted into realities.

There are unpaid pledges of \$510.00
and unpaid envelope pledges of \$265.00
Making a total of pledges due \$775.00

Our policy of economy has cut expenses to the very limit of efficiency. Further curtailment would be ruinous. But a reasonable view of the situation does not indicate such a course of action. What is needed is that these pledges be promptly met.

It should not be necessary to utter this plea nor do we feel comfortable in making it. But a Church must pay its bills.

It is not reassuring to consider that these words are addressed to but half of the communicant members of St. Mary's Church. The other half makes no regular contribution toward the expenses of the parish. And, strangely enough, that half does not appear to be interested either in their own religion or the public worship of the Church. For this we bow our heads in shame. Has Christ come to mean nothing to Christians?

We do not think of money but those who love much also give much.

Communion Alms

It is no doubt well known that the Rector is entitled to one offering a month for Communion Alms, that is for his discretionary use in cases of necessity. Under the operation of our financial system there is no offering as of yore on the first Sunday of the month for that fund. Instead it is confined to occasional services and the offerings at the early Celebration.

Now owing to a lamentable falling off of communicants at these services the offerings have likewise dwindled to a sad minimum. Those who fail to come appear to have overlooked their duty toward the poor. Is it not natural that it should be so?

Also, a majority, I should say, never at any time make a contribution to the Communion Alms for the reason that they do not make an early Communion. So they never have the satisfaction of making an offering for the poor. Some who do come use the Offertory for the purpose of depositing their parish expense envelopes. May the Rector observe that the early Communion is not the time for parish offerings but for Communion Alms.

Christmas Greens

Contributions for the Altar Flowers and Christmas Greens will be gratefully received and may be sent to Mrs. Rowland Kent, 204 St. Mark's Square or to Miss Maguire, 3813 Spruce Street.

This notice from the Altar Guild is the customary invitation to the members of the congregation to take their part in the good old-fashioned practice of decorating the church for Christmas. In the old times the congregation actually made and hung the Christmas Greens. In these new times we continue dressing the church but the greens must be purchased. We have no doubt there will be sufficient contributions, as usual, for this purpose.

Christmas Sale

A Christmas Sale of home made "goodies" will be held at 3828 Locust St., Saturday, December 20. Kindly note the date, Saturday the 20th, at two o'clock.

Any donations of breads, cakes, candies, pies or preserves will be appreciated.

An Appreciation

The Rector wishes to express his appreciation to our composer-organist, Mr. Banks, for dedicating the anthem sung this morning, "The Lord is in His Holy Temple," to him and St. Mary's choir.

On another day under less peaceful skies the Rector was honored by being elected an honorary member of the American Guild of Organists.

For the Needy

Our Parish is asked to send each month for four months, 25 garments for women or children or men. Warm seasonable garments are needed.

Articles may be sent to the Parish House, care of Mrs. Steinmetz, Chairman.

Your thoughtfulness and generosity are needed to keep up our quota for the next three months.

The response to the Rector's appeal for Christmas Baskets was indeed most gratifying. In the name of those who received the gifts he returns thanks to the givers.

There was sufficient received from many contributors to satisfy the demand made on the Parish.

Confirmation

Sunday morning, February the 22nd has been appointed by the Bishop of the Diocese as the date of his annual Visitation to St. Mary's.

Since ancient times the Bishop's Visitation was the time of general supervision of the affairs of the Parish.

In addition, we rather in these times look for the Gift of Confirmation at his hands than a mere official visit.

The Rector will welcome the names of those who are thinking of Confirmation. Instructions will be given later and the day and time will be announced.

The Offering

On Christmas Day the offering in this parish will be for the benefit of our own Saint Mary's Church.

The spirit of Christmastide which yearly relieves the drabness of a very material world should especially animate the lives of all Christians.

After the family, the Church should receive your loving remembrance and kindly gifts. Again an opportunity is offered to forget past coldness and neglect and to return to offer your gifts in honor and memory of the Christ Child of our devotions.

With others St. Mary's is suffering from the general conditions and we have only the faithful to remember our needs. A liberal offering today will restore our finances to a sound basis and help us all to enjoy an untroubled Christmas.

To one and all we wish you a Happy, Merry and Blessed Christmas.

THE RECTOR.

LENTEN DAYS, Wednesday, Friday and Saturday.

Lenten Services on Special Leaflet.

Important

There will be no services in the church on Tuesday, Wednesday and Thursday. After a long study of our heating plant, the American Radiator Company has decided that the boiler now in use is too small for our needs. In order to remedy this defect it has decided to install a larger boiler without cost to us, practically throwing away the boiler now in use. For that reason, while the work of replacement is in progress the church will be cold for four days. Services will be resumed on Friday.

While this is a gratifying action on the part of the American Radiator Company which has already been most kind to us, it also involves us in an item of additional expense. That is, we are asked to pay \$200.00 for the increased size of the boiler. Since this should have been done at the beginning we are only paying for a proper size boiler, the cost of which is a proper charge for the steam installation.

The Church School

The congregational offering for the Church School for which special envelopes are provided both in the envelope system and in the pews is especially called to your attention. This offering is for the maintenance of the School. All the offerings of the children themselves are devoted to special objects, among which one is for the parish.

On Going to Church.

Out of the increasing sentimentalism which afflicts religious thought has grown the peculiar idea of a "Go to Church Sunday". If last Sunday was an indication of the influence of that movement it served a good purpose indeed for the congregation was quite large. But why one Sunday out of fifty-two to be thus signally commemorated! Are we to be governed by sentimentalism or are there more compelling reasons for church attendance.

Sunday has for its sole reason of existence the Catholic practice from the very beginning of Christianity the celebration of the Resurrection of our Lord and the worship of the living Christ. The Englishman regards this service as a duty. The American grows sentimental and loudly laments the weakness of the church. This season of Lent is a proper time for readjustment of values. Worship, meditation and prayer will place things in their proper relationships and make clear our duty toward God.

Parish Expenses.

In the management of a parish it is becoming increasingly difficult to operate without making some reference to money. Just why it should be considered bourgeois or indelicate to speak of money at a public service of the church does not seem clear. Certainly there appears to be no corresponding reticence anywhere else in society. But the majority rules and the church becomes excessively polite. At the same time the church is under the same necessity as other institutions and is expected to pay its bills promptly. At this point it becomes necessary to have money. How then shall a church secure this money? That is the problem that only the membership can solve. Of necessity it must be a voluntary arrangement and there must be a sense of personal responsibility. When these fail there can be only one result. Fortunately an awakened and interested membership always makes this failure an impossibility. There remains another difficulty to be met, which is the removal of anxiety from the minds of those charged with the administration of the parish.

If every contributor, and every member of the congregation should contribute, would be scrupulous in making prompt payments, the monthly financing of expenses would be much easier, for the Accounting Warden. Since this is not the case unfortunately, it is necessary for us to have a large Easter Offering to make up for previous failures.

This season of Lent with its express teaching of self denial offers an opportunity of preparing for a worthy offering on Easter Day. If every member would prepare to offer not less than five dollars as a minimum we will be able to discharge our accumulated obligations.

Easter Flowers

The Altar Guild invites contributions for Easter Flowers. They may be sent to Mrs. Roland G. Kent, 204 St. Mark's Square, or handed to the Rector.

The work of the Altar Guild is done so unobtrusively that its value to the parish is seldom appreciated. It functions every day of the week practically in making provision for the various services of the Church. These could not be adequately observed without this constant supervision of the vestments and altars. In connection with this service there is involved also a matter of expense; For this the Altar Guild is dependent on the contributions of members of the congregation. Its resources are not sufficient to meet the heavy demands of the great Feast Days, especially Easter and Christmas. For these days special contributions are needed and are now being asked for Easter.

The Rector wishes to express his appreciation of the fidelity of the Altar Guild in their unremitting care of the Sanctuaries and the Priestly Vestments.

Contributions

It is interesting to note that many of the clergy report that contributions have actually increased in their parishes. Thoughtful and farseeing persons have seen that times such as these are bound to be hard on the church. Accordingly they have planned to assure the safety of the churches by making adequate provision for its preservation. A Parish is helpless unless its members care enough for its welfare to provide that it does not go into bankruptcy. It is not alms that the church asks, it is a common sense support that should be gladly and voluntarily given to enable it to live.

Good Friday

The Offering on Good Friday will be devoted to the work in Jerusalem for the education of a native ministry for the ancient Churches of Assyria and Armenia. The whole Anglican Communion is united in this noble effort to preserve these martyred Churches. The work of the Near East Commission was successful rescuing and preserving the children of these devastated Churches. Now the task remains to provide Priests and Pastors that these Churches may survive and live. An American, Dr. Bridgeman, represents the American Church in cooperation with the Anglican Bishop in Jerusalem.

Easter Offering

It is our hope that the sorely pressed treasury will be relieved by a generous Easter Offering. This Offering provides an opportunity of making up any deficiencies caused by absences, enforced and otherwise, which have served to reduce the usual offerings. In addition we have a right to expect that the Lenten Season will have served to induce a right perspective towards the needs of religion in general and of St. Mary's in particular.

There is no need to stress the plight of reduced offerings and its effect on our financial condition. Everyone has felt the strain. Yet St. Mary's should not be allowed to fail when other agencies have been supported without reservation. It is necessary that a large and self-sacrificing offering be made this Easter in order that we may be able to pay our accumulated bills. A dollar contribution is foolishness under the circumstances. Your gifts must be larger and every communicant should make it a point of special privilege to make a sacrifice for St. Mary's.

The Easter Communion

The special services arranged for Easter Day should make it possible for every Communicant to make a Communion on that day. The High Celebration at 11.00 A.M. should be crowded with the members of the parish. Give this Day to Christ.

Last week the members of St. Vincent's Guild were tendered a delightful supper by ladies of the parish, after which, and a part of the entertainment, they were given tickets for the theatre. The acolytes deeply appreciate the thought which prompted this entertainment.

Mr. David Alexander Horn was appointed Warden of the Guild.

Painting of the Church.

Through the courtesy of the Emergency Work Bureau, St. Mary's was offered the use of carpenters and other workers in carrying out the plan of the Bureau for relief. The rector availed himself of the offer and for nearly two months has been engaged in making most needed repairs to the church property. He had quite a while ago requested painters for the interior of the church. But painters were so greatly in demand that our request was laid aside until this week. In the meantime we had quite given up hope of being able to carry out our plans. Suddenly on Thursday painters appeared ready for work and everything was immediately geared up for this great opportunity. Scaffolding, paint, brushes, varnish, hardware were hastily assembled and while the carpenters were engaged in erecting the staging, work was started in the parish house for which funds were donated by Mrs. Dickens. Friday saw the beginning of the painting of the church and it is our hope to have the work completed by the end of this week. This is the rector's personal job for which it appears he must hold himself responsible, This he is willing to do with the help of the members of the congregation. This means, of course, that under the circumstances he practically holds himself responsible for the buying of the paint and other incidental expenses connected with such a piece of work. The vestry has its little collection of troubles of its own.

This work will cost but a fifth of the cost under other circumstances. Hand your donations to the rector or send by mail. He will greatly appreciate your cooperation and gifts.

Parish Day

A meeting of the Woman's Auxiliary will be held in the Parish House, Tuesday, April 28, at 11.00 A.M. Luncheon will be served at 12.30, thirty-five cents. St. Mary's Aid will meet at 1.45. An important matter is to be discussed at this meeting, and it is hoped that there will be a large attendance.

Of Parish Concern

After a strenuous week of intensive labor we have succeeded in having the interior walls of the church painted. As usual when work of this character is undertaken other needed improvements immediately demand attention. These we hope to undertake at once in order that the church may be completely renovated. It is something like the new ribbon on the old lady's bonnet!

The work on the church was so pressing that we were unable to finish the Parish House. That, however, will also be completed with the money in hand given for that purpose.

The color of the walls is approximately that placed there when the church was last painted. The dust of years and natural deterioration have led many to think that the original color scheme was very dark. On the contrary when the walls were cleaned the new color and the old color, so long concealed, were found to be approximately the same.

We are grateful for the contributions which have been made, but not sufficient has been received to meet the expenses of the work. We still need \$350.00 to pay all the bills for the renovation. May we suggest that every member of the congregation make a substantial donation and thus take part in this improvement. It is really a very small amount to ask for the many and important improvements which have been made. The cost of the labor in dollars and cents was well over \$1,000.00. This labor cost the parish nothing.

We only ask for the necessary expenses of the materials used in this restoration. It is the Rector speaking to you and telling you again that he personally is responsible for both the improvements and the expenses connected with them. He did not involve the Vestry purposely for it could not possibly have undertaken the work. The Rector did it because he is a person and not a corporation.

WEEKDAY

Wednesday Holy Communion 10.00 A.M.

To Whom It May Concern

The interior of the church including the vestibule entrance and the Sacristy have now been completely painted, the doing of which outrun the funds for painting which had been contributed. In order to finish the work begun it was necessary to hire a painter. Since the whole matter of painting the church was a venture of faith together with an unexampled opportunity offered by the Emergency Work Bureau the rector has, on his own responsibility, plunged ahead without sufficient funds in sight for the completion of the job. Since the whole amount involved was comparatively small he felt confident the members of the congregation would back him up when they had seen the results of his venture. We now invite inspection of the work and solicit subscriptions to the amount of \$300 to pay up in full.

At the same time the painting was undertaken an opportunity was presented to put the roof in shape. This repair was made necessary on the decision to paint the church. Leaks in the past being mainly responsible for the unsightly condition of the walls. It is not too much to say now, that parts of the three roofs on our buildings leaked like a sieve. We contracted to have every broken slate replaced; every valley and ridge painted; every tin spout and gutter removed and replaced with copper; every leak to be repaired on our three buildings. This is also now completed, so that the church property, considering its age, is in first class order from the cellars to the roofs of the Church, Rectory and Parish House. Probably next year there will be something else but at this time everything is in first class repair.

To date there have been eighteen subscriptions sent to the rector. It is obvious that more must be given. Everyone is asked to make a contribution and take part in this restoration. It should be given immediately so that these personal bills may be paid.

Ascension Day

Attention is directed to the special service on Ascension Day at 6.30 A.M.

There will be a Choral Eucharist, the choir being in attendance.

According to our custom a breakfast will be served to the choir after the service.

The special Offering on Ascension Day will be for the Rector's Discretionary Fund. Often fond inquiries are made concerning this Fund. It still exists although in a sadly emaciated condition; its friends are few but its hopes are always high.

Parish Day

A meeting of the Woman's Auxiliary will be held Tuesday, May 12, at 2 o'clock in the Parish House, followed by a meeting of St. Mary's Aid.

At this meeting final arrangements for the Strawberry Festival will be made.

Tea will be served and all women of the parish are cordially invited to attend.

The Restoration of the Church

Work on the Church and Parish House continues as the result of one thing leading to another. The painting of the Nave and Transepts has rendered necessary the painting of the Choir Arch and the cleaning of the Sanctuary walls. The completion of these two projects will almost bring the restoration to a close. A few other things need attention to complete the whole work and these of necessity will receive attention.

The coming week will probably witness the painting of the two main rooms of the Parish House. What paint is left over and what money remains will be devoted to such extension as both permit.

The roofer has finished his work and we may be justly proud of our new copper spouts and gutters, about 25 of each, and not a leak in sight.

The rector feels that he is nearing the goal of meeting the bills incurred in this work. He needs but \$200.00 now to meet all obligations. The value of all the work done is worth actually \$2,000.00 to the parish.

The Painting

In order to complete the job we decided to restore the color of the frescoed walls of the Sanctuary. We are happy to report that when cleaned the colors are now as bright as they were originally. The cleaning disclosed damage from a long-time roof leak which compelled window frame repairs. After painting there remains no trace of the disfigurement.

The rose window in the west end of the nave was also repaired and the outside pointing replaced. The work in the church is now practically completed. If the funds hold out we still plan to oil the lower wood work of the church and call it a day.

The parish house is now being painted with funds already in hand. It will probably be completed next week. By that time the foreman will be ready to stop.

In addition to the deep satisfaction of having everything in good condition there is also the satisfaction of having the hearty support of the congregation. While there still is lacking about \$150.00 the generous response to the rector's various statements has made the actual labor easier to accomplish. We are so near the goal now that a few more contributions will see us over the top.

Fixing Things Up.

This fixing things up business must come to an end,
of course, but we cannot stop until the glaring
contrasts are removed. These will carry us through
the coming week when we plan to make a finish. Under
the circumstances it is best to do now what ought to
be done than postpone for a day that may not come
the few things that remain. Frankly we are out of
funds and are proceeding on our acquired momentum.
This is not our custom, for we have a deadly fear
of incurring a debt, nor do we propose to venture
far from shore. So far less than forty subscrip-
tions have been made for this work of restoration
from all sources.

Perhaps there remain a few who will help out
to assure your contractor of their sympathy and
substantial support.

So will be brought to a successful close a rather strenuous campaign both of effort and money raising for this most needed work of general repair of the parish property.

Again we wish to thank every one who in any manner made a contribution to this object. The Endowment Fund
The special offering to be made today through the medium
of the envelopes is for the Endowment Fund.
A special feature of the effort is called the Cumu-
lative Endowment. It is a means by which a Memorial may
be created with a small initial sum and added to at regu-
lar intervals, thus building up a lasting Memorial for
the benefit of St. Mary's. Already there has been
placed in trust the sum of nearly seventeen hundred dol-
lars for the permanent Endowment of the church in the
name of persons who are being remembered in this manner.
We commend this method to those who have a desire to
build up a permanent Memorial which will be a lasting
contribution to the church.

In this connection the Vestry has created a Trust in the
Pennsylvania Company for Insurances on Lives, &c. with
the Funds given for the Endowment of St. Mary's Church.
Legacies may be made to the church with the full assur-
ance that the desires of the testators will be fully met
and the gifts carefully protected for the purposes given.

It is our hope that the communicants of St. Mary's
Church will remember her when making their wills. Every
amount, however small, will be gratefully received and
carefully preserved. If every communicant would make
such a gift the sum total would assure a continuous sup-
port for the church throughout the coming years.

The choicest gift you can make to St. Mary's is yourself.

It is hoped that all the women of the Parish will be present at both meetings.

To the above may the Rector add his voice in urging this invitation on the attention of the women of the congregation. Important matters will be brought to the attention of St. Mary's Aid.

Seaman's Institute

Interest in the Seaman's Institute continues through the activities of Mrs. Gilkeson and contributions of the friends of the Institute. St. Mary's has sent in September, 100 magazines, a radio and knit wristlets for the use of the seamen. The Girls' Friendly Society is constantly at work making articles of use for the Institute and these, from time to time, are forwarded as they are made.

The flowers on the Altar on All Saints Day were placed there by the Girls' Friendly in memory of their departed leader, Miss Bankson. After the service the flowers were taken to the cemetery and placed on her grave by one of the members of the Friendly.

The Envelopes

The well-known depression has been at work in the finances of the churches as well as elsewhere. This was to be expected, since its effects are evident on all sides. In a measure, efforts of economy made in anticipation of the inevitable shrinking of income served for a time to make ends meet in St. Mary's. But when contributions to the church fall below the level of maintenance and the meeting of legitimate expenses the danger line of safety has been reached. That is our situation. Make a sacrifice, go over your envelopes and fill up every back one and send it at once. Make good on your subscriptions immediately. A church cannot fail, it must go on.

There is need of additional funds in the parish treasury due to the present depressed condition of affairs and the ladies of the parish are taking this step to help out in the emergency. He hopes everyone will take an active part in this supper and do everything possible to make it a financial success.

Gifts of money and offers of food may be made to Mrs. J. Walter Maxwell, 3828 Locust Street.

Every Member Canvass
The Vestry intends to conduct an every member canvass of the parish for parish expenses. Not later than the end of the month you will be visited and given an opportunity of pledging your contribution through the envelopes for the coming year of nineteen thirty-two. On the basis of these pledges the Budget of the year will be made up.

It is obvious that no more can be spent than is offered for the running of the parish. It is, therefore, most important that we should know where we stand at the beginning of the year. At present we are about \$2,500.00 behind in our account for the year. This amount must be made up immediately and the same amount provided in addition to carry on next year.

Episcopal Hospital

The Offering on Thanksgiving Day will be for the Episcopal Hospital. Our Hospital is not included in the Welfare Federation and therefore does not benefit by the drive now under way for charity funds. It relies on the offerings of the churches and their general support for current expenses. The poverty in that section of the city has thrown a tremendous burden on the resources of the Hospital. The sick must be cared for even though financial aid be lacking, and the Hospital is doing its duty under difficulties. It is a worthy cause.

The Envelopes

When St. Mary's adopted the principle of a free church and adopted the envelope system, the sole means of supporting it was centred in free-will offerings instead of the time-honored pew tax. It is evident that no one contemplated the possibility of an irresponsible clientele treating voluntary pledges as of no binding obligation. No institution can be maintained without definite arrangements for meeting fixed and necessary expenses. These are based on the income derived from offerings. When income suddenly shrinks, ability to pay bills ceases. But bills must be paid for they were incurred in good faith. We are now in a critical position because our income is curtailed. Will not every contributor promptly bring up their offerings to date?

Girls Friendly

During the month there have been sent to the Seamen's Institute by the Girls Friendly Society,

219 Magazines, 12 Books, a Backgammon Board.

This quiet work is done through the thoughtful cooperation of those who bring magazines and other reading matter to the Parish House, where they are assembled for the use of the seamen in port between voyages. This material is also made up into bundles and placed aboard ships for use during a voyage.

Those who wish to help may bring or send magazines to the parish house at any time.

The Every Member Canvass

The members of the Vestry will make a canvass of the congregation this week for the purpose of securing pledges for the support of St. Mary's Church during the coming year. This is not a solicitation for funds, nor a collection of money. It is for the purpose of asking every communicant to become a regular contributor every Sunday in the year 1932.

Every person should make a thoughtful survey of his personal responsibility and then his obligation to support the services of the church.

This should be a good time to revise the amount usually given in the Offertory. It is seldom indeed that we do the best we can do; a larger amount given every Sunday would be heartening to your Vestry.

A Card Party and sale of home-made cakes and candy, will be held Saturday, December 12, at 2.00 o'clock, at the home of Mrs. Maxwell, 3828 Locust St. Benefit of St. Mary's Aid for the Christmas Offering.

The Canvass

The members of the Vestry are gratified with the reception given them as they visit the members of the congregation. They meet with the usual difficulty of not finding persons at home when they call. Under these circumstances pledge cards are left at the house. May we ask that these cards be returned through the offertory, or in any other convenient manner, as quickly as possible? Those not so returned will receive the attention of the Vestry and another personal visit made. It is most important that every communicant should make a pledge for the support of St. Mary's during year of 1932.

There is every prospect that our outlook will be greatly improved when the canvass has been completed. It appears that about everything has now happened to us that could happen and so we confidently look for better things. It is a long lane that has no turning and we are making the turn.

Christmas Flowers

Altar flowers for the decoration of the Altars at the Christmas celebration are specially offered for that Feast. The Altar Guild will be most happy to receive gifts for that purpose. They may be sent to Mrs. Roland Kent, 204 St. Mark's Square, or handed to the rector.

It may not be generally understood that the Altar Guild also administers funds for Memorial Flowers during the year. Some of these are Trust Funds, the interest of which provides for flowers on a particular day made sacred to the giver. Others have a day set apart which is memorialized by a special gift to cover the cost of the flowers on that day. The Altar Guild offers its services and facilities to anyone thus desiring to make a flower memorial. Mrs. Kent will be happy to make the necessary arrangements concerning the date and time.

The Supper

The rector wishes to express his appreciation of the efforts of the ladies which resulted in a substantial gift to the treasury of the church. The gift, however, as already explained, will not remain there to be used for Current Expenses but is to be applied for the reduction of a bank debt. The amount was about \$275.00. The Ladies Aid will make its usual Christmas Offering to the parish.

The ladies, God bless them, have rallied splendidly to our call for help. Two ladies of the congregation have made two gifts of \$500.00 and \$100.00, respectively, for the same purpose. We respect their reluctance in not wishing the publicity of this page but take this opportunity of expressing our gratitude for their voluntary gifts.

Our minds are quieted for a time now that the pressing emergency is met. Christmas gives us a breathing time, afterward, well that is another story.

Your attention is called to the usual Christmas offering for the parish running expenses. We trust that everyone will bear in mind our need of substantial support at this time. Endeavor to make a liberal offering.

The Canvass

We have been speaking of this canvass for a month past and the matter has been presented to the congregation by speakers selected from the Vestry. Other methods have been employed to bring this important business to the attention of the congregation. In addition to all these an actual canvass was attempted by members of the Vestry.

As a result of all these efforts we have the sorry result to report of the reception of 59 signed cards for the support of the parish. Three names included in the foregoing number are new contributors.

We have done the only thing remaining, which was to send envelopes to those who contributed last year with the hope that they would continue to support the church.

But there are many others, members of the congregation and communicants, who have never made a definite contribution to St.Mary's. For some reason we do not seem to be able to reach these persons. Can anyone offer a solution to this problem?

It is possible that many are deceived by the misleading title of "Free" Church. That does not mean, as it appears to be translated, that St.Mary's Church, any more than any other institution, can live without visible means of support. It simply means that the seats in the church are free from rent or taxation. The church that thus becomes "free" must derive all its support from free-will offerings, so regularly made as to provide means for meeting the bills incurred in running the church. These bills must be paid in hard cash even though it is "free".

Hence the importance of a thorough understanding of the necessity of securing a subscription from every communicant of the church. If you have not done so kindly sign a card which you will find in the pews and place it on the offertory plate or hand it to a vestryman.

A church in Kensington, where persons work but two days a month, has announced subscriptions sufficient for its expenses during this year of 1932.

A Tea will be given on Saturday, January 23, from 4 - 6, at the home of Mrs. William E. Rhein, 212 S. 43rd Street. For the benefit of St. Mary's Aid,

This is not a formal affair and no other invitation will be issued. Every reader of this announcement will be most welcome and graciously received. Mrs. Rhein is a delightful hostess.

St. Vincent's Guild

On Friday, January 22, St. Vincent's Day, the Guild will be entertained at supper by members of the congregation, the ladies assisting. Other entertainment will also be provided.

The Parish is grateful for the religious and intelligent services of the members of this Guild. To them is due, in a large measure, the seemly conduct of the services. It must be a matter of favorable comment on the part of the congregation when it is noted that, with few and explainable exceptions, the Guild functions so faithfully and regularly. The object lesson furnished by the members of this Guild should spur all the members of the congregation to a like faithfulness in attendance at times of worship and the performance of their acts of devotion.

We wish to express here our grateful appreciation of the work of Warden David Horn and his co-workers.

Notices

Preliminary announcement is here made of a proposed Supper to be given by the members of the Girls' Club, Sigma Alpha Sigma. It will be held on Thursday, January 28, 6 - 8. Tickets, fifty cents.

St. Mary's Aid made plans at its Parish Day meeting on Tuesday to hold a musical entertainment, Thursday, February 4, in the evening.

Both of these entertainments, including the Tea, are being given to help meet the emergency caused by our share in the general depressed condition of affairs. With united effort we hope by these and other means to augment the Easter Offering.

Tickets have been mailed for a Play and Musical entertainment to be given under the auspices of St. Mary's Aid on Thursday evening, February 4th, at 8.15 P.M.

Experience has shown us that this method of both advertising and offering tickets for sale is the most satisfactory plan. The Aid hopes that everyone receiving tickets by mail will gladly cooperate by making the entertainment a success both financially and numerically.

There is still pressing need of increased funds to overcome our share of the general depression.

This concert is for the benefit of St. Mary's Church.

Play and Musical

Tickets are on sale for a Play and Musical Entertainment in the Parish House, Thursday evening, February 4th, at 8.15 P.M.

While this entertainment is under the auspices of St. Mary's Aid it should be understood that the Aid is heartily cooperating with the Rector and Vestry in doing all in their power to help out in this pressing emergency. As a matter of fact the price of the tickets was set by the rector. This is said because there are some who have refused to help out by purchasing tickets claiming that the price is too high.

Let it now be understood that this concert is being given to raise money. We are not begging nor are we holding anyone up; on the contrary, we are proposing to give a worth-while entertainment in exchange for a dollar ticket. It is optional whether one desires to attend this concert or does not. But no one acquires the right to criticize by refusing to buy a ticket.

The performers, the ladies and gentlemen, who have consented to appear for us, perhaps fifty in all, will each contribute more than two tickets apiece for the sake of giving us a lift. For the most part they are strangers! Their actual contribution in dollars will in all probability exceed the amount realized in the sale of tickets in the congregation.

We need money for the same reason that every other Institution needs money today. Ability to give has shrunk and contributions have been curtailed. Yet we must carry on and -- we must have money to do so.

If you shrink from a dollar contribution what will happen when you are asked for more? It will be either that or a deliberate decision to do without religion and close up the churches. Communism solves this problem nicely. It not only closes the churches but it also appropriates all the money as well; neither church nor money remain. There is nothing to be selfish about in Communism.

If you have no money, give us your good will.

Lent

With the orderly precession of the Equinoxes, the Church pursues its untroubled way. Nothing interferes with her movements nor does she brook opposition to her claims. It is worth much to us transitory travelers that the Church remains constant as a guiding star on our journey through a troubling and disappointing world. Everything changes and we change with things, only truth ever remains truth and God alone is eternal. Nothing is easier to overlook by undeveloped and imperfect man than this amazing truth of the unchangeableness of the love of God for the man He has created. So far as we can see or know we, inhabitants of this rolling ball, are the only conscious objects of that Love. What a marked distinction has come to us that God should exalt us to so superior a position! He has made us little lower than the Angels. What response can possibly be made to this exalted distinction other than a recognition of this love and a willing surrender to the claims which God has a right to make. If the call to Prayer and Lenten discipline is not heeded or proves to be distasteful, the Love of God can have no meaning.

The Church calls again to her children to pray and fast.

The Washington Bicentennial Celebration

The official opening of the Bicentennial celebration of Washington's Birthday will take place here in St. Mary's Church next Sunday morning at 11.00 A.M. The Bishop, the Right Rev. Francis M. Taitt, S.T.D., will preach the sermon.

Bishop Taitt is Chairman of the committee appointed by the National Council, under the instructions of the General Convention, to arrange for this celebration under the auspices of this Church.

We highly appreciate this signal distinction in having the Bishop inaugurate the Celebration in St. Mary's Church, and will do our best to make it a worthy occasion.

Mission Study Class

The Mission Study Class will begin its sessions, Wednesday, February 17, at 10.30 A.M., in the Parish House.

Mrs. Elliot Brewer will be the conductor.

This Class will be held every Wednesday, during the Lenten Season. All the women of the parish, and others, are invited to attend. It is evident that the success of the Class is entirely dependent on the interest of those for whom the instruction is intended. Regular attendance also is necessary to make the class effective.

We are indebted to Mrs. Brewer for her willingness to lead this Class and trust that she will have the support she is entitled to receive.

The Easter Offering

Members of the Ladies Aid have taken steps to augment their Easter Offering by using mite boxes during Lent for that purpose. May we suggest that Lenten self-denial take the form of setting aside, daily, saved sums in preparation for Easter. The ordinary Easter Offering is often but an increased offering. It bears no relation to Lent at all. Make it a worthy offering this Easter.

In view of conditions only too evident to us, it is necessary that we have a large Easter Offering this year. We suggest as a means to that end that preparation for that Offering be made throughout this season of Lent. Let usual self-denial take as one of its forms the putting aside regularly of certain sums of money representative of that religious act. Money usually spent on amusements should be set apart for the church. Then you will "not appear before the Lord empty".

Both of these Teas are for the benefit of the Church School Lenten Offering.

In addition to the Mite Boxes, which are distributed among the members of the Church School, these Teas are being given to increase its Offering for Missions.

It should be generally known that the National Church is confronted with an unprecedented crisis by reason of a decrease of about a million dollars in contributions for the support of existing Missionary work spread all over the United States and the World. Unless the Church receives increased contributions it will be compelled to close down much of its Missionary work. Already drastic cuts have been made and as a consequence hundreds of Clergymen are walking the streets with other unemployed men. We have not stressed Missionary Contributions lately being engrossed with self preservation. But the stark fact remains that responsibility for this state of affairs must be shared by this parish. Not only the honor of the Church but the actual life of religion are involved in this failure to support the Board of Missions. If you do not contribute to Missions, start to do so now. If you have contributed be sure to keep up your payments.

Easter Flowers

Contributions for Easter Flowers may be sent to Mrs. Roland G. Kent, 204 St. Mark's Square.

The Altar Guild has no other resources for flowers beyond the gifts of the congregation for that purpose. Your attention is particularly called to the need of personal offerings in order that the Guild may fittingly mark, through your gifts, the Great Feast which we delight to celebrate.

The Easter Offering

May we remind you of our hope for the coming Easter Offering.

It long has been the custom to rely upon this Offering to meet parish obligations for which the ordinary income is not sufficient. By special arrangement the Kunkel Coal Co. has waited since last April for its money. Meanwhile we have been warmed the Winter through by their courtesy.

This Bill is the first claim on the Easter Offering.

Because of the stringency due to general conditions, your Vestry has been compelled to defer other pressing bills and our principal reliance is now pinned on your generosity in making a liberal Easter Offering.

Good Friday

The Offering on Good Friday will be devoted to the work in Jerusalem for the education of a native ministry for the ancient Churches of Assyria and Armenia. The whole Anglican Communion is united in this noble effort to preserve these martyred Churches. The work of the Near East Commission was successful in rescuing and preserving the children of these devastated Churches. Now the task remains to provide Priests and Pastors that these Churches may survive and live. An American, Dr. Bridgeman, represents the American Church in cooperation with the Anglican Bishop in Jerusalem.

Easter Offering

It is our hope that the sorely pressed treasury will be relieved by a generous Easter Offering. This Offering provides an opportunity of making up any deficiencies caused by absences, enforced or otherwise, which have served to reduce the usual offerings. In addition we have a right to expect that the Lenten Season will have served to induce a right perspective towards the needs of religion in general and of St. Mary's in particular.

There is no need to stress the plight of reduced offerings and its effect on our financial condition. Everyone has felt the strain. Yet St. Mary's should not be allowed to fail when other agencies have been supported without reservation. It is necessary that a large and self-sacrificing offering be made this Easter in order that we may be able to pay our accumulated bills. A dollar contribution is foolishness under the circumstances. Your gifts must be larger and every communicant should make it a point of special privilege to make a sacrifice for St. Mary's.

The Easter Communion

The special services arranged for Easter Day should make it possible for every Communicant to make a Communion on that day. The High Celebration at 11.00 A.M. should be crowded with the members of the parish. Give this Day to Christ.

FIRST SUNDAY AFTER EPIPHANY

January 7, 1934

This Leaflet will be printed each week until Trinity Sunday. It is sent by mail this week to everybody on S. Mary's list and will be mailed regularly to all who send one dollar to the Rev. Ralph E. Coonrad, 3916 Locust Street.

Christmas at S. Mary's was a day of joy and hope. There were three hundred people at the Midnight Mass, and nearly one hundred at the other services. One hundred and sixty-five communions were made. The Church was beautifully decorated by willing workers to all of whom we owe our gratitude. The one fly in the ointment was that the Offering asked for, \$500, was not made. You gave \$377.60. We had calculated this \$500 with care as is shown by the fact that the Accounting Warden's Report for the year shows a deficit of \$118. Had the full Christmas amount been given the Report would have showed a balance of \$4.60! Perhaps there are some of you who will want to help even now to make up the \$500. If there are, please put an offering in the plate and mark it "Christmas".

Beginning next week the music of the Sunday services will be printed in the Leaflet.

The Regular services at S. Mary's are:

Sundays:

- 7:30 A. M. Holy Communion.
- 10:30 A. M. Morning Prayer.
- 11:00 A. M. Choral Eucharist and Sermon.
- 5:00 P. M. Evensong and Sermon.

Weekdays:

- 7:00 A. M. Holy Communion, daily.
- 9:30 A. M. Holy Communion, Wednesdays.
- 9:30 A. M. Morning Prayer and Litany, Fridays.

Holy Days:

- 7:00 and 9:30 A. M. Holy Communion.
-

If S. Mary's people are to have God's blessing on their Church, they must seek it earnestly. One excellent way to do this is to come to the Altar on weekdays. You have to be in earnest to go to Church

at seven a. m. on a winter's morning! People sometimes say they would "be glad to do some Church work". Well, the Church's real work is prayer, and the great Prayer is the Eucharist. Make up your mind to come at least once each week. You will be helping S. Mary's wonderfully.

Just before Christmas we sent to everybody a statement about S. Mary's finances. It was plain, straightforward, complete. To meet the needs of 1934 we must have promised gifts of \$10,000. You were asked to sign and send in cards, and to do it by January 14, at which time all cards received will be offered to God at the eleven o'clock service. At that service Dr. Mockridge will make a statement to the congregation and will announce the number of cards received and the total sum promised.

Some of you have already sent in your cards. Many of you have not. Won't all of you please do so promptly?

People sometimes object to "making a pledge"—though why they cheerfully make pledges to the landlord, the Gas Company and the ice man and get an attack of conscience about making a pledge to God is hard to understand. In our case the card is carefully worded so as to be Christian, not legal. The "pledge" is a simple declaration of intention which every Christian should be glad to make.

Some people don't like to send in a card because they can "only give a little". They should remember what the Bible says: "If thou hast little, do thy diligence gladly to give of that little." As we have arranged it, nobody but your Priest knows what your gift is. We want all the "small" gifts we can get. God doesn't count the way we do. If five cents a week is what you honestly can give, say so.

We have *two* goals, not one. We want a gift from everybody and we want the total of the gifts to be \$10,000. But, especially, we want you to be in Church at eleven on Sunday, January fourteenth.

The "Student Vestry" is the organization, sanctioned by the Bishop, through which the Church students at the University do their work. It is now closely identified with S. Mary's and is taking hold well. Next week we hope to announce a special series of Sunday afternoon services. Watch for it.

Confirmation instructions will begin on Sunday, January seventh, at four o'clock. The class will be open to everyone. Mr. Coonrad hopes for a goodly attendance. You need not have made up your mind about Confirmation to attend the class. Come if you are interested.

Members of the congregation can help by suggesting names to Mr. Coonrad of possible candidates.

The Church offices are 3916 Locust Street, and the Telephone is Baring 4527.

S. Mary's Church

Hamilton Village

QUINQUAGESIMA

February 11, 1934

The Presiding Bishop has called each one of us to a year of religious advance. He has made the call quite plain and has told us what to do.

The first duty is to read the "Message in Brief" and the other card headed "Church-wide Endeavor." Copies of both are in the pews. The "Message" will repay repeated reading and study.

Next, begin the daily use of the Prayer. Learn it by heart. Sign the card and send it in to Reverend Ralph E. Coonrad, 3916 Locust Street.

Third, help to get the whole Church to take this great effort seriously, by taking it seriously yourself.

The clergy of St. James's and St. Mary's are working out plans in connection with this Call which will be announced from time to time. One suggestion that will be adopted is to make each of the seven ways of finding and working out God's Purpose in our lives, the background of our thoughts and prayers for each week in Lent. From Quinquagesima to Saturday, February 17th, we shall thus have in mind the Bible as revealing and explaining God's Purpose. The next week the Church as the institution in which God's Purpose is preached and believed, and so on for each week.

Lent is close to us. It gives us a grand chance for spiritual discipline and renewal, through more frequent attendance at services, through the stricter practicing of the three Christian duties of Prayer, Fasting and Almsgiving, through the closer adherence of each of us to a definite rule of life.

The services at St. Mary's are listed in this Leaflet. It has been arranged that a united service of St. Mary's and St. Philip's congregations will be held every Wednesday night at 8 P. M. in St. Philip's Church, Forty-second and Baltimore Avenue. The preacher on Ash Wednesday night will be the Rev. Dr. Joseph Fort Newton, of St. James's.

On December 15th a full statement of the exact condition of St. Mary's finances was sent to all of you. It gave details of expenses that had to be met by December 31st amounting to \$735.42. It showed that there were accumulated obligations amounting to \$1588. The statement also presented an estimate of the cost of operating the Church for the calendar year of 1934—\$8600 plus \$1000 for Missions. We said that a Christmas Offering of \$500 would be needed if the \$735.42 were to be paid, and we asked that gifts or subscriptions of \$10,000 be made for 1934 so that, with endowment income, collections, etc., we could meet the cost of running the Church, pay off the accumulated obligations and make at least a beginning on paying the funded debt of the Parish.

Six weeks later, January 31, 1934, how do we stand? The Christmas Offering came to \$403. Ninety-three pledges for 1934 amounting to \$4000 have been sent in. The accumulated obligations have increased by \$151 to \$1739. They will naturally increase more rapidly unless the full amount of \$10,000 is quickly given. A few plain words seem to be necessary. You are all pleased at the renewed life at St. Mary's and indulge in feelings of satisfaction. As a matter of fact you are enjoying the fruit of labors for which you pay nothing at all. The labors are gladly given, but they deserve response in the form of your assuming and meeting the small budget. Perhaps not again for years will you have so good an opportunity as you have this year to see your Church out of the financial slough it is in. If you take it easy you will quickly dishearten those who are doing their best to lead you out of your troubles. The trouble is that you fail to assume your share as individuals of an obligation which is really yours. At this moment \$6000 is the amount you have not assumed. Do not think of it as six thousand dollars, but as one hundred times sixty dollars. Five dollars each month from one hundred people will mean the full carrying out of our modest program. Is it possible that for any of you this is too great a burden?

The Confirmation Class is now studying the Creeds. These meetings, at four o'clock Sunday afternoon, will afford a valuable opportunity for those already confirmed to review or think out more deeply the fundamentals of their faith.

It is not too late for Parishioners to suggest to the Clergy names of candidates for Confirmation.

On Friday, February 2d, the Men's Club held a special meeting to revise the By-Laws and to arrange for nomination and election of

officers. Messrs. Henry W. Davis, W. L. Rutter and T. N. Walker were appointed to the Committee on Nominations.

The aims of this Club are fellowship and service in the Parish. All men in any way connected with St. Mary's are urged to come to both the service and the meeting and bring friends.

The Clergy are deeply indebted to Mrs. Ehrenfield and Miss Merrick for their regular, faithful and competent clerical work.

At the Sunday afternoon service no "collection" is taken up; but offertory plates will be found near the Church doors. We hope our friends who attend the service will help us to keep our work going by making generous contributions.

This Leaflet, issued every week, has had encouraging reception. We shall be glad to mail it regularly to all who send one dollar to the Rev. R. E. Coonrad, 3916 Locust Street.

On Sunday afternoon the Rev. W. Brooke Stabler, Chaplain of the University, will preach. This service will be the fifth in a special series arranged by the Rev. Dr. Newton and the Student Vestry.

SEPTUAGESIMA SUNDAY

January 28, 1934

Septuagesima Sunday reminds us of the swift passing of time and of our life here. It comes (early this year) with the message of Christmas and Epiphany still ringing in our ears to remind us of the struggle that life is, of the sufferings and the redeeming death of Our Lord, of His triumph over the grave.

The presiding Bishop has just sent out a call to each member of the Church to renewed and revitalized effort in religion. You will hear more of this, for the Bishop's plan covers the whole of this year with quite definite suggestions for action. Meantime let each of us resolve now to seek guidance for our lives, tossed and troubled as they are, where alone it can be found;—in humble faith in God, in the daily seeking and doing of His Will. Let us be more resolute, more definite and more practical Christians.

It is with special gratitude that we acknowledge the gift of \$100 from Mrs. W. S. Horsey, in memory of her husband. The gift has been added to St. Mary's Endowment Fund and thus becomes a permanent memorial.

Since December 15th, St. Mary's people have had before them a plain statement of their Church's financial needs for the year 1934. It is necessary to raise \$10,000 through the Systematic Offering plan and that plan contemplates a stated gift from every member of the Church.

There is encouragement in the progress so far made. Nearly one hundred people have sent in cards and the total promised is not far from the halfway mark.

But the halfway mark won't do! We must go all the way, and as soon as possible. In every way renewed life is seen at St. Mary's. What has been accomplished in the way of increased congregation, steady revival of activities, new forms of work, in the short space of ten weeks ought to make everybody feel a new sense of obligation to support the Church by prayer and by gift.

Please help.

On Sunday afternoon, at the five o'clock service, Dr. Earl D. Bond, Director of the Pennsylvania Institute for the Treatment of Nervous Ailments, will make an Address on "Life Adjustments". This is a very important announcement, and there should be a very large congregation. Dr. Bond, who last year was given the Philadelphia Award, is one of the greatest of our psychiatrists, and his coming to St. Mary's is evidence of his interest in the bearing of religion on the personal problems of our lives.

The Clergy are anxious to receive the names of volunteers to address envelopes. The time for addressing envelopes is every Tuesday, morning *or* afternoon, for about two hours.

The Confirmation Class is now in its third week. It is not too late to join. Parishioners and their friends may feel free to attend. The hour is four o'clock every Sunday afternoon.

"The Men of St. Mary's" is the name of an organization being formed in the Parish. It is open to all men from eighteen years of age. Its object is to place men in the active work of the Church and Parish, and to encourage fraternity among men. Come, join and bring a friend. Watch for further announcements.

Thursday, February 8th, is an important date at St. Mary's. At that time St. Mary's Aid will hold one of their famous turkey suppers. Encourage your friends to come to an enjoyable friendly evening. Above all come yourself and help make this event the beginning of real parish social activity. Do you have donations for the supper? Send them to Mrs. J. Walter Maxwell, 3828 Locust Street. The Supper hour is six to seven-thirty. The price is seventy-five cents.

The hymns at the Choral Eucharist are: 111, 308, verses 1, 2 and 4 (Sequence Hymn), 112, 319, 117. Merbecke's Communion Service will be sung.

The hymns at five o'clock Evensong are: 113, 120, 526.

Friday, February 2d, is the Feast of the Purification of the Blessed Virgin. The Holy Eucharist will be celebrated at seven and nine-thirty A. M.

SEXAGESIMA SUNDAY

February 4, 1934

It is cheering to see the growth in the Sunday congregations, and to know that this growth comes from renewed interest in St. Mary's. Everybody likes to be part of a good-sized congregation: not everybody realizes that his or her individual presence helps to make it good! If you would like to see the congregation double in size, just get someone to come with you next Sunday. Dr. Yerkes will preach at 11:00 A. M., and at 5:00, the Rev. Leicester C. Lewis, Ph. D., Rector of St. Martin's-in-the-Fields, has kindly promised to preach.

Literature about the Presiding Bishop's Call to each of us to renew our religious life this year, is in the pews. Please take it, read it and act on it.

Pledges for the support of St. Mary's are coming in very slowly now. During the coming week we shall send to you all a statement which will bring this part of our work up to date and make clear what still has to be done.

The daily Eucharist (7:00 A. M.) is a wonderfully helpful way to begin the day. We wish there were many of you who knew this.

On January 26th several men of St. Mary's Parish and their friends met in the Parish Office to organize a Club for the purpose of serving the Church and encouraging friendliness among men in the Parish or associated with it. There are numerous things that men can and should do in a Parish. As the Club—its name is "The Men's Club of St. Mary's Parish"—becomes organized the work it can do in the Parish will be developed. The primary object of the Men's Club is to further the work of Parish and Church. The secondary object is fraternal association. Men eighteen years of age or over, members of or associated with St. Mary's are encouraged to join the Club. The next meeting is on Friday, February 2d, at eight o'clock, in the Parish House.

Thursday, February 8th, is an important date at St. Mary's. At that time St. Mary's Aid will hold one of their famous turkey suppers. Encourage your friends to come to an enjoyable friendly evening. Above all come yourself and help make this event the beginning of real parish social activity. Do you have donations for the supper? Send them to Mrs. J. Walter Maxwell, 3828 Locust Street. The supper hour is six to seven-thirty. The price is seventy-five cents.

The hymns at the Choral Eucharist are: 526, 305, verses 1, 3 and 4 (Sequence Hymn), 493, 490, 539.

Merbecke's Communion Service will be sung.

At five o'clock the hymns are: 247, 112, 532.

The Confirmation Class is now studying the Creeds. There may be persons in the Parish interested in a study of the Creeds and, if so, the Class is open to them at four o'clock on Sunday afternoons. The next two Sunday afternoons will be spent, in addition to last Sunday, in this outline study.

It is not too late for Parishioners to suggest names of candidates for Confirmation to the Clergy.

St. Matthias, Apostle, Saturday, February 24th, Holy Communion 7:00 and 9:30 A. M. Evening Prayer 5:00 P. M.

February 21st, 23d and 24th are Ember Days. Services as usual.

At the Sunday afternoon service no "collection" is taken up: but offertory plates will be found near the Church doors. We hope our friends who attend the service will help us to keep our work going by making generous contributions.

The Bishop of the Diocese will visit this Parish to administer the Sacrament of Confirmation on March 25th, at 4:00 P. M. Those desiring to be Confirmed at that time will please announce their intention to the Rev. Ralph E. Coonrad for instruction not later than Sunday, February 18th, at 4:00 P. M.

Every Saturday morning the seven o'clock service will be in All Saints Chapel, and will be a Memorial Eucharist, or "Requiem." That the departed are alive in Christ, that we naturally pray God to grant them continual growth in His love and service, are parts of our re-

ligion too much forgotten and neglected: and the Saturday service will serve to remind us. It will give opportunity for the specific remembrance of our dear ones in Paradise, and it is hoped that Christian families will avail themselves of this.

Messrs. Nelson Rightmyer, Earl Fry, Henry Page and Olin Lager, students at the Divinity School have accepted appointments as Acolytes to serve on weekdays during Lent.

The Parish Officers and members of the Acolytes' Guild are: Warden, Mr. David Horn; Crucifers and Servers, Messrs. Wm. McGowan and Oliver Crosby, H. Lamar Crosby, Everett Bossard, H. W. Davis, Robert Hunter and William Crowell.

The attention of the members of the Woman's Auxiliary and St. Mary's Aid is called to the important meeting to be held Tuesday, February 20th, at 2:00 P. M., in the Parish House.

The attention of the Parish is particularly called to the Delicatessen Sale to follow immediately after the meeting. The proceeds of this sale go to a worthy cause, the Church, and for this reason the occasion should demand your earnest cooperation.

Kindly send your donations as soon as possible to Mr. J. Walter Maxwell, 3828 Locust Street.

At 5:00 o'clock the hymns are: 50, 132, 535.

Wednesday, Holy Communion—7:00 and 9:30 A. M.

Saturday, 7:00 A. M., Requiem in All Saints Chapel.

Every Saturday morning the seven o'clock service will be in All Saints Chapel, and will be a Memorial Eucharist, or "Requiem". That the departed are alive in Christ, that we naturally pray God to grant them continual growth in His love and service, are parts of our religion too much forgotten and neglected: and the Saturday service will serve to remind us. It will give opportunity for the specific remembrance of our dear ones in Paradise, and it is hoped that Christian families will avail themselves of this.

The following were appointed Acolytes for week-day Eucharists. Messrs. William Crowell, H. W. Davis, Olin Lager, Nelson Rightmeyer and Henry Page.

The new members of St. Mary's choir are: Baritones, Messrs. H. W. Davis, Lyden Pilling; Tenor, Robert Barcus; Altos, Misses Thorold Croasdale, Elaine Robinson, Nina Sacca; Sopranos, the Misses Helen, Virginia and Frances Bryan, Grace Apgar and Roberta Ambrose.

Your earnest attention is called to the distribution, among members and associates of the Parish, of Lenten coin cards. They are cut to contain one dollar in dimes and can be sealed. It is expected that two hundred of these cards will be distributed. It is suggested that this system be considered as extraordinary Lenten giving, based on Lenten abstinence, and *not* to be included in the Easter Offering. Will you not consider it a privilege and a duty to use these cards, and from time to time put them in the collection?

The Preacher this morning is the Rev. Dr. Royden Keith Yerkes.

The hymns at the Choral Eucharist are: 531, 309 (verses 1, 3, 4 and 5), 125, 128, 127.

Martin Shaw's Communion Service will be sung.

The hymns at five o'clock are: 42, 20, 51.

On Saturday morning, February 17th, the following were remembered at the seven o'clock celebration: Frances Fawcett Williams, William Henry Williams, Hester Ann Crook Eberlein, Emma Priscilla Crook Donaldson, Samuel Frederick Eberlein, Laura Corinne Eberlein, Edith Craufurd Eberlein.

On the end panels of the high altar are inscriptions asking the charitable prayers of the people for the souls of Isabella Macomb Wetherill and Joseph Bloomfield Wetherill. How many St. Mary's people remember the mute petition?

On the first three Saturday afternoons of March—March 3d, 10th and 17th—at three-thirty, in the Parish Building, Miss Thorold Croasdale will give recitals of old English, Scottish, Irish, Italian and French ballads. She will be assisted by several other distinguished musicians. There will be a silver offering at these recitals, part of which will be devoted to parish purposes, and one-third of which will be contributed to the urgent needs of the House of St. Michael and All Angels for crippled colored children. Please ask your friends to come, and come yourselves.

Lent is the time for us to examine our spiritual life. Lent is the time for extraordinary concentration upon spiritual things. It is also the time when more than ever we should offer ourselves in our prayers to God. The Church's Great Prayer is the Holy Eucharist. Two Sunday mornings have been set aside for this Parish to pray to God for grace in the renewal of its spiritual life. A Corporate Communion for *men and boys* of and associated with St. Mary's Parish will be celebrated on the Fourth Sunday in Lent, March 11th, at 7:30 A. M. A Corporate Communion for the women of and associated with this Parish will be celebrated on Passion Sunday, March 18th, at 7:30 A. M. Every person at all interested in the spiritual life of this Parish should make a *very special* effort to attend.

Your attention is called to the combined services of St. Mary's and St. Philip's Churches, held every Wednesday evening at St. Philip's Church, Forty-second Street and Baltimore Avenue.

On Saturday morning, February 24th, the following were remembered at the seven o'clock Requiem: Mary Harper Collins, Charles Penrose Collins, Thomas Davies Stovell, Alice Pearson.

The Requiem is said every Saturday at 7:00 A. M. It gives opportunity for the specific remembrance of our dear ones in Paradise, and it is hoped that Christian families will avail themselves of this.

There are a few coin cards left for those associated with the Parish and who desire to make Lenten contributions in this manner. They can be had at the Parish Office.

Every Sunday at five o'clock Evensong, the Episcopal University students attend St. Mary's. At 6:15 supper is served in the Parish House, and from 7:00 until 8:00 o'clock the discussion group meets. All students are cordially invited to attend.

On March 9th, at 8:00 P. M., Dr. Mockridge has called an *important* meeting of the whole Parish. The matters to be discussed will concern the future life and program of this Parish. Not *one* person at all interested in the work of this Parish should be absent. We have heard much of the satisfaction expressed because of the renewed life at St. Mary's. Now you have a chance to express this satisfaction in a concrete way. Attend the meeting. Let nothing interfere with *your* coming to the Parish House, Friday, March 9th, at 8:00 P. M., sharp.

On March 3d, 10th and 17th, at 3:00 o'clock in the afternoon, in the Parish House, Miss Thorold Croasdale will give recitals of old English, Scottish, Irish, Italian and French ballads. She will be assisted by several other distinguished musicians. Part of the silver offering will be devoted to this Parish. One-third will be contributed to St. Michael and All Angels House for crippled colored children. Their need is urgent. Come and bring a friend.

Saturday—7:00 A. M., Requiem in All Saints Chapel.

Martin Shaw's Communion Service will be sung.

The hymns at Evensong are: 29, 35 and 30.

The preacher this morning is the Rev. Dr. Royden Keith Yerkes.

A Corporate Communion for the women of and associated with this Parish will be celebrated on Passion Sunday, March 18th, at 7:30 A. M. Every person at all interested in the spiritual life of this Parish should make a *very special* effort to attend.

The monthly meeting of St. Mary's Men's Club will be held in the Parish House, Wednesday night, March 14th, at 9:15 o'clock. This will enable men to attend the Mid-week Lenten Services of St. Mary's and St. Philip's Churches at St. Philip's. A large congregation of men from St. Mary's is expected. The entire membership of the Men's Club is urged to attend the meeting afterward.

There are several red acolytes cassocks that are in need of repair. Afterward they will have to be cleaned. All of this must be done be-

fore Easter. If three or four women of the Parish would volunteer to care for the mending, this problem would near solution. Could you please send in your names to the Parish Office with the time that you contribute to this work.

The women of St. Mary's Aid are to be commended for the remarkable showing made at their Turkey Dinner last month. Now that all receipts are in and bills paid this statement can be made:

\$112.00 was cleared. From this an amount was deducted to buy certain dishes greatly needed. Other minor bills have been paid; \$64.00 is the balance to be put toward the Easter Offering.

The Aid is appreciative of the response of the Parish and friends.

Those wishing to make donations toward Palm Sunday palms and Easter flowers should place such gifts in a special envelope so marked and place them with the alms. The need this year is urgent. Will you designate such contributions as early as possible?

The Bishop of this Diocese will visit this Parish to administer the Sacrament of Confirmation, Palm Sunday afternoon, March 25th, at 4 P. M. Please note the date and the HOUR.

In the minds of some there seems to have been a misapprehension anent the first recital of Miss Thorold Croasdale—either that it was a tea or that it did not exist at all. The tea was merely a gesture of hospitality, and the refreshment was simpler than most have had in their own homes at that hour. The recital actually took place, although most of the Congregation seemed to be unaware of that fact. St. Mary's people with a few exceptions, were conspicuous by their absence. Those present were chiefly from other Parishes. The recital was a genuine treat.

The *second* recital will be held this Saturday afternoon, at 3:30. The offering will be divided between St. Mary's and the Home of St. Michael and All Angels.

Will you not make every effort to come, thereby aiding the Parish funds and extending a helping hand to a neighbor in trouble. The recital is well worth while. The representation of St. Mary's people will determine the amount of the proceeds for the Parish coffers.

On March 9th, at 8:00 P. M., Dr. Mockridge has called an *important* meeting of the whole Parish. The matters to be discussed will concern the future life and program of this Parish. Not *one* person at all interested in the work of this Parish should be absent. We have heard much of the satisfaction expressed because of the renewed life at St. Mary's. There will be a Corporate Communion for the women of, and associated with, St. Mary's Parish on Passion Sunday at 7:30 A. M.

The meeting of St. Mary's Aid and the Women's Auxiliary will be held in the Parish House, Tuesday, March 20th, at 2:00 P. M. As important affairs are to be discussed we hope for a large attendance.

The Men's Club of St. Mary's Church is preparing for a geographical survey of the Parish. Mr. Robert Reed is responsible for procuring detailed real estate maps of our surrounding territory, through the courtesy of the Girard Trust Company. A friend of Mr. Sinexon, Mr. George A. Warburton, applied his skill as a photographer to "stepping up" the maps and mounting them for Parish use, donating not only his time and skill, but the materials for mounting as well. The map can be seen in the Parish Office. The thanks of the Parish is extended to Mr. Warburton and Mr. Reed.

In spite of the bad weather Saturday we had a large attendance at Miss Croasdale's second recital. Miss Kuns, pianist, gave excellent interpretations of Brahms and other composers.

The third and last recital will be at 3:00 P. M., Saturday, March 17th. The offering will be divided between St. Mary's and the Home of St. Michael and All Angels for Crippled Colored Children. Please come, and help a neighbor in trouble, as well as your own Parish. The number of St. Mary's people represented will determine the percentage of the proceeds which the Parish will receive.

The hymns at Choral Eucharist are: 148, 306, 132, 305 and 149. Martin Shaw's Communion Service will be sung.

The hymns at Evensong are: 145, 122, 152. At Confirmation: 143, 375 (379).

The palms will be blessed at the 7:30 Eucharist.

The preacher at 11:00 A. M. is the Rev. William B. Stimson of St. James's.

This Parish and St. Philip's are combining for the Good Friday Three Hours Service. The Rev. Dr. Joseph Cullen Ayer, Rector of St. Philip's will preach. The service will be at St. Mary's.

Plans are being formulated for the celebration of the 110th Anniversary of the Parish in conjunction with the Patronal Festival. April 8th and 9th will mark the beginning of the Festival with services in the Church. Mark these dates on your calendar and make them a home coming of all St. Mary's members, old and new.

The Men's Club of St. Mary's Parish is planning a special supper on Thursday evening, April 12th. The plans are not complete yet, but a good supper prepared by the men and a rousing good time is promised. Note that the date is in the week of the Patronal Feast, thus making it easy to remember.

Because of Easter vacation at the University the Forum will not be held in this Parish on Easter evening. According to present plans the Forum is to count itself privileged in being addressed by the Rev. Dr. George A. Barton, Semitics scholar, Professor of New Testament Literature and Languages at the Seminary, archeologist and author. There should be more than ordinary attendance at the Forums of Drs. Barton and Montgomery, for they have given up valuable time to make these addresses possible.

To those who cannot make their Easter Communions in the Church the Clergy will be ready to take the Sacrament to them in the mornings of days best suited to the Communicant.

The response of the Parish to the Coin Cards has been gratifying. Several have been returned filled. The members of St. Mary's Aid and the Auxiliary will have their cards credited to the Easter offering of these Societies. If it is possible they should be placed on the alms basins at the 7:30 and 11:00 celebrations on Palm Sunday and Easter.

Note this date—Wednesday, April 18th at 7:45 P. M., the Woman's Auxiliary and St. Mary's Aid will hold a joint meeting. One of the purposes of this evening meeting is to give others the chance to attend. The speaker will be our own Rachel Walker, U. T. O. missionary to St. Mary's, Shanghai, China. The meeting is open to all, men and women, to hear Miss Walker. Miss Walker is addressing the Foreign Committee earlier in the day.

Friday—7:00 A. M., Holy Communion; 9:30 A. M., Morning Prayer and Litany.

Saturday—Low Requiem in All Saints Chapel.

The hymns at the Choral Eucharist are: Processional, 168; Introit, 316; Gradual Hymn, 171; Sermon Hymn, 173; Recessional, 172.

Willan's Communion Service will be sung. The Offertory, "They Have Taken Away My Lord", is by Sir John Stainer. The preacher at 11 o'clock is the Rev. Dr. Royden Keith Yerkes.

The University Forum will not be held after this evening's service due to the Easter vacation at the University. These forums will be renewed on Sunday, April 8th, at the usual time. The speaker and Preacher will be announced later. In the near future the Forum is to have the honor of an address by the Rev. Dr. George A. Barton, Professor of New Testament Literature and Languages at the Seminary, archeologist and author.

To those who cannot make their Easter Communions in the Church, the Clergy will be glad to take the Sacrament to them in the mornings of the days best suited to the Communicant.

Keep in mind this date—Wednesday, 18th. On that night at 7:45 P. M., Miss Rachel Walker, U. T. O. Missionary to St. Mary's, Shanghai, China, will address a joint meeting of the Woman's Auxiliary and St. Mary's Aid. To hear Miss Walker this meeting is particularly thrown open to the men of the Parish as well.

The response of the Parish to the Coin Cards has been gratifying. Soon there will be printed in the leaflet the amount received through them. Could an extraordinary effort be made to place cards still remaining out with the alms at either of the Easter Communions?

The Patronal Festival of St. Mary's Parish (our one hundred and tenth anniversary) will begin on the evening of Low Sunday (April eighth) with a Solemn Evensong, at eight o'clock. The other special services for the Feast of the Annunciation and during the octave will be announced later.

On the evening of the Feast itself, Monday, April ninth, there will be a reception at eight o'clock in the Parish House for members, former members, and friends of the Parish. On Thursday evening, comes the Italian Supper, prepared by the Men's Club.

On Saturday, April fourteenth, at the seven o'clock Requiem in All Saints Chapel, there will be special commemoration of former departed members of the parish.

A large number of invitations will be sent to former members, and friends of the parish, to attend any or all of the occasions incident to the Patronal Festival. The present addresses of many former members of the parish, who ought to be invited, are unfortunately not on record. It will be of great assistance to the Committee if parishioners will immediately hand to the clergy the names and addresses of all former members that may occur to them.

An Italian supper will be given by the Men's Club of St. Mary's in the Parish House on Thursday evening, April twelfth, from six to eight o'clock. The tickets for this supper are sixty cents. The proceeds will be devoted to the parish budget.

This supper, please understand is for EVERYBODY in the parish, as well as for those outside the parish who may be minded to come out of friendship, or curiosity to see what the men can do, or desire to have some good Italian food. Because the supper is prepared and given by the Men's Club does not mean that it is for men only, as some few seem to have interpreted the announcement. It is for women and children, as well as men. All the food will be prepared according to famous Italian recipes and its excellence is assured. Dr. R. Tait McKenzie has kindly consented to make the salad dressing.

Make this supper a conspicuous event in the week of our Patronal Festival. Come yourselves, and bring as many of your friends as possible. Donations are requested, and may be sent to H. W. Davis at the Parish Office.

M. service will begin the celebration of the Patronal Festival and the Feast of the Annunciation. There will be the Solemn Procession; the Te Deum will be sung in its proper place.

Wednesday—7:00 and 9:30 A. M., Holy Eucharist.

Friday—7:00 A. M., Holy Eucharist; 9:30 A. M., Litany.

Saturday—7:00 A. M., Low Requiem in All Saints' Chapel.

Daily—7:00 A. M.

The hymns at the Choral Eucharist are: 169, 356, 178, 259, 212.

Willan's Communion Service will be sung.

The hymns at 5:00 o'clock Evensong are: 170, 472, 535.

The hymns at Solemn Evensong are: Solemn Processional: 525, Te Deum, 276, 290, 521.

The University Service and Forum will be resumed this evening. The Rev. Dr. George A. Barton will address the Forum.

The following men were nominated for the Vestry at the stated meeting of the Vestry and were elected by the Parish on the day set for election: Justus Sinexon, Jr., Dr. Frederick Ehrenfeld, Alexander D. Horn, Lawrence J. Morris, Harold D. Eberlein, Reynolds D. Brown, Clinton Rogers Woodruff.

Keep in mind this date—Wednesday, 18th. On that night, at 7:45 P. M., Miss Rachel Walker, U. T. O. Missionary to St. Mary's, Shanghai, China, will address a joint meeting of the Woman's Auxiliary and St. Mary's Aid. To hear Miss Walker this meeting is particularly thrown open to the men of the Parish as well.

The following statistics are indicative of renewed life in St. Mary's Parish. But there is no reason why the spirit manifested here cannot be maintained throughout the year.

During Lent 123 weekday services were held, with a total attendance of 693. The average Sunday attendance through Mid-Lent totaled 160. The following figures are for total attendance: Passion Sunday, 183; Palm Sunday, 354; Good Friday, average 120; Easter, 406. The total attendance for weekdays and Sundays during Lent was 1756; 680 Communion were made in this Church during Lent. Two private Communion were made. These figures are commendable, but they only show what can be done if every one in the Parish will take his and her spiritual duties seriously.

St. Mary's Patronal Festival, marking the 110th anniversary of the Parish, will begin with Solemn Evensong at 8:00 o'clock on the evening of Low Sunday, the Eve of the Feast of the Annunciation. All the organizations of the Parish will take part in the procession before the *Te Deum*. Immediately after the Choir will come the Vestry, followed by St. Mary's Aid, the Woman's Auxiliary, the Altar Guild and the Men's Club; then come the Clergy. Will you not all attend this service and help in every way to make the Patronal Festival a success? The other services during the octave are noted at the top of the Leaflet.

The Parish reception in the Parish House, on Monday evening at 8:00 o'clock, the Feast of the Annunciation, is for all the Parish, former members and friends; 500 invitations have been sent out, but many present addresses are unknown to the committee. Will you not try to make up for this lack by sending word to all such you may know of and urging them to come?

During the reception the Altar Guild will have an exhibition. In the Baptistry will be displayed the vestments, laces and other treasures of the Church. They are a source of proper pride to the Parish and worthy of close examination.

You have all had notice of the Italian Supper, to be given by the Men's Club, on Thursday evening, April 12th, in the Parish House. The proceeds will be for the Parish budget. Make it a success by coming yourselves and bringing your friends. It will be well worth the price.

At the Saturday morning requiem this coming week there will be special commemoration of departed members of St. Mary's. All names should be sent to the Rev. Ralph Coonrad, at the Parish Office, by Friday evening.

On Sunday, April 15th, within the octave, there will be a corporate communion of the whole Parish at the 7:30 celebration. Will you not all make it your earnest concern to be present at this service and pray especially for God's blessing on the work of St. Mary's. At the 11:00 o'clock celebration there will also be special observance of the Festival.

SECOND SUNDAY AFTER EASTER

April 15, 1934

SERVICES:

Sunday—7:30, Corporate Communion; 10:30, 11:00, 4:00, 5:00.

Wednesday—7:00 and 9:30, Holy Communion.

Friday—7:00, Holy Communion; 9:30, Litany.

Saturday—7:00, Low Requiem in All Saints' Chapel.

Daily at 7:00.

As a fitting conclusion at the end of our Patronal Festival the departed members of St. Mary's are being commemorated at the Low Requiem on Saturday, April 14th. May the Clergy, therefore, commend the prayers of the congregation not only for those faithful members of the Church Militant, but for those in the Church Triumphant as well. "May the souls of the faithful departed through the mercy of God rest in peace."

Eighty-five Lenten Coin Cards have thus far been returned. One young member of the congregation added a very commendable contribution through her Mite Box. The total contributions through these sources is \$102.20. The response from those returning their cards is generous, necessary and greatly appreciated by the Parish. There are, however, many cards out that have not been heard from. Therefore the time for turning them in will be extended two weeks in the hope that there are some desiring to make their Lenten Contributions at this time. The proceeds from these cards goes entirely towards the program mapped out for St. Mary's Parish.

The attendance on Low Sunday was gratifying. There is, however, an unfortunate tendency among Christian people to "let down" in their Churchly duties after Easter. A total of 329 persons attended the services on Low Sunday. There was, in honour of the Patronal Festival, a special service which brought out a good number of people. But St. Mary's cannot afford, particularly at this time, to withstand the decline of spiritual expression on the part of its people. Will you make it a point to continue your Churchly duties begun so well during Lent, in order that your Church, through your attendance, will be both a contribution and an inspiration to this Christian community.

The hymns at Choral Eucharist are: 179, 277, 5, 310, 175.

Willan's Communion Service will be sung.

The hymns at 5:00 o'clock Evensong are: 212, 25, 520.

Confirmation Instruction will be continued at 4:00 P. M. this Sunday.

This Leaflet will be published until Trinity Sunday. After the Summer, it will be renewed early in the Fall. Other than our present list of subscribers, there are some who undoubtedly would like to contribute towards its cost of publishing and postage. One dollar is towards the subscription. It can be sent to the Rev. R. E. Coonrad, 3916 Locust Street.

THIRD SUNDAY AFTER EASTER

April 22, 1934

SERVICES:

Daily—7:00 A. M.

Sunday—7:30, 10:30, 11:00 A. M., 4:00, 5:00 P. M.

Wednesday—7:00 and 9:30 A. M., Holy Communion.

Friday—7:00 A. M., Holy Communion, 9:30, Litany.

Saturday—Low Requiem in All Saints Chapel.

Wednesday, April 25th, is the Feast of St. Mark, Evangelist. Shall we not commemorate this Feast by our attendance at the Holy Eucharist?

The hymns at Choral Eucharist are: 507, 4, 152, 504, 523.

Willan's Communion Service will be sung.

The hymns at 5:00 Evensong are: 346, 29, 497.

The last Confirmation Instruction will be resumed at 3:30 P. M.

The Rev. Dr. Joseph Cullen Ayer will preach at Evensong. He will also address the University Forum afterward. Dr. Ayer is Professor of Church History at the Philadelphia Divinity School; Professor in the Graduate School at the University, and Rector of St. Philip's Church, 42nd and Baltimore Avenue. He is the author of "The Source Book of Ancient Church History," one of the most widely used texts on the subject. Professor Ayer is also well known in this country and in Europe for his contributions to encyclopediae on the subjects of Church Music, History and Architecture. It is our pleasure to welcome him back to St. Mary's this evening; it is expected that the Congregation as well as the University Students will come out in good numbers to hear him.

The Men's Supper on April 12th was a huge success. Over 200 people attended and apparently enjoyed themselves. Those who had charge of the arrangements deserve much credit, and it is believed

the Congregation and friends showed their appreciation by such attendance. The ladies of the Congregation are also thanked for their necessary and great help in making the Supper a success. Further announcement will be made later.

There is, however, a foreboding cloud which dims a bit the brightness of our past Patronal Festival. The Clergy are concerned about it in the hope that it does not express the spiritual state of St. Mary's Parish. On Saturday morning, April 14th, at the 7 o'clock Memorial Requiem for the departed of St. Mary's Parish, there were FIVE persons besides celebrant and server. This certainly is not a good showing; more than that this small attendance cannot constitute the Congregation's earnest desire to remember its departed. The Italian Supper attracted 200 people while the Holy Eucharist for your loved ones attracted FIVE. Surely this is not commendable. Let us not, at St. Mary's, become a so-called "High Church" where there are many beautiful services and few people to worship God through them; rather let us be a truly Catholic Church where we practice what we preach. The practice of the Catholic Faith in no way involves personal convenience for God must come first and not one's person. Ours is a mighty heritage. Let us, particularly at St. Mary's, live up to it.

A very welcome visitor to St. Mary's during the past week was the Very Rev. Samuel R. Colladay, Dean of Hartford. The Parish is always glad to receive him on his return to Philadelphia.

This Leaflet will be published until Trinity Sunday. After the Summer, it will be renewed early in the Fall. Other than our present list of subscribers, there are some who undoubtedly would like to contribute towards its cost of publishing and postage. One dollar is towards the subscription. It can be sent to the Rev. R. E. Coonrad, 3916 Locust Street.

NOTE THIS DATE. On Saturday, April 28th at 2 P. M., the Woman's Auxiliary and St. Mary's Aid are having a Card Party and Delicatessen Sale. The tickets are 50 cents. The proceeds will go towards the budget for this Parish. Such a commendable cause warrants the earnest support of every member of the Parish. It is requested that you bring your own playing cards. Donations of food for the Food Sale are asked and notification of such donations are requested sent to Mrs. J. Walter Maxwell, 3828 Locust Street.

TWENTIETH SUNDAY AFTER TRINITY

October 14, 1934

Services:

Daily—7:00 A. M., Requiem, Saturday at 7:00 A. M.

Wednesday—7:00 and 9:30 A. M.

Thursday—Feast of St. Luke the Evangelist, 7:00 and 9:30 A. M.

Sunday—7:30 A. M., Holy Eucharist; 10:45 A. M., Office and Holy Eucharist.

The hymns at the Morning Office and Choral Eucharist are: Processional, 537; Introit, 248; Gradual, 311; Offertory, 464; Post Communion, 331; Recessional, 468.

Sometime this week you will be visited by certain members of the Congregation whose sole object is to visit all the Communicants and those actively interested in St. Mary's Church. They are asking NOTHING except to visit you in your home and to establish a friendly tie between the Church and the Congregation. Gradually we hope that this group of visitors will grow so that two or more times a year all of the Parish will be visited not only by the Clergy but by members of the Parish as well. In a Parish such as ours we should promote Christian friendliness not only between Priest and people, but among people of the Congregation itself. We want you to feel that the two or more times a year that the Clergy can see you at home is not your only contact with the Parish apart from the Church, but that it is also a friendly relationship between your friends and neighbors in the Christian life. Won't you, then, welcome these first visitors talking over with them the spiritual and physical advancement that St. Mary's is making and in general emphasize your friendliness between fellow Christians and Parishioners.

The date set for St. Mary's Aid Bazaar and Supper is December the 6th. It is well to reserve this date now on your calendar. More about this later.

The Rummage Sale held by St. Mary's Aid will be at 3933 Market Street, October 18th, from 9:00 A. M to 5:00 P. M. Your earnest support is urged that this sale may be a success. You have a

few days left in which to contribute clothes, furniture, household goods or anything salable at such an occasion. The proceeds of this sale will be applied towards the budget of the Parish.

SPECIAL NOTICE: All Bridge players are urged to come to the first Duplicate Contract Bridge Party in St. Mary's Parish House, October 24th, at eight o'clock. Mrs. Horn and Mr. Walker will gladly tell you the details. The proceeds, with the exception of incidental expenses, will go towards the Parish Office expenses. So, while enjoying yourself you are really contributing to the incidental expenses of the Parish. There will be a minimum of TEN tables. Light refreshments will be served.

All the women of the Parish are urged to be present at an important meeting of the Woman's Auxiliary and St. Mary's Aid on Tuesday, October 16th, at two o'clock sharp. Dues and reports on summer work are due at this time. This is only two days before the Rummage Sale—which must be a success—and certain plans will be talked over with you at this time. It will not be too late at this meeting to give your contribution towards the credit of St. Mary's Parish to the United Thank Offering. Come, enjoy yourself and support the work of YOUR Parish.

The Congregation will find a large placard in the vestibule of the Church designed for those who wish to contribute flowers for the altars. Dated spaces are noted in which you can write your name designating that on that day the flowers will be given by you. It is suggested that this is an excellent way to remember the great events in a person's life and in the life of the family. Likely there are birthdays, confirmation anniversaries, wedding anniversaries not only of yourself but of others that you desire to commemorate. Certainly such a memorial with your prayers contributes much to your Christian life and to the life of those about you.

Your Clergy have heard it said often that All Saints Chapel is unnoticed and unheard of by those who would use it as a Chapel of Repose for the departed. It is fitting that the Saturday Requiems should be held in this quiet Chapel. It is also fitting that those Christians who departed this life in the faith of the Church be placed in a Christian Chapel in keeping with that faith. There is no trouble and no cost attached to the use of this Chapel and no greater memorial can be given than the final repose of those asleep in Christ among Christian surroundings which symbolize the bulwark of our faith. It is our hope, therefore, that when necessity arises this Chapel will be considered.

Watch this bulletin for Church School announcements.

TWENTY-FIRST SUNDAY AFTER TRINITY

October 21, 1934

SERVICES:—

Daily—7:00 A. M., Requiem Saturday at 7:00 A. M.

Wednesday—7:00 and 9:30 A. M.

Sunday—7:30 A. M., Holy Communion, 10:45 A. M., Office and Choral Eucharist.

The hymns at the Morning Office and Choral Eucharist are: Processional, 519; Introit, 305; Gradual, 254; Offertory, 212; Post-Communion Hymn, 331; Recessional, 532.

Your attention is called to the bulletin for the Bohlen Lectures. It is posted in the Church vestibule. They are being given this year on six Monday afternoons, beginning October 29th at 5 P. M., in Holy Trinity Church. The Lecturer this year is the Rev. Professor Royden Keith Yerkes, Ph. D., S. T. D., who will be remembered for his associations with St. Mary's Parish this year. His subject is: "The Quest of the Spirit," and is in the following divisions: The Approach to Spirit, The Realm of the Spirit, The Apprehension of the Spirit, Spirit of the Individual, Spirit in the World, The Hope of the Spirit. It is hoped that many of those interested from St. Mary's Parish will attend the Bohlen Lectures for this year.

The Rev. William B. Stimson, Assistant at St. Mary's and in charge of the Student Work at the University of Pennsylvania, was taken critically ill with appendicitis last week and was operated upon at the Graduate Hospital. His recovery is steady and good and within a short time he will be able to return to his work. The Clergy who are assisting at St. Mary's and St. James's during the absence of Dr. Mockridge and Mr. Stimson are the Rev. Walter Pugh and the Rev. Arthur Richardson. It is also a privilege to announce that the Rev. A. J. Arnold will have charge of the Morning Office.

The Choir, Acolytes and young people of St. Mary's Church are having a Halloween Dance and Party on Friday evening, November 9th, beginning at 8:30 P. M. An orchestra will supply the dance music upstairs while games and refreshments will be had downstairs. The Committee on Arrangements is: Miss May Coldren, Miss Helen Bryan, Miss Louise Carpenter, Mr. Heacock and Mr. David Horn.

They are being assisted by other members of the Acolytes Guild and Choir. Very shortly they will be asking for donations of cake, doughnuts and pretzels, and in order that the young people's work of this Parish may get off to a good start may we ask the hearty co-operation of the entire Parish. Those interested from the Seminary, University and nearby schools will be invited. The tickets are twenty-five cents a person or fifty cents a couple. Let everybody put his and her shoulder to the wheel and encourage this youth movement in our Parish.

As every one likely knows the financial condition of this Parish is in a precarious condition. A conservative estimate of arrearages in the weekly and other accounts is about \$500. Obviously this condition effects the whole work of the Parish. While the times are stressing and many find it difficult to meet their obligations, yet we must urge upon the congregation the gravity of the situation. The year is drawing to a close. There is little time to wait. Let every one "buckle down" and strive just a little harder to meet *on time* their financial contributions to St. Mary's Parish—*your* Parish.

Results of the Rummage Sale will be announced next week.

SPECIAL NOTICE: All Bridge players are urged to come to the first Duplicate Contract Bridge Party in St. Mary's Parish House, October 24th, at eight o'clock. Mrs. Horn and Mr. Walker will gladly tell you the details. The proceeds, with the exception of incidental expenses, will go towards the Parish Office expenses. The date set for St. Mary's Aid Bazaar and Supper is December the 6th. It is well to reserve this date NOW on your calendar. More about this later.

Instruction for Acolytes has begun. Two boys have already signified their intention of beginning such studies, which are held in the Sacristy and Church, Saturday mornings at 10:30. A good course is already outlined. There are likely other boys and young men in and around the Parish who would like to avail themselves of this opportunity to learn more of the Rites of the Church and the story behind them. This training is a part of St. Mary's Church School. Will those who are interested get in touch with the Rev. R. E. Coonrad or Mr. Davis at the Church Office.

Adult lectures in the School of Religion and St. Mary's Church School will begin the latter part of this month or the first part of November. Watch this bulletin for further Church School announcements.

The hymns at the Morning Office and Choral Eucharist are: Processional, 247; Introit, 259; Gradual, 257; Offertory, 33; Post-Communion, 331; Recessional, 534.

Mark this date on your calendar. Come to this Church at 10:45 or 11 o'clock and bring someone with you. On November the 11th at 10:45 the Rev. Arthur Richardson will preach. He is the son of the former outstanding Rector of this Parish, the Rev. George Lynde Richardson, and is on furlough from his work in the Philippines. Doubtless there are many persons would desire by their presence to welcome the Rev. Mr. Richardson back to his old Parish.

Let everybody put his and her shoulder to the wheel and encourage this youth movement in our Parish.

The Rev. W. B. Stimson is successfully recuperating from his operation. He has been home for a week but is going away for another week to thoroughly regain his health. He will return to his work at St. Mary's and the University the first part of November.

The proceeds from the Rummage Sale amounted to \$45. The women of St. Mary's Aid are to be congratulated on such a fine showing. The proceeds are applied to the budget of the Parish.

The date set for St. Mary's Aid Bazaar and Supper is December the 6th. It is well to reserve this date now on your calendar. More about this later.

There is a large placard in the vestibule of the Church designated for donors of altar flowers. The spaces are dated so that those who wish to be responsible for altar flowers on certain Sundays or high feasts may designate their day in advance. We desire at St. Mary's to have a Sanctuary as well as a Church and a Service that are beautiful and conducive to the worship of God. Certainly there are Sundays or feasts near prominent days in one's life that could be remembered no more properly than at the altar. There is no better memorial than altar flowers; likewise wedding anniversaries, birthdays and confirmation anniversaries can be remembered in no better place than in the Church. They constitute living memorials. Added to your prayers, the sense of having done something for others tends to make your religion more real.

Now, concerning the work with young people, it has been suggested, and the Clergy have given their permission, to have a series of informal young people's parties every Friday night for an indefinite period. They will be properly chaperoned by persons chosen by the young people and approved by the Clergy. A very small charge will be made, that any young person can meet, which will be used to cover the cost of light and heat and other necessities that will arise. The Seminary and the University are invited to attend these informal gatherings. It is the aim of the Clergy to make St. Mary's Church and Parish House a place where young people naturally gather, for the Church MUST take some interest in the daily life of young people as well as their spiritual life. The continued life of any Parish rests upon its young people; without them there would be no future to the Church. Therefore, let us welcome the awakened interest of the young people in this Parish. It is an interest which means life and growth to their group—inevitably to the Church—and should be encouraged by every member of this Congregation.

delicate lace, the pieces being heirlooms of the family. The cloth is the work of Mrs. W. W. Leech.

The instruction for acolytes on Saturday at 10:30 A. M. is designed to thoroughly teach altar boys in everything pertaining to their work. The class now numbers four. Others that are interested may get in touch with Mr. Davis at the Parish Office.

Your attention is called to the School of Religion made possible and conducted by the Clergy of our four parishes: St. Mary's, St. Philip's, St. James's and St. Luke and the Epiphany. All the courses have been designed with the interests and the needs of churchmen particularly in mind. While your interests should be directed towards the lectures of Dr. Yerkes and Dr. Ayer at St. James's, you are asked to notice particularly the three groups of lectures to be given at St. Mary's beginning Wednesday, November 14th, at five o'clock. The growth of the school will depend upon the support in the parish or parishes. The Clergy have been asked numerous times to give just such courses as this curriculum presents. Let everybody at St. Mary's support the School of Religion by active interest and attendance.

The date set for St. Mary's Aid Bazaar and Supper is December the 6th. It is well to reserve this date now on your calendar. More about this later.

The Choir, Acolytes and young people of St. Mary's Church are having a Halloween Dance and Party on Friday evening, November 9th, beginning at 8:30 P. M. An orchestra will supply the dance music upstairs while games and refreshments will be had downstairs. The Committee on Arrangements is: Miss May Coldren, Miss Helen Bryan, Miss Louise Carpenter, Mr. Heacock and Mr. David Horn. They are being assisted by other members of the Acolytes Guild and Choir. Very shortly they will be asking for donations of cake, doughnuts and pretzels, and in order that the young people's work of this Parish may get off to a good start may we ask the hearty co-operation of the entire Parish. Those interested from the Seminary, University and nearby schools will be invited. The tickets are twenty-five cents a person or fifty cents a couple. Let everybody put his and her shoulder to the wheel and encourage this youth movement in our Parish.

There is a large placard in the vestibule of the Church designated for donors of altar flowers. The spaces are dated so that those who wish to be responsible for altar flowers on certain Sundays or high feasts may designate their day in advance. We desire at St. Mary's to have a Sanctuary as well as a Church and a Service that are beautiful and conducive to the worship of God. Certainly there are Sundays or feasts near prominent days in one's life that could be remembered no more properly than at the altar. There is no better memorial than altar flowers; likewise wedding anniversaries, birthdays and confirmation anniversaries can be remembered in no better place than in the Church. They constitute living memorials. Added to your prayers, the sense of having done something for others tends to make your religion more real.

TWENTY-FIFTH SUNDAY AFTER TRINITY

November 18, 1934

SERVICES:—

Daily—7:00 A. M.; Requiem, Saturday at 7:00 A. M.

Wednesday—7:00 and 9:30 A. M.

Sunday—7:30 A. M., Holy Communion; 10:45 A. M., Morning Office and Choral Eucharist.

The hymns at the Morning Office and Choral Eucharist are: Processional, 544; Introit, 318; Gradual, 306; Offertory, 258; Post-Communion, 331; Recessional, 526.

The Psalm is the 75th. The Lesson is Daniel 3; 8 to 30.

The Preacher at 10:45 is the Rev. W. B. Stimson.

Instruction for acolytes is on Saturday at 10:30. Those desiring to join please notify the Church Office.

Your attention is called to the enrollment cards for the School of Religion. They will be found on the table in the back of the Church. Consult the curriculum of the School and register today, if possible, giving your card to the Clergy at the door. If you are unable to register today mail your card to the Registrar of the School, the Rev. Nelson W. Rightmyer, 330 South Thirteenth Street. Many people at St. Mary's have been asking for just such instruction as the School affords. Three groups of these courses will be held at St. Mary's at 5 o'clock on Wednesdays, beginning November 14th. In order that these courses may be given at St. Mary's it is necessary for a reasonable number from here to register for them. Won't you, then, show your interest in this enterprise by lending all the support possible.

The *Woman's Auxiliary* and *St. Mary's Aid* will hold their regular monthly meeting at the Parish House on Tuesday, November 20th, at 3:00 P. M. Please note the change of time from 2:00 to 3:00 P. M. The meeting is very important. Final plans are to be made for the Bazaar and Supper to be held in the Parish House on December 6th. Every one is urged to attend.

The *Altar Guild* held its annual meeting on Tuesday, November 13th. The following officers were re-elected: President, Miss Alice

Maxwell; Vice-President, Mrs. W. W. Leech; Secretary-Treasurer, Mrs. H. Lamar Crosby. The Guild, under the financial stress of the times, is finding its work particularly difficult. Its resources have been gravely depleted. But in spite of this the Parish owes much to the women in this guild who have been responsible to a very large extent in keeping the Sanctuaries at St. Mary's beautiful and churchly. They are more than deserving of every ounce of support this Parish can give them. The Parish can aid in this worthy cause by making gifts, large or small, in plain envelopes marked, "Altar Guild." The Guild is particularly in need of members. Concerning this one should see any one of the three officers. May we ask your earnest prayers and action for the extension of this important work.

There are three more lectures to be given of the Bohlen Lectures. The Lecturer is the Rev. Professor Royden Keith Yerkes, Ph. D., S. T. D. He will be recalled for his many services to St. Mary's Church. A good number of people from this parish have attended the previous lectures and have found them highly instructive. It need hardly be said that the lectures this year are highly important because of their original contribution to that field of theology so much in the foreground today, namely, the Spiritual Life. Those interested in this subject, but who have not been at Holy Trinity Church at five o'clock on Monday afternoon, have missed much. The remaining lectures are: The Spirit of the Individual, Spirit in the World, The Hope of the Spirit. Are you interested in knowing more of your religion? Now is your chance to do something about that interest.

Duplicate Bridge Party on Wednesday Evening, November 21st. Mark that date on your calendar and come. While the first two Duplicate Bridge parties planned for the winter season have been encouraging, there still are accommodations for larger attendance. The whole-hearted support of St. Mary's Parish is asked for these parties, which occur on the *First* and *Third* Wednesday nights of every month until June. The proceeds are for office expenses, thus eliminating this burden from the Parish Budget. There are prizes and refreshments. Table reservations should be made through the Parish Office, Mrs. A. D. Horn or Mr. Walker. Come and enjoy yourself while you support your Parish.

The Hallowe'en Party and Dance given last Friday night by the Choir and Acolytes was a real success. The attendance was very good. Many favorable comments were made about the orchestra and refreshments, and another party was urged for the near future. The Committee is to be congratulated upon their efficient management. Plans are now being made for another party during the Thanksgiving season. Encourage the young people of the Parish by your support of their enterprises and, if possible, by your attendance. No Parish can exist for long without youthful interest.

You will find enclosed with this leaflet an envelope marked for
your Thanksgiving Offering to Episcopal Hospital. For some time
the Thanksgiving Offering has been designated for this worthy cause.
It is believed that the Episcopal Church, and particularly this Dio-

cese, widely known for its missions of mercy should more than ever at this time support those missions—in this case the Episcopal Hospital. The need is more acute than ever before. Suffering is great—physical as well as spiritual. But what are YOU doing to alleviate that suffering? Now is your chance to do something with hundreds of others for we cannot be a “do nothing” Church. Won’t you, then, make this a real Thanksgiving for the suffering and the needy who are looking to those who call themselves Christians for some ray of hope. The Offering although designated for Episcopal Hospital will be counted in the Missionary budget of this Parish. Be glad to be generous.

THE BAZAAR DATE IS DECEMBER 6th. Thursday is the day. St. Mary’s Parish House is the place. And now mark the time on your calendars: Supper, 6 to 7:30; Bazaar with entertainment from 3 to 10 o’clock. The supper tickets are 60 cts. each. Donations for the Bazaar may be sent to Mrs. H. R. Dickens, 3739 Locust Street. Supper donations (money) may be sent to Mrs. J. W. Maxwell, 3828 Locust Street. Come and enjoy yourself for while you are enjoying yourself you are also contributing to the support of your parish.

The young people’s party planned at first for Thanksgiving season has been postponed until some time before Christmas. The date and plans will be announced later.

The lectures on Wednesday afternoons at five o’clock began November 14th. The attendance at the two that have passed has been most encouraging. The Rev. Professor Yerkes, Ph. D., S. T. D. is the lecturer and the course concerns studies in the History of Religions. Registration cards will be found on the table in the back of the Church. No charge is made but contributions may be made towards the maintenance of the School in the alms basins placed near the doors of the Church.

A Parish Council is being organized in this Parish. It is hoped that next week something definite concerning this Council can be presented to the Congregation through this leaflet.

THE FIRST SUNDAY IN ADVENT

December 2, 1934

The preacher is the Rev. W. B. Stimson.

St. Mary's is glad to welcome the Rev. Brooke Stabler, Chaplain of the University of Pennsylvania, at 10:45 on December 16th. Mark this date on your calendar, come and bring a friend with you. Students of the University are particularly welcome. More than a good congregation is expected on December 16th.

Parish activities for the following week are:

Parish Council—Tuesday, December 4th, at 8 P. M., in the Parish House.

School of Religion—Wednesday in S. Joseph's Chapel at 5 o'clock.

Bridge Party—Wednesday, December 5th, at 8 P. M., in the Parish House.

Bazaar and Supper—Thursday, December 6th, from 3 to 10 P. M., in the Parish House.

Young People—Every Friday evening the Parish House is open for the use of the young people and their friends.

Acolytes—Training Class for acolytes is held on Saturdays in the Sacristy at 10:30 A. M.

There are occasional calls upon the Clergy for cast-off but usable clothing. They go to persons well known to be worthy. At present there is need for a man's winter overcoat, size about forty-two or forty-four. Won't the men reading this leaflet and having such a coat that they may desire to dispose of please notify the Clergy immediately. The cause is worthy. The need is great.

A tentative date of December 14th has been set for the next young people's party. It promises to be as much if not more of a success than the last one. Complete details will be published later.

The Wednesday afternoon lectures in the School of Religion began three weeks ago. Twenty-three persons attended the last one and were so impressed that others were brought in through them. The Rev. Professor Yerkes, Ph. D., S. T. D., is the lecturer and the course concerns studies in the History of Religions. Registration cards will be found on the table in the back of the Church. There is no charge for the courses but contributions may be made towards the maintenance of the School in the alms basins placed near the doors of the Church.

DUPLICATE BRIDGE PARTY ON WEDNESDAY EVENING, DECEMBER 5TH. Mark that date on your calendar and come. While the first two Duplicate Bridge parties planned for the winter season have been encouraging, there still are accommodations for larger attendance. The wholehearted support of St. Mary's Parish is asked for these parties, which occur on the *First* and *Third* Wednesday nights of every month until June. The proceeds are for office expenses, thus eliminating this burden from the Parish Budget. There are prizes and refreshments. Table reservations should be made through the Parish Office, Mrs. A. D. Horn or Mr. Walker. Come and enjoy yourself while you support your Parish.

At the last meeting of the Vestry it was voted to set aside a room particularly for the young people. The Men's Club would meet there and any social group with which young people were associated. The room selected was the former sexton's quarters between the gymnasium and the boiler room in the Parish House. Three or four young men have worked hard thus far to make the room a fact and not something "hoped for." The cost is not great. The space is being transformed from a dingy fire trap to a room early English in period and attractive to young people. Already an excellent ping-pong table has been contributed to the young people. But more helpers are needed. Needle workers, painters, plasterers, some with artistic ability and others to just work. Come and work with us.

The Choral setting at the Eucharist is by Willan. The Sursum Corda is Merbecke.

The Psalms are the 97th and the 98th, page 460. The Lesson is Isaiah, chapter 35.

The preacher at 10:45 is the Rev. R. E. Coonrad.

Parish activities for the following week are:

EVERY MEMBER CANVASS—BEGINS THIS SUNDAY, DEC. 9TH.

School of Religion—Wednesday in S. Joseph's Chapel at 5 o'clock.

Choir rehearsal—Thursday at 8 P. M.

Young people—Every Friday evening the Parish House is open for the use of the young people and their friends.

Acolytes—Training Class for acolytes is held on Saturday in the Sacristy at 10:30 A. M.

SPECIAL PREACHER.—On December 16th at 10:45 A. M. the special preacher will be the Rev. Brooke Stabler, Chaplain of the University of Pennsylvania. Mr. Stabler's duties are many and it is during a particularly busy season that he has given some of his time to preach at St. Mary's Church. Mr. Stabler is doing a notable work at the University in which St. Mary's is and should be more than interested. A large congregation of the Parish and their friends is expected. Students at the University and the Seminary are particularly welcome. Note the date—December 16th at 10:45 A. M.

The Every Member Canvass begins this week. The object of this canvass is two fold. First, to determine the parish's financial expectancy for the next year. And second, to acquaint and discuss with every contributor and communicant the present work of the Parish. In the past year a new interest has been aroused in St. Mary's Parish and there is apparent every reason for our continuance. But no Church can continue its work properly if it has to guess at the amount of support to be rendered by its congregation. Likewise no home can build itself on an undetermined budget or no budget at all.

While the work of the Church is spiritual, it nevertheless works with human beings. Obviously it must use human, finite methods in this stage of its existence. The Clergy and Vestry feel reasonably sure that the parishioners and the community desire to see in St. Mary's a strong, healthy parish life built upon a firm spiritual foundation. BUT THE PARISH BUILDS THE CHURCH AND WITHOUT THE SUPPORT OF THE PARISH THERE CAN BE NO CHURCH. St. Mary's made substantial strides forward in the past year. She has contributed much to the spiritual life of the University; her own parish life has not been more sound in years; her daily eucharists have enhanced the spiritual life of the community. For all of this we should in the utmost humility get down on our knees and thank God for His blessings.

A recuperating patient is not always out of danger. This is also true of a recuperating parish. But a recuperating patient has many blessings for which to be thankful. He looks forward to new life with renewed vigor and hope. He will be stronger if he obeys rules laid down for him and if he cultivates the spiritual life. Again this is true of a Parish. And so the question arises, Do you want St. Mary's, YOUR PARISH, to go forward with renewed vigor and hope? The work that St. Mary's Parish, YOUR PARISH, is to do in the next year will depend upon your answer to that question in the next two weeks. May the twelfth verse of the eighth chapter of the Epistle to the Romans be both our prayer and our motto, "The night is far spent, and the day is at hand; let us, therefore, cast off the works of darkness, and let us put on the armor of light."

DEC 26 1934
The young people's Christmas party has been definitely set for December 31. Already a good crowd is assured. There will be refreshments, games, and a good orchestra. The tickets will be 25¢ a person or 50¢ a couple. The young people of the Parish and community earnestly need your encouragement and support in this enterprise. A good time was had by all at the last party and this promises to be as good if not better than it.

University and Seminary students are particularly welcome. COME AND BRING A FRIEND.

It is good to know that the attendance on Thanksgiving Day was 25 per cent. greater than last year. There were three services last year, but only two services this year. The Mission Offering for Episcopal Hospital was \$70.00 or more. This was double last year's offering. This amount is applied to St. Mary's Missionary budget. This showing is indeed very good.

The Woman's Auxiliary and St. Mary's Aid will hold a very important meeting in the Parish House on TUESDAY EVENING, DECEMBER 18TH, AT 7:30 P. M. The speakers are the Rev. Arthur Richardson and Dorothy Lee Richardson. Both are on furlough from their work in the Philippine Islands and are well known in this

Parish. The meeting is held in the evening in order that there may be a large attendance. Opportunity will be given at the end of the meeting for social gathering and refreshments. MARK THIS DATE ON YOUR CALENDAR AND COME.

CONFIRMATION CLASSES will begin the first Sunday in January. There are boys and girls in the Parish who should be Confirmed at this time. It is likely that there are adults who also would like to avail themselves of this opportunity to receive the Sacrament of Confirmation in order that they may become communicants of this Church. If necessary, private instruction can be arranged for adults. It is hoped that enough persons will present themselves for Confirmation Instruction so that the service can be held at St. Mary's. The date assigned St. Mary's for Confirmation is the afternoon of Sunday, February 24, 1935. The Bishop who will Confirm and preach is the Rt. Rev. H. P. Almon Abbot, D. D., Bishop of Lexington. Won't those who are contemplating Confirmation get in touch with the Rev. R. E. Coonrad immediately?

THE BAZAAR held by St. Mary's Aid on December 6th was a real success. The final report has not yet been made but it is said that the profits will net about \$250. A more accurate report will be made next week.

ST. MARY'S CHURCH SCHOOL begins to function this week with the opening of the class of the Rev. W. B. Stimson on Thursdays at 5 P. M. The course is studies in the Prayer Life. While primarily for university students, it is open for a limited number of other interested persons.

Material has arrived from England so that we can begin various other phases of our Church School life in January. The Sunday group of the Church School will meet for intercessions in St. Joseph's Chapel at 9:30 A. M. Twelve or fifteen minutes will be allowed for intercessions after which instruction will take place in the Parish House. At 10:30 A. M. the School will close.

Special attention will be paid to worship, prayer life, catechism, sacraments, the Bible and the Prayer Book. There will be special attention paid to the classes with children from three to seven years old inclusive, and from eight to eleven years old inclusive. Let the Christian faith be taught soundly and well at St. Mary's. Let the spirit of St. Mary's be manifested in its support of this all important phase of the Church's life. Your prayers are asked for the success of this venture.

THE EVERY MEMBER CANVASS IS UNDER WAY. LET EVERY MEMBER OF ST. MARY'S DO HIS AND HER SHARE TO SUPPORT THIS PARISH. \$135 A WEEK IS NEEDED TO RUN ST. MARY'S FOR THE COMING YEAR, 1935. TO DATE \$561 HAS BEEN PLEDGED. WON'T YOU DO YOUR BIT TO HELP US GROW ONCE AGAIN INTO A STRONG, HEALTHY PARISH—A PARISH ACTIVELY ENGAGED IN DOING THE WORK FOR THE FAITH WE ALL PROFESS.

THE FIRST SUNDAY AFTER CHRISTMAS DAY

December 30, 1934

SERVICES:

Daily—7:00 A. M., Requiem, Saturday at 7:00 A. M.

Tuesday—January 1, 1935, the Feast of the Circumcision, 7:00 and 9:30 A. M.

Wednesday—7:00 and 9:30 A. M.

Sunday—7:30 A. M., Holy Eucharist; 10:45 A. M., Morning Office and Choral Eucharist.

The hymns at the Morning Office and Choral Eucharist are: Processional, 80; Introit, 78; Gradual, 549; Post-Communion, 338 part 2; Recessional, 79. The Offertory is "Sleep, Holy Child," by H. A. Matthews. The music is Piggott's Communion Service.

The Psalms are 2 and 8 on page 345. The Lesson is 1 Samuel 1: 20 to end of chapter. The preacher, the Rev. R. E. Coonrad.

ACTIVITIES AT ST. MARY'S THIS WEEK:

Meeting of Committee on Kindergarten curriculum—Sunday afternoon, December 30th at 4 o'clock at 3904 Locust Street.

Vestry Meeting—To be announced.

Choir rehearsal—Thursday night at 8 P. M.

Young People—The Parish House is open every Friday night for the young people of the Parish and their friends.

Acolytes—Saturdays at 10:30 in the Sacristy.

The Bazaar held by St. Mary's Aid on December 6th was a real success. As a result of much hard work on the part of the women who organized the Bazaar, cooked and served the supper, \$250.00 profit was made. This amount was presented with the Christmas offering at the altar on Midnight Christmas Eve. That the Bazaar was well arranged and offered good things was shown by the willingness to buy. It was a delightful surprise that the whole affair was such a success financially as well as socially.

The Young People plan another party for the middle of January. Every one coming has had a good time and have encouraged more parties. Naturally the better they are patronized the better they will be. We particularly invite Seminary and University

students but all young people should mark the date (to be announced later) and come. So let every one WATCH FOR THE DATE.

THE EVERY MEMBER CANVASS IS PROGRESSING SLOWLY BUT SURELY. 38 PLEDGES HAVE COME IN. THEY TOTAL \$2244.00. OF THESE 38 PLEDGES 6 ARE NEW ONES AND 9 ARE INCREASED ABOVE LAST YEAR. ABOUT 72 PLEDGES HAVE YET TO BE HEARD FROM, AND IT IS ASKED THAT AS SOON AS YOU RECEIVE YOUR PLEDGE CARD AND DECIDE ON YOUR CONTRIBUTION TO THE PARISH THAT YOU MAIL IT TO THE PARISH OFFICE IMMEDIATELY. IT SHOULD BE STATED HERE THAT ALL THE LOOSE OFFERINGS ON SUNDAY MORNINGS AT 7:30 GO TO THE DISCRETIONARY FUND AND ARE NOT APPLIED TO THE PARISH BUDGET. THEREFORE IF YOU DESIRE THAT YOUR CONTRIBUTION GO TO THE MAINTENANCE OF THE PARISH IT MUST BE IN A CHURCH ENVELOPE FOR THAT PURPOSE. THIS IS ONE OF THE MANY REASONS WHY, IF YOU WANT YOUR CONTRIBUTION TO GO TOWARDS PARISH MAINTENANCE, YOU SHOULD MAKE YOUR PLEDGE AND TAKE YOUR ENVELOPES. THE DISCRETIONARY FUND IS FOR USE AMONG NEEDY PERSONS AT THE DISCRETION OF THE CLERGY.

ST. MARY'S CHURCH SCHOOL—Material has arrived from England so that we can begin various other phases of our Church School life in January. The Sunday group of the Church School will meet for intercessions in St. Joseph's Chapel at 9:30 A. M. Twelve or fifteen minutes will be allowed for intercessions after which instruction will take place in the Parish House. At 10:30 A. M. the School will close.

The last lecture of Dr. Yerkes' course "Religions of the World" was given on Wednesday, December 19th. On Wednesday, January 9th, the Rev. Thomas L. Harris, M. A., Rector of St. Luke and the Epiphany, will give his lectures in the School of Religion the subject being "Modern Perplexities and Religious Affirmations." There will be six lectures given at the same hour as before in St. Joseph's Chapel. Those registered in the School of Religion are eligible as well as those who desire to register at this time. A good registration assures the continuance of these lectures. No collection is taken but alms basins are placed near the doors of the Church so that those who wish to contribute towards the support of the school may do so.

TO DATE 26 PEOPLE HAVE RETURNED THEIR PLEDGE CARDS WITH A TOTAL CONTRIBUTION OF \$1597.00 TOWARDS THE 1935 BUDGET. THIS MEANS THAT FEWER THAN ONE-QUARTER OF THE CONTRIBUTORS TO THE PARISH HAVE CONTRIBUTED ABOUT ONE-QUARTER OF THE AMOUNT ASKED IN PLEDGES, NAMELY, \$7,000.00 OR \$135.00 PER WEEK. IN OTHER WORDS, ABOUT \$37.72 A WEEK HAS BEEN CONTRIBUTED ALREADY. THERE STILL REMAINS \$104.28 TO BE CONTRIBUTED. THERE ARE TO DATE SIX NEW CONTRIBUTORS AND OTHER THAN THOSE THERE ARE FIVE WHO HAVE INCREASED THEIR PLEDGES. SURELY THIS IS A GOOD SIGN BECAUSE IT IS 10 PER CENT. BETTER THAN LAST YEAR. BUT IF THE WORK OF ST. MARY'S IS TO CONTINUE TO GROW DURING THE NEXT YEAR THE REMAINING \$104.28 HAS TO BE SECURED. LET EVERY ONE DO HIS AND HER SHARE.

ST. MARY'S CHURCH SCHOOL WILL BEGIN IN ST. JOSEPH'S CHAPEL ON THE SECOND SUNDAY IN JANUARY. THE HOUR IS 9:30 AND THE DATE IS THE 13TH. REGISTER YOUR CHILD WITH THE PARISH OFFICE NOW OR SEND IN THE NAME OF ANY UN-CHURCHED CHILD OR PERSON YOU MAY KNOW.

CONFIRMATION CLASSES will begin the first Sunday in January. There are boys and girls in the Parish who should be Confirmed at this time. It is likely that there are adults who also would like to avail themselves of this opportunity to receive the Sacrament of Confirmation in order that they may become communicants of this Church. If necessary, private instruction can be arranged for adults. It is hoped that enough persons will present themselves for Confirmation Instruction so that the service can be held at St. Mary's. The date assigned St. Mary's for Confirmation is the afternoon of Sunday, February 24, 1935. The Bishop who will Confirm and preach is the Rt. Rev. H. P. Almon Abbot, D. D., Bishop of Lexington. Won't those who are contemplating Confirmation get in touch with the Rev. R. E. Coonrad immediately?

ACTUALLY 48 FORMER CONTRIBUTORS HAVE BEEN HEARD FROM WHOSE NAMES WERE ON LAST YEAR'S (1934) CONTRIBUTORS' LIST. THIS MEANS THAT 52 1934 CONTRIBUTORS HAVE YET TO BE HEARD FROM FOR 1935. THERE ARE, ALSO, SEVERAL OTHER PERSONS ON PREVIOUS LISTS WHO HAVE SIGNIFIED THEIR INTENTIONS OF CONTRIBUTING TO THIS PARISH. THE PARISH MUST RAISE \$7000 IN PLEDGES OR \$135 PER WEEK. TO DATE APPROXIMATELY \$63.14 PER WEEK HAS BEEN PLEDGED, LEAVING A BALANCE OF \$71.86 TO BE RAISED FOR EVERY WEEK. WON'T YOU, AS SOON AS YOU HAVE RECEIVED YOUR CARD AND DECIDED UPON YOUR CONTRIBUTION, SEND IT IMMEDIATELY TO THE PARISH OFFICE?

St. Mary's Church School begins its Sunday meetings this Sunday morning at 9:30. The group is very small to begin with but even this has the advantage of personal instruction. There will be a Cradle Roll, a Kindergarten and an Upper School. Particular attention will be paid to worship, prayer life, catechism, the sacraments, the Bible and the Prayer Book. The opening intercessions will be held in St. Joseph's Chapel. Mr. Heacock has kindly consented to be at the organ for the hymns. Mr. Davis will act as the School Secretary.

If there are enough people in the Parish interested in Bible instruction the Clergy would be glad to consider the beginning of a week-night class in conjunction with St. Mary's Church School. Such consideration will be given depending upon the response received from this notice.

Concerning the whole Church School, if you know of any interested persons or any unchurched persons or families won't you communicate with the Clergy?

You will find in the pew and with this leaflet a small envelope marked "St. Mary's Leaflet." It is for the purpose of enclosing your subscription in order that this leaflet may be mailed to you. The budget of the Parish cannot at this time stand this extra expense. The advantages of the leaflet are obvious. The leaflet not only advises you as to services and events in the Parish but, as an advertising medium, places your Parish and its work before a large outside group. The leaflet is published from October to Trinity Sunday. If you think this leaflet is worth while won't you subscribe \$1.00 to cover delivery costs?

Mrs. Hutt; Treasurer, Miss Rutter. For the Aid they are: President, Mrs. Maxwell; Vice-President, Mrs. Dickens; Treasurer, Mrs. Leech; Recording Treasurer, Miss Rutter; Corresponding Secretary, Mrs. W. D. W. Hall.

AN ADULT CLASS IS BEING ORGANIZED IN ASSOCIATION WITH ST. MARY'S CHURCH SCHOOL. Its first meeting will be held on Tuesday, February 5th at 8 P. M. in St. Joseph's Chapel. The course is on doctrine and is open to those persons 16 years old and over. Eighteen lectures will be given in all in series of six by the following lecturers respectively, the Rev. Dr. Mockridge, the Rev. R. E. Conrad and the Rev. W. B. Stimson. Won't those who are interested in the doctrine the Church teaches set this one evening a week aside and enroll in the class? A syllabus will be printed shortly.

CONCERNING THE LEAFLET. From this date on the leaflet will be mailed to those subscribers since last October and to interested Communicants or persons ill or living at a distance who cannot get them at the Church. Your support is earnestly asked in order that the high quality of these leaflets may be maintained. The subscription is \$1.00 and entitles you to receive them by first class mail unless you designate otherwise. As a medium of getting St. Mary's Church before a public that does not come here regularly or otherwise would not know much of this Church's activities this leaflet is invaluable. Won't you, therefore, support this effort to make St. Mary's Church more generally known?

Those who subscribed in the Fall will receive their leaflet, unless they designate otherwise, through Trinity Sunday. Those who subscribe now will receive their leaflet until January 1st, 1936.

CONCERNING THE EVERY MEMBER CANVASS! TO DATE, JANUARY 16TH, 75 PLEDGES HAVE BEEN RECEIVED TOTALING \$4165.00. ON JANUARY 16, 1934, 90 PERSONS HAD BEEN HEARD FROM PLEDGING \$3822.00. OF THE 75 PLEDGES RECEIVED THIS YEAR 11 ARE NEW AND 15 HAVE INCREASED ABOVE 1934. OF THE 104 PERSONS HEARD FROM LAST YEAR 101 PLEDGED A TOTAL OF \$4098.80. 4 OF THOSE PERSONS ARE NO LONGER AMONG US AND THAT LEAVES 97 TO BE DEPENDED UPON THIS YEAR MINUS THE NEW PLEDGES. IT IS OBVIOUS, THEREFORE, THAT 33 PLEDGES HAVE YET TO BE HAD FROM THOSE WHO PLEDGED IN 1934.

YOU WILL NOTE THAT EVEN THOUGH A FEW MORE THAN HALF THE PLEDGES HAVE BEEN RETURNED THE AMOUNT ALREADY PLEDGED IS \$66.20 MORE THAN THE TOTAL FOR LAST YEAR—AND THERE ARE AT LEAST 33 MORE PLEDGES TO HEAR FROM. THE TOTAL PLEDGE NEEDED FOR 1935 IS \$7,000.00 OR \$135.00 PER WEEK. TO DATE WEEKLY PLEDGES AMOUNTING TO \$80.10 HAVE BEEN RECEIVED LEAVING \$54.90 TO BE PLEDGED PER WEEK. WON'T YOU, THEREFORE, AS SOON AS YOU RECEIVE YOUR CARD FILL IT OUT AND MAIL IT TO THE CLERGY THAT WE MAY REPORT A SUBSTANTIAL GROWTH NEXT WEEK?

ACTIVITIES AT ST. MARY'S THIS WEEK:

CONFIRMATION INSTRUCTION—Changed from Sunday at 4 P. M. to Sunday at 9:45 A. M. Adults—other times by appointment.

Wednesday—The fourth of the Rev. Thomas L. Harris' lectures on "Modern Perplexities and Religious Affirmations." St. Joseph's Chapel at 5 P. M.

Thursday—Choir rehearsal at 8 P. M. SHARP.

Saturday—Acolytes' instruction. See Mr. Davis at the Parish Office.

St. Mary's Church School has started to hold its Sunday meetings at 9:45 A. M. in St. Joseph's Chapel. While our School is small at present we plan to justify our existence by sound and thorough teaching. In the Sunday groups every one from three to twenty-one in or from outside the Parish should enroll in one of the classes. The plan of teaching provides for emphasis upon worship, prayer life, catechism and the Sacraments. Particular attention will be paid to the Bible and the Prayer Book. WE DESIRE, AT THIS TIME, TO ENLIST THE AID OF THE PARISH TO GO OUT OF THEIR WAY IF NECESSARY TO DISCOVER THE UNCHURCHED OR THE INDIFFERENT IN THEIR RESPECTIVE NEIGHBORHOODS. WILL THEY GIVE THE NAMES AND ADDRESSES OF ANYONE THAT THEY MAY FIND TO THE CLERGY. BY SUCH AGGRESSIVENESS YOU WILL BE HELPING

YOUR CHURCH AND CHURCH SCHOOL, THOSE WHO COME AND THOSE WHO ARE WORKING VERY HARD FOR ST. MARY'S.

A class for adults 16 years and over is being formed beginning Tuesday evening, February 5th, at 8 P. M. The lectures will be elaborations on Doctrine as contained in the Offices of Instruction in the Prayer Book. There will be three series of six lectures each. The lecturers will be the Rev. Dr. Mockridge, the Rev. R. E. Coonrad and the Rev. W. B. Stimson respectively. Future plans for adult classes for the study of doctrine, history, the Prayer Book and the Bible will depend upon the support given the series of eighteen lectures. We ask, therefore, the regular attendance of ten or more persons per group of six lectures. You will register for the course at 8 P. M. on February 5th in St. Joseph's Chapel.

CONCERNING CONFIRMATION. Three persons have presented themselves for confirmation and one or two more are expected from the University group. This means that we are assured of the Confirmation service taking place at St. Mary's Church Sunday afternoon, February 24th, at 4 o'clock. The visiting Bishop will be the Rt. Rev. H. P. Almon Abbott, Bishop of Lexington, Kentucky. You are urged to mark the date and time upon your calendar and to tell others about it. St. Mary's Church should be filled to the doors on such an occasion but this can only be if the service is given wide publicity.

May we again call your attention to leaflet subscriptions. They are \$1.00 a piece to cover postage and cost. Those subscribing last fall will receive their leaflets by first class mail through Trinity Sunday; those subscribing this January will receive theirs for one year from this date.

Several persons have sent in their full subscriptions without giving any names. One subscription was sent in last October without a name. Will they either send their names to Mr. Davis or give their names to the Clergy at the door this morning? It is obvious that this important matter should be tended to immediately.

JUST A WORD ABOUT THE EVERY MEMBER CANVASS. THERE HAS COME A SUDDEN LULL IN THE RECEIPT OF PLEDGES. IT IS EARNESTLY REQUESTED THAT YOUR PLEDGES BE SENT IN IMMEDIATELY. OTHERWISE THE PARISH HAS NO IDEA OF THE BUDGET PLEDGED FOR NEXT YEAR. THE NEED IS URGENT AND THE PARISH SHOULD RISE AT ONCE TO THAT NEED. TO DATE 81 PLEDGES HAVE BEEN RETURNED TOTALING \$4280.20. 12 NEW PLEDGES HAVE BEEN RECEIVED AMOUNTING TO \$636.60. 17 PERSONS HAVE INCREASED THEIR PLEDGES BY \$324.46. \$7,000.00 IS NEEDED THIS YEAR. THIS MEANS \$135.00 PER WEEK OF WHICH ABOUT \$82.31 HAS BEEN PLEDGED. IF WE ARE TO KNOW WHAT ST. MARY'S WILL BE ABLE TO DO FOR THE NEXT YEAR THE REMAINDER MUST COME IN SHORTLY. THE CLERGY COMMEND THIS STATEMENT FOR YOUR SERIOUS CONSIDERATION.

St. Mary's Aid will hold a Turkey Supper on Thursday, February 14th, Valentine's Day. Mark this date on your calendar and watch for further announcements.

The money is to be sent to Mrs. Maxwell, 3828 Locust Street. The turkey suppers held at S. Mary's Parish House are famous for both quality and quantity. They provide not only a good meal but the basis for a good social evening. Come and bring your friends.

On January 27th the flowers on the altar were the gifts in memoriam by Miss Caroline Watts.

The Rite of Confirmation will be administered in this Parish at 4 P. M. on Sunday, February 24th. The Rt. Rev. H. P. Almon Abbott, D. D., one of the outstanding preachers of our Church, will confirm and preach. The congregation is urged, therefore, to mark this date plainly on their calendars and help swell the congregation by THEIR attendance. Bring a friend with you. Let there be a large congregation to help celebrate the administration of this rite and to welcome the Bishop of Lexington, Kentucky.

You will be glad to know that a plan is on foot to help the Parish meet one of its large and immediately pressing financial obligations. It is known as "INCOME FOR A DAY PLAN." This plan has worked out very well elsewhere and so at a joint meeting of the Vestry and Parish Council it was decided to use the plan in an effort to raise sufficient funds to pay this certain Parish obligation which is due shortly. Won't you turn this statement over carefully in your mind and study a future statement which will appear in more detail in next Sunday's leaflet.

CONCERNING THE EVERY MEMBER CANVASS! 84 PLEDGES HAVE BEEN RECEIVED SO FAR. THEY TOTAL \$4304.00. AN ADDITIONAL CONTRIBUTION FROM AN INTERESTED PERSON BRINGS THE TOTAL TO \$4306.00. OF THESE 84 PLEDGES 12 ARE NEW AND 19 INCREASED THEIR PLEDGES OVER LAST YEAR. THE TWELVE NEW CONTRIBUTIONS AMOUNT TO \$636.60. THIS MEANS THAT 72 FORMER CONTRIBUTORS PLEDGED \$3667.40. THERE ARE STILL 25 FORMER CONTRIBUTORS TO BE HEARD FROM. WE CANNOT STATE THE URGENCY EMPHATICALLY ENOUGH WITH WHICH WE URGE YOU TO FILL IN YOUR CARD AND SEND IT TO THE PARISH OFFICE.

LAST YEAR AT THIS TIME 95 PLEDGES HAD BEEN RETURNED. WITH CERTAIN ALLOWANCES BEING MADE 91 PLEDGES REMAINED FOR THIS YEAR. MINUS OUR 72 FORMER PLEDGES THIS MEANS THAT 19 FORMER SUBSCRIBERS HAVE YET TO BE HEARD FROM WHO SUBSCRIBED LAST YEAR PRIOR TO THE 29TH OF JANUARY. WHILE THE TOTAL THIS YEAR IS \$207.20 GREATER THUS FAR THAN THE GRAND TOTAL FOR LAST YEAR THERE STILL REMAINS TO BE SUBSCRIBED IF THIS PARISH IS TO LIVE THE SUM OF \$2694.00. \$135.00 PER WEEK IS NECESSARY TO KEEP THIS PARISH OPEN. TO DATE WE HAVE PLEDGED \$82.80 THUS LEAVING \$52.20 TO BE SUBSCRIBED PER WEEK. WON'T EVERY ONE DO HIS AND HER BIT BY PUTTING A SHOULDER TO THE WHEEL THAT WE MAY PRESS ON THE MORE EASILY?

TURKEY SUPPER! MARK THIS DATE ON YOUR CALENDAR—
THURSDAY, FEBRUARY 14th. From 6 to 7:30 P. M. on that day S. Mary's Aid will have another one of its famous TURKEY SUPPERS. The tickets are 75 cents.

Donations of cake, candy and money are solicited. The money may be sent to Mrs. J. W. Maxwell, 3828 Locust Street. Tell your friends and then come one, come all and make this worthy affair the rousing success it has been in past years. Or better yet, help make it

sent to the treasurer of the Parish. If a person's income is \$3.00 per day he places \$3.00 in the envelope, or if a person's income is \$3.00 per day from investments or trust he also contributes that amount. Care is taken that no mark of any kind appears on the envelope which identifies the contributor. It is highly important that every one in the Parish rally behind this movement to wipe out an OUTSTANDING financial obligation WHICH MUST BE MET, AT LEAST IN PART, WITHIN THE NEXT TWO MONTHS.

Next week you will receive a letter and an envelope. The letter to each Parishioner will explain the need at hand. It is hardly necessary to say that the Clergy, Vestry and the Parish Council commend it to your serious consideration with the feeling that you will act in accordance with your means.

It will be noticed that the Wednesday evening lectures by the Rev. T. L. Harris, in the School of Religion, will terminate this week. Dr. Mockridge's course of seven lectures on the Prayer Book will begin the Wednesday following, February 20th, at 5 P. M. The course discusses the growth, use and teaching of the Book of Common Prayer. Every one desiring to know this model of religious books should enroll in Dr. Mockridge's class.

The Tuesday night class, which is a part of the adult group of S. Mary's Church School, begins February 12th. Altogether there will be eighteen lectures, divided into groups of six. While based on the Office of Instruction and the Catechism, the lectures will be given in the following order: Man in Relation With God, Dr. Mockridge; The Creeds: History and Interpretation, the Rev. R. E. Coonrad; Prayer and the Sacraments, the Rev. W. B. Stimson. The instructors ask that a group of ten or more members of the Parish and their interested friends enroll for ALL or a particular group of Six lectures.

THE EVERY MEMBER CANVASS RETURNS ARE COMING IN VERY SLOWLY. THE RETURN OF THE PLEDGE CARDS, FILLED IN, HAS BEEN AND IS FOR SOME PARISHIONERS HELD UP FOR WEIGHTY CAUSE. IT IS POSSIBLE THAT SOME PERSONS HAVE JUST FORGOTTEN TO FILL IN AND RETURN THEIR PLEDGE CARDS OR THAT, HAVING PLEDGED LAST YEAR, THEY DEEM IT UNNECESSARY TO FILL IN A CARD THIS YEAR. THEN, TOO THERE MAY BE OTHERS WHO ARE JUST WAITING. BUT AGAIN AND AGAIN WE MUST IMPRESS UPON YOU THE URGENT NEED FOR THE RETURN OF YOUR PLEDGE CARDS. WE MUST HAVE BEFORE US A WORKABLE BUDGET FOR THE YEAR 1935. THE RETURNS ARE ENCOURAGING BUT NOT SUFFICIENT.

TO DATE 91 PERSONS HAVE BEEN HEARD FROM, 90 OF WHOM PLEDGED \$4618.00. LAST YEAR 104 PERSONS WERE HEARD FROM, 101 OF WHOM PLEDGED A TOTAL OF \$4098.80. THIS IS A GAIN TO DATE OF \$519.20. FOUR CONTRIBUTORS PASSED AWAY, LEAVING 97 TO BE HEARD FROM THIS YEAR. THE 1935 PLEDGE IS DIVIDED AS FOLLOWS: 13 NEW CONTRIBUTIONS, TOTALING \$638.60; 21 INCREASED CONTRIBUTIONS (BY PLEDGE), \$496.46; 3 DECREASED PLEDGES, \$53.00. THE GAIN OVER LAST YEAR IS \$1082.06. BUT NOTE THAT OF THE 90 CONTRIBUTORS THIS YEAR 13 ARE NEW, LEAVING 77 FORMER CONTRIBUTORS THAT HAVE BEEN HEARD FROM; 77 FROM THE 97 CONTRIBUTORS OF LAST YEAR LEAVES 20 CONTRIBUTORS YET TO BE HEARD FROM. THEREFORE, WON'T YOU ANSWER THIS URGENT APPEAL BY A RETURN OF YOUR PLEDGE CARD THIS WEEK?

This announcement is of interest to the women of S. Mary's Parish. They are cordially invited to attend a meeting with S. James's Auxiliary in S. James's Chapel. The date and time are, Thursday, February 7th, at 2:30 P. M. The entrance to S. James's Chapel is directly off the hall leading to the Church Woman's Club. All Auxiliary members are particularly invited to attend. Tea will be served later in the Church Woman's Club.

MARK THE DATE FOR THE TURKEY SUPPER ON YOUR CALENDAR. IT IS ON THURSDAY, FEBRUARY 14TH, FROM 6 TO 7:30 P. M. The tickets are seventy-five cents each. Donations of cake, candy and money are solicited. The money is to be sent to Mrs. Maxwell, 3828 Locust Street. The turkey suppers held at S. Mary's Parish House are famous for both quality and quantity. They provide not only a good meal but the basis for a good social evening. Come and bring your friends.

On January 27th the flowers on the altar were the gifts in memoriam by Miss Caroline Watts.

The Rite of Confirmation will be administered in this Parish at 4 P. M. on Sunday, February 24th. The Rt. Rev. H. P. Almon Abbott, D. D., one of the outstanding preachers of our Church, will confirm and preach. The congregation is urged, therefore, to mark this date plainly on their calendars and help swell the congregation by THEIR attendance. Bring a friend with you. Let there be a large congregation to help celebrate the administration of this rite and to welcome the Bishop of Lexington, Kentucky.

You will be glad to know that a plan is on foot to help the Parish meet one of its large and immediately pressing financial obligations. It is known as "INCOME FOR A DAY PLAN." This plan has worked out very well elsewhere and so at a joint meeting of the Vestry and Parish Council it was decided to use the plan in an effort to raise sufficient funds to pay this certain Parish obligation which is due shortly. Won't you turn this statement over carefully in your mind and study a future statement which will appear in more detail in next Sunday's leaflet.

CONCERNING THE EVERY MEMBER CANVASS! 84 PLEDGES HAVE BEEN RECEIVED SO FAR. THEY TOTAL \$4304.00. AN ADDITIONAL CONTRIBUTION FROM AN INTERESTED PERSON BRINGS THE TOTAL TO \$4306.00. OF THESE 84 PLEDGES 12 ARE NEW AND 19 INCREASED THEIR PLEDGES OVER LAST YEAR. THE TWELVE NEW CONTRIBUTIONS AMOUNT TO \$636.60. THIS MEANS THAT 72 FORMER CONTRIBUTORS PLEDGED \$3667.40. THERE ARE STILL 25 FORMER CONTRIBUTORS TO BE HEARD FROM. WE CANNOT STATE THE URGENCY EMPHATICALLY ENOUGH WITH WHICH WE URGE YOU TO FILL IN YOUR CARD AND SEND IT TO THE PARISH OFFICE.

LAST YEAR AT THIS TIME 95 PLEDGES HAD BEEN RETURNED. WITH CERTAIN ALLOWANCES BEING MADE 91 PLEDGES REMAINED FOR THIS YEAR. MINUS OUR 72 FORMER PLEDGES THIS MEANS THAT 19 FORMER SUBSCRIBERS HAVE YET TO BE HEARD FROM WHO SUBSCRIBED LAST YEAR PRIOR TO THE 29TH OF JANUARY. WHILE THE TOTAL THIS YEAR IS \$207.20 GREATER THUS FAR THAN THE GRAND TOTAL FOR LAST YEAR THERE STILL REMAINS TO BE SUBSCRIBED IF THIS PARISH IS TO LIVE THE SUM OF \$2694.00. \$135.00 PER WEEK IS NECESSARY TO KEEP THIS PARISH OPEN. TO DATE WE HAVE PLEDGED \$82.80 THUS LEAVING \$52.20 TO BE SUBSCRIBED PER WEEK. WON'T EVERY ONE DO HIS AND HER BIT BY PUTTING A SHOULDER TO THE WHEEL THAT WE MAY PRESS ON THE MORE EASILY?

It has been found necessary to discontinue for the present the Tuesday night lectures in doctrine.

We hope, in the near future, to make certain announcements pertaining to our Lenten Program. They should be of interest to every one. Won't Churchmen make it a point to bring a non-church friend to one or all of these services? Watch for notices.

CONCERNING THE EVERY MEMBER CANVASS. TO DATE 92 PERSONS HAVE BEEN HEARD FROM 91 OF WHOM HAVE PLEDGED \$4668.00. OF THE \$7000.00 ASKED FOR IN THE PLEDGES TO RUN S. THIS LEAVES \$45.24, A COMPARATIVELY SMALL AMOUNT TO BE SUBSCRIBED. CERTAINLY THIS SHOULD NOT BE A DIFFICULT TASK FOR S. MARY'S PARISH. NINETEEN CONTRIBUTORS WHO PLEDGED LAST YEAR HAVE YET TO BE HEARD FROM. WON'T EVERY ONE GET HIS AND HER SHOULDER TO THE WHEEL AND PUSH HARD THAT WE MAY ATTAIN OUR GOAL—A GOAL THAT IS ABSOLUTELY ESSENTIAL.

THE "INCOME FOR A DAY PLAN". As every one knows, it has been a stupendous task to meet the financial problems confronting this Parish. ONE OUTSTANDING obligation MUST be met at least in part WITHIN THE NEXT MONTH. This obligation must be paid off entirely within the next FIVE MONTHS. There is no alternative. To meet this obligation the Vestry in joint session with the Parish Council approved a plan which is called "The

Income for a Day Plan". The idea was worked successfully in other parts of the Church, for instance, the work in the Mission field has been helped greatly by it. The idea is that those people subscribing to the plan shall set aside their income for ONE DAY. This is to be placed in an envelope supplied for the purpose and sent to the treasurer of the Parish. If a person works for \$3 per day he places \$3 in the envelope, or if the person's income per day is \$3 from investments or trusts he also contributes that amount. CARE IS TAKEN THAT NO MARK OF ANY KIND APPEARS ON THE ENVELOPE TO IDENTIFY THE CONTRIBUTOR. CLERGY, VESTRY AND PARISH COUNCIL IMPRESS UPON YOU THE NEED OF SUPPORT FROM EVERY PARISHIONER—SUPPORT THAT RALLIES BEHIND THIS MOVEMENT TO WIPE OUT AN OUTSTANDING FINANCIAL OBLIGATION. WE REPEAT, WITH EMPHASIS, THAT THIS OBLIGATION MUST BE MET AT LEAST IN PART WITHIN THE NEXT MONTH.

If you have not already received literature pertaining to this plan, please speak to the Clergy about it. We commend this plan to your earnest, prayerful consideration.

You will be glad to know that the TURKEY SUPPER produced profits clear of all expenses of \$85.00. We believe that even though one did not consider the stormy and disagreeable night on which the supper was held, this showing is certainly very good. It also shows what a vast amount of work was done by the members of S. Mary's Aid, and they should be commended heartily for an excellent supper, a pleasant social hour and their real contribution to the support and life of this Parish.

We hope, in the near future, to make certain announcements pertaining to our Lenten Program. They should be of interest to every one. Won't Churchmen make it a point to bring a non-church friend to one or all of these services? Watch for notices.

CONCERNING THE PLEDGES. TO DATE 96 PERSONS HAVE PLEDGED \$4,813.00; 97 PERSONS HAVE BEEN HEARD FROM. OF \$7,000.00 NEEDED TO RUN THE PARISH FOR THE YEAR \$2,187.00 HAS YET TO BE SUBSCRIBED. THERE CAN BE NO DECREASING OF OUR GOAL: \$7,000.00 MUST BE SUBSCRIBED. ANALYSIS OF THE ABOVE \$4,813.00 IS INTERESTING. IT MEANS THAT OF \$135.00 PER WEEK NEEDED TO RUN THIS PARISH \$92.52 HAS ACTUALLY BEEN PLEDGED PER WEEK. THERE IS, THEREFORE, \$42.48 PER WEEK YET TO BE SUBSCRIBED. THERE IS INCLUDED IN THE \$4,813.00 THE FOLLOWING STATISTICS: 18 ARE NEW PLEDGES TO THE AMOUNT OF \$761.60, 22 PERSONS HAVE INCREASED THEIR PLEDGES BY \$508.46, 4 HAVE DECREASED THEIR PLEDGES FOR GOOD CAUSE TO THE AMOUNT OF \$133.00. OUR NET GAIN IS \$1,137.06 ABOVE LAST YEAR IF THE 18 REMAINING PEOPLE WHO PLEDGED LAST YEAR WILL PLEDGE AGAIN THIS YEAR.

NOTES and NOTICES

The preacher this morning is the Rev. Dr. John Mockridge, Rector of the Parish.

The members of the Altar Guild wish to thank those who so kindly contributed toward the Christmas flowers, and to extend to them the best wishes of the season.

The following officers of the Ladies Aid and Auxiliary have been elected for the ensuing year:-

WOMENS AUXILIARY

PRESIDENT..... Mrs. Thomas N. Walker
TREASURER..... Miss Jessie I. Rutter
REC. SEC. Mrs. Albert S. Hutt
CORR. SEC. Mrs. W. D. W. Hall

LADIES AID

PRESIDENT..... Mrs. J. Walter Maxwell
FIRST VICE-PRES. Mrs. H. R. Dickens
SECOND VICE-PRES. Mrs. William Albert Wood
TREASURER..... Mrs. W. W. Leech
REC. SEC. Miss Jessie I. Rutter
CORR. SEC. Mrs. W. D. W. Hall

The members of both of these organizations wish to express their thanks to the congregation for their support during the past year, and to extend to all the Season's Greetings.

This evening at eight o'clock, Mr. Stimson will hold the second Service of Instruction. The first was well attended, and it is hoped that an increasing number of people will come to review the content of Christian Faith.

It was a joy to see two hundred people in Saint Mary's Christmas Eve. This can be nothing else but a witness of a growing response to the manifestation of God through this Church.

Coming at such a time, the offering of \$498.01 enables us to face the future with ever renewed hope. We feel that you want to keep in touch with our progress in lifting the burden of indebtedness:-

As of December 27th -

Salaries and Bills payable -----	\$1,275.98
Balance -----	708 01
Amount owed for 1935 -----	<u>\$967.97</u>

Scores of loyal people are giving all they can: they must not be pressed further. We will win through somehow, but do you wonder that we ask you to rethink the place of your Church in your own life?

New Year's Day, the Feast of the Circumcision is a day of anniversaries for Mr. Coonrad and Mr. Stimson. Mr. Stimson was made Deacon on January 1, 1930. Mr. Coonrad was made Deacon and Mr. Stimson ordained Priest at St. Mary's Ardmore on January 1, 1931. Mr. Coonrad was ordained Priest on January 1, 1932. Please remember them in your prayers.

Fifty or more came to the Parish meeting, Monday evening. The next will be FRIDAY, JANUARY 4TH. Let's double the number - these meetings are valuable. Please take a penny-box from the back of the Church.

MOTTO for this week --

"Grant that we may be daily renewed by Thy Holy Spirit".

NOTES and NOTICES

Friday, October 18th, is St. Luke's Day. There will be Holy Communion at 7:00 and at 9:30. St. Luke is known as the "beloved Physician", Patron Saint of Doctors and Nurses.

The preacher today is the Rev. Dr. H. M. Lufkin, Instructor in Mathematics at the University.

Next Sunday, October 20th, the Rev. W. Brooke Stabler, Chaplain of the University, will preach.

The Church School meets every Sunday at 10 A.M. in the Parish House. We have made a good start. You can all help us by sending your children and by sending us names of children whom we might get.

The first of a series of "Optional Card Parties" is set for Wednesday, October 30th, at 8 P.M. in the Parish House. Please help along this series by coming and by bringing your friends. There will be refreshments and prizes. Send your name to Miss Cora Watkins, 243 S. 46th Street, or call the Parish Office, Baring 4527, for reservations. Tickets, 50¢ per person, \$2.00 per table.

The Accounting Warden reports that on September 30th, there were unpaid salaries and bills amounting to \$780; but also it was found that there was due to St. Mary's from pledges the sum of \$1100. If, therefore, all of you whose promised gifts are in arrears will pay them in at once the bills etc., can be met and St. Mary's can start the Winter well. Please be prompt.

The Convocation of West Philadelphia will hold its next meeting at St. George's Church, 61st & Cedar Avenue on Thursday, October 17th. The Business Meeting is at 5:00 P.M., and at the same hour is the meeting of the Woman's Aid of the Convocation. Supper (50 cents) is at 6:15 P.M. and the Evening Session at 8:00 P.M. All meetings are open to visitors. We hope St. Mary's will be well represented. Those who wish to attend the Supper will please send word to the Parish Office (Baring 4527) on or before Tuesday, October 15th.

Six University students have promised to join our Choir. Their help is highly appreciated, and they add greatly to the spirit of praise and worship at our services. If there are others who will help us this way will they please notify the Rev. William B. Stimson at the Christian Association Building?

NOTES and NOTICES

The Celebrant at 7:30 A.M. this Sunday will be the Rev. Dr. H. M. Lufkin, Instructor in Mathematics at the University.

The preacher today will be the Rev. W. Brooke Stabler, Chaplain of the University.

The preacher next Sunday will be the Rev. Dr. John Mockridge, Rector of the Parish.

Through the efforts of members of the Church School we have added several new members to the School. This interest on their part should be supported by the hearty cooperation of the members of the Parish. Won't you please turn in the names of anyone, young or old, that you think might be interested in joining the School to the Church Office?

The regular meeting of the Women's Aid and Auxiliary will be held in the Parish House, Tuesday, October 22, at 2:30 P.M. All women of the Parish are requested to attend as plans are being made for the coming season.

The first of a series of "Optional Card Parties" is set for Wednesday, October 30th, at 8 P.M. in the Parish House. Please help along this series by coming and by bringing your friends. There will be refreshments and prizes. Send your name to Miss Cora Watkins, 243 S. 46th Street, or call the Parish Office, Baring 4527, for reservations. Tickets, 50¢ per person, \$2.00 per table. Donations for prizes and refreshments are solicited.

The Rev. R. E. Coonrad, assistant at the Parish, was operated on for appendicitis, Wednesday, October 9th, at the Misericordia Hospital, 54th & Cedar Aves., We are glad to report that he is making a splendid recovery and will probably leave the hospital this week.

The attendance of an increasing number of University Students has been noticed with joy by the entire Parish.

We want them to feel that it is THEIR Church, and to take their place as Choirmen and Servers, as well as worshippers.

NOTES and NOTICES

MONDAY, OCTOBER 28th, is St. Simon and St. Jude's Day.
FRIDAY, NOVEMBER 1st, is All Saints Day.
There will be a celebration of the Holy Communion both days at 7 A.M. and at 9:30 A.M.

The preacher today is the Rev. Dr. John Mockridge, Rector of St. Mary's Parish.

The preacher next Sunday will be the Rev. William B. Stimson, assistant at St. Mary's and in charge of the Episcopal Students at the University.

The Requiem Service is said every Saturday. Those who wish their beloved departed remembered at the Altar need merely send us their names.

Your attention is called to the Optional Card Party to be held this coming Wednesday, October 30th in the Parish House at 8 o'clock. Send your name to Miss Cora Watkins, 243 S. 46th Street, or call the Parish Office, Baring 4527, for reservations. Tickets 50¢ per person - \$2.00 per table. Donations for prizes and refreshments are requested.

The Reverend Ralph E. Conrad has returned to his home for convalescence. All of his friends will join in our Thanksgiving for his rapid recovery.

The Three Day Conference of the Women's Auxiliary will be held next week, October 28th - 30th. The program, which seems excellent, is posted in the Church Vestibule. The Bishop invites all members of the congregation to attend.

IMPORTANT NOTICE TO STUDENTS

There is a growing movement among students to make the first Sunday of the month the general University Sunday. This seems to us a sensible and wholesome idea, as the attendance of increasing numbers on a definite day will foster that sense of companionship that should be felt by all students in this Church and congregation. It does happen that the next three such dates fall in unfortunate seasons:-

December 1st, Thanksgiving Recess.
January 5th, Christmas Vacation.
February 2nd, Examinations.

We therefore ask all students to consider the Second Sundays of those three months, (December 8th, January 12th, and February 9th) instead of the first Sundays. All Church Proctors please notice.

NOTES and NOTICES

The preacher today is the Rev. William B. Stimson, Ass't. at St. Mary's, and minister to Episcopal Students at the University.

The regular monthly meeting of the Vestry will be held Tuesday evening, November 5th, in the Parish House at 8 P.M.

The annual meeting of the Altar Guild will be held Wednesday, November 13th, in the Sacristy at 10:45 A.M. All women of the congregation are invited to attend. Business of importance will be discussed.

The prayers of the congregation are asked for the Rev. Ralph E. Coonrad. His recovery has been somewhat retarded by certain complications which his Doctor expects will be relieved within a week. Fortunately he

will be able to go to the country as soon as he is strong enough to make the journey. We trust that he will return soon and take up again his duties in the Parish that mean so much to him, and to all of us.

The congregation will want to congratulate William Cox on his election as president of the Freshman Commission. "Bill" is the son of the late Rev. William James Cox, formerly rector of St. Andrews Church, 36th & Baring Streets. As he is a commuting student he cannot be a member of our student congregation, but he has a keen interest in, and loyalty to, the work of the Church on the campus.

The ladies of St. Mary's Aid and Auxiliary are completing plans for a Bazaar and Supper to be given in the early part of December. There will be fancy articles and novelties of every description; an excellent opportunity to do some Christmas shopping. Do not complete your gifts until you have seen what we have to offer. Watch the leaflet for further information.

The Bohlen Lectures for 1935 will be delivered on successive Wednesdays, beginning October 30th, at 5 P.M. in Holy Trinity Church, 19th & Walnut Streets by the Rev. Prof. George Aaron Barton, Ph.D., D.D. The subject will be, "The Formative Ideas and Influences of the Apostolic Age".

- OCT. 30 - "The Church Unconscious of It's Mission".
- NOV. 6 - "The Mission Discovered".
- NOV. 13 - "Missionary Enterprise Triumphant".
- NOV. 20 - "The Passing of the Apostles".
- NOV. 27 - "The Institutionalizing of the Church".

These Lectures have always typified the mind of the modern Church thinking through and espousing the central concepts of our Faith. Christians who want to love God with their minds will find in these lectures a "feast of reason". Dr. Barton is the Professor of New Testament at the Philadelphia Divinity School, and a scholar and teacher of the first rank.

NOTES AND NOTICES

The preacher this morning will be the Rev. Wm. B. Stimson, and his subject, "Christ's Peace". It is most fitting to turn our thoughts and prayers in this direction at Armistice time.

The Rev. Dr. H. M. Lufkin will be the celebrant at the 11:30 A.M. service today. As Instructor in Mathematics at the University, and a new neighbor, we heartily welcome him.

The Rev. R. E. Coonrad has at last been able to get away for his final period of convalescence. We are looking forward to his return sometime towards the end of the month.

The annual meeting of the Altar Guild will be held Wednesday, November 13th, in the Sacristy at 10:45 A.M. All women of the congregation are invited to attend. Business of importance will be discussed.

The flowers on the Altar All Saints Day were given by Mrs. J. C. Ayer.

Those on Sunday, November 3rd, were given by Mr. George Hall.

The thanks of the congregation are to be extended to the Misses Watkins for the very efficient way in which they managed the Card Party. Even though the night was stormy the party was a success with all tables filled. Proceeds amounted to about \$15.00.

On Thursday evenings through November the Rev. T. L. Harris is holding a series of discussions on the general theme "Christianity Versus the Isms". Admission is restricted to students, and by invitation. Mr. Harris is anxious to have not more than fifteen in the group, and requests that all students desiring to attend should get in contact immediately with Mr. Stimson.

Several students have inquired about Dr. Lufkin's Church School class, and expressed a desire to attend. The group is limited to adults, and students will be welcome. It meets Sunday mornings at 10 A.M. in the clergy room of the Parish House. The subject, "The Prayer Book", should be of general interest and particular value.

CHURCH PROCTORS' ATTENTION! There will be no Monday luncheons on either November 11th or 18th. Instead, I am holding two special luncheons, Thursdays, November 14th and 21st, at the Christian Association Building at 1 P.M. Please make every effort to attend these meetings. Will you also come to my office sometime this week with a list of all members of your dormitory or fraternity?

Those of you who can, will find it is not time wasted to attend the Bohlen Lectures at Holy Trinity Church at 5 P.M., Wednesdays throughout November. The lecturer is the Rev. Prof. George Aaron Barton, and his subject this week is the "Missionary Enterprise Triumphant". Dr. Barton is the Professor of New Testament at the Divinity School, and a scholar and teacher of the first rank.

NOTES and NOTICES

The preacher this morning will be the Rev. Wm. B. Stimson, assistant minister of St. Mary's and Pastor to Students.

On Sunday, November 24th, the Rev. Dr. John Mockridge, Rector of the Parish, will preach.

The ladies of St. Mary's Aid will hold their Supper and Bazaar, Thursday evening, December 5th, in the Parish House. Supper served from 6 - 7:30 P.M. Tickets 60 cents. The Bazaar will be on the second floor with many new and attractive features. Fancy articles and novelties of every description will be for sale. An excellent opportunity for the Christmas shopper to get that "personal gift". Be sure to come and bring your friends.

Mr. Stimson would like to call to the attention of the entire Episcopal student body, and especially the Church Proctors, that Sunday, December 8th, is the next Student Sunday. We have succeeded in getting one of the outstanding younger men of the Church to be the preacher, the Rev. S. Thorne Sparkman, of Christ Church, Baltimore.

If students consider church attendance as an extra duty tacked on to their already heavy schedule their attendance will be sporadic, and the value of it insignificant. We cannot urge each one of you too strongly to make a radical change of mind in this direction: that regular, and will-inspired worship of Almighty God is the natural center of adult life. The actual amount of time sacrificed is insignificant once the thought and will grasp it's amazing importance.

Come on December 8th, and come because it is "meet, right and our bounded duty", and come expecting a gradual deepening and enrichment of your entire life from the Altar.

Do not forget the Bohlen Lectures are now in progress each Wednesday in November, in the Church of the Holy Trinity, at 5 P.M. The Rev. Prof. George Aaron Barton is the lecturer, and his subject this Wednesday, "The Passing of the Apostles".

NOTES and NOTICES

The preacher this morning is the Rev. Dr. John Mockridge, Rector of the Parish.

On Thanksgiving Day, Thursday, November 28th, St. Mary's and St. Philip's will unite for the 10:30 A.M. Morning Service. We hope that Rev. R. E. Coonrad will be back with us and well enough to take part in the Service, but if not Rev. W. B. Stimson will be in the Chancel with Dr. Ayer, who will preach. As Thanksgiving seems a most fitting day on which to make one's Communion - how dominant is the note of Thanksgiving in the Eucharist? St. Mary's will have celebrations at 7:00 and 9:30 A.M.

All offerings on Thanksgiving Day are for the Episcopal Hospital. Please give generously to this great Church charity for the sick and poor.

St. Andrew's Day comes on Saturday, November 30th. Holy Communion at 7:00 and 9:30 A.M.

Any Episcopal Students who have to remain on the campus over Thanksgiving Day, please notify Mr. Stimson promptly.

We are pleased to report the Rev. R. E. Coonrad is improving, and hopes to return home for this Sunday. We will be glad to welcome him back.

The ladies of St. Mary's Aid will hold their Supper and Bazaar, Thursday evening, December 5th, in the Parish House. Supper served from 6 - 7:30. Tickets 60¢. The Bazaar will be on the second floor with many new and attractive features. Fancy articles and novelties of every description will be for sale. An excellent opportunity for the Christmas shopper to get that "personal gift". Be sure to come and bring your friends.

The last of the Bohlson Lectures will be given Wednesday afternoon in the Church of the Holy Trinity at 5 P.M. The lecturer, Rev. Prof. G. A. Barton, will close the series with the subject, "The Institutionalizing of the Church".

The Rev. John Crocker, Minister to Students at Princeton University has extended a cordial invitation to Episcopal Students at Penn. to share in a University men's retreat at Bernardsville, N.J. from Friday afternoon December 6th to early Sunday morning. Mr. Stabler and Mr. Stimson are planning to take a small group, and would be glad to give full details to any one interested. As your Pastor, I want personally to urge each religiously maturing student to consider this as an unique opportunity.

NOTES and NOTICES

The preacher this morning is the Rev. Nelson Rightmeyer, assistant minister at the Church of St. Luke and the Epiphany, Philadelphia.

The preacher next Sunday will be announced later.

The regular monthly meeting of the Vestry will be held Tuesday, December 3rd, in the Parish Office, at 8 P.M.

We are indeed glad to welcome the Rev. R. E. Coonrad back after his long illness, and trust that he may continue to regain his strength and health rapidly and surely.

On Sunday, December 8th, there will be a "silver" Tea at the home of Mrs. A. D. Horn, 4633 Locust Street, from 4 - 6 P.M. The proceeds will go towards the carrying on of the work of the Church School. The earnest cooperation of the members of the Parish is asked.

Don't forget the Supper and Bazaar to be held this Thursday evening, December 5th, in the Parish House, by the ladies of St. Mary's Aid. Supper served from 6 - 7:30 P.M. Tickets 60¢. The Bazaar will be on the second floor with many new and attractive features. Fancy articles and novelties of every description will be for sale. An excellent opportunity for the Christmas shopper to get that "personal gift". Donations for the supper are requested to be sent to Mrs. J. W. Maxwell, 3828 Locust Street. BE SURE TO COME, and BRING YOUR FRIENDS.

Mr. W. A. Lippincott, Jr., recently sent in his resignation as Chairman of the Episcopal Committee on Student work. Mr. Lippincott's association with this work goes back to it's very beginning in this Diocese under Bishop Rhinelander. For years he has given the full measure of his loyal, devoted and enthusiastic service, and is resigning from active leadership now only because he can no longer devote the time that this position demands. His resignation is made under the same impelling motive that has marked his lifetime of service - for the work's sake. We accept it with regret knowing that the spirit and the labor which he has wrought into our work has become a lasting part of it.

IMPORTANT NOTICE FOR THE PARISH, CHURCH PROCTORS, AND ALL STUDENTS!

The Rev. S. Thorne Sparkman who was scheduled to preach on December 8th, has been forced to postpone his coming until the 15th, therefore we are planning our University Church Service for that date. It will be gloriously worthwhile to have St. Mary's Church crowded with Parishioners, their friends, and especially College men and women to hear Rev. Sparkman. This will be done if each one of you not only plans to come, but actually does come and bring someone with you.

NOTES and NOTICES

The preacher this morning is the Rev. S. Thorne Sparkman, of Christ Church, Baltimore, Md.

The preacher next Sunday will be Dr. D. A. McGregor, Executive Secretary of the National Council Commission on Religious Education.

Saturday, December 21, St. Thomas' Day, there will be a celebration of the Holy Communion at 7 and 9:30 A.M.

The regular monthly meeting of the Ladies Aid and Auxiliary will be held in the Parish House, Tuesday, December 17, at 3:30 P.M. A good attendance is requested.

The clergy and vestry of St. Mary's desire to thank the members of the Ladies Aid, and all others who helped, for making the supper and bazaar such a success. It was due only to their untiring efforts and unceasing labor that about \$225 was cleared. Sincere thanks are also extended to all donors of both the bazaar and supper.

As has been the custom at St. Mary's for a number of years there will be a Christmas Eve Midnight Service on December 24th. The service will consist of Festival Procession, Blessing of the Creche and Choral Eucharist. The church is usually filled at this service and it is hoped this year will not prove an exception. Attend yourself, and bring your friends.

All members of the Parish Council, both men and women, are asked to attend a meeting to be held in the Parish Office, Monday, December 16th, at 8 P.M. Business of the greatest importance concerning the Parish Budget for 1936 is to be discussed, and it is earnestly hoped that ALL members will make an unfailing effort to be present.

I have an announcement, and a request to make. The announcement is, that at the last meeting of the Vestry, I appointed the Rev. William B. Stimson to be Vicar of St. Mary's. The appointment was confirmed by unanimous vote. I have received Mr. Coonrad's resignation as Assistant Priest, the resignation to take effect later on. Mr. Stimson has accepted the Vicarship, and assumes the duties of his office at once. He will have full authority in the conduct of the worship and work of St. Mary's.

The request is, that the people of St. Mary's will at once resolve to give their prayers for, and their wholehearted loyalty to Mr. Stimson. For the present, he has a double set of duties to perform, for ofcourse he continues his work among students. St. Mary's is in a critical condition. It needs real and radical revival. Mr. Stimson has already made clearcut plans for a six weeks' period of awakening, of sacrifice, of worship and of instruction. I most earnestly hope that everyone of you will back his leadership with immediate response.

GRADUAL, Chorale: J. S. Bach

Oh, rejoice ye Christians, loudly,
For your joy is now begun;
Wondrous things our God hath done;
Tell abroad His goodness proudly,
Who our race hath honor'd thus,
That He deigns to dwell with us.
Joy, oh joy beyond all gladness!
Christ hath done away with sadness!
Hence, all sorrow and repining,
For the Sun of grace is shining.

See, my soul, thy Saviour chooses
Weakness here and poverty:
In such love He comes to thee;
Nor the hardest couch refuses:
All He suffers for thy good,
To redeem thee by His blood.
Joy then joy beyond all gladness!
Christ hath done away with sadness!
Hence, all sorrow and repining,
For the Sun of grace is shining.

The Heav'ns are telling the Lord's endless glory,
Through all the earth His praise is found,
The seas re-echo the marvelous story:
Oh, man, repeat that glorious sound!
The starry hosts He doth order and number!
He fills the morning's golden springs,
He wakes the sun from his night-curtain'd slumber:
Oh, man, adore the King of Kings.

The heav'ns are His and the earth knows His favor,
His power in all things thou dost see;
The Lord of hosts, who for ever and ever,
Thy God and Father still shall be.
He is the Maker whose love shall not waver
A God of wisdom ever kind;
Praise Him and love Him with all thy endeavor,
In Him salvation shalt thou find.

NOTES and NOTICES

The preacher this morning is the Rev. R. E. Coonrad,
Assistant at St. Mary's.

At the Parish Meeting, Monday, April 13th, the
following vestrymen were elected to serve for a period
of three years. George Hall, Esq., William I. Rutter, Jr.
Esq., H. Lamar Crosby, Esq., Harold D. Eberlein, Esq.,
Justus Sinexon, Esq., M.D. (to fill the unexpired term of
C. R. Woodruff).

The new lights in the Church, given in memory of
Henrietta Bach Pepper by her sister Miss Caroline D. Bache,
were blessed at Evensong, Easter Even at 5 P.M. A much
needed and most wonderful improvement has been made in
the Church by this gift.

The Altar Guild wishes to thank those who so kindly
and generously, contributed towards the Easter flowers.

The Clergy and Vestry of St. Mary's desire to express
their congratulations, and thanksgivings to all of you for
making an Easter Offering totaling \$703.00. It is not
only the amount that is so pleasing but the spirit that is
reflected in such a generous contribution. St. Mary's is
awakening and new life being manifested all the time, and
it is this new spirit, and new hold on things that will do
more towards our ultimate end, the Kingdom of God, than
anything else.

A vote of sincere thanks is due the Rev. T.L. Harris
for conducting the Three Hours on Good Friday here at St.
Mary's. We had an attendance of over 200, St. Philip's
Church joining with us, and it was said after the service
"It's the best I've ever heard". It is hoped we will have
the pleasure to have Dr. Harris with us again sometime in
the near future.

Attention is called to a play, "Exit the Grand
Duchess", to be presented by the dramatic committee of the
Women's City Club under the direction of Mrs. William
Albert Wood. The proceeds from this play are to go to
church expenses. The date is APRIL 30th, Thursday evening,
at 8 P.M. The place is St. Mary's Parish House. Tickets
are .40¢ each, 3 for \$1.00, and can be obtained from
either Miss Cora Watkins, 243 S. 46th St, or through the
Parish Office, Baring 4527.

Do not forget the Movie Benefit being held at the
Commodore Theatre the week of April 26th. Tickets now on
sale at the Parish House, and through many auxiliary
agencies. Tickets good for all performances Monday to
Friday inclusive, and at the same price as you would pay
at the box office. Go to the movies and help the Church
at the same time. Three good shows are scheduled for this
week. Full information can be obtained by calling Baring
4527 any day from 9 - 11 A.M.

The members of the Ladies' Aid are to be congratulated
on making an Easter Offering of \$82.25. About \$45.00 of
this amount was raised from the Food Sale. The proceeds
from the Musicales is to go to the Special Fund of the
Church. The program was thoroughly enjoyed by all, the
musicians acquitting themselves in a highly professional
manner.

STANDING NOTICES

It is the duty of every Christian to contribute generously, according to his means, for the support of his Parish. Weekly Envelopes can be obtained on application to the Vicar, or contributions may be made monthly, quarterly, semi-annually or annually.

Legacies—Our small Endowment Fund can be increased by gifts of any amount made from time to time during your lifetime.

The Clergy should always be consulted before arrangements are made for marriages, funerals and baptisms. The second Sunday of the month, at 4.30 P. M., is the regular time for baptism.

NOTES and NOTICES

The preacher this morning is the Rev. Dr. John Mockridge, Rector of St. Mary's.

The preacher next Sunday will be the Rev. John Golding, Assistant Chaplain at Columbia University.

The regular meeting of the Women's Auxiliary and Ladies' Aid will be held in the Parish House, Tuesday, April 28th, at 3 P.M. All members are requested to be present.

The flowers on the Altar last Sunday were given by Mr. Gardiner Crowell in memoriam.

Your attention and support is called to a play given under the auspices of the Women's Auxiliary "Exit the Grand Duchess", to be presented under the direction of Mrs. William Albert Wood of St. Mary's Church. THE DATE, APRIL 30TH, Thursday evening, 8:15 P.M. THE PLACE - ST. MARY'S PARISH HOUSE. Tickets are 40¢ each, 3 for \$1.00, and can be obtained from either Miss Cora Watkins, 243 S. 46th Street, or through the Parish Office, Baring 4527. Proceeds are to go towards St. Mary's Mission quota. Come, bring your friends, and see a very enjoyable play.

Under the pressure of the more important services, the attendance at the last few Sunday evening Instructions has dwindled down to almost nothing. The value of such meetings has no relation to the size of the group, in fact, within limits the smaller the better, but when the number falls below four, it is hardly worthwhile. We therefore plan to continue them for the next two weeks to see if the Parish really desires them, and if not, abandon them altogether.

Please notice that there have been a slight change in the schedule at the Commodore:-

APRIL 27TH - "The Country Doctor"
APRIL 28TH & 29TH - "Louis Pasteur"
APRIL 30TH & MAY 1 - "Wife vs. Secretary"

There is a practical note in the Epistle for this Sunday that reminds us that the joy of Easter day is only for those who endeavour "to follow the blessed steps of His most Holy Life". Too many of us hope for a "Future Life" - I wonder just where that phrase came from? The promise of God is of "Eternal Life" which is something vastly different. Like sheep, we may either go astray - or follow!

NOTES and NOTICES

The preacher this morning is the Rev. John Golding,
Assistant Chaplain at Columbia University.

The regular monthly meeting of the Vestry will be
held in the Parish House, Tuesday, May 5th, at 8 P.M.

The flowers on the Altar St. Mark's Day were given
by Mrs. George Huggins. The ones on last Sunday were
given by Miss Jessie I. Rutter in memoriam.

There will be a Corporate Communion of Episcopal
Students in St. Mary's Church, 3916 Locust Street, at 8 A.
M. Tuesday, May 5th. It is urgently requested that all
Episcopal Students connected with the University in any
way attend this service and receive their Communion at
this time.

A vote of thanks and appreciation is due Mrs. H.
R. Dickens for superintending the cleaning of the Church,
and to Miss Caroline D. Bache for the cleaning of the
Parish House. They, with their faithful workers, have
certainly made things "brighter", giving one a new sense
of life and activity here at St. Mary's.

Although the "Movie Benefit" was not the success we
had hoped it would be, due to several reasons beyond our
control, we wish to thank those who so kindly helped make
it what it was. Our regrets are with those of you who
missed such fine shows.

We are pleased to off-set the report of the movies
with the huge success that attended "Exit The Grand
Duchess". The room was filled, about 125 being present.
The play was thoroughly enjoyed by all, the musical
numbers adding greatly to the pleasure. About \$35.00 was
made which amount goes to the Mission Fund from the Women's
Auxiliary. Mrs. William Albert Wood is to be congratulated
on the presentation of such a fine entertainment.

We regret very much to report the critical illness of
the father of Mrs. William B. Stimson. On account of this
the Rev. William B. Stimson, Vicar of St. Mary's was
called to New York suddenly the latter part of the week.
For this reason there are no more items in this copy of
our leaflet.

NOTES and NOTICES

The preacher this morning is the Rev. William B. Stimson.

The flowers on the Altar last Sunday were given by Miss Marjorie Merrick, and Miss Carrie Merryman in memoriam.

The evening service at 8 P.M. will be discontinued until further notice.

The "Lean Season" is almost upon us, when many have gone away for the summer or at least take weekends off, and weekly and monthly pledges are long delayed. Sixteen hundred and sixty dollars has been promised in your pledges between now and September first, and every penny has two or three holes to go into. Will you help by sending your pledges in promptly and fully?

The West Philadelphia Convocation is holding a Sale and Supper, Wednesday evening, May 20th, at the Chapel of Mediator, 51st & Spruce Sts. The ladies of St. Mary's Aid are having a "Utility" table at the Sale. Donations for this are to be sent to Mrs. H. R. Dickens, 3739 Locust St, or to Mrs. William Albert Wood, 4050 Chestnut Street. Supper will be served from 6:30 to 8 P.M. Tickets are 65¢ and can be obtained from Mrs. Wood or through the Parish Office, Baring 4527. Proceeds are to go to the Convocation and each one is asked to do what they can to help this worthy cause.

This summer, St. Mary's Church will be host to St. Philip's during the month of July, and their guest for the August Services. As actual neighbors and friends, with our many ties converging in one great spiritual brotherhood, these hours of worship together should deepen our fellowship. At this time, with Dr. Ayer's unhappy and protracted illness, we will want to unite with them in service as well as in prayer. St. Mary's clergy and laity stand ready to help in any way we can.

In a short time we plan to send out another letter to each member of the Parish. There is so much we want to plan and discuss with each one of you - dangers ahead to warn off, thanksgiving for old obstacles overcome, and new vision given, that we wish we could write or speak personally. May we ask you to accept the will for the deed, and take each communication to your own hearts in spite of the cold formality of the printed page?

STANDING NOTICES

NOTES and NOTICES

The preacher this morning is the Rev. William B. Stimson, Vicar of St. Mary's.

Ascension Day, Thursday, May 21st, Choral Eucharist at 6:30 A.M. and Holy Communion at 9:30 A.M.

Monday, Tuesday, and Wednesday, May 18, 19, and 20, are Rogation Days; Services at the usual hours.

This is the last leaflet that will be mailed to you before Fall. If you are unable to attend services on any succeeding Sunday, ask some friend to bring you the leaflet for that day.

"And it came to pass, while He blessed them, He was parted from them, and carried up into Heaven. And they worshipped Him, and returned to Jerusalem with great joy."

Thursday, May 21st, is Ascension Day, which St. Mary's celebrates with a sung Eucharist at 6:30 in the morning - early enough for us all to worship Him joyfully together, before starting on our daily labors. It seems a strange thing that His parting from us was, and is, an occasion for rejoicing: but actually He has been nearer to us since then through His gift of the Spirit than He ever could be veiled in flesh. "He hath gone to prepare a place for us. Alleluia."

Please help St. Mary's through the Summer by sending in all pledges on time, or even before. We must pay \$2500. in fixed charges, and the \$1600. that you have agreed to give between now and September 1st, is NEEDED.

The proceeds of the musicale and play given By Mrs. Wood and her group amounted to \$38.25. This has been doubled by a friend, so that we are thankfully sending a total of \$76.50 to the Diocese as a part of our promised \$500. Episcopalians give 2¢ a month to Missions and therefore, all along the line, we are curtailing their work, enfeebling the "Voice of the Church", actually asking His servants to go hungry. We pray God that St. Mary's Church, month by month, will bend her efforts towards carrying out the work of the Kingdom.

The West Philadelphia Convocation is holding a Sale and Supper, Wednesday evening, May 20th, at the Chapel of the Mediator, 51st & Spruce Sts. The ladies of St. Mary's Aid are having a "Utility Table" at the Sale. Donations for this are to be sent to Mrs. H. R. NOTES and NOTICES

The preacher this morning is the Rev. R.E. Coonrad,
Assistant at St. Mary's.

The preacher next Sunday, Whitsunday, will be the Rev.
Dr. Joseph Fort Newton, of St. James' Church, 22nd &
Walnut Streets, Philadelphia.

The regular monthly meeting of the Women's Auxiliary
and St. Mary's Aid will be held Tuesday, May 26th, in the
Parish House at 3 P.M. A full attendance is especially
desired at this meeting as it is the last one until
September.

The flowers on the Altar last Sunday were given by
Miss Martha Sproule, in memoriam.

We make our apologies for this belated item. The
flowers on the Altar May 1st, St. Philip and St. James'
Day, were given by Miss A. M. Archambault, in memoriam.

The ladies of St. Mary's Aid will hold their Annual
Strawberry Festival, Thursday, June 4th, in the Cloister
Close, from 6:30 to 8 P.M. There will also be a food sale
and a table of useful articles. Donations of money (to
be sent to Mrs. J. Walter Maxwell, 3828 Locust St.) or of
food and useful articles (to be sent to Mrs. A. C. Abbott,
4016 Pine St.) are solicited. Let us ALL come, bring our
friends, support the cause, and make this a get-to-gether
meeting before the summer starts.

Please help St. Mary's through the Summer by sending in
all pledges on time, or even before. We must pay \$2500.
in fixed charges, and the \$1600. that you have agreed to
give between now and September 1st, is NEEDED.

On Whitsunday we will have the privilege of hearing
the Rev. Dr. Joseph Fort Newton, special preacher of the
Associated Churches of St. James and St. Luke and the
Epiphany. Dr. Newton is one of the foremost preachers
and authors in the American Church and you and everyone
whom you know will be glad to hear him.

On Whitsunday, May 31st, St. Mary's Church people are
asked to re-declare their acceptance of the Christian
faith in an act of affirmation which will be printed as
part of the service. Please do not regard this as a mere
formality, but prepare yourself for it next week by read-
ing your Baptismal and Confirmation Vows, and thinking
deeply upon your own part in the Christian Life.

The May Fete at the Episcopal Hospital will be held on
Wednesday, May 27th, from 11 A.M. to 5 P.M. In addition
to the many tables of attractive and useful articles, a
Mexican Fiesta will be presented from 4 to 5 P.M. A
cafeteria luncheon will be served. Come and bring your
friends for entertainment and show them the Hospital.

The Preacher this morning is the Reverend W. Brooke Stabler, Chaplain of the University of Pennsylvania.

It is the habit of many young men and women to attend Church and make their Communion about once a month which is certainly better than nothing. Knowing that their attendance as a corporate body will make for larger attendance, more stirring singing, and probably better preaching! - and all else that comes of larger and closer fellowship we are appointing THE SECOND SUNDAY OF EACH MONTH AS UNIVERSITY SUNDAY.

The Creed will be said instead of sung. Hymn Books will be given to the students, and we hope to have student servers and ushers. Pennsylvania fellow-churchmen, unite with us in making these days memorable and worshipful! We are as yet unable to afford Hymn Books with musical settings for the regular congregation, and the lack of these is seriously detrimental to congregational singing. Will anyone wishing to purchase a copy for their own pew, please notify us?

The preacher next Sunday will be The Reverend William B. Stimson, Vicar and Pastor to Students.

Are you a "50¢-er?" Do you know what will happen when you become one?

With the first fall issue of our weekly bulletin, we feel that St. Mary's has re-entered her normal fellowship, activity and prayer.

So many and varied are the ways we meet, and the issues we meet, that we must continually remind ourselves of the inner and real reason of our existence as individuals and as a Church.

Lives are spoiled by living on the periphery. Churches die by forgetting, by being "busy here and there". That is only the negative side, the positive side is the amazing things that happen, the healings, the conversions, the transformations, brought by the sudden realization of the meaning of some phrase often heard and formally assented to, the mystery of the Divine Voice and the human response. That, and that alone is central. To remember, and to be alert is to lay oneself open to the quiet but ceaseless calling of the Spirit of God. Take one phrase only, but take it home into your inmost consciousness; a word spoken to us who lack so many things -

"Seek ye first the Kingdom of God and
all these things shall be added unto you."

B. Stimson. Next Sunday the preacher will be the
Assistant, the Rev. Douglas W. Kennedy.

of Diocesan Forces" next Thursday evening, October 22nd,

will be Bishop Taitt, Bishop Rowe, and Bishop Manning.

A meeting of all those interested in the work of our
Sunday School will be held in the Parish Hall Office tomorrow
(Monday) evening, at eight o'clock.

A Card Party and Sale of food and useful articles will be
held in St. Mary's Parish Hall on Wednesday evening, October
28th at 8 o'clock. Donations of food, etc., may be sent to
Mrs. A. C. Abbott, and reservations for cards may be given to
Miss Cora Watkins. The price for cards will be 50¢ each. Be
sure to keep this date open, and be on hand to support the
women in this work.

By this time all of you have met or at least seen our new
Assistant, and will want to know something about him.

The Rev. Douglas W. Kennedy is a native of London, Ontario,
and received his early training and education in the Public
and Secondary Schools there.

In 1927 he won the Western Ontario Oratorical Championship
and gold medal. He was President of the Student Body and
Business Manager of the school magazine, as well as a member
of the school orchestra, and later of the University Little
Theatre Orchestra. For many years he was Acolyte and Lay
Reader in his home parish.

He entered the University of Western Ontario on a City of
London scholarship, later winning a Leonard Foundation scholar-
ship, graduating from that institution in 1931 with the degree
of Bachelor of Arts. In September of that year he entered the
General Theological Seminary on a 3-year scholarship, grad-
uating from there in May 1934, with the degree of Bachelor of
Sacred Theology.

In September 1933, Mr. Kennedy was appointed Student
Assistant of the Church of the Messiah and Incarnation, Brook-
lyn. He was Ordained to the Diaconate in March 1934, by the
Bishop of Huron at a special Ordination in his home parish,
and advanced to the Priesthood the following March in All
Saints' Church, Windsor.

On graduation from the Seminary Mr. Kennedy was placed in
charge of two mission parishes, Merlin and Ouvry, and last May
a third parish, Erieau, was added. He remained in charge of
these parishes until his resignation in September to come to
St. Mary's Church.

We welcome him here in every hope that his ministry will
be long and fruitful - a hope that he has already inspired in
us by his work.

Next Sunday the Choir will sing the Bach Chorale "Jesus Joy of Man's Desiring", with an accompaniment of Organ and Harp. They will be assisted by Mrs. William B. Stimson, Harpist.

The first of the monthly Corporate Communion for the members of the Women's Auxiliary and Aid will be held next Tuesday morning at 8 o'clock. It is anticipated that all the women will come to this Service each month on the day of their regular meeting, as a preparation for the meeting itself.

The regular monthly meetings of the Women's Auxiliary and Aid will be held next Tuesday afternoon in the Parish House. The business meeting will commence at 3 o'clock sharp. Dues will be payable at this meeting.

We are indeed very fortunate in having as our guest speaker at this meeting the Right Reverend Walter Mitchell, Bishop of the Missionary District of Arizona. His talk will commence at 3:30 o'clock. We urgently request that all parishioners come to hear him for three great reasons:- first, as a courtesy to a distinguished guest; secondly, for the man

himself; and thirdly for our need of his message.

Be sure to keep in mind the Card Party and Sale of food and useful articles, which will be held in St. Mary's Parish Hall on Wednesday evening of this week, October 28th, at 8 o'clock. Donations of food, etc., may be sent to Mrs. A. C. Abbott, and reservations for cards may be given to Miss Cora Watkins. Tickets for cards will be 50¢ per person, \$2.00 per table. Do not fail to be on hand Wednesday evening to support the women in the great work that they are doing for the Church.

At the Saturday morning Requiem each week the faithful departed are remembered. Will those who wish remembrances made at the Altar please notify the Clergy.

Increased attendance at the early Services means a heightened place of religion in the lives of individuals. Look on this as a next step to be taken, not hurriedly, but soberly and intelligently. Saints Days, or one mid-week Communion - it is by such practical measures that we find room in our busy lives for Him who should fill our lives!

The Monday evening meeting of those interested in our Church School was somewhat of a disappointment. Four attended, the Clergy, and two women. We have matters of grave importance to decide and yet feel they cannot be dealt with without the understanding agreement and cooperation of the congregation.

As we are still skating over paper-thin financial ice, we have discontinued mailing the bulletins. If any wish to have theirs mailed to them please let us know.

Speaking of finances, we estimate that the pledges unpaid to date total nearly \$550., a sum which would pay the Rectory taxes and the November Mortgage interest. Some people have increased their pledges during the year. We are thankful for their help, for this sign of their interest, and for this evidence of the passing of the depression.

The Gospel for last Sunday ends, "They marvelled, and glorified God, which had given such power unto men". Thoughts crowd in after a moment's reflection on this picture - thoughts about Him, about ourselves.

ANNOUNCEMENTS

The flowers on the Altar to-day were given by Mr. George Hall.

Commencing next Sunday evening at 8 o'clock, and each Sunday evening following, a Service for students and other young people of the Parish will be held in the Church. This Service has come about as the result of numerous requests from the students, and we hope that the young people of our Parish will join with the students in this evening worship.

Each Monday afternoon, from 4 to 6, commencing tomorrow, women of the Parish will be meeting with Mrs. Stimson in the Rectory for sewing. Any women who wish may bring sewing of their own, and sewing will be provided for the others. Tea will be served, for which a charge of ten cents will be made.

All the women who are free to come on Monday afternoons are cordially invited.

The November meeting of the Vestry will be held on Tuesday evening of this week at 8 o'clock.

At the meeting of the Ladies' Aid and Women's Auxiliary last week it was decided to change the hour of the monthly Corporate Communion on the day of the meeting from 8 o'clock to 9:30.

Plans are well under way for the Musicales which is to be held in our Parish House on Wednesday evening, November 18th, under the convenorship of Mrs. W. A. Wood. Be sure to keep this date open.

Letters were sent out during the past week to all members of the Parish from the Vicar. We find that our record of addresses is not accurate, as some people have moved without giving us their new address. If you did not receive the letter last week would you please notify the Clergy in order that we might check on your address. Extra copies of the letter are available at the door of the Church.

The following have passed into the life beyond during this past year, and taken their places as members of The Church Triumphant:

HIRAM BURCHARD CALKINS

JOSEPHINE EMMA HUGHES

SALLIE HOWELL HORN

ELIZABETH HAESELER

MARGARETTA PENROSE STOVELL

JAMES GRAHAM CROWELL

ELIZABETH CROWELL

Eternal Rest grant them, O Lord, and light perpetual shine upon them; May they rest in peace. Amen.

"I believe inthe Communion of Saints".

How thankful we are to our Heavenly Father for our Christian Faith as we remember before the Altar our loved ones who have passed through 'the grave and gate of death' into the Life Eternal. Our Lord's Resurrection assures for His followers the fulfilment of His promises, "He that believeth in me, though he were dead, yet shall he live, and whosoever liveth and believeth in me shall never die", and again, "I go to prepare a place for you, that where I am there ye may be also". We are members of the Church Militant, they of the Church Triumphant, all one in Christ, all members of His mystical Body, which is the blessed company of all faithful people. Those who have passed beyond, and we who remain, enjoy one communion and fellowship in our Lord Jesus Christ, and neither life nor death can separate us from the love of God. "Thanks be to God, which giveth us the victory through our Lord Jesus Christ".

ANNOUNCEMENTS

The preacher this morning is the Rev. William B. Stimson, Vicar of St. Mary's Church, and Pastor to Episcopal Students at the University. Next Sunday the preacher will be the Rev. D. W. Kennedy.

This evening at 8 o'clock the first of the regular Sunday evening Services for students and other young people will be held in the Church. This Service has come about as the result of numerous requests from the students, and we hope and pray that it may become an ever-increasingly helpful and important part of our life of worship together. All young people of our parish are invited to join with the University students in making this a maximum step forward in our spiritual progress.

On Wednesday evening, Nov. 18th, at 8:15 P.M., a Musicale is to be held in St. Mary's Parish House, under the able Con-
vener-ship of Mrs. Wm. Albert Wood. The Programme includes:-
The Newton Coal Company Trio; Bertha Schlesinger, Dramatic Sop-
rano, Grand Opera Singer; Charles W. Stein, Accompanist; Rich-
ard A. Humphrey, of our choir, Baritone Soloist; Mrs. William
B. Stimson, Harp Soloist; Marie Louise Sanderson, Radio Artist.
We are thus assured of a real musical treat.

The annual Parish Supper, under the auspices of the ladies of the Parish, will be held on Thursday evening, Dec-
ember 10th. No more need be said about this now--you will all
want to be here with your friends.

Women of the Parish are meeting with Mrs. Stimson in the Rectory each Monday afternoon for sewing. Tea is served, for which a charge of ten cents is made. All women are cordially invited to these gatherings.

A meeting of the Altar Guild will be held next Tuesday morning, (November 10th), at 10 o'clock in the Sacristy. Any new contributing members for this Guild will be most welcome.

At last we have made a beginning in replacing the worn-out choir cassocks and cottas. We now have four new cassocks, made possible by individual subscriptions. But this is only a be-
ginning. Perhaps you would like to have a part in this work, by donating either a cassock, a cotta, or both, as a contribution to St. Mary's other than financial. The cost of a cassock is \$10.00, and of a Cotta \$3.50, a complete outfit for \$13.50. If you are interested in this important matter, and would like to help it along, please get in touch with any member of the Altar Guild, or the Clergy.

Many people, not only strangers, but even those who have worshipped faithfully and devoutly all their lives, have never realized and participated intelligently in the directed and pro-
gressive spiritual activity of the great Drama of the Holy Communion. That all of us may worship with the understanding it is our hope to use the Bulletin as a vehicle for a series of weekly brief instructions and illuminations into what should happen to and through Priest, Congregation, and individual worshipper. Might we suggest that not only do you read these carefully as they appear, but also that you save them, and when the series is complete, read them again as a whole to get a sense of perspective, of direction, of the purposeful activity of worship and the fruits of it?

"The Holy Communion is the approach not of individuals primarily, but of a group. Fellowship, a deep unity of purpose and spirit must knit them together."

"Our Father" - no one can ever exhaust the meaning of that phrase. Note the tension of awe and love that must ever lie in the deepest core of worship. We approach Him as men walk - ever balancing the never-balanced support and progress of our two feet.

But to approach Him we must prepare first. Do you remem-
ber what happened to the too-casual man at the wedding - he who neglected to dress for the occasion? Are we prepared? What must we do about it? See next week's Bulletin.

STANDING NOTICES

It is the duty of every Christian to contribute generously, according to his means, for the support of his Parish. Weekly Envelopes can be obtained on application to the Vicar, or contributions may be made monthly, quarterly, semi-annually or annually.

ANNOUNCEMENTS

The preacher this morning is the Rev. Douglas W. Kennedy.
Next Sunday morning the preacher will be the Rev. William B.
Stimson.

Last Sunday evening we had the first of our regular Sunday
evening Services for students and other young people, and there
was a fine attendance in spite of the inclement weather. We
believe that this is an important step forward in the spiritual
growth of the Parish, and that the interest will become more
wide-spread as time goes on. These Services are held each
Sunday evening at 8 o'clock.

Just a reminder that women of the Parish are meeting on
Monday afternoons with Mrs. Stimson in the Rectory for sewing.
A charge of ten cents is made for tea, and the money thus re-
ceived goes into contributions to Parochial and Convocational
organizations. All women of the Parish are cordially invited
to come to these weekly gatherings.

On Wednesday evening of this week, November 18th, at 8:15,
a Musicale is to be held in St. Mary's Parish House. The
general Convenor for this affair is Mrs. W. A. Wood. An ex-
cellent programme has been arranged, providing a real treat for

all music-lovers, as well as an opportunity to assist our Church
financially. The following artists are included in the pro-
gramme:- The Newton Coal Company Trio; Bertha Schlesinger,
Dramatic Soprano, Grand Opera Singer; Charles W. Stein, Accom-
panist; Richard A. Humphrey, of St. Mary's Choir, Baritone Soloist
Mrs. William B. Stimson, Harp Soloist; and Marie Louise Sander-
son, Radio Artist. Let us all make a point of supporting this
worth-while effort, and bring our friends along with us. Ticket
are 35 cents each, or three for one dollar.

We would appreciate it very much if those of you who are
contributing to the Red Cross would do so through St. Mary's
Church. We are well known as a Church that is most liberal in
help to those who are in need. Support the splendid work of the
Red Cross, and do so through St. Mary's Church.

We again wish to draw attention to the fact that a begin-
ning has been made in replacing the worn-out choir cassocks and
cottas. Through individual subscriptions we have been able to
purchase four new cassocks. What a splendid thing it would be
if we could have our choir completely outfitted in new vestments
by Christmas time. This would be a splendid evidence of our
appreciation of the contribution that our choir is making to the
beauty, reverence and dignity of our worship. Would you like to
have some part in this work by donating either a cassock or cotta
or both, or making a contribution towards the purchase of these?
The cost of a cassock is \$10. and of a Cotta \$3.50, a complete
outfit for \$13.50. Mrs. Louise Parks has been appointed Choir
Mother, and is assisted in this work by Mrs. H. R. Dickens. Con-
tributions for choir vestments may be made to either of these
women, or to the Clergy.

What is meant by "preparation for Communion?" Often as we
approach the Altar we get a sudden disquieting "flash" of the
promises we made at our Confirmation, and reiterated again and
again at our communions. And here we are again - with so little
done! This unpleasant fleeting thought is the stirring of a gen-
uine religious impulse. Given proper time and attention, say a
half hour the night before, what hard and great things would grow
out of it! God is loving, but holy; holy but loving.

Think of the contrast in these words - reflect deeply on
their meaning. Do we come casually to His Altar, not thinking
what His Holiness and His Love mean in our lives? Read what God
has to say to anyone who approaches even His joyous feast cas-
ually (Matthew XXII-13). We are most solemnly adjured to be in
a certain condition of heart and mind and will before we dare
receive Him (read the Invitation to Communion in the Prayer Book
page 75). We must regularly and faithfully set about to accom-
plish this. Get a booklet on how to do it: Bishop Slattery's
"The Holy Communion" is good. Then "Draw near with faith, and

ANNOUNCEMENTS

The preacher this morning is the Rev. Wm. B. Stimson.
Next Sunday morning the preacher will be the Rev. Douglas
W. Kennedy.

THANKSGIVING DAY

"O go your way into his gates with thanksgiving, and
into his courts with praise; be thankful unto him, and
speak good of his Name."

Next Thursday, November 26th, is our National Thanks-
giving Day. There will be a Celebration of the Holy Com-
munion at 7 o'clock in the morning. At 10 o'clock there
will be a shortened form of Matins, Sermon, and Holy Comm-
union, when the Rev. D. W. Kennedy will preach. This is
a day when every last one of us should come to the Altar
to offer our thanksgiving to Almighty God for His many
blessings and to dedicate ourselves anew to Him. "And
here we offer and present unto Thee, O Lord, ourselves,
our souls and bodies, to be a reasonable, holy and living
sacrifice unto Thee".

The Thanksgiving Day offering goes to the work of the
Episcopal Hospital, a Church institution that is doing an
invaluable work. This offering is credited on our Quota. We
trust that you will be as generous as possible in your res-
ponse to this appeal, contributing to a worthy cause and
helping us to reach our Quota objective for the year.

The regular Student Evensong for students and other young
people will be held this evening at 8 o'clock. Come your-
selves and bring your friends.

The regular monthly Corporate Communion for the women of
the Parish will be held on Tuesday morning of this week at
9:30 o'clock. Please notice the change of time.

On Tuesday afternoon the monthly meetings of St. Mary's
Aid and Auxiliary will be held in the Parish House at 3 P.M.
Women of the Parish are specially urged to be present, as
this is a most important meeting.

Be sure to keep Thursday evening, December 10th open for
the Parish Supper.

The Rev. John B. Mockridge resigned as Rector of St. Mary's
Church on November 3, 1936, and the Vestry nominated the Rev.
William B. Stimson for the Rectorship. The meeting then ad-
journed to await the approval of the Bishop. The adjourned
meeting then reconvened on November 18th, and the Rev. William
B. Stimson was elected Rector.

There will be no sewing meeting at the Rectory tomorrow
afternoon, but the women will meet again for sewing on Monday
afternoon of next week.

"Almighty God unto whom all hearts are open ,.... cleanse
the thoughts of our hearts..... that we may perfectly love
Thee....."

The opening Collect breaks us cleanly away from ourselves
and our world to set us "in the heavenly places". No man
really is himself and lives in this world who does not reg-
ularly and systematically lose both in the Other and Greater.
In this world hearts and minds are locked tight. We cannot
know Him until we open wide. The courage it takes, and the
peace it brings!

"Cleanse" - Our minds are at best full of disordered
pettiness, at worst "alienated from the life of God". Could
anything be worse? Ask Him to sweep us clean and fill us
with His Spirit. He will answer it.

"That we may perfectly love Thee". Some come to Church
to receive; the Christian motive is to give. Some are self
centered, the Christian is Altar-centered, God-centered.
Change your motive and you have changed your whole life to
its very roots. Man is really man only when he has learned to
love God, wholly, and simply.

STANDING NOTICES

It is the duty of every Christian to contribute generously, according to his means, for the support of his Parish. Weekly Envelopes can be obtained on application to the Vicar, or contributions may be made monthly, quarterly, semi-annually or annually.

Legacies—Our small Endowment Fund can be increased by gifts of any amount made from time to time during your lifetime.

The Clergy should always be consulted before arrangements are made for baptisms, marriages and funerals. The second Sunday of the month, at 4.30 P. M., is the regular time for baptism.

ANNOUNCEMENTS

The First Sunday in Advent.

We come this morning to the Church's New Year's Day, the first day of the Church Year. And significantly enough, it is the beginning of a period of personal preparation, a preparation for the great event of Christmas Day. What will this new year mean to us in the way of spiritual growth? Now is the time to examine our lives carefully and fearlessly, that we might see wherein we have fallen short of the attainment of our destiny as Christians, and take steps to rise above these shortcomings. Either we are Christians or we are not. Let each of us discover for ourselves, and act accordingly. To be a Christian is to be a follower of our Lord Jesus Christ, a member of the Kingdom of God on earth. Let us use this season

of Preparation carefully and prayerfully, that when Christmas Day comes, we may be truly prepared for the coming into our lives of our Lord Jesus Christ.

The preacher today is the Rev. William B. Stimson. Next Sunday morning the preacher will be the Rev. Douglas W. Kennedy. On Sunday, December 13th, the preacher will be the Rev. John Richardson, former Rector of this Parish, and now a Professor at the General Theological Seminary in New York City.

Tomorrow is Saint Andrew's Day. There will be Celebrations of the Holy Communion at 7 and 9:30 o'clock. The members of the Altar Guild will attend the 9:30 Celebration, and will then hold a meeting in the Sacristy after the Service.

All members of the Servers' Guild, both new and old, are being asked to meet on Tuesday evening of this week at 7:30 at the home of the Rev. D. W. Kennedy, 3927 Locust Street. This is a very important meeting, and all members are urged to be there.

The Parish Supper will be held on Thursday evening, December 10th, from 6 to 7:30. All donations, from 25 cents up would be greatly appreciated, and may be made to Mrs. Maxwell. There will be a sale of articles useful for Christmas gifts, and Mrs. Abbott is Convenor of the sale. Tickets for the supper are now on sale at 65¢ each.

A Service of Evensong will be held in St. Joseph's Chapel at 5:30, previous to the supper, and following the supper a Parish Meeting will be held. So it is most important that we all be on hand on Thursday, December 10th.

The "Fifty-Centers" have already brought in over Fifty Dollars to help us in our ceaseless warfare with old debts. Will everyone please be sure to turn in their savings this Sunday, or next, at the latest.

THE TEN COMMANDMENTS

Religion is far more than conduct. But without moral action and constraint, religion is vain. After having opened up our hearts to him, we pause to examine our past life and prepare our present life in the light of God's revealed way of life. The Ten Commandments seem easy to keep---but few fully realize what our Lord saw in them, (St. Matthew V:17-48.) Few of us can say that we have kept them in their literal sense; perhaps we are violating the heart and spirit of them daily. Needless to say, it is high time we did something about it!

STANDING NOTICES

It is the duty of every Christian to contribute generously, according to his means, for the support of his Parish. Weekly Envelopes can be obtained on application to the Vicar, or contributions may be made monthly, quarterly, semi-annually or annually.

Legacies—Our small Endowment Fund can be increased by gifts of any amount made from time to time during your lifetime.

The Clergy should always be consulted before arrangements are made for baptisms, marriages and funerals. The second Sunday of the month, at 4.30 P. M., is the regular time for baptism.

LENTEN OFFERING

"Love so amazing, so divine, demands my soul, my life,
my all".

An important but often neglected aspect of our Lenten discipline and preparation is the matter of special offering to our Lord. And is this not due largely to a lack of understanding?

So many people say that they already give every cent that they can possibly afford to the Church, and so can do very little more in the way of extra giving during Lent. On the other hand there are those who deny themselves pleasures during Lent purely as a matter of discipline, and make an offering of money saved in this way.

But what is the true spirit and motive that should underlie our Lenten offering? It is shown clearly in the words of one of our finest hymns, which we will sing this morning, "Love so amazing, so divine, demands my soul, my life, my all". We are not making an offering to the Church, we are giving to our Blessed Lord Himself. And our material and worldly offering should be in proportion to the giving of ourselves to Him. Our fasting, abstinence, self-denial and other discipline were never meant to be ends in themselves, but rather means towards one great end---the discovery and fostering of our true relationship to Him. How much do we really love Him Who can never cease to love each one of us? We should make this discovery for ourselves during our Lenten self-examination, and for this reason our Church provides special means of financial contribution to Him.

Will you avail yourself of these opportunities to express in a material way your thankfulness to Him for the countless spiritual blessings that are yours for the asking? Your special offerings may be made in various ways---through Lenten Dime Cards, Lenten Mite Boxes, the Good Friday and Easter Day offerings. Place the Mite Box on your dining table and make an offering at each meal, for yourself and all your family. Use the Dime Card for specific offerings of thankfulness and self-denial. The Dime Cards and Mite Boxes are available at the door of the Church. Ask for yours as you leave this morning.

HYMN 339 (In place of Gloria in Excelsis)

HYMN 127 "Jesus, Lord of Life and Glory"

Next Sunday afternoon the Bishop of the Diocese will visit St. Mary's for Confirmation and for the Institution of the Rev. William B. Stimson as Rector of the Parish. The Wardens and Vestry are particularly anxious that the whole Parish attend this Service, not only to show our loyalty and devotion to our Rector, but also to join together in offering up our prayers for God's blessing on him in his work, on our Parish, and on all who at that time will receive the Laying on of Hands from the Bishop. The Service will be at 4 o'clock next Sunday afternoon.

Our Sunday Evensong, which was temporarily discontinued after the fire, has been resumed and is now being held in the Church each Sunday evening at 8 o'clock. May we count on the support of interested members of the Parish for this Service?

Wednesday of this week will be the Feast of Saint Matthias the Apostle. There will be Celebrations of the Holy Communion at 7 and 9:30 o'clock in the Rectory, and also the regular Lenten Wednesday Evensong in St. Philip's Church at 8 o'clock in the evening.

The February meetings of St. Mary's Aid and Auxiliary will be held on Tuesday afternoon of this week in the Parish House. Previous to the meeting, the members are invited to a luncheon in the Parish House, at 1 o'clock, for which a silver collection will be taken.

As usual there will be a Corporate Communion for women on Tuesday morning at 9:30 o'clock. We trust that as many women as possible will attend this Service, in preparation for the afternoon meetings.

At a recent meeting, the Vestry resolved itself into a Committee of the Whole under the Chairmanship of Dr. H. Lamar Crosby to take positive action towards lessening St. Mary's unpaid bills. This action is another evidence of the loyalty and co-operation of St. Mary's people and an incalculable relief to the Clergy. No one needs to be asked to rally to Dean Crosby's side.

The unanimous vote of St. Mary's congregation accepting the proposed merger and adopting the Charter was a source of great joy to us all.

ANNOUNCEMENTS

The preacher this morning is the Rev. William B. Stimson. Next Sunday morning the preacher will be the Rev. Theodore O. Wedel, Secretary for College Work on the National Council.

The regular student Evensong will be held in St. Joseph's Chapel at 8 o'clock this evening.

This is the annual Week for the Blind. Tomorrow, (Monday), is Episcopal Day. Be sure to send in your contributions tomorrow to Gimbel's store, marking them for

St. Mary's Church, and if possible arrange to have lunch there tomorrow. This is a most worthy object, and a visit to Gimbel's tomorrow will not only help the cause, but also be instructive for you.

On Wednesday of this week the women of St. Philip's Church are holding an all-day mission study class, commencing at 10:30 o'clock. The special speaker will be Mrs. Frank Bonyng. Luncheon will be served at one o'clock. The women of St. Mary's Church have been invited to join with St. Philip's for this occasion. If you cannot arrange to be present for the day, at least try to attend the luncheon at one o'clock.

Remember the Wednesday evening Services during Lent at St. Philip's Church, at 8 o'clock. These are being conducted by the Clergy of St. Mary's, and are for both parishes. The subject of the addresses for the next two Wednesdays will be "The Sacraments".

On account of the luncheon for the blind tomorrow, there will be no sewing group at the Rectory.

We are proud of our Boy Scout Troop, 96. "The March of Scouting" was held in Convention Hall the last three days of last week, and the members of 96 played their part admirably. Members of the Parish may not realize that we have one of the finest Troops in the city. They are using the basement of the Parish House for their headquarters, and have done wonders in transforming their rooms. The night of the fire, members of the Troop played a very important part in turning in the alarm and helping the firemen, and it is due to their efforts that the fire did not have much more serious consequences. In appreciation of their services, the Vestry recently presented the Troop with a long council table and benches for their club room. The Troop is making an important contribution to the life of the Parish and community, and is worthy of any interest and support that we can give to it. Two members of the Troop were Confirmed last Sunday.

Joyfully, and gratefully, we announce the formal approval of the merger of St. Philip's Church at the Parish meeting on Friday evening. The "opposition" showed profound sportsmanship, loyalty, and love, and have pledged their cooperation. All honor to them. "Go Forward, Christian Soldiers".

ANNOUNCEMENTS

The flowers on the Altar for "Refreshment Sunday" were in memory of Georgia Grant Chester and William B. Stimson, Jr.

A formal meeting of the qualified voters of the Parish will be held on Wednesday evening, MARCH 17TH, right after the Evensong (about 8:50 P.M.) at St. Philip's Church, 42nd & Baltimore Avenue. Three small changes of phraseology in the Charter adopted at our last Parish meeting must be voted on. Our Attorney promises that the meeting will not last more than five minutes and requests that every voting member of the Parish consider it his or her duty to be present unless illness or other serious cause necessitates his absence.

Two or three friends of the Parish have come forward to help us wipe out our past indebtedness, with contributions that materially lighten our burdens.

Will this tempt us to rest back, or spur us onward to new heights of achievement? Last year we were resigned to a five year period of arduous penance (somehow "throwing money over our shoulders" into a past that seemed insatiable is a joyless business), and it seems too good to be true that one last "spurt" will bring us out of the red dark places forever, God willing!

In the future we will band ourselves together in work that will be thrilling instead of bitter. The work of helping others who need as we have needed, and of spreading abroad the good news of the Kingdom of God!

The spirit with which St. Philip's and St. Mary's congregations have approached the merger is nothing less than Christian. This business of "keeping first things first" will draw us closer and closer together as we find that our problems and tasks are not obstacles, but positive channels of His Grace.

SAINT MARY'S CHURCH, HAMILTON VILLAGE
3916 Locust Street, Philadelphia.

ANNOUNCEMENTS

The preacher next Sunday morning will be the Rev. John Golding, a Minor Canon of The Cathedral of St. John The Divine, New York City.

On Monday, Tuesday and Wednesday mornings of this week there will be Celebrations of the Holy Communion at 7.00 and 9.30 o'clock.

Last week we had a daily Service of Evening Prayer at 5 o'clock in the afternoon. We are going to continue this Service now as a regular daily Service, every weekday afternoon at five o'clock. The Service lasts about twenty minutes. We trust that you will keep this in mind, and avail yourselves of this opportunity for corporate worship and prayer at the close of the day, as often as possible.

The annual Parish Meeting for the election of Vestrymen will be held on Easter Monday (tomorrow) afternoon in the Parish House from 5 to 6 o'clock. Names of the nominees will be found posted on the door of the Church.

We are commencing today the use of a new type of bulletin. These bulletins are obtained weekly from the Mission Department of the National Council, and contain interesting and helpful accounts of work in the mission field. It will be well worth while for all of us to read this information carefully each week, as well as the Parish news. This will help to give us the vision of the work of the Church as a whole, and so counter-act the ever-present tendency of drawing in on ourselves and becoming "parochial-minded".

CHRIST IS RISEN!

If you have shared the prayer and penitence of Lent, you know the joy of this message which comes new and deeper every year.

God bless you this holy day, and may you feed on Him in your heart with thanksgiving.

ANNOUNCEMENTS

The preacher this morning is the Rev. John Golding, a Minor Canon of the Cathedral of St. John The Divine, New York City. It is expected that the Very Rev. Allen Evans, the recently-appointed Dean of the Philadelphia Divinity School, will assist in the Service. The Rev. William B. Stimson is to preach at St. James' Church this morning, and the Rev. Douglas W. Kennedy at St. Philip's Church.

Tuesday of this week will be the Feast of The Annunciation of the Blessed Virgin Mary. This is transferred from March 25th, as is the custom when that date comes in Holy Week. There will be Celebrations of the Holy Communion Tuesday morning at 7 and 9:30 o'clock, and Evening Prayer at 5 o'clock in the afternoon.

The Altar Guild wishes to express their thanks to those who contributed for the flowers on Easter Sunday.

On Thursday, April 15th, a supper will be held in the Parish House from 5:30 to 7:00 o'clock. The proceeds from this supper will be used for new vestments for the choir. Please keep this date open and support this worthy cause. Tickets are now on sale, at 60 cents each. Mrs. Louise Park is in charge of the supper.

"Far more significant than "sit-down strikes" and European war-scares is the growing disposition of the world to return to Christ's Cross. Silently and powerfully like the sweep of the tide the movement is spreading the rediscovery that from Calvary alone comes "the power of God unto Salvation". We are learning anew that the conquest of the world comes not in organizations, policies, or even "ideals", but in our individual "death unto sin" and rebirth in Christ's Resurrection.

"Woe unto me, if I preach not the Gospel". It is my crucifying work "to die daily" - to recognize every day that in my own nature are the active forces of evil that crucified Christ, that grieve the Holy Spirit, that drive me far from God. "Who shall deliver me from the body of this death?" So cries every man who sees himself in the pitiless light from the Cross. Then, and then only, comes repentance, and the assurance of forgiveness, the flood of new power and peace flowing from us, cleansing and redeeming the world.

Our Risen Lord has committed to me so to live, and so to preach. In love for God and for human souls I must drive the message of His Passion and Resurrection home to each individual soul. It is a message that many will shut their ears to, many will reject even while they are most sure that they are accepting because it starts with a cross for each one of us. But if you will listen, if you will turn, repent and follow, it will become YOUR Gospel - Good News - for you will have entered into the life of God, into the Kingdom of Heaven. Pray for me, as I pray for you, that we each may hear, and obey. May the Risen Christ bless you with all joy and peace in believing.

Will those who have not made their Easter Offering please do so as soon as they conveniently can? Gratitude to God for His redeeming love on your part, on ours the removing of the last burdens from the past.

ANNOUNCEMENTS

THE REV. WILLIAM B. STIMSON is taking the Services at St. Philip's Church this morning.

THE REGULAR SUNDAY EVENSONG with Meditation will be held in the Chapel at 8 o'clock this evening.

AS PART OF OUR DAILY SERVICES, we are now having the Service of Evening Prayer every week-day in the Chapel at 5 o'clock in the afternoon. This provides a splendid opportunity for twenty minutes of Corporate Worship at the close of the day.

AN IMPORTANT MASS MEETING will be held in Convention Hall on Thursday evening, April 22nd, under the auspices of the Emergency Peace Campaign. The main speaker will be Admiral Richard E. Byrd, Honorary Chairman of the No-Foreign-War-Crusade. Tickets for admission to this meeting may be obtained from the Rector, at a cost of twenty-five cents, and ten cents. Any wishing to attend this meeting please secure your tickets as soon as possible, to make sure of getting good seats.

WE ARE GETTING NEW BIER-CANDLES FOR THE CHURCH. One of these would make an excellent memorial. The cost is slightly less than \$35.00 each. Will anyone interested in donating one of these, or in donating any sum whatever towards the purchase of them, please get in touch with the Rector.

REMEMBER THE CHURCH SUPPER which is being held in the Parish House on Thursday evening of this week from 5:30 till 7 o'clock. Mrs. Louise Park is in charge of the supper, and the proceeds are to be used for new vestments for the Choir. The tickets are 60¢ each. Bring your friends with you, and make this supper the success that it should be. This is one means of showing our appreciation of the work of our splendid Choir.

"If a man say 'I love God' and hateth his brother, he is a liar: for he that loveth not his brother whom he hath seen, how can he love God, whom he hath not seen? And this commandment have we from Him, that he who loveth God loveth his brother also".

From time to time I see certain indications that certain people in the Parish "don't get along very well together", to put it mildly! It is far from my intention to raise issues with individuals; contention is not profitable, and not one of us is guiltless of this serious charge.

What I must do, and with God's Grace will do, is to keep on stressing to each one of you the gravity of this offence. How can we face Christ on His Cross without knowing that we have nailed Him there? The "imperfections", and the "human frailties" that we so readily condone within ourselves (but not in our neighbors) are in actuality deadly sins--we are God-killers.

I am one, being a child of Adam. I know "wherein" and what to do about it. Are you one? Have you confessed it specifically, truly and earnestly repenting your sins, in love and charity with your neighbors, intending to lead a new life? Are you going to receive the Holy Communion next Sunday, or "eat and drink damnation"? Are you a sinner, or a forgiven sinner, that is to say, a "Saint"?

ANNOUNCEMENTS

Our beloved George Hall passed quietly away on Monday. A member of St. Mary's since 1894 and Vestryman since 1898, his life, and simple consecration, his love of the Church, and self-effacing service has been an inspiration not only to the Parish but to the whole Diocese. "Well done, good and faithful servant, thou hast been faithful over a few things; I will make thee ruler over many things, enter Thou into the joy of Thy Lord."

Please notice particularly that the April meeting of St. Mary's Aid and the Auxiliary will be held on Tuesday afternoon of this week at 2:30 o'clock, instead of next week, the date was changed because of the meeting of the Diocesan Auxiliary on Tuesday of next week.

The regular Corporate Communion for women will be held on Tuesday morning of this week at nine o'clock.

In recent years our 6 o'clock Choral Eucharist on Ascension Day morning has been very poorly attended. Services of this kind involve a lot of preparation by choir and clergy, and no little expense. If it is just an old custom that is dying out it would be better to give it the "coup de grâce". But those who have come in the early morning to praise Him in His glorious Ascension know what a holy, happy hour it is that should not be given up. We will have the service this year as usual. Remember that Thursday, May 6th, is Ascension Day - "O Come, Let Us Adore Him".

For years we have been hoping to have a Mission at St. Mary's, and now the time is ripe. Soon I hope to make an announcement about it. Meanwhile, will each one of you prayerfully search his heart on the matter. What is a Mission? Do I not need one? What friends have I whom I can draw with me nearer to God? How can I help?

St. Paul always calls us "Saints", even when he is most deeply grieved over our lapses. Here is a thought worth carrying home: it is wrong to think that "Saints" are other people, better and holier than ourselves; it is wrong even to hope that some day we may become Saints, by making ourselves over into righteous and pious people in some mysterious way, foreign to our natures; we are to kneel - now - before Him, and realize that no matter who or what we are, He has called us, set us apart, sanctified us "Ye are Saints!"

ANNOUNCEMENTS

The flowers for last Sunday were given by Mrs. Alex. Horn in memoriam.

There will be a service on May 4th for all people of the Diocese at 8:15 P.M. in the Church of the Holy Trinity, 19th and Walnut, when the Bishop will read the annual address to the Convention.

The annual meeting of the Woman's Auxiliary will be held at Holy Trinity Church on Tuesday morning, April 27th beginning with Holy Communion at 9:30 with the Bishop of the Diocese as Celebrant. The business session will begin at 10:30 with Mr. J. E. Hill as speaker. The session will close with luncheon at the Penn Athletic Club at 12:30 with Mrs. Hill presiding and guest speakers. We would be glad to have more St. Mary's women attending and sitting at St. Mary's table at the luncheon.

Jim Hauze, centre of the U. of P. football team, recently gave the Boy Scouts a thrilling evening by showing moving pictures of last year's big games with most interesting comments on each play. If Jim noticed the eager attention of his listeners I hardly think that he felt himself poorly paid for his services. We all want to thank him for such a real contribution to the life of Troop 96.

There were ten women at the Corporate Communion on Tuesday. There were five persons at Evensong that afternoon. Wednesday found eight of us taking our Communion together at seven o'clock in spite of the cold and rain.

This quietly growing parish life "hid with Christ in God" is a deeper occasion for thanksgiving than larger Sunday congregations, back debts paid, community life consolidated, or even our greater missionary offerings. The Altar is the very heart of the parish.

EXTRACT FROM A LETTER TO THE RECTOR:

"As you know, the House of Rest for the Aged is not an outside interest to your Parish. Every parish in our Diocese is equally and very directly responsible for the home. Without your help the old people who are destitute in every parish, yours and all others alike, will sink to a wretchedness only possible in a miserable old age.

If there is any one from Saint Mary's who would be interested in becoming a member of the board, we would be deeply appreciative. This would also bring your parish in closer contact with the home.

Please help us by making the list of names.

HYMN 237 "When All Thy Mercies, O My God"

The flowers last week were given by Miss Rutter and Mrs. Huggins.

Is there going to be a Spring "Slump" at St. Mary's? An Anglican custom which is "ancient but not catholic", is to pare the Church year down to the Advent-Easter Season.

This is of course perfectly natural and explicable. The drama, music, society, and even business have a "seasonal" rhythm. Moreover, the Church year itself is divided into halves, "dramatic", (our Lord's Life, Death, Resurrection, and "the coming of the Holy Ghost"), and "doctrinal" (the Epistles, Gospels, for the Sundays after Trinity, give an orderly and thorough exposition of the Church's teaching). Of course the first half, coinciding with the more active period of the year, has the greater appeal.

But the operation of the Holy Spirit within the fellowship is neither "natural", "seasonal", nor "explicable". He moves us to worship regularly, to "pray without ceasing". Our Lord's continued work on earth knows no rest.

Most particularly this year, we want to carry on with quiet but steady zeal. What a winter we have to look back upon! Its adversities, and accomplishments spur us on. What a new life we have to look forward to! The merger has been and will be, fraught with difficulty and labor; but difficulties is the staff of which real attainment is made, and a "labor of love" is something we find joy in doing. The big work that lies ahead is the unification of the two congregations into one fellowship. It is time now to prepare ourselves individually by prayer and resolution to do our part.

We begin holding joint services at St. Philip's Church the Sunday after Ascension, May 9th. By that time the work of reconstruction of St. Mary's will be well along. Daily Services will continue in St. Joseph's Chapel as long as practicable, but from now until Fall the Sunday Services will be at St. Philip's.

What a day we can make that first joint Service. The two congregations out in full to dedicate themselves to a renewed life in God; a special offering of Thanksgiving to be used for missions - a service mighty in prayer and praise! We do need you there!

ANNOUNCEMENTS

The Monday afternoon teas at the Rectory have been discontinued for the summer.

The Sunday Evensongs have also been discontinued until the completion of the repairs at St. Mary's.

Whitsunday - May 16th - commemorates the birthday of the Church. The Rector will preach. It is a day set apart for deep inquiry into the function of the Holy Spirit in the life of the individual and of the church.

Following the Strawberry Festival on Wednesday evening, June 2nd, a Drama and Musicales will be held in the Parish House at 8:15 o'clock. "Sally's Hat Shop" will be presented by The Drama Circle of The Women's City Club under the direction of Mrs. William Albert Wood. Mrs. William B. Stimson will be harpist. A voluntary offering will be taken at the door for the benefit of St. Mary's Aid and Woman's Auxiliary.

A word of greeting to the United Congregations:-
"Grace to you, and peace from God our Father, and from our Lord Jesus Christ."

We are met together to accomplish, not our own wills, but the will of God. This we cannot do (and Christ will have died in vain) unless each one of us purges his heart from all evil and mischief, from all blindness of heart; from pride, vain glory, and hypocrisy, from envy, hatred, and malice, and all uncharitableness. This we can and will do, by reconsecrating our lives together, that Christ may dwell in our hearts. Is your inmost life ready to receive Him? That is the question that you and I must answer when we kneel together today.

ST. MARY'S PARISHONERS:

Here is a matter to which I know each one of you will give first our close personal attention, then your enthusiastic cooperation. It is vitally concerned with our next step - our entrance into a future which looks increasingly blessed.

It is no more nor less than a simple plan by which, with your cooperation, we can rid ourselves now and for good of the last unpaid bills. Too often Parishoners think of their rector always asking them to "give" money. That is not what he is doing at all: what he is doing, is merely finding ways and means of discharging the Parish's honest debts, which each member has some definite share.

This month we have a simple plan to give to each member a small exact figure, assumed by each by their own choice, which will accumulate into a fund sufficient to pay every last unpaid bill and balance our books.

The scheme is simple, fair, and really rather fun. We have one hundred slips of paper marked with sums from 25¢ to \$25. (one slip marked 25¢, another 50¢, another 75¢ and so on up.) These slips are put into three envelopes, one batch from 25¢ to \$5. The second from \$5.25 to \$15. The third from \$15. to \$24.75. (The \$25. slip was thought before hand by a member of the Parish.) What are you asked to do? Just this: decide whether you can risk up to \$5. to pay our corporate indebtedness, or up to \$15. or up to \$24.75. Then draw a slip from the envelop so chosen, and the amount thereon written is our obligation - not one penny more!

Pay it if you can by the end of this month, so that coal bill, and taxes, and all the other things that we owe (that are such a burden to each one of us) can be speedily remitted, and we can go thankfully and happily forward. Persuade one or more of your friends in the Parish - or out of it for that matter! - to draw their slip - and when the last slip is taken and paid, we will have raised \$257.50 by this means alone, and our financial burdens will be removed.

One word more: suppose you could risk \$3. or \$10, or \$20, but honestly could not pay more; suppose you want to draw, but do not dare for fear of obligating yourself for more than you can afford? You may draw with perfect freedom - for we have a small reserve fund which will be used to pay any discrepancy between what you can give and the amount you (with bad luck) have drawn.

Bring your slip to the Rector and the total will be made up. At the Parish meeting last Tuesday evening, twenty were present, all new, and pledged over \$200. Only eighty more slips, and \$1000 to

St. Mary's Aid and Auxiliary will meet on Tuesday afternoon of this week at 2:30 o'clock in the Parish House. This will be the last meeting until next Fall, and will be very important meeting, so all members are urged to be present. The usual Corporate Communion for that day will not be held, because of the work being done in the Church.

The Summer number of THE FORWARD MOVEMENT PAMPHLET commences tomorrow. Copies of this pamphlet are available at the door of the Church. Be sure to take yours as you leave. Using it regularly will help to avoid a "summer slump" in the practice of your religion.

A Quiet Day for women will be held on Thursday of this week in St. Andrew's Church at the corner of 36th & Baring Sts. and will be conducted by Father Roseboro of St. Elizabeth's Church. It will commence with a Celebration of the Holy Communion at nine o'clock, followed by Meditation, and will end at 2:30. Coffee and rolls will be served after the Communion Service. You are asked to bring a box lunch and tea and coffee will be supplied. The rule of silence will be observed. A special invitation to the women of this Parish has been extended and any who can attend will receive a most valuable spiritual stimulus. For any unable to go for the whole time, feel free to come and go as you choose. If you plan to attend this Quiet Day, please let the Clergy know after the Service today, or by Tuesday at the latest.

The House of Rest For The Aged of the Protestant Episcopal Church of the Diocese of Pennsylvania, 5919 Wayne Avenue, Germantown, is in need of financial assistance, as well as your prayers for the great work that is being carried on there. The following excerpt is from a letter sent out by the Board: "...The house is out of date and overcrowded, and the bathrooms are inadequate; but the atmosphere is that of a happy united family, pulling together, having found peace and security after long and anxious years. Will you help us in this important work of caring for the aged of the Diocese? Checks should be drawn to the House of Rest. Donations of food are always welcome." Mrs. A. D. Horn, of this Parish, has been elected a member of the Board, and would be glad to give you any information about this work, and to receive your checks for its support.

At the Service two weeks ago cards were given out asking for information from all members of the Parish for the Parish Records. To date only 45 of these cards have been filled out and returned. Will those who have not done so yet please let us have your card soon, that we might get our records in shape without further delay. If you did not receive a card, or lost it, please get another one as you leave the Church today.

The date of the Mission to be held in St. Mary's Church has been set for December 5th to 12th. Full particulars will be announced next week. Please have this constantly in your prayers.

ANNOUNCEMENTS

The regular Sunday Evensong will be held this evening at 8 o'clock.

The Young People's Fellowship will hold their regular meeting in the Parish House this evening at 7 o'clock.

Members of the Church School will leave the Church by the West door during the singing of the hymn before the Sermon, for their Service and classes in the Parish House. All children will be most welcome.

St. Mary's Aid are giving a Turkey Supper in the Parish House on Thursday evening, December 2nd, from 6 until 7:30. Contributions towards the supper, (preferably money) should be sent to Mrs. Maxwell, 3828 Locust St. Donations of useful or fancy articles, and home cooking, for the Sales Table, should be sent to Mrs. A. C. Abbott, 4016 Pine St. Be sure to keep this date open.

Owing to an unavoidable change of schedule the Reverend Thorne Sparkman has asked us once more to postpone our Mission, this time until the week of the 12th of December. It is a bit unfortunate to have to ask our parishoners to rearrange their schedules, but Mr. Sparkman and your Rector ask your indulgence in this matter since it simply could not be helped. Please fix these dates - the eight days from December 12 to December 19 firmly in your minds, and tell your friends about this Mission.

What is a "Mission"? It is the uniting of an entire Parish together in a short intensive period of spiritual attainment. It is our voluntary act of setting aside for a time the normal pressure of daily routine in order to hear anew the "still small voice", to submit ourselves to the constant Divine Action that seeks always to own and enkindle and use us.

Your Rector feels the urgency of this Mission so strongly that he will do all in his power to further it; the Mission Preacher has been supremely endowed with all spiritual talent for this work; but the success of the Mission depends not so much on our work, as on the solemn committal of each member of this Parish to a personal responsibility, to be discharged by the following steps:

1. To pray at least three times a week from now on for the Mission.
2. To undertake to attend as many of the services as you possibly can.
3. To lead others to "set aside this time for the things of the Spirit".

We pray you to look on this not as "a good idea" but as a primary objective, as a solemn duty.

Who knows what an unbelievably rich new source of joy and peace will be laid up for you in St. Mary's that week?

The schedule for the Mission is as follows:-

SUNDAY EVENING - December 12th - 8 P.M. - Introductory Address.

MORNINGS - Monday to Friday inclusive - 9:30 to 10:30 A.M. - Holy Communion and School of Prayer (it will be necessary for at least twenty to pledge attendance).

EVENINGS - Monday to Friday inclusive - 8 P.M. to 9 P.M. The Mission Addresses.

SUNDAY MORNING, DECEMBER 19th, 10:45 A.M. Service - Conclusion of the Mission.

It would help enormously if you each would write a letter to the Rector giving your personal pledge of cooperation and attendance.

Please use the special Thanksgiving Day Envelope, and if you cannot be present on Thanksgiving Day place it on the plate the following Sunday. This is a most valuable, tangible way for us to show our thankfulness to God for His countless blessings to each of us.

We have a number of beautiful Church Calendars for the year 1938. They contain the new picture of our Altar, together with information about the Church and its Services, and may be seen on the notice board in the vestibule of the Church. ANNOUNCEMENTS

The flowers on Thanksgiving Day were given by Miss Hutchinson.

The regular Sunday Evensong will be held this evening at 8 o'clock.

The Young People's Fellowship will meet this evening at 7 o'clock.

Members of the Church School will leave the Church by the West door during the singing of the hymn before the Sermon, for their Service and classes in the Parish House. All children will be most welcome. On the first Sunday of each month, commencing next Sunday, the Church School will hold their opening Services and classes in the Parish House at 10:45 o'clock, making it possible for the members to come into the Church at 11:30 o'clock for the Choral Eucharist.

Tuesday of this week will be St. Andrew's Day. There will be Celebrations of the Holy Communion at 7 and 9:30 o'clock, and Evening Prayer at 5 o'clock.

On Thursday evening of this week St. Mary's Aid are giving a Turkey Supper in the Parish House from 6 until 7:30. Contributions towards the supper, (preferably money) should be sent to Mrs. Maxwell, 3828 Locust St. Donations of useful or fancy articles and home cooking, for the Sales Table, should be sent to the Parish House addressed to Mrs. A. C. Abbott. We hope that you will all be here Thursday evening, and bring your friends.

One more opportunity will be given, as you leave the Church this morning, for subscribing to the work of the Red Cross.

Our new Church Calendars, containing the new picture of our Altar, together with information about the Church and its Services, are now on sale at 35 cents each, 3 for one dollar. One of these may be seen on the notice board in the vestibule of the Church.

About two weeks ago cards were mailed to members of the Parish asking for your choice as to the most suitable time for our Mission, either December 12th to 19th, or between Epiphany and Lent. Only half of these cards have been returned so far. If you have not already returned yours, will you please do so at your earliest convenience. Extra cards are available at the door of the Church for any who have mis-placed theirs. The vote so far is strongly in favor of the Epiphany date.

"What I loved most in your whole Service", a non-Episcopalian said last Sunday, "was the 'Kyrie'--that was worship in music! But by the way, what does it mean"? I explained to her how natural it was for the human heart, hearing in the Law the unattainable ideal that God faces us with, to cry out "Lord have mercy upon us"---- for we do and will fall far, far short of the perfection His righteousness demands of us. "Lord have mercy upon us"---the prayer for both forgiveness and renewed strength. Understanding the meaning of the Liturgy deepened my friend's love of it and response to it. It occurs to me that an occasional word in the leaflet will be of help to others. What questions on "Doctrine, Discipline or Worship" do you wish to have us write on? Send your question in and we will answer it when space allows.

ANNOUNCEMENTS

The little booklet used as the Bulletin this morning is one that we are considering using each week, in place of the present bulletin. It gives information each week in keeping with the Sunday of the Church Year, and is being widely used throughout the country. The back cover would be printed as shown, with a special sheet inserted containing the Order of Service and the Announcements. This leaflet, of course, would be more expensive than the present one, but we feel that its value far exceeds the difference in cost. If enough members of the Parish would be willing to subscribe one dollar a year for this new bulletin, we will make the change. If you are willing to do this, please sign the enclosed card and place on the offertory plate or give to the Clergy after the Service.

The regular Sunday Evensong will be held this evening at 8 o'clock. We are learning to sing together at these Sunday evening Services. Come and bring your friends.

The Young People's Fellowship will meet this evening at 7 o'clock.

The West Philadelphia Convocation of the Young People's Fellowship will hold a social evening in our Parish House on Thursday evening of this week.

Our Boy Scout Troop, number 96, will hold their annual Father and Son Banquet in the Parish House on Saturday evening of this week.

Miss Caroline D. Bache sails from Italy for home today, and your prayers are asked for a safe and pleasant trip for her.

Be sure to get your Church Calendar for 1938 if you have not already done so. This year we have the new picture of the Altar on the Calendar, together with information about the Church and its Services, and the Calendars sell for 35 cents each, 3 for one dollar. One of these may be seen on the notice board in the Church vestibule.

A new Tract and Pamphlet Rack has been placed on the West wall of the Church. Small Tracts dealing with all kinds of matters pertaining to the Christian Faith and Worship are there, and will be changed frequently. We hope that you will make good use of this means of learning. The Tracts run in price from 5 cents to 30 cents, the majority of them being 5 and 10 cents. Also a Box has been placed on the West wall for your Intercessions and Thanksgivings. A shelf beside the box contains printed slips for your convenience in filling out requests for special Intercessions and Thanksgivings. Each day of the week these will be offered up to God at the 7 o'clock Celebration of the Holy Communion.

There are some openings in the Choir for a few volunteer women. Would any that are interested please get in touch with Mrs. Clathier.

This Sunday afternoon, twenty-five enthusiastic men are setting out to call on every family in this Parish. They want to talk to you about next year's pledge of course; but more than that, they want to bring St. Mary's and her work even closer to your mind and heart - to enlist you even more fully into her life.

Pocket-book pledges must be made of course (and in order to "pay our way" we would have to have a 20% increase from every supporter), but what we really want is - your life!

ANNOUNCEMENTS

The flowers last Sunday were given by Mr. Robert Wark in memory of his son and daughter-in-law.

The regular Choral Evensong will be held this evening at 8 o'clock.

The Young People's Fellowship will meet this evening at 7 o'clock.

Members of the Church School leave the Church by the West door during the singing of the hymn before the Sermon, for their Service and classes in the Parish House. All children are most welcome.

Wednesday, Friday and Saturday of this week will be Ember Days. There will be Celebrations of the Holy Communion at 7 and 9:30 o'clock in the morning, and Evensong at 5 o'clock in the afternoon.

St. Mary's Aid and Auxiliary will hold their December meetings on Tuesday afternoon of this week. There will be a Corporate Communion on Tuesday morning at 9:30 o'clock. The Aid will meet at 2 P.M. Surgical dressings will be made following this meeting. The Auxiliary will meet at 3 o'clock, and afternoon tea will be served after the Auxiliary meeting. The women are asked to bring things to put in the Christmas baskets which will be sent out.

Will you please make your donations not later than next Sunday for the Christmas flowers and decorations for the Church. These donations may be given to any member of the Altar Guild or the Clergy, or placed on the plate in an envelope marked for that purpose.

The first meeting of St. Mary's Men's Club will be held in the Parish House on Tuesday evening of this week at 8 P.M. This Club is being organized as a result of the Men's Dinner two weeks ago, when those attending were unanimous in their desire for such an organization. The Club will meet on the second Tuesday evening of each month. All men of the Parish are urged to attend on Tuesday evening, and bring their friends.

There are still a few copies of "The Church News" available at the door of the Church, with the picture of our High Altar on the front cover, and an article inside about the re-decoration of the Church. These are 15 cents each. Also there are a great many "Church Kalendars" available, at 35 cents each, 3 for one dollar. In buying these you secure a beautiful, instructive and most useful calendar, and at the same time the Church benefits financially.

The Ladies Aid wishes to apologize for the shortage of food at their recent supper when such a large number of people turned out. We trust you have not lost faith in us. We will be glad to reimburse any one who paid for a ticket and could not be served, if they make themselves known to us.

Baird, our City Mission Chaplain at the Philadelphia General Hospital, was present and outlined some pressing needs in his work. The Men's Club decided unanimously to provide Christmas boxes for one ward at the hospital, consisting of 45 patients, and to do their best to give these patients a happy Christmas. Another undertaking of the Club is that of having two men at the hospital each Sunday morning to assist in taking patients to the Episcopal Service in the Hospital Chapel. ANNOUNCEMENTS

There will be no Evensong this evening.

Thursday of this week will be the Feast of the Epiphany. There will be Celebrations of the Holy Communion at 7 and 9:30 A.M., and Evening Prayer at 5 P.M.

The Bishop is coming to St. Mary's for Confirmation on Sunday morning, March 6th. Will all those who are contemplating Confirmation please get in touch with the Clergy as soon as possible.

Facts which need no comment:

1. To date less than half of our pledge cards have been returned.
2. St. Mary's would have to pledge \$4098 if she were to take her pro rata share of the Diocesan Missionary Budget; we have undertaken to give \$1500; the pledge cards so far received direct \$600 for the Diocese.

With the turn of the year all our thoughts are directed towards the Mission now only two weeks off. Perhaps some of you are wondering what a Mission is all about; why we have decided to have one; and why we are laying so much stress upon it? A Church must grow in two ways - physically and spiritually. In fact, the Church of a thousand communicants all attending Services, all taking part in activities, and all giving liberally would have no reason for existence except for its spiritual life. The spiritual life of a Church is the love and obedience to Almighty God in the lives of its members.

Not one of us loves and obeys God as much as we could and should. Therefore we call on each one of us to take this week as a time of getting back to the things that are most important not only to our Church but to ourselves.

Pray for our Mission; do you know the importance of prayer? Leave the evenings of that week free in your engagement book. Find a friend or two and tell him about it; you will be surprised how many people need and want to attend a Mission.

Wednesday of this week will be the Feast of the Purification of Saint Mary the Virgin. There will be Celebrations of the Holy Communion at 7 and 9:30 o'clock and Evening Prayer at 5 o'clock. Following the 9:30 Service there will be a Meditation.

Every Wednesday morning from now on, following the 9:30 celebration of the Holy Communion, there will be a brief pause to allow any to leave who wish to do so, and then there will be a short Meditation conducted by the Rector or Curate. Following these Meditations, any who can do so are asked to remain to make surgical Dressings in the Parish House.

Saint Mary's Aid are presenting an evening of moving pictures in the Parish House on Monday, February 21st. The movies are Louise Dresser in "The Girl of the Limberlost", and Zazu Pitts in "She Hoops to Conquer". Admission will be 25¢ for Adults, and 5¢ for children. Tickets may be obtained from the Clergy or from Mrs. Louise Park, 4923 Walnut St, telephone Sherwood 4559. Tickets will be mailed on request!

Mr. Sparkman suggests that those who wish to make a Thank offering for benefits received from the Mission would find that the All Saints Sisters in Baltimore will need their help in their splendid work among small children. An envelope for this purpose is enclosed in the Bulletin.

During the Mission, the Box for Intercessions and Thanksgivings, and the Tract Case, at the back of the Church, were used a great deal. These are permanent fixtures now, and we commend them to your constant attention and use. All requests for Intercessions or Thanksgivings are offered to God at the Altar the morning after they are placed in the box, and also at the Service of Evening Prayer on the day they are received. The small pamphlets and tracts that are made available are most helpful and instructive, and reasonably priced. Most of them are five and ten cents. They are changed frequently. A new series of five pamphlets published by the Forward Movement Commission, at 5¢ each, has just been placed in the case. They are "Forward Into All the World"; "My Own Steps Forward"; "A Better Economic Order"; "Christian Worship"; "For Those Who Mourn". There is also an excellent book of Prayers, at 5¢. Many people have asked lately about the purpose and meaning of the Eucharistic Vestments; there is a splendid little pamphlet on the Vestments, at 5¢. Get into the habit of watching the Tract Case, and taking from time to time pamphlets dealing with subjects which interest you.

Commencing this evening the Sunday Evensong at 8 o'clock will be somewhat different from our former custom. From 7:50 until 8 o'clock there will be organ music; then the regular Evensong; during the Service a brief time will be taken for the answering of any questions that have been placed in the Question Box during the previous week. (This Question Box will remain on the table at the rear of the Church for your convenience.) Following this, we will sing the favorite familiar hymns of those present, closing with prayers and a Benediction.

The Young People's Fellowship will meet this evening at 7 o'clock in the Parish House.

As is their custom on the first Sunday of the month, members of the Church School are meeting at 10:45 in the Parish House, coming into the Church at 11:30 for the Holy Eucharist.

Tickets may be obtained from Mrs. Louise Park, 4923 Walnut St, telephone Sherwood 4559, or by calling the Parish Office, Baring 4527. Tickets will be mailed on request.

This is just to remind you about the Parish Pence Cans, which we trust you are using consistently. The first opening of these will be the middle of next month. There is one of these cans in almost every home in the Parish. If you have not one, and would like one, please speak to Mr. Kennedy about it.

We are going to try for the next few weeks to include a few lines of instruction in the bulletin, using as the basis the book "The Ritual 'Reason Why'".

Our first subject is "Ritual". Ritual is the employment of symbols in Divine worship according to a recognized or traditional system. These symbols are used partly to uphold the dignity of Divine worship, and partly to shadow forth by outward deed and gesture certain truths, which might otherwise be lost sight of. In other words; for the glory of God and the edification of His people. (To be continued).

The regular Sunday Evensong, with Question Box and the singing of favorite familiar hymns will be held this evening at 8 o'clock. We got off to a good start last Sunday evening, and trust that the attendance at this Service will grow steadily.

The Young People's Fellowship will meet in the Parish House this evening at 7 o'clock.

Members of the Church School will leave the Church through the West door during the singing of the hymn before the Sermon, going through the Cloister into the Parish House for their Service and Classes. All children are welcome.

A Valentine Card Party will be held in the Parish House tomorrow (Monday) evening at 8 o'clock. There will be prizes and refreshments. Tallies are 25¢. All are welcome.

On Monday evening of next week, February 21st, Saint Mary's Aid are presenting an evening of moving pictures in the Parish House. The movies are Louise Dresser in "The Girl of the Limberlost", and Zazu Pitts in "She Whoops to Conquer". Admission is 25¢ for adults, and 15¢ for children. Tickets may be obtained from Mrs. Park, 4923 Walnut St, telephone Sherwood 4559, or by calling the Parish Office, Baring 4527, tickets will be mailed on request.

We have just received word from the Church Hymnal Corporation that they now have the "large-size" Pew Edition of the Prayer Book available at 50¢ a copy. The regular size, which we now have in the pews, is 3½" x 5½", while the "large-size" edition is 5" x 7½". The type in the larger book is, of course, larger, and so more easily read. The book is available in various bindings -- blue cloth, red cloth, purple cloth, black fabrikoid and red fabrikoid. A pamphlet is available at the rear of the Church showing the size of type of the small and large books. If any of you would care to have one of the large books, please speak to the Clergy. You could place your name in the book and either carry it back and forth, or leave it in the rack of your pew.

(Extract from "The Ritual" "Reason Why"---continued).
 Question: What are the chief ornaments of the Church?
 Answer: The font, which is used in the administration of Baptism, and the altar, which serves for the celebration of the Holy Communion. To these may be added the pulpit, the lectern, and the seats in the chancel for the choir.

Question: Why is the font generally placed near the west door?
 Answer: To show that Baptism is the gate by which we enter into the fold of Christ's Church.

singing of favorite familiar hymns will be held this evening at 8 o'clock. A great many questions have been asked about the origin, significance and use of the various Vestments, and we will attempt to deal with that whole question this evening and next Sunday evening.

The Young People's Fellowship will meet in the Parish House this evening at 7 o'clock.

Members of the Church School will leave the Church through the West door during the singing of the hymn before the Sermon, going through the Cloister into the Parish House for their Service and Classes. All children are welcome.

Commencing this morning and continuing each Sunday, there will be a CELEBRATION OF THE HOLY COMMUNION at 9 o'clock in Saint Philip's Church. The Celebrant will be the Rev. William H. Dumphy of the DIVINITY SCHOOL STAFF.

Thursday of this week will be Saint Matthias' Day. There will be Celebrations of the Holy Communion at 7 and 9:30 o'clock, and Evening Prayer at 5 o'clock.

Tomorrow (Monday) evening, Saint Mary's Aid are presenting an evening of motion pictures in the Parish House. The pictures are Louise Dresser in "The Girl of the Limberlost" and Zazu Pitts in "She Whoops to Conquer". Admission is 25¢ for adults, and 15¢ for children. Come yourselves and bring your friends.

On Tuesday of this week Saint Mary's Aid and Auxiliary will hold their February meetings. There will be a Corporate Communion for women at 11:30 o'clock, Saint Mary's Aid meeting at 12, Luncheon at 1, and the Auxiliary at 3 o'clock. The special speaker in the afternoon will be Sister Mary Kathleen, who will talk about work among the Oneida Indians. A Mission Study Class is being planned for Lent, and we would like to have the names by Tuesday of all those who would like to attend this Class.

The following extract is from a letter received by the Rector last week from Mr. Stein:- "I wish to thank both you and my friends in Saint Mary's congregation for the gift presented to me last Sunday. I can assure you it was very much appreciated. In my three years at Saint Mary's I came to a very deep feeling for the Church and its people. I shall not forget Saint Mary's."

(Extract from "The Ritual 'Reason Why'"---continued):--

Question: Why is the portion reserved for the Choir marked off from the rest of the Church by being raised, and sometimes by a screen?

Answer: Because as the body of the Church signifies the CHURCH MILITANT, the Choir is typical of the CHURCH TRIUMPHANT in HEAVEN. The screen represents the gate of death by which we enter into Heavenly Rest.

Question: When the screen is used it is usually surmounted by a Cross. Why is this?

Answer: To show that it is by the PASSION AND DEATH of Christ alone that we gain entrance into Heaven.

ANNOUNCEMENTS

The following candidates are to be Confirmed this morning:
Mrs.) Mary May Freeman, Allan Connor, Julian Richter, Kenneth
Richter, and Ralph Richter.

The regular Sunday Evensong, with the answering of questions
and the singing of favorite familiar hymns will be held this
evening at 8 o'clock.

The Young People's Fellowship will meet this evening at
8 o'clock.

On Tuesday evening at 8 o'clock, and on each Tuesday evening
during Lent, a Service will be held in the Church, with a Lecture-
sermon given by the Rev. Dr. J. C. Ayer. Copies of our Lenten
services are available at the door of the Church for those who
have not yet received them.

Saint Mary's Men's Club will hold their March meeting in the
Parish House on Tuesday evening of this week, immediately after
the Service in the Church. Members will first attend the Service.

If any members of the parish did not receive the Lenten Letter
that was mailed last week it was because we have not your correct
address on our mailing list. We would appreciate it very much if
you would let us know if you failed to receive the letter.

Next week members of the Men's Club will be calling through-
out the Parish for the first opening of the Pence Cans. Please
do not bring the cans to Church, as they will be opened in your
homes, and there will be the added advantage of a visit from a
parishman. These men are going out not as collectors of money
primarily, but as men who are vitally interested in the Church, and
who will be glad to talk over any parochial matters with you.

A week ago last Thursday occurred the death of Mrs. Rose Ann
Lewis, the mother of Miss Harriet Lewis, in her 94th year. She
was so beloved by the people of Russell Village, Ontario, that the
entire route of the funeral cortege was swept clear of snow.

The following letter was received last week from the Mother
Superior of All Saints Convent, Catonsville:- "The Rev. Mr. Spark-
man has sent us the generous offering from Saint Mary's Church,
which he tells us is a Thank-offering for the blessings received in
the Mission recently held in your parish. We greatly appreciate Mr.
Sparkman's kindness in extending the blessing to All Saints and
we are sincerely grateful to your parishioners for their generous
gift. We pray God's blessing upon your parish.

A series of Thursday evening Lenten Services will be held in
St. Trinity Church, with outstanding preachers. Leaflets concerning
these are available at the door of the Church.

singing of favorite familiar hymns will be held this evening at 8 o'clock. The attendance at this Service is growing each week. Commencing at 7:50 o'clock, Mrs. Clothier will play two numbers, the Prelude from "The Deluge", by Saint-Saens, and "Caprice", by Matthews.

The Young Peoples' Fellowship will meet this evening at 7 o'clock in the Parish House.

Members of the Church School will leave the Church during the singing of the hymn before the Sermon, for their Service and Classes in the Parish House.

On the Tuesday evenings in Lent, The Rev. Dr. J. C. Ayer is delivering a series of Lecture-Sermons in the Church, at 8 o'clock. The subjects to be considered are "Belief in God"; "Belief in Christ"; "The Place of the Church that He Established"; "The Rites and Sacraments of the Church"; "The Significance of Prayer in the Religious Life"; "The Christian's Hope of Immortality".

There is a Meditation in the Chapel each Wednesday noon during Lent at 1:10 o'clock. On Wednesday afternoons, at 2 o'clock, there is a Study Class in the Parish House, under the auspices of the Woman's Auxiliary. If you have not a copy of the full schedule of Lenten services, please take one from the table at the rear of the Church.

The Acolytes are in need of a new large-size cassock immediately, and this will cost about fifteen dollars. If anyone would care to make a contribution to fill this pressing need, please speak to the clergy at the close of the Service or as soon as convenient.

The theme of the Church's teaching for the Second Sunday in Lent is "The Temptations of the Flesh". The keynote is struck clearly in the Epistle which shows that Sensual Sins are sins against ourselves, against our brethren, and against God. In the Gospel story we learn to look to our Lord for deliverance from sins of the flesh, and how to seek His help by earnest prayer. The Collect is a prayer for those tempted in spirit through the lusts of the flesh. Our very weakness and defencelessness is our plea. We have "no power of ourselves to help ourselves". We pray for the defence of Divine Providence for our bodies, and for the defence of Divine Grace for our souls. We are outwardly and inwardly weak, and the weakness of the spirit is intensified by the weakness of the flesh. We need continual "keeping", for we know not what temptation each day and hour may produce. The desired consequence of our petition is a body safe from all adversities, and a soul safe from the evil thoughts which assault and hurt it through its connection with the body. We who must pray against evil thoughts must learn not to harbor them. We who are gunpowder must avoid sparks.

ANNOUNCEMENTS

The flowers on the Altar today were given by Mrs. William B. Stimson, in memory of Georgia Grant Chester, and Wm. B. Stimson, Jr.

Following the Celebration and Meditation on Wednesday mornings the women go into the Parish House to make surgical dressings. As many women as can possibly remain for this work are urged to do so.

On the Saturday before Easter, a candy and food sale and tea will be held in the Parish House under the Auspices of Saint Mary's Aid. Mrs. A. C. Abbott will be in charge, and all donations may be sent to her, or to the Parish House.

Lent is not the season of a single truth. It begins with the consideration of sin, and ends with the fact of the gift of pardon, through the sacrifice and death of Jesus Christ. The transition between these two subjects takes place today, on Mid-Lent Sunday. Grieved and wearied with the struggle against temptation, we find today a Sunday of sacred refreshment, "lest we be wearied and faint in our minds, striving against sin." We pass from the Sundays of temptation to a Sunday of grace. In the Epistle we are taught our happy relation to God as His children, through Christian Baptism, and this should change our Lenten fast from a dull, heavy burden to a willing offering. The teaching of our adoption, as given in the Epistle, is fitly completed by the Gospel of the refreshment given to the children of God. We are to seek from our Lord all that we need for both soul and body. The world, sin, pleasure, high position, learning, health, wealth---all of these fall short. Only our Lord has the power to satisfy human hearts.

ANNOUNCEMENTS

A Meditation will be conducted in the Chapel for the members of the Young People's Fellowship at 7:30 this evening, before the regular Evensong.

The enclosed envelope is for the use of any who would care to contribute for the flowers on the Altar on Easter Sunday. Please place it on the offertory plate either today or next Sunday.

On Saturday afternoon, April 16th, Saint Mary's Aid will hold a Food Sale and Tea in the Parish House at 2 o'clock. Please bring donations to the Parish House at 1 o'clock. Tea will be served at 4. All food-stuffs will be greatly appreciated.

Mrs. Margaret L. Bodine will present colored Moving Pictures and a talk on the Birds of Mt. Desert, Maine, on Thursday evening, April 28th, at 8 o'clock, in the Parish House. Tickets are 35 cents each, 3 for \$1.00.

From this hour on we fix our minds steadfastly on the Passion of our Lord:

1. To impress our easy-going and self-indulgent souls with the stark horror of that suffering -- physical, mental, spiritual -- which was "unto death".

2. To learn more deeply why it had to be: it was both "our fault" and "for our sakes". Why? How?

3. To participate in that suffering, whereby each insignificant one of us can discharge into the world our full measure of the redemptive life.

A thought from today's Gospel should give us pause:

"I seek not my own glory If I honor myself, my honor is nothing: it is my Father that honoreth me..."
A contrast with our own way of looking at things?
Drive it home!

ANNOUNCEMENTS

The Meditation following the 9:30 Celebration of the Holy Communion on Wednesday, and the eight o'clock Evensong on Sunday, have been discontinued for the summer months.

The United Thank-Offering, for which Miss K. S. Smith is Saint Mary's Treasurer, is due for collection the early part of May. Miss Frances Young, the Assistant-Treasurer, will be at the rear of the Church today and next Sunday following the Morning Service, to receive your offerings. All the women are particularly urged to remember to bring their offerings to Miss Young.

Perhaps a post-Easter message from the Rector to his Parish is in some ways as important as his Easter message:-

This time every year brings us to the awkward transition from the drama of the Church year down to the quiet and practical phase of Christian living. From Christmas to Easter our minds are full of the story of our Lord's life and death and resurrection. It is climaxed by that joyous feast when everyone makes their Communion and feels for a time the risen Lord close to them. Let's not be the kind of Church that "slumps" as soon as the drama is gone and the everyday part (the most important) is all that is left. Our Lord gives us the moving beauty of his life on earth; let us give in return the quiet loyalty of our continued worship after His resurrection and ascension!

ANNOUNCEMENT

At this time when it is hard to think of Japan without bitterness, it would be well to turn our hearts and think of the Christian Church there. It is of course submerged under the military rule; but the Christian Church has always worked best when it has been a suppressed minority. At such times no man or woman can call themselves Christian without paying for it dearly.

The Brotherhood of Saint Andrew in Japan has set itself a standard that American Christians can look up to. In this group no man is recognized as a fellow-Christian until he has brought at least one other man into the Church!

Who can tell what forces are quietly being built up there? With such a spirit we may dare hope that Japan may become the next great Christian nation - a nation exceeding in spirit and works our own nation. Without asking so high a standard from our parishioners, could we not hold out the high hope that each member here will bring some friend to Church each Sunday. It is by such simple means as this that new life appears and grows in a parish. The worship and love of God is the centre of your life, even if at times you do not know it. Why not bring to some friend "this inestimable benefit"?

Saint Mary's Aid Meeting	12 Noon.

Auxiliary Meeting	2:30 P.M.

At the Auxiliary meeting the officers for the coming year will be elected. Mrs. John Thomas, Chairman of the Committee on Jewish Work will be the speaker. Needless to say this will be an important and interesting meeting. Perhaps you have some friend who might be glad to come with you to hear this speaker?

STRAWBERRY FESTIVAL AND PLAY

A host of people in this community look forward each year to Saint Mary's Strawberry Festival. This year it will be truly a "double feature" for after the Festival there will be the presentation of a Play by the Drama Circle of the Women's City Club with incidental music by Frank Watson, a new member of the Parish and a distinguished cellist. Tickets (35¢ or 3 for a dollar) can be obtained from Mrs. Louise Park, 4923 Walnut Street, or from Mr. Kennedy. During the Festival there will be a Cake and Candy Sale for which donations "in specie or kind" will be gratefully accepted. There will be many of your neighbors who will be delighted to come. Tell them about it.

Slip-ups do happen. We can only express our profound apologies that there was no celebrant to take the 9 o'clock Holy Communion last Sunday. That must not happen again.

The Choir unhappily will not be able to sing at the Ascension Day Service at 6:30 A.M. Here is a great chance to make an adversity into an opportunity: Dr. John Stokes Adams, Jr., has however kindly volunteered to be organist for the service. What a thrill it will be if a goodly number of us meet together "very early" to celebrate this wonderful Feast, singing together the great Ascension-Day Hymns and making a "joyful noise unto the Lord".

Her many friends will wish to join in extending appreciation of her services and in wishing her every success in her new position. We have been fortunate in gaining the services of Mr. Carroll Ramsay, a brilliant organist from Atlanta, Ga., who is coming to Philadelphia to further his study of music. He will assume his duties next Sunday.

Mr. and Mrs. Kennedy wish to thank the many members of the Parish who have been so kind and thoughtful during the past month.

Organist and Choir Director

The Philadelphia Division of the American Red Cross has asked if Saint Mary's Parish could accommodate two secretaries and four caseworkers of their Home Service Department.

The work of this branch of the Red Cross consists in visiting the homes of disabled or needy Veterans, and notifying the main office at Broad and Spring Garden Streets of their condition and needs. The Red Cross has a habit of asking very little and giving very much. If it proves possible to do so, I know that Saint Mary's will count it a privilege to have them identified with us and to give them what aid and comfort they can.

The Saint Mary's Aid will meet on Wednesday afternoon at four o'clock to investigate the possibilities of this association. I am sure that I can get a representative of the Red Cross to speak on their work and answer all questions and that there will be a full turnout of our faithful workers.

ANNOUNCEMENTS

Commencing this evening at 8 o'clock we resume our Sunday Evensong. Mr. Ramsey will play an informal recital each Sunday evening before the Service, from 7:45-8 o'clock. The Service consisting of Evening Prayer, Hymns, and a brief period of instruction will last one hour. Come and bring your friends.

Tuesday of this week will be the Feast of St. Luke the Evangelist. There will be Celebrations of the Holy Communion at 7 and 9:30 A.M. and Evening Prayer at 5 P.M.

Miss Young is still receiving United Thank Offering contributions, and asks that they be turned in as soon as convenient.

The Woman's Auxiliary, as the Missionary organization of the Church, has taken over the distribution and opening of the Parish Pence Cans. Every cent from these cans goes towards Saint Mary's missionary work, and represents our daily thankfulness (and in some cases sacrifice) as individuals for God's many blessings, spiritual and temporal. Our objective is a Pence Can in each home in the Parish. Will you help us to reach this objective by asking for a Pence Can if you do not already have one?

Saint Mary's Parish House is now the headquarters of the Home Service Department of the American Red Cross for West and South Philadelphia. We are delighted to welcome such a worthy organization into our midst and deem it a privilege to have them thus identified with us in Christian service in the community.

Another source of pleasure and gratitude is to note the large number of students from the University in attendance at the Services. We trust that the members of the Parish will do all in their power to make the students feel at home. Last Wednesday we held the opening weekly Episcopal Luncheon at the University Christian Association, when Bishop Taft greeted and addressed 150 students.

(From "90 Questions for Confirmation", Boss.)

What is the Bible? A collection of sacred books written by men in different ages telling of God's dealings with mankind.

Why is the Bible called the Word of God? Because it is written by men moved and guided by God the Holy Ghost. (2 Peter 1:21; 2 Timothy 3:16.)

What is the character of the different books of the Bible, and how many are there? There are 66 in all; some are history, some prophecy, and some poetry.

ANNOUNCEMENTS

The Young People's Fellowship will meet in the Parish House this evening at 7 o'clock, and all young people are invited.

The Regular Sunday Evensong will be held this evening at 8 o'clock. A series of instructions on the Church is being given at these Services.

Today is Red Cross Sunday, with the annual nation-wide appeal for the support of this most worthy organization. The Red cross has assisted 93,000 persons following 102 disasters in the United States this year. Red Cross public health nurses made 1,000,000 visits assisting the sick; 2,265 high-way first aid stations are in operation to prevent needless deaths and permanent injuries resulting from accidents; more than 153,000 volunteers served making 518,000 garments, four and a half million surgical dressings, and printing 352,000 pages of braille for blind readers; training was given 276,000 persons in first aid, 82,000 in life saving and water safety, and assistance was given to 300,000 service and ex-service men or their families. Through the year 8,600,000 Junior Red Cross members have labored to promote friendlier international relations and assist needy children at home.

Saint Mary's responded splendidly to the special appeal made recently for assistance in the New England storm area. We know our people will also cooperate wholeheartedly in this annual membership campaign.

The Diocesan Educational Conference will be held on Monday and Tuesday, November 14th and 15th at Holy Trinity Church. Keep these dates open. Details of the Conference will be given in next Sunday's Bulletin.

Tomorrow evening at 8 o'clock the Rev. William H. Dunphy will give a lecture in Saint Mary's Parish House on "Christian Marriage", under the auspices of the Catholic Laymen's Union. A discussion will follow the lecture. The public is cordially invited, and no charge will be made.

Please remember Saint Mary's Bazaar, to be held on December 1st. Donations of any saleable articles are very much needed, and will be called for if necessary.

ANNOUNCEMENTS

Members of the Young People's Fellowship are meeting this evening for a special program with the Fellowship of the Church of the Saviour, in their Parish House, 3723 Chestnut Street, at 6:30 o'clock.

The increased attendance at the Sunday Evensong is most encouraging. Will you come this evening at 8 o'clock? The subject of this evening's instruction will be, "The ends for which the Church exists."

The annual membership campaign for the American Red Cross continues. We trust that every member of this Parish who can possibly do so will enroll this year. Throughout the year there is no more worthwhile appeal than this, where such a small sum of money will accomplish such a tremendous amount of good. Secure your membership this morning in the vestibule of the Church.

We are fast approaching the day for Saint Mary's Bazaar, December 1st. The women are still very much in need of saleable articles of all kinds, and your early and generous cooperation will do much in making this Bazaar the success that it should be. Donations may be sent to the Parish House, or to Mrs. H. R. Dickens, 3739 Locust Street. If you wish to have articles called for, please call Mrs. Dickens, Evergreen 1315.

The Diocesan Educational Conference will be held on Monday and Tuesday of this week. All sessions will be held in Holy Trinity Church and Parish House, 19th and Walnut Sts., with the exception of the dinner tomorrow evening. That dinner will be held at the Penn Athletic Club at 6:30, for men and women. The speakers at the dinner will be the Presiding Bishop, speaking on "Fellowship in Faith", and Miss Pardee, National Executive Council of the Woman's Auxiliary, speaking on "Fellowship in Work". Tickets for the dinner are \$1.50, and should be procured during the day.

The Conference will open with a Celebration of The Holy Communion tomorrow morning at 9 o'clock in the Church of the Holy Trinity. The Woman's Auxiliary Conference will follow at 10, in the Parish House, with all women invited. Devotions at noon. Lunch at 12:30, (bring your own box lunch). 2-3 Mrs. Higginbottom will speak on her work with the women of rural India. 3-4, Methods of Discussion. 6:30, the dinner. On Tuesday morning there will be an Educational Conference from 10-12, Devotions at 12, box lunch at 12:30, Methods of Discussion 2-4. At 8 P.M. there will be a meeting under the auspices of the Junior Woman's Auxiliary, for the evening groups and business and professional women. There will be a registration fee of 25 cents, covering both days.

The Thanksgiving music will be sung next Sunday, rather than

ANNOUNCEMENTS

The regular Sunday Evensong will be held at 8 o'clock this evening, when the subject of the instruction will be "The Divisions in the Church". As usual, Mr. Ramsey will give an organ recital from 7:45 until 8.

The Young People's Fellowship will meet in the Parish House this evening at 7 o'clock, and all young people are invited.

Thursday of this week will be Thanksgiving Day. There will be a Celebration of the Holy Communion at 7 A.M.; Morning Prayer and Holy Communion at 10 A.M.; Evening Prayer at 5 P.M.

As is the usual custom, the Thanksgiving Day Offering will go to our own Episcopal Hospital, and the amount given applies on our Parish "Quota". This hospital is not in the Welfare Federation, but its support is the privilege and responsibility of all our Church people throughout the Diocese. Last year the churches gave \$23,599.84. This great Diocese should easily give \$50,000. this year. It costs \$3.56 to maintain a ward patient for one day, and whether our gift be large or small, we know how much it accomplishes. For those of you who have the Church envelopes, you will find a special one for Thanksgiving Day. For the others, place your offering in an ordinary envelope, marking it as Thanksgiving Offering. Please place these envelopes on the plate either Thanksgiving Day or on the following Sunday. As we look around us these days, we all see so much for which to be thankful, and we should show this thankfulness to God in a tangible way that costs us something. The true spirit of thankfulness is inseparably bound up with sacrificial living.

Saint Mary's Aid and Auxiliary will hold their November meetings on Tuesday afternoon of this week. Luncheon will be served at 1 o'clock, the Auxiliary meeting will be at 2, and the Aid at 3 o'clock.

Saint Mary's Bazaar will be held on Thursday of next week, December 1st. Please do not delay any longer your response to the appeal of the women in charge for saleable articles of all kinds. Your donations may be sent to Mrs. H. R. Dickens, 3739 Locust Street or to the Parish House. If you wish to have articles called for, telephone Mrs. Dickens,

As usual, Mr. Ramsey will give a brief organ recital from 7:45 until 8 o'clock this evening, preceding Evensong. The attendance on Sunday evenings is growing week by week. The subject of the instruction this evening will be "The Causes of the Reformation".

They will be glad to receive from you any suggestions for the welfare of the Parish. Please fill in and return your pledge cards for 1939 as soon after their visit as you possibly can, as the Vestry must use these pledges as a basis in drawing up the Parish Budget for 1939.

ANNOUNCEMENTS

The Young People's Fellowship meets each Sunday evening at 7 o'clock in the Parish House. The membership is steadily increasing and a varied and interesting series of programs has been arranged. A cordial welcome is extended to all young people to attend these meetings.

There will be an organ recital this evening from 7:45 until 8 o'clock, preceding Evensong. "The Reformation" will again be the subject of the instruction at Evensong, completing its causes, and considering some of its results.

Tomorrow (Monday) evening a meeting will be held in Saint Mary's Parish House at 8 o'clock under the auspices of the Catholic Laymen's Union. The Rev. William H. Dunphy, of the Philadelphia Divinity School, will give a paper on the subject of "Intercommunion". An invitation is extended to all members of this Parish and your friends to attend this meeting. There will be no charge.

Please give serious consideration to the enclosed envelope for Christmas Decorations for the Church. We need your support in this matter more than ever this year if our Church is to be appropriately and beautifully decorated. The Vestry have no funds available for this purpose this year. And owing to the passing on of a member of the Parish, the Altar Guild will not be receiving a generous annual contribution for decorations which they have received in the past.

Our Every-Member Canvass has been under way for one week, and is to be completed by next Sunday. Mr. Hershey asks that all canvassers complete their calls by that date, and turn in their reports without delay. It will mean a great deal to all concerned if members of the Parish will make an effort to have their pledge cards for 1939 filled out and returned not later than Sunday, December 18th, and sooner than that if possible.

The new Forward Movement pamphlets are available at the door of the Church.

ANNOUNCEMENTS

Wednesday, Friday and Saturday of this week will be Ember Days, with special intercessions for the Christian Ministry and for those about to take Holy Orders. There will be Celebrations of the Holy Communion on those days at 7 and 9:30 A.M., and Evening Prayer at 5 P.M.

The usual Sunday Evensong with Instruction will be held this evening at 8 o'clock, with an organ recital at 7:45.

The Young Peoples' Fellowship will meet in the Parish House this evening at 7 o'clock.

Saint Mary's Bazaar and Supper were a great success, and Mrs. Dickens and Mrs. Park wish to extend their warm appreciation to all who had any part in the undertaking. We also wish to express our heartfelt thanks to these women for their splendid work. The total proceeds of the Bazaar are just under \$300.00, and it is hoped that that figure will be reached.

Envelopes are available at the rear of the Church for your contributions for the decoration of the Church for Christmas. Please be as generous as possible in your response to this worthy project.

It is with mingled feelings that we announce that Mr. Kennedy has been called as an Assistant to the Dean of Christ Church Cathedral, Hartford. Mr. Kennedy has not only been an invaluable Assistant and a faithful Priest; both he and Mrs. Kennedy have endeared themselves to all of us as friends. Their leaving is a great loss to us. We must on the other hand express our joy that they have been selected for a field that seems to have almost limitless possibilities of happy service. Let them be in the prayers of each one of us.

Our dear Lord's first human action was to take childhood, and parenthood, and make them for evermore Holy. Because of that act He has made all families supremely beautiful and important. Just as He took bread, and blessed, and brake it, and said, "This is my body," so He has taken families and made them a Sacrament, made them His.

Christmas is a family affair, and His affair. Our homes, imperfect and trivial as they at times appear, are in reality "just down the street in Nazareth" -- the homes where God comes to dwell.

So to Saint Mary's homes we send this familiar and family greeting. Christmas is merry because Christ "of Whom the whole family in heaven and earth is named" is born to us. At the Altar and by the hearth, we meet and greet Him and bless one another in His Name.

God bless you and give you joy.

ANNOUNCEMENTS

The regular Service of Evensong with Instruction will be held this evening at 8 o'clock, preceded by an organ recital at 7:45.

Friday of this week will be the Feast of the Epiphany. There will be Celebrations of the Holy Communion at 7 and 9:30 A.M., and Evening Prayer at 5 P.M.

The new Forward Movement pamphlets are available at the door of the Church.

The New Year finds Saint Mary's Church showing unmistakable signs of consolidation, strengthening, and progress. One could name a dozen things to be thankful for, to my mind the greatest blessing promised for this New Year lies in that group - nearly fifty now - who have banded themselves together under the common rule of work, sacrifice, fellowship and worship. God bless their Labors!

I take this means of wishing each one of you a happy and prosperous New Year!

Due to the necessity of carrying on for an unknown time of both the Parish and Student work, I beg the indulgence of all of you for calls not made, duties poorly performed. Pray for me, and for a new Assistant.

With great joy I announce the appointment of Mrs. E. Rolfe Giorni as Parish Visitor. She will be of inestimable help to me and "stand at my right hand" these difficult weeks.

The 9 o'clock Holy Communion on Sundays beginning January 8th will be used as a time of quiet devotional instruction in Saint Mary's Church School. The regular devotion of the congregation should hardly be interfered with. On the other hand there might well be adults who would profit much by the training.

ANNOUNCEMENTS

The preacher this morning will be the Rev. William M. Weber of Valley City, North Dakota.

The response to my appeal for a Christmas Offering of one thousand dollars fell somewhat short of the mark, but there was a definite increase over last year's; and a cheque for one hundred dollars from Saint Mary's Aid over and above their annual two hundred dollars for payment of interest charges, was most helpful and gratifying. The actual Christmas Offering was \$628.62: adding the Aid's gift for interest, and a most welcome gift from Saint Mary's Forge brings it up to \$878.62. Envelopes and other pledges enabled us to deposit \$1000. for that week, to all our joy - including our creditors! I want to thank all whose sacrifices made this possible.

Your attention is called to the copies of "Holy Cross Magazine" for sale at 20¢ each on the table at the rear of the Church. The proceeds will go to the Order of the Holy Cross, West Park, N.Y. - more particularly to their "Press", which publishes so much valuable religious literature. We recommend this magazine as providing religious reading of a most instructive and helpful kind, confident that a wider acquaintance with it will result in the desire of many to see it regularly.

Saint Clement's Church is holding a series of Monday evening lectures designed to give the laity a brief but comprehensive background of valuable religious knowledge. Do take one of the schedule leaflets home with you: it would be worthwhile attending.

This Sunday marks the beginning of our new Church School. We ask your prayers for its success.

There will be a Stated Meeting of the Vestry of Saint Mary's Church, Friday evening, January 13th, in the Parish House.

We always intend to use a portion of this leaflet for carrying on regular simple instruction in the "doctrine, discipline, and worship" of our Church. But our space is so limited, and necessary notices so many!

ANNOUNCEMENTS

Last week's offertory anthem was the well-loved Epiphany hymn, "We Three Kings of Orient Are". This week, through the courtesy of St. James's Choirmaster in lending us the music, our Choir will sing as a kind of sequel or after-thought, an anthem of rare beauty and sweetness, both in words and music.

"So Mary put the gifts away
But the strange words she kept:
And wakeful many a night she lay
While good Saint Joseph slept.

"'Frankincense for a king' she thought
"A crown for a King's head:
Was ever such rich treasure brought
To manger bed?"

But once she clasped the child to her
And kissed His narrow feet,
Remembering the subtle myrrh
That scents a winding-sheet.

So Mary put the gifts away,
But these strange words she kept;
And wakeful many a night she lay
While good Saint Joseph slept.

The Rector and Mrs. Stimson will leave this afternoon on a visit to friends in Florida, and ask your prayers for a safe journey.

During the absence of the Rector, the Rev. E. W. Hawkins has kindly consented to take the services and be responsible for the welfare of the Church. Anyone wishing the services of a clergyman for any purpose can get in touch with him at 214 St. Mark's Square, (Eve. 4234).

Next Sunday the Rev. Benjamin Priest, the new Associate Rector of Saint James's Church will preach. Everyone will want to attend, to hear this most able new member of our Diocese.

ANNOUNCEMENTS

The Rev. Benjamin Priest, Associate Rector of Saint James's Church will preach this morning.

The monthly meeting of Saint Mary's Aid and Auxiliary will be held this Tuesday, January 24th. Luncheon will be served at one o'clock, followed by the Auxiliary meeting at 2 and the Aid meeting at 3 o'clock.

May I as your Rector, voice again my continued gratitude for the noble work so constantly carried on by the women of this Parish? Daily, and meticulous care of vestments and linens; gay bazaars, festivals, and socials that involve careful planning and strenuous work; faithful attendance at Parish and Diocesan meetings; -- it is through just such ordinary and sometimes uninspiring duties that God tests our love and loyalty to Him, and they meet that test nobly. And what a burden they lift from the shoulders of the Rector and Vestry with the money they raise!

The Galilee Mission and Inasmuch Mission, 821-23 Vine Street, Philadelphia, cordially invites you to attend the 42nd Anniversary Services, January 28, 29, and 30, 1939. You are especially urged to attend the January 30th meeting at 8 P.M. when the Rt. Rev. Francis M. Taitt, and the Rev. William B. Stimson will speak.

On Quinquagesima Sunday, February 19th at 4 P.M. Bishop Fiske will come to Saint Mary's Church to administer the Sacrament of Confirmation. In this connection there are three questions I want to ask you:

Are you confirmed? Are all the members of your family confirmed? Do you know any friend for whose confirmation God may want you to pray and work?

The notion, nowadays quite wide-spread, that God can be adequately loved and served apart from His proffered "means of Grace" in the Holy Communion, simply is not true. Logically, it makes His Incarnation, commandment, death, and resurrection useless (and God does not do useless things) pragmatically, a comparison of lives lived apart from His Altar with those who prayerfully and worthily receive His Body, will convincingly demonstrate the ineffectuality of trying to live as it were "on our own", and the abundance of saving strength He gives to those who are fit to receive (according to the exhortation) and do receive.

ANNOUNCEMENTS

It is with great joy that I announce the appointment of the Rev. H. Dymoke Gasson as the new Associate in the Parish and the Student Work, beginning the first Sunday in March. "Good wine needs no bush" - so I will say nothing more than that with him here I am looking forward to a new era both in the Parish and the University.

The other day an elderly, sick, and unemployed parishoner brought in a pence-can, his third offering for the year. How he was able to find the pennies is beyond comprehension. I only know that it moved me deeply both with shame and joy.

Bishop Fiske will come to Saint Mary's on Sunday afternoon at 4 P.M. to administer the Sacrament of Confirmation. We have only a handful to present to him, but our Lord never "counts noses". Those being confirmed are bringing new life and new fellowship into Saint Marys. Needless to say, you will want to be there to pray for them, and to welcome them, and that your presence at such an occasion in their lives will be an inspiration to them. Will you mark that day with a "red circle" in your calendar, and be there if God wills?

The enthusiasm of the students in our Church School is a genuine thrill.

There seems to be in the minds of many, some misapprehension about the reverent act of genuflection at the "Incarnatus" in the Creed. In fact, one new member asked if it was "worshipping the Virgin". Perhaps a word here might help. When in the Nicene Creed we come to the words "and was incarnate...and was made man" we are expressing the very core of our Faith - that Jesus of Nazareth was and is God. The unutterable mystery of His dwelling with us calls out a natural and praiseworthy desire in our hearts to express our awe and love for Him, "God of Gods in flesh appearing", and to make an obeisance is one way, and a good way, of doing this. Saint Mary's welcomes all worshippers with all their different ways of showing forth their love of God. At that moment in the Creed we are united in our adoration of Christ, even if we take different forms of showing it, and ^{our} single-hearted worship is the only thing that matters.

ANNOUNCEMENTS

A new issue of Holy Cross Magazine is on the table in the rear of the Church. Please buy one and read it.

There will be a chicken salad and fried oyster supper in the Parish House, Thursday, February 23rd from 5:30 till 7 P.M. Please make your reservation now while you think of it, for the ordering must be done by February 20th. As in the past, the donations of well-wishers (which help so much) will be received by Mrs. Maxwell and Mrs. Abbott.

On Monday afternoon, February 20th, at the Church of the Saviour, 38th & Chestnut Sts, there will be a mission study Institute. It will be opened by a Corporate Communion at 10 o'clock, followed by class until noon, when tea and coffee will be served (the members will bring their own luncheons.) The class will resume after lunch. The leader of the class will be Mrs. T. L. Harris, and her subject - "India". All women of Saint Mary's are urged to attend. Please send your name to Miss Helen Williams, 4224 Spruce Street by February 16th if you can attend.

The number of members of the Church School is growing. Even more important, the spirit of both teachers and pupils is one of warmth and enthusiasm. I have never had a more receptive group to talk to, and apparently the lessons "stick". Why not come some Sunday morning at 9 o'clock and see for yourself?

Remember to come February 19th at 4 P.M. to hear Bishop Fiske and participate by your prayers in the solemn act of Confirmation.

Why not ask any questions (big or little) you may have about religious matters? They would be a great help to me in writing instructional paragraphs in this leaflet.

"Almighty God unto whom all hearts are open, all desires known --" So the priest, beginning the Church's most sacred act of worship speaks in behalf of each one of us. Of course the Creator, Redeemer, and Sanctifier of human life knows our inmost thoughts: if we pretend we do not believe or do not care (like an ostrich) or if we shrink from Him in shame and fear, we must be judged by what He finds (unhappy us!) But if we ourselves open our hearts, if we fearfully but trustfully open our hearts to Him, "He will have Mercy, and abundantly pardon!"

ANNOUNCEMENTS

This edition of the Weekly Bulletin marks a new departure, which we hope will be welcomed by the whole congregation. We have been using a folder issued by the National Council containing items of interest in world wide Missionary news, in the hope that the congregation would gain closer contact and deeper sympathy with the spread of the Kingdom. To be honest however, your Rector confesses that he "never has time to read it", and has coveted the space it used as a vehicle for his own use. It is now evident that few, if any, have any real interest in this present folder, so we are abandoning it.

In its stead appears this plain folded paper, hungry for "news and views". The Rector, as editor, will have his bad moments, when the pressure of work and a certain mental vacuity will combine to make filling the pages a problem. There will be other times when there will be far too much to put in. But can I rely on you to make this your Bulletin by sending questions, suggestions, criticisms, and news items for us to publish?

We do not aspire to be another "Readers Digest", but we dare hope to become a moving force in our own little way.

At the annual meeting of the Altar Guild, the fact was brought out that the Guild received last year only \$57.00 for Sunday flowers, and spent \$139.00. As they do not receive any appropriation from the Vestry, and must depend on dues and other small offerings, they will in the future be forced to supply flowers only for the Feasts, and for such Sundays as are provided for by donors.

Of course we want to beautify our Church, not for pride's sake, but for the love of God. Flowers are not essential; in the fact there is a too-neglected beauty in the stern simplicity of an altar dominated by the Cross alone, as we discover in the sober seasons of Advent and Lent. Furthermore, to try to live up to the heyday of years ago is sheer extravagance, when the only thing required for a celebration is a few cents worth of bread and wine.

If, however, any members of the Church have some anniversary or some loved one to be commemorated in such a deeply fitting way as an offering of flowers on God's altar, the following Sundays are available:

FEBRUARY - 2nd Sunday

APRIL - 5th Sunday

JUNE - 2nd & 3rd Sundays

JULY - 1st, 2nd, & 3rd Sundays

AUGUST - 1st, 2nd, & 3rd Sundays

SEPTEMBER - 1st, 2nd, 3rd & 4th Sundays

OCTOBER - 1st, 3rd & 4th Sundays

NOVEMBER - 1st, 2nd, 3rd & 4th Sundays

DECEMBER - 3rd Sunday

On the first Sunday in Lent, Mr. Ramsey has selected some Plainsong Chants. This type of music is unfamiliar to many in the modern day, although at one time it was the only music known in the Church. It is characterized by a certain austere dignity and reverence, and has a way of "growing on you". We know that you will listen carefully, and learn to love it, as an occasional enrichment to the Service.

During the week of March 19th to 26th, Saint Mary's Church will cooperate with Saint Andrew's, 36th and Baring Streets, in a Diocesan Mission Week, to be conducted for us by Captain Atkinson of the Church Army. This man is a rare leader and teacher in the spiritual life, and we cannot give ourselves a greater Lent than devoting a week to his influence in our lives. In a short time you will receive a letter setting forth just what we want you to do about that Mission. Meanwhile, please mark it in your calendars and begin to pray for its success.

Anyone who owns an automobile will do a great favor by handing his or her name in to the rectory. During the week of the Mission we want to have cars and drivers at the door of Saint Mary's Church at certain hours to drive members of the congregation to and from Saint Andrew's. You cannot imagine what a great service you will do by offering yourselves and automobile.

The following have expressed their desire to receive the Sacrament of Confirmation this afternoon:

HELEN PARLETTE HORN ✓
JANE DAVIS ✓
LINDA GIORNI ✓
WANDA GIORNI ✓
LISA MYERS ✓
CHARLES EDWIN RICHARDSON ✓
ALICE BAILEY ROLFE ✓
PAUL BURNHAM STIMSON ✓

Remember them most earnestly in your prayers, and welcome them into our Communion and fellowship.

Do not forget the Mission Study Class at the Church of the Saviour, 38th & Chestnut Streets tomorrow, February 20th at 10 o'clock. It is hoped that all those who have promised to attend, will be present.

We are looking forward to the "chicken salad and fried oyster" supper Thursday evening, February 23rd. On the traditional "maid's night out" it is pleasant to gather together, and eat good food, knowing that at the same time we are making our contribution both to the finances and to the new fellowship of our Church. We are asked to have our reservations in by tomorrow. It will help those hardworking women to know how many to expect.

A Lenten Retreat for Teachers and Professional Women will be held on Saturday, February 25th, from 3 until 8 o'clock at St. Margaret's Mission House, 2028 Delancey Street. The Rev. Walter Klein, S.T.D. will be the Conductor. On Wednesday, March 1st, another Retreat for women will be held, beginning at 8 o'clock with Mass, and closing at 4. The Rev. John C. Mockridge, D.D. will be the Conductor. Requests for reservations should be sent to the Sister in Charge, 2028 Delancey St, three days before the date scheduled for the Retreat.

Plans are underway to raise a little money for Choir Cottas, a few of which are in disgraceful condition, and must be replaced by Palm Sunday. As our Church slowly but surely recovers from formerly almost bankrupt condition, we will inevitably find certain furnishings and properties that critically need replacement. Careful planning and good-hearted "pulling together" will do the trick.

I occasionally hear strangers say: "Why are you Episcopalians always getting up and down", perhaps a word on the bodily participation in worship would not be amiss.

Our custom is after all quite simple: "Stand for Praise, sit for Instruction, kneel for Prayer" - whether it be Morning Prayer or Holy Communion or any other Service." Conditioned as we human beings are - that in and through bodies only can we either learn or express, the posture of the body has a primary part in the attitude and disposition of our spirit. To really kneel (without too much attention to comfort) induces the soul's submission, to stand really lifts the heart.

The Thursday Evening Services have not been very well attended. I do hope when our new Associate takes them over that the Parish will respond more nobly.

There is a small group coming to the Bible Class. They seem to have found it interesting.

ANNOUNCEMENTS

I know that it will deeply distress each one of you to learn that Saint Mary's has been unable to meet its semi-annual amortization payment of \$250.00 this month. In crises like this in times past, I had to appeal again and again to the generosity of a few friends, some of them not even members of our Church. This I cannot do again; first, because Saint Mary's must become a self-respecting, self-sustaining Parish; second, because the finances of the Church are the care of the Vestry, and not of the Clergy. I can only beg each one of you to ask God how much he or she ought to give His work this Lent and Eastertide.

The time for our concentrated Lenten activity in the Combined Mission draws nearer and nearer. Have you marked it in your Calendar? Do you pray for its deepening of your own spiritual life, other lives? The world has many pressing duties--our hours seem to grow daily more crowded. Never forget that our duty to God and to our own souls come first.

On the two Sundays of the Mission Week we expect every Parishoner who is able to do so to go with us to Saint Andrew's where I will celebrate the Mission Communion. For the sake of those who cannot attend, there will be a Celebration here at Saint Mary's at 11 o'clock, without Choir or Sermon.

Mrs. A. D. Horn is in charge of the automobile service during the Mission. It will help her greatly if you let her know if you will want to be driven over, and to what Services.

On Sunday, ~~April~~ ^{MAY} 19th, Saint Mary's will celebrate her 115th Anniversary with a Choral Evensong, and Te Deum at 3 P.M. Birthdays are happy and holy things. Let us all be together to thank Him for our continued parish life through all these times, and reconsecrate ourselves as individual members of the Parish body, and as members of "The Holy Church throughout all the World".

There has already been a response to the suggestion that members of the congregation send in items for this leaflet: L. M. P. sends the following:

WOULDN'T IT

Wouldn't this old world be better
If the folks we meet would say,
"I know something good about you"
And then treat us just that way?

Wouldn't it be fine and dandy
If each handclasp warm and true
Carried with it this assurance
"I know something good about you."

Wouldn't life be lots more happy
If the good that's in us all
Were the only thing about us
That folks bothered to recall?

Wouldn't life be lots more happy
If we praised the good we see?
For there's such a lot of goodness
In the ~~worst~~ of you and me.

Wouldn't it be nice to practice
That fine way of thinking, too? -
You know something good about me
I know something good about you!

The Cross is the emblem of our Faith. It is the master weapon of the Christian warfare. We raise it high on our Churches, our Schools, our Altars. We carry it upon our person, we hang it above our bed, - to proclaim to the world, and to remind ourselves that in this sign alone we conquer. The world is constantly in opposition and to it the Cross is the Great Scandal - "after all these things do the gentiles seek".

Therefore, the Christian is not content to "let well enough alone" in this matter of the Cross - he insists upon making the sign of the Cross. With his living hand he signs his body with the sword of Calvary. He refuses to let the Cross upon the Altar or on his watch chain be considered as a dead symbol:- with the hand that God has given him he makes that Cross a living, sacramental expression of the faith that is in him, and in doing so the Christian stands in line with the best Biblical tradition - he is following to the end one more implication of the Gospel of the word made flesh.

The hands of our Lord were ever outstretched to touch and to bless, for they were hands of one wholly devoted to God. The gestures of a man's hands are as expressive as his lips - with them too he can curse or bless. Can we not teach little children early to make the sign of the Cross - so that early they may learn that their hands are God's, and to be used in the service of His Cross?

There are certain points in the Liturgy when the sign of the Cross is made:- at the end of the Creed, when the absolution is pronounced, just before receiving the Blessed Sacrament, at the final Blessing, and of course on countless other occasions.

Shall we not begin each day - with some such phrase as "In the Name of our Lord Jesus Christ crucified for me, I arise: May He lead me safely through this day". And end each day with "Into thy hands, O Lord, I commend my Spirit", accompanying each of these phrases with the Sign of the Cross. If we do, we will never stray very far from reality of God's Presence.

Don't forget that Monday, March 13th is Episcopal Day at Gimbel's Week for the Blind. Ladies who have given donations in the past are asked to do so again. Lunch is served from 12 to 2.

You will all want to know something about our new Associate, and so this issue of the leaflet will be largely devoted to a thumbnail biographical sketch.

The Rev. Henry Dymoke Gasson was born in Baltimore, Maryland in 1903, the son of H. Daniel and Lillian (Dymoke) Gasson. His childhood was divided between Fredericksburg and Alexandria, Virginia, where he attended Public Schools. He graduated Magna Cum Laude from Georgetown University in 1923 where he won the Morris Historical and other medals, and was on the Staff of the University Journal. After graduation, he spent some months in Europe, entering Virginia Theological Seminary late in the year. He graduated at the age of 23 in 1926 winning his B.D. degree at graduation, an unusual accomplishment. Ordained Deacon by Bishop Brown in the Seminary Chapel he went straight to Southern Cross School, Porto Alegre, Brazil, as Chaplain and teacher both in the school and Seminary, and also Chaplain to the large English speaking colony in Porto Alegre.

He returned in December 1930 to go to St. Paul's School, Concord, New Hampshire as one of three Clerical Masters, having the spiritual welfare of the entire school as well as teaching. During his last three years there, he was also priest in charge of Holy Cross Mission, East Weare, New Hampshire.

In 1936 he resigned to become Priest-in-charge of St. John the Baptist, Sanborneville, New Hampshire, with three other Missions scattered over an area one-eighth of the size of the State. This rural work is intensely difficult and even more thrilling, and we all will look forward to having him tell us his experiences.

It is with great joy that we welcome the Reverend Francis Yarnall, M.A. Litt.D. as our Preacher at the "Mothering Sunday" Evensong Service. Dr. Yarnall is the son of the Rev. Dr. Yarnall, Rector of this Church from 1844 till 1899, and Rector Emeritus from 1899 until his death in 1911. Dr. Francis Yarnall will not only be affectionately welcomed for all his contacts here, but is known to be a notable preacher in his own right. He will of course want to meet you in the Parish House afterwards.

The following Clergy who have been associated with us hope to be in the Chancel:

The Very Reverend Granville Taylor
Rev. Dr. John Mockridge
Rev. Dr. Frederick Seymour
Rev. Dr. Joseph Cullen Ayer
Rev. Dr. Walter Klein
Rev. Dr. John Groton
Rev. Dr. E. M. Jefferys
Rev. Dr. Frank Wetherill
Rev. Dr. F. P. Houghton
Rev. W. Brooke Stabler
Rev. Dr. Wilmot C. Gateson
Rev. John Q. Martin
Rev. David Holmes
Rev. E. W. Hawkins

Several others have sent warm messages expressing their regrets, and promising to remember us at their Altars.

A cheque for \$100 for the Anniversary Fund has thrilled us. As we are \$3500 "behind" at this minute, the Rector is deeply hoping that there will be such a gift presented that we can start our one hundred and sixteenth year with our heads held high.

Someone has suggested that the gifts be made where possible in units of 115. Some could give only 115 "mills" (a car token and 4¢) others \$1.15, others \$11.50, others \$115.00. A gift of \$1,150.00 could hardly be expected, but yet.....!

SPECIAL ANNIVERSARY LEAFLET

THE FOURTH SUNDAY IN LENT

March 19th, 1939.

Well-beloved in Christ we ask you to kneel in prayer and praise as you enter your pew, saying,

"Blessed be Thy Name, O Lord God, for it hath pleased Thee to have Thy habitation among the sons of men, and to dwell in the midst of the assembly of the Saints upon earth; grant we beseech Thee, that in this Church Thy Holy Name may be worshipped in Truth and Purity through all generations, Through Jesus Christ our Lord:

We thank Thee, O Lord God, that for these many years Thou hast fostered and guided this Parish. Forgive the unworthiness of our sacrifices here offered: our lack of faith, our lack of love, our feebleness in prayer, fasting, alms-giving, and praise.

Enkindle our hearts, direct our minds, and sustain our feet both now and evermore that we may walk in Thy way, and enter into the Kingdom of Thy Love and Service, through Jesus Christ, our Lord. Amen."

instruction will be given during this particular first Sunday in the month service. Therefore, will you all make an especial effort, on this occasion, to be in your pews at least five minutes before nine o'clock?

Regular Sunday evening services will be resumed on Palm Sunday. These services are somewhat informal in nature. There will not only be an opportunity of singing together our favorite hymns, but there will also be a chance to ask questions. A special box for these will be placed in the back of the church, and we hope that you will freely use this way of drawing more and more closely together in fellowship. The addresses which are given at the Sunday evening services will follow a definite theme, and thus your continued attendance is urged.

A meeting of the parents and teachers of the Church School is being planned for some date shortly after Easter. Later on there is to be an exhibition of the work done by the members of the School. We want the interest of all in the parish. The Church School is small but growing, and the quality of its work is excellent.

MISSION SERVICE - 8 P.M.

EVERYBODY WELCOME

The Preaching Mission closes with the service at Saint Andrew's this evening at eight o'clock.

The Mission ends today. This has been one more of those opportunities which God gives us of growing in His Knowledge and His Grace. And what an opportunity it has been! Our Mission Conductor, Captain Atkinson, has been just the kind of man God uses as the channel of His Word. He has been simple, humble, and direct; at no time has he gotten in God's way, or his own. Through him God has led us more surely in the understanding of His Purpose for us and for His World. What a preparation for Passiontide and Holy Week!

From the Mission we enter with our Lord the shadow of His Passion and His Cross. We contemplate those Mighty Acts whereby our salvation is assured. We hear and see, we touch, taste, and handle, the final expression of that Word of Love Who for our sakes was made flesh and dwelt among us. For the next two weeks this thought will surely be central in the minds of all Christians, however feeble be our faith. It is the season of Meditation for the Christian. He broods upon, he lives with, these Mighty Acts of The Passion and The Cross, and in the end he finds himself possessed by, and resolved to act upon, them. So may we all come to Easter more certain of The Purpose for which we were created: To give back to God some small measure of that Love with which He has loved us. A little more of our waywardness redeemed, a little more of our wilfulness broken, rejoicing in His Love and in that of our brethren in Him.

The past, present and the immediate future mingle in the hearts of all Saint Mary's Faithful on this Passion Sunday. The Anniversary Service of last Sunday afternoon has deeply strengthened our bonds. God wanted that service and He richly blessed it. In His Name and in the name of Saint Mary's we want to thank all those who made that service what it was. The local clergy for their presence with us, the many old friends who came from far and near, the appropriate and stirring sermon of Dr. Yarnall, the superb singing of the choir. How fine it was to have the junior choir joining in this great act of praise. May they be more often with us! Further thanks go to all who helped to make the tea, which followed the service, such a success. God loves us all. May He continue to draw us closer together in that Love, as He did last Sunday!

The offering at the Anniversary Service amounted to exactly \$200.00. There may be some who will still want to make their contribution. They may do so by placing their donation in an envelope marked: For Saint Mary's 115th Anniversary.

It is with deep regret that we learn of the death of the mother of our friend and former associate, Mr. Kennedy. May she rest in peace!

We are very eager that these weekly bulletins of Saint Mary's Church should be a means of deeper fellowship and closer communication among all those in the Parish. We welcome contributions of all kinds, including notices of any activities in the church. Material must be in our hands not later than Wednesday afternoon. Please address your communications to Mr. Gasson, Parish Office, 3916 Locust Street, Philadelphia. We shall be very glad to mail bulletins to anyone who will notify us. A small contribution to cover mailing charges will be appreciated.

Next Sunday is not only Palm Sunday but it is also the first Sunday in the month. As usual the nine o'clock Celebration of Holy Communion will be followed by breakfast in the Parish House, to which the members of The Church School and other communicants at this service are most cordially invited. It will help greatly if all those who plan to attend the breakfast will notify either Mr. Heatherley or Mrs. Giorni by Friday.

Our Lord said, "This do in remembrance of Me." The Eucharist, therefore, is essentially an act of praise, in which all, Priest and people, have their vital part. That we may better understand our respective parts,

"HAPPY EASTER"

When the heart is too full for words, when the mind cannot clothe its thoughts, when the spirit is charged with things unutterable, then words seem to hinder instead of help.

But words are all we have to share things through - and poor, dead, printed words at that - to wish you "Happy Easter".

But when we kneel together before God's altar today - we who are all poor sinners cleansed with His Blood and risen with His Body - we will be rejoicing in Him, triumphing with Him, loving Him with all our hearts and minds and souls; and, lo! our deepest wish will be fulfilled!

- NO EVENSONG EASTER DAY -

A Quiet Day for women will be held at Saint James' Church, 22nd and Walnut Streets on Saturday, April 22nd conducted by the Rev. Walter C. Klein. It will begin with the Celebration of The Holy Communion at 8:15 a.m., followed immediately by breakfast. There will be three Meditations lasting until mid-afternoon. There will be a charge of 25¢ for breakfast, 50¢ for luncheon. Anyone wishing to go will please notify Mrs. Arthur U. Crosby, 7301 Huron Lane, Mt. Airy, Philadelphia, not later than April 20th.

A Requiem will be offered in the Church on April 15th for the soul of Alfred Wylie. May he rest in peace!

* * * * *

We wish to thank Mr. James Hoyt for his prompt and generous response to last week's appeal for a bed. The bed is now being used and is much appreciated.

* * * * *

We would like to call to your attention the fact that the Offering at the 9 o'clock Sunday Service is devoted to the work of the Church School.

* * * * *

The past month has seen the growth of a new activity in Saint Mary's Church School, namely, the formation of an Orchestra. It now consists of ten pieces, and although it is rather to speak of this, it is our hope that eventually the Orchestra will be worthy to play in the Church. As in several of the Church School activities, the Orchestra is not confined to children and applications from adults, as well as other children, will be considered. The possession of an instrument or the ability to play is not necessary. Fees are moderate.

In the absence of Miss Young, Parish Treasurer of The United Thank-Offering, we are trying to help with the spring "In-Gathering" and hope that it will not fall behind the autumn offering. It is our goal to have every woman and girl contribute toward this offering, no matter how small the contribution. If you are a new contributor, will you please put your name on the envelope and place it on the alms basin marked "For the U.T.O. Treasurer". Letters are being sent to regular subscribers and we hope to have the offering soon. The service will be at Holy Trinity on Thursday, May 4th, at 10:30 a.m. To participate in one of these services is a thrilling experience.

ANNOUNCEMENTS

"I was very much impressed by the 9 o'clock Service on Palm Sunday at Saint Mary's, when instruction was given during the Communion Service. It seems to me that our worship can only be fully felt and made vital if we know definitely and clearly the way to worship. I wish that The Leaflet could carry each week some instruction of this kind. I feel sure that others, beside myself, would be glad to learn more about the tradition and practice of The Church."

The above paragraph is most gratifying. For it confirms our belief that, as Christians, we all want to know more about the faith and practice of The Church. Three facts are apparent to those who have eyes to see:

1. As Episcopalians we are heirs of the great Catholic Tradition, and we have untold resources at our disposal;
2. On the whole we are an uninstructed people - we know not our own strength. We are, in the words of an outsider, "a sleeping giant".
3. But at heart we really want to know the "why" and the "how" of The Church's heritage. We would serve God in our generation.

It is because of all this that we are making the 9 o'clock Sunday Eucharist essentially a teaching Eucharist - particularly on the first Sunday of each month. It is frankly for the younger members of The Church, but all are most welcome naturally.

As Christians we are committed to the belief that the chief end of man is to worship God. All else is secondary. The Christian religion is not morality - it is the belief in, and the worship of, God in Christ. Morality is the fruit of this worship. We are committed furthermore to the New Testament teaching about The Church, namely, that it is The Body of God's Son, The Bride of Christ, the present and continuing instrument of His Holy Spirit (cf. I Cor. 12, Ephesians 1:22-23, V:25-32, etc.)

Here again we see one more example of the Wisdom and Mercy of God. For just as He showed us how to love Him by first loving us, so He has showed us how to worship Him in The Service of His Own devising - "in the night in which He was betrayed, He took bread; and, when He had given thanks, He brake it, saying.... This is my body do this in remembrance of Me."

The first thing to be noted therefore about The Blessed Sacrament is that it is one more of His Gifts to us. It is not a man-made service, but God-given. And because we are "members incorporate in the mystical Body of His Son" - it is our service too. In it we all have our part. We are not passive spectators at a rite, but active participants in that Eucharistic Offering which "shows forth the Lord's death 'till He come".

Every member of Christ present at The Eucharist has his or her essential part in this great Act of Thanksgiving. To surrender that part to anyone else - whether by letting the choir do it, or the priest do it, - is to give away the supreme privilege of worshipping God in His Own Way.

(to be continued)

Saint Mary's Easter decorations were very lovely. May we thank all those who so generously contributed the flowers and those who so tastefully and graciously arranged them.

The amount of the Easter Offering was \$970.00.

May we remind you that there are new Forward Movement booklets at the back of the Church, as well as blank sheets for any Thanksgivings or Intercessions which may be desired. Also there is the Question Box - any questions placed in here will be answered at the Sunday Evening Service.

The Karl Emerson Williams Players will present "Peter, The Rock", a religious drama, in Calvary Church, 41st above Brown Street, on Wednesday evening, April 19th, at 8 p.m. All are welcome. Silver Offering.

The Woman's Auxiliary is endeavoring to help Saint Mary's pay its share of the large missionary deficit which the National Council is trying to raise, so that the work may be continued in the field, missionaries kept at their posts, and mission schools kept open. If you want to share in this work, will you please put your contribution in an envelope and mark it for this purpose and send to Parish Office. This must be in our hands by April 24th. It is hoped that during the remainder of the year everyone will add a small sum each week toward the mission quota or in each Woman's Auxiliary envelope, so that our own quota can be met, and in this way help the whole Church wipe out its deficit.

The Church School Bible Class, which meets on Wednesday afternoons from 5 - 5:30 has been resumed. Anyone is welcome.

According to schedule the Church School visited the University Museum on Wednesday, April 5th. Relics of Babylon were viewed with great interest, and were explained by a kind and enthusiastic docent. It was gratifying to have several adults in the group, which numbered 11 in all. A similar trip is planned for some time in May, at which time the subject will be Egypt.

gotten utterly out of the hands of the people. It had become something done by the clergy for the people. At its best, the Reformation (especially in England, of which we are largely heirs) was the desperate attempt to restore the Liturgy to the rank and file of God's people, who had originally created it.

The fact is that most corporate worship today is formal and stuffy. To an outsider it must certainly lack warmth. More than that, it lacks just that compelling quality which has always been God's greatest witness to Himself, namely, the enthusiastic worship of His children. A great doctor is known by the trust of those who consult him, a great parent by the affection and loyalty of his, or her, children. So God is known as God, and vindicated before an unbelieving world by the adoring response which He awakens in those who call Him Father.

About the only place today where we find enthusiastic worship is among those queer sectarians, such as Holy Rollers. Their worship is certainly incomplete, often it is all wrong. But it is enthusiastic and vital. Must it be only among us, who profess the fulness of traditional belief in God and who have been entrusted with His riches that worship is cold and mechanical?

In the Church's Year this is an exultant Season- the great forty days from Easter to Ascension. During these forty days the early Christians had a significant custom: As they met each other, the greeting always was "The Lord is risen!", the response to which was, "He is risen indeed!"

Are we reflecting in our worship the joy of the Risen Lord?
(To be continued)

The flowers on the Altar last week were given In Memoriam by Mrs. Alexander D. Horn.

In order to allow its members to attend the Annual Meeting of The Woman's Auxiliary at the Penn Athletic Club on Tuesday, April 25th, the following changes have been made in the time of the meeting of Saint Mary's Aid and Auxiliary on that day. The Auxiliary will meet at 11:30, followed by lunch and meeting of the Aid. This will be finished in time to get to the Annual Meeting.

Beginning today, the Creed will be omitted in the Eucharist. The authority for this is the Prayer Book Rubric at the foot of page 70. The Creed is one of the most "modern" parts of the Eucharist, - it did not find its way into the service until the 9th or 10th Century. Like the Gloria in Excelsis, the Creed (as part of the Mass) has always had a festal character. Since at Saint Mary's the choral Eucharist is always preceded by Morning Prayer, in which the Apostles' Creed is said, we shall omit on ordinary Sundays the Creed in the Eucharist.

"--I took it (Confirmation) in my stride and felt it was just something that happened to you as you were growing up. Therefore it never meant much to me, I'm afraid."

So writes an intelligent and splendid woman. She has never been a parishioner here, but I have no doubt her Church-life is "average", or above. She makes her Communion regularly, she leads a "good" life, she is sweet-tempered and "outgoing" to all sorts of people. In some vague way Christ and His Church are a real part of her background.

But somehow her life has never been "focused" as the Christian life must be, if it is to be worthy of the name. To "renounce the world, the flesh, and the devil," to grapple with sin and call upon God's power for victory, to surrender one's soul and body to the Love of God- these acts are far more than "something that happened to you as you were growing up!" Hers is a good life, a beautiful and fine one. But when compared with the lives of the Saints, its woeful inadequacy as a Christian life strikes one in the face. And it is her type of life we have been fostering in the Christian Church for generations- and because we are her type of Christian, Christ's Church is the weak thing it is today.

A new age is coming- an age that calls for strength and consecration, not from somebody else, but from you and us. Are we preparing for it? Read again your Baptismal vows, your Confirmation service. Ask yourselves some frank and embarrassing questions. Then ask God what to do about it. He will show you!

(Continued from last week)

Unfortunately we have largely lost the apostolic doctrine of "the priesthood of all believers". As members of the Body of Christ we are all called to be priests, that is, to live our lives towards, and in, God. The celebrant of the Holy Mysteries always speaks in the name of the worshipping community, never in his own. With the exception of the Creed the service is throughout in the first person plural. Originally all members of the congregation had their part in the action of the Mass, as well as in the words. About the only survivals of this are the functions of the acolytes and choir, and the minor role played by the wardens in the collection of the alms. Both the choir and the acolytes have a very definite place in the service, the choir to lead in the divine praises, the acolytes to assist the celebrant in the orderly performance of the liturgy. (Incidentally, the word Liturgy means the work of the people).

Choirs and acolytes are indispensable. We shall always need them. But ways must be found to restore to the congregation as a whole their part in the Liturgy. The Eucharist is, from one point of view, the Christian Family's Act of Thanksgiving. Our Lord said: "This do in remembrance of Me", and in carrying out His command we perform our one great act of corporate worship. Words and prayers have their place in this service. But of equal importance is the action- what we do:- we alternately stand, sit, kneel; we bow our heads, genuflect, make the sign of the cross, etc., worshipping thereby with our bodies, as well as with our thoughts.

Obviously no one can think our thoughts for us, or sing the divine praises for us, or bend our knee in adoration. That Christian is missing his or her greatest opportunity who comes to Church to be "entertained" - whether to "hear Mass" or to hear pretty music.

All this is not just an academic question. It is of the utmost importance for the morale of our witness as the Christian Community. In the Divine Intention the Church is meant to be One and United. The greatest blow that was ever delivered against the Purposes of God was delivered by Christian people: The division (alas! divisions) within God's Church brought about in the 16th Century. And the greatest single cause of that division was the fact that the Mass- the Lord's Own Service- had

Saint Mary's Junior Choir is joining with other choirs in a service at Holy Trinity Church next Sunday afternoon, May 7th at 4 p.m. Incidentally, it will certainly be of interest to the Parish to know that the Junior Choir is now leading the singing at the 9:00 o'clock Mass on Sunday. For the present, we are singing only one hymn at this service. The Junior Choir is also singing the Canticles at Evensong on the last Tuesday of each month.

Next Sunday being the first Sunday in the month, the 9 o'clock Mass will be followed by breakfast in the Parish House. This breakfast is primarily for the members of the Church School and the younger communicants of the Parish. Mrs. Leech and Miss Williams are in charge of the breakfast. You will help them greatly by letting them know if you plan to come to this breakfast.

The 9 o'clock service next Sunday, May 7th, will also be our regular monthly Teaching Eucharist.

Beginning next Sunday, we shall sing the Antiphon of the Season in Morning Prayer. These Antiphons are found on page 8 of the Prayer Book. The Easter Antiphon (which is used until Ascension Day) is a lovely one: Alleluia. The Lord is risen indeed; O come, let us adore Him. Alleluia.

A Two-Piano Concert will be given on Wednesday, May 17th, by Mrs. Stimson and Mr. John S. Adams, for the benefit of Saint Mary's Aid and Auxiliary. The price of the tickets is 50 cents.

(Continued from last week)

We ended last week's page on the Liturgy with a question, namely, Is it at once apparent to an outsider as he enters one of our churches of a Sunday Morning that he is in the midst of the children of the Resurrection? If it is not so apparent, then something is fundamentally wrong with our worship.

Our Liturgy is a beautiful thing. It is ours of course in large part by inheritance, for it represents the accumulated wisdom and beauty of centuries. Our Book of Common Prayer is the fruit of centuries of faith and worship. From one point of view it is an artistic creation.

This is especially true of the Eucharist, which has often been compared to a drama. In fact, it is a drama, - moving swiftly, powerfully, to its climax - the Memorial of Calvary. Few people, least of all those outside the Church, are unmoved by it, when presented with conviction.

The fault therefore is not with the Liturgy, but rather with our presentation of it. The greatest play can be made lifeless by lifeless, listless, acting; a very mediocre play can move us deeply if the actors throw themselves into it with abandon.

The answer to the question "How shall we improve our corporate worship?" is therefore an obvious one, yet the only answer that can be given: - By entering into the service as actively and as fully as possible. In short, by worshipping.

We learn to read by reading (not by being read to), we learn to play by playing, etc. And we can only hope to learn to worship by worshipping, and by worshipping with our brethren. This means doing certain definite things, and doing them with conviction. Let us begin with the more obvious, more simple, things:

1) Hymns. The singing of hymns has always formed an integral part of Jewish and Christian worship. Men have always wanted to praise God together in song. To "make a joyful noise unto the Lord" has ever been a natural response of man to his Creator. It has

usually (and properly) been a matter of secondary importance whether the words or music of these songs were great. The thing that matters is to "sing praises, sing praises unto our God."

We have choirs to lead us in the singing of these hymns, and in the more difficult musical parts of the Liturgy, - to set the pace, etc. But it is a dead congregation that lets the choir do all the singing.

Last Sunday afternoon some of us from the Church School went to a service in a colored church. The service was non-liturgical, and therefore to most of us it seemed bare and unsatisfactory. But the singing was magnificent, and how it must have pleased the Lord! We could not but be thrilled by, and caught up into, the enthusiasm of those people as they poured out their praises to God. No doubt the words and the music of these hymns were rather poor. Somehow it did not seem to matter. What did matter supremely was that several hundred children of God were saying to Him that they loved Him, believed in Him, - and they were saying this in the most joyful way they could, namely, through their hymns.

Cannot we at Saint Mary's support the choir more heartily in the hymns? We do really want to tell God that we love Him, believe in Him, don't we? And we want the world outside to know it too. How shall He know except we tell Him? And how shall the world know except it hear us tell Him?

.....

It was my privilege to attend the Spring In-Gathering Service of The United Thank-Offering on Thursday morning of this week at Holy Trinity Church. It was a most inspiring service and the amount received - totalling nearly \$11,000.00 - was a poignant testimony of what corporate giving can accomplish.

E.R.G.

The Diocesan Convention was held last Monday evening and Tuesday. In his address, Bishop Taitt made a stirring appeal for the unity of Christendom. He pointed out a fact which we are all inclined to overlook - that the things that we hold in common with several other churches far outweigh our differences.

Holy Trinity Church, vast as it is, was crowded even to the gallery. Looking at that splendid gathering of strong, intelligent and cultured men and women one could not help hearing the echo of Billy Sunday's comment, "If the Episcopal Church should ever wake up - Look out!"

We are, as Mr. Gasson says, "a funny little Church", and one of the funniest - no, the saddest things about us is that we seem to have entirely abandoned any hope that we ever will "wake up". Of course the trouble lies far deeper than that; spiritual life and power comes only from complete and daily surrender to the will of God.

But when we - you and I - learn to love God more, that awakening will happen. Its effects will be amazing, and unbelievably far-reaching!

Saint James Young Peoples' Fellowship and Acolytes' Guild cordially invite the men and boys of Saint Mary's Church to a movie, "100 Years of Baseball" given on Thursday, May 11th at 8 P.M. at 2210 Sansom St. No admission charge. The Rector certainly hopes to see this program, and has no doubt that Saint Mary's will be well represented.

(Continued from last week)

We spoke last week of better congregational singing, particularly of the hymns. And let us repeat that this is one of the first and most obvious ways in which we can vitalize our corporate worship.

2. Verbal Responses.

Here again there is room for great improvement. In the reading of the Psalms, for example, the congregational response is often very weak and listless. Can it not be more hearty and vigorous?

Or whenever in the service the minister says - "The Lord be with you", - the invariable response is "and with thy spirit". This salutation and response are constantly recurring in all our services, and are meant to show the corporate nature of these services. It is as if the Minister and Congregation kept reminding each other that they were acting together in the service. How thrilling it would be, for example, if in the Eucharist each time the Celebrant turned to the Congregation and said - "The Lord be with you" - the response was boomed back "and with thy spirit"!

The same is true of all the Responsive Versicles in the Prayer Book. They are to be said, not mumbled. In many churches they are sung. Some of them we sing at Saint Mary's (Sursum Corda at the late Sunday Eucharist is always sung, p. 76 of the Prayer Book). When this is sung the music is simple and always the same. Therefore, there is no reason why the Congregation should not learn to join the choir in singing this. Otherwise, our worship is incomplete.

The Liturgy as we have it is the creation of the people. How sad that the average congregation today should almost withdraw from active participation in the Liturgy, letting it all be done by the clergy and choir!

Cannot we at Saint Mary's therefore throw ourselves more whole-heartedly into the service? We can begin with a more lively attitude towards the hymns and responses.

The flowers on the Altar last Sunday were given In Memoriam by Miss Rutter.

A demonstration of Choral Speaking will be given at The Church House (202 S. 19th Street) on Thursday evening, May 11th, at 7:45 P.M. The Junior Choir is planning to go. Other members of Saint Mary's might find it helpful and interesting, and are cordially invited to attend.

The Junior Choir attended a Bach Festival yesterday afternoon at Saint James' Church.

Beginning today, the Antiphon of the Season (p.8 of the Prayer Book) is being sung. Let us all join with the Choir in singing this exultant Antiphon - "Alleluia. The Lord is risen indeed; O come, let us adore Him. Alleluia."

A Two-Piano Concert will be given on Wednesday evening, May 17th, by Mrs. Stimson and Mr. John S. Adams for the benefit of Saint Mary's Aid and Auxiliary. It will be given at 8:15 p.m. in the Auditorium of the Parish House. Tickets are 50 cents.

The Service of Presentation of the Diocesan United Thank-Offering was held on Thursday morning, May 4th, at Holy Trinity Church. The amount of Saint Mary's Offering was \$101.00.

The Leaflet will be glad to publish any suggestion or comment by any member of Saint Mary's in reference to the Budget. It is a corporate need and therefore a corporate responsibility in which each and every one of us can play a helpful and valuable part.

We are mailing this Leaflet, as we think that every member of the congregation will want to have it, and to study it carefully. Please bring it to Church with you, as there will be only a few copies there for visitors.

A Two-Piano Concert will be given on Wednesday evening, May 17th, by Mrs. Stimson and Mr. John S. Adams for the benefit of Saint Mary's Aid and Auxiliary. It will be given in the Auditorium of the Parish House at 8:15 P.M. Tickets are 50 cents. Refreshments will be served.

Members of Saint Mary's Junior Choir joined with many other Junior Choirs in attending the Lenten Offering Service at Holy Trinity Church last Sunday afternoon at 4 o'clock. Hearing the sound of countless youthful voices singing praises to God on High was indeed an inspiring and revivifying experience!

Thursday, May 18th, is Ascension Day. There will be celebrations of Holy Communion at 6:30 A.M., 8 A.M., and 9:30 A.M. The 6:30 will be a simple Choral Eucharist assisted by some of the choir.

Christians hold Ascension Day as an especially joyous and sacred feast, and rise up very early to "rejoice, give thanks and sing" for two reasons: first to rejoice that our dear Lord is now ascended into the glory which He had for our sakes laid aside; second because by ascending up to Heaven He has become no longer with us, but in us: "Nearer than hands and feet, closer than breathing".

Very early in the morning He gave them His last spoken commandment, and blessed them and "a cloud received Him out of their sight! Very early in the morning (before the world and its cares can crowd in) we gather together to worship our ascended Lord.

ANNOUNCEMENTS

At the request of the Finance Committee of the Vestry, we are publishing in this issue of the Leaflet the Budget for the current year, together with such comments as seem necessary.

Income:

Pledges	6,620.
Not pledged but likely to be given	680.
Plate Offerings	660.
Christmas & Easter Offerings	1,350.
Income from Endowment	1,500.
Saint Mary's Aid	500.
Pence Cans	400.
All other sources	800.
	<u>\$12,510.</u>

Expenditures:

Clergy Salaries	2,100.
Choir	1,380.
Sextons	1,550.
Rectory taxes and repairs	400.
Chancel supplies	60.
Church and Parish House repairs	450.
Insurance	350.
Coal	550.
Electricity, Gas, and Water	300.
Sustentation, Convention & Episcopal	850.
Missions	1,500.
Baltimore Avenue	120.
Capital expenses-interest and amortization	1,500.
Payment on back bills	1,400.
	<u>\$12,510.</u>

Explanations and Comments:

A. Income: It is a matter of deep satisfaction that the number of pledges has grown from 89 to 117 in one year, and that there were 27 increases. That the total net pledged income shows a slight decrease is due only to deaths and removals from the city. New people are coming in, and with a balanceable budget we are sure that each member of the congregation will be inspired to carry his full share.

The Christmas and Easter offerings have been a bit disappointing. The underlying motive of those offerings is not the need of the Church but gratitude and love to God.

The pence-can offering (given entirely to the Missionary work) serves the double purpose of supporting the workers in far fields and deepening our own religious lives. Three cents a day given to God in conscious thanksgiving at our tables will marvellously enrich us. Have you your pence-can? If not, Mrs. Abbie H. Connor, 4337 Baltimore Avenue, will be glad to furnish you with one.

B. Expenditures: \$2,100 for Clergy Salaries speaks for itself. Saint Mary's must prepare for the day when she will be in a position to support her pastors.

The Choir and Organist have responded nobly to the reduction in their Budget. Many of the members of the choir are volunteers and I am sure that the quality of our music will not suffer too greatly. Mr. Ramsey's attitude has been especially fine, as it will seriously add to his burden to keep up the high level of music which he, as an artist is committed to maintain.

Light and heat still cost too much. We would hate to have to curtail our services and indeed it is problematical how much such curtailment would really save. The physical structure is just too big for the present size of the congregation.

We have had to raise the estimate for repairs, as the boiler is broken and it will cost \$150 at least to put it into commission.

\$1,400. in unpaid bills! But won't it be wonderful to get them cleared up and "start fresh"?

Parish House. Tickets are 35 cents a piece or 3 for

We would like to call to your attention the fact
that there are new tracts in the tract case. Also,
copies of the Holy Cross magazine for which there is
a charge of 20¢.

The Parish would like to thank those who have
shown their love and loyalty to the Church by increas-
ing their contributions. It is encouraging to know
that some are responding so generously to Saint Mary's
need.

May we remind you of the Rummage Sale, which will
be held in the early fall. Please do not dispose of
any articles which you think might be useful for this
Sale. Save them!

How fine it was to see so many of the faithful
at the services on Ascension Day! Next Sunday is
Whitsunday - one of the major Feasts of the Church
Year. Along with Christmas and Easter, it is a day
of general Communion - that is, when every communicant
of the Church is expected to make his or her
Communion.

ANNOUNCEMENTS

We have been hearing a good deal lately about the Offertory. From a human point of view it is the crucial point in the Liturgy, - all Eucharistic action must begin with the offering of ourselves.

Let us repeat:- the Offertory or Oblation is not the same as the Collection of the alms. The Collection is a part, indeed an essential part, of the Offertory. The Eucharistic Offertory is a self-offering, - in token of which we offer to God the fruits of His earth, bread and wine, and the fruits of our own labor - our money. "Here we offer and present unto Thee, O Lord, ourselves, our souls and bodies, to be a reasonable, holy, and living sacrifice unto Thee." With nothing less than this can God be satisfied.

A part of this self-offering is certainly our Thanksgivings and Intercessions. Such is the mind of our Prayer Book, for it is at this point in the service that the Church bids us offer to God our special intentions and intercessions - that is, our prayers for the needs of others rather than of our own needs.

The Rubrics regarding this are very instructive. We can do no better than to quote them here:

*"Then followeth the Sermon. After which, the Priest..... shall return to the Holy Table, and begin the Offertory....."

*"The Deacons, Church-wardens, or other fit persons appointed for that purpose, shall receive the Alms for the Poor, and other Offerings of the People....."

*"Here the Priest may ask the secret intercessions of the Congregation for any who have desired the prayers of the Church."

These three Rubrics clearly show that included in the Offertory are the oblation of our money, the bread and wine, our intercessions.

We all pray privately and individually for our friends and for the needs of the world. And this we must never cease to do. In the Liturgy, however, we are no longer mere individuals but living "members incorporate in the Mystical Body" of Christ. And as such, all our prayers and intercessions, which are gathered in the Liturgy, are corporate - that is, they are joined with the universal Body of Christ "which is the blessed company of all faithful people" (in Heaven as well as on earth).

Realizing this, we should all want to ask for the Intercessions of the worshipping Community, the Church. Can we not, therefore, make more use of the Intercession blanks, which are always available on the table at the back of the Church? Can the offering of ourselves be complete, if we omit to remember before God the needs of those we love?

Through an oversight we neglected to say that some of the flowers for the Altar last Sunday were given by Mr. Glackens.

The flowers for Ascension Day were given by Dr. Ayer.

in the primitive Church - the very way in which the Eucharist was celebrated shows this. However, the fact is such a distinction does exist today, and when we speak of the "increase of the Ministry" we mean more priests and deacons.

Let us therefore on these Ember Days pray for the clergy - the bishops, priests and deacons of God's Holy Catholic Church. That God will keep them faithful to their witness of His Love, that He will help them always to be humble and without fear. And as to "the increase of the Ministry", let us pray not so much for more numbers as that those who are called will be "faithful stewards of the riches of Christ."

It is good to be able to report that money continues to come in regularly from the Pence Cans.

ANNOUNCEMENTS

You will hear many people say that "Whitsunday is the birthday of the Church. It is a popular misconception that the Christian Church began fifty days after the resurrection when God poured His Spirit upon the group in the upper room, just as it is also thought that our Lord began His life with the Incarnation. But just as He is the Eternal Son of God, pre-existent "before all worlds" so does the Church greatly antedate the apostles. God has shown Himself to all men in all times and places insofar as men were able to receive Him. The Church itself, as a people called and separated unto His purpose began with Abraham. It had numberless defections, many new developments.

Of course the entrance of Christ Himself into His Church was immeasurably its greatest event - the event in fact for which it had been designed and prepared. And the Spirit poured into it at that time has never been removed. Often pitifully weak, it still manifests itself in all times and places insofar as men are willing to receive it. It is here in our Church today, waiting to enkindle us.

.....

On Friday, June 2nd, from Noon to 10 P.M. a Fair will be held in the Church Yard of Christ Church, 2nd Street above Market Street. There will be a historical exhibition in the Parish House which should be of much interest to Saint Mary's, as many of the articles are being loaned by parishoners of Saint Mary's.

EMBER DAYS

The Ember Days, which are days of special prayer and fasting, occur four times a year. They coincide roughly with the changing of Seasons in Nature, being the Wednesday, Friday, and Saturday after the first Sunday in Lent, the Feast of Pentecost (Whitsunday), September 14th (Holy Cross Day), and December 13th.

We are bidden on these days to fast and pray for the increase of the Ministry, that God will put it into the hearts of men to offer themselves for this work. We are all, as members of Christ, called to be priests and kings unto God. The priesthood of all believing people is an essential part of the Gospel teaching. And by it is meant that every member of the Church is called to lead the priestly life, which means a life lived wholly toward God and directed toward His service.

It is absolutely wrong to think of a bishop or pope or priest as more fully a member of Christ than the humblest baptized child. It is in Baptism, and more fully in Confirmation, that we are made members of Christ. And according to the New Testament, every living member of Him is a part of the priesthood of all faithful people. That many fail to fulfil their obligations, that many more deliberately cut themselves off from this priesthood and so die spiritually, - does not affect the truth of this New Testament teaching. (There was at least one Judas among The Twelve!) It was, therefore, inevitable that the early Church should have thought of a faithful layman as much an integral part of the Church as a bishop or priest.

This is not to say for one moment that there has not always been a "professional" and divinely ordered Ministry. To belief in all that is meant by the phrase APOSTOLIC SUCCESSION we are committed by both the New Testament and our Book of Common Prayer. But the point which we of today are inclined to forget is that there are "diversities of function, but the same Spirit". Which is Saint Paul's way of saying that there are responsibilities for the "Laity" as well as for the "Ministry."

It is to be regretted that a distinction has grown up between the Laity and the Ministry. It did not exist

- TRINITY -

If we follow the Church Year, we must be struck by the fact that we are in the season of Great Days, Ascension, Pentecost (Whitsunday), Trinity. There is logic and meaning in their order.

On Ascension we emphasize the Lordship of Christ and on Whitsunday the presence of the Holy Spirit in the Holy Church. And on Trinity we gather up, as it were, the whole Christian doctrine of God.

Negatively our Faith says that we must never think of God as just Creator or as just like Christ or as just Holy Spirit. Yet this is precisely what many Christian people do. We tend to limit the range of God's activity to the past - as exemplified in the Old Testament or in Christ. Or else we separate His activity from the past, thinking that the Holy Spirit acts today in ways different from the past.

One of the greatest statements in all Christian doctrine is made in the Athanasian Creed: "This is the Catholic Faith - That we worship One God in Trinity." Here is contained the great Christian Paradox against which the modern mind seems to rebel. God is one and unchanging. Yet merely to say this is not enough. For as a plain matter of experience we know more about Him than just this:- We know Him as revealed in Creation and in the Old Testament, we know Him as revealed in Christ, we know Him as at work through the Holy Spirit in human souls today.

It is therefore without apology that the Christian affirms his belief in the Blessed Trinity. This much at least we know of Him - and with no less than this can we be satisfied.

Note well that the doctrine of the Trinity is, as it were, a minimum statement of the nature of God. The Church has never presumed to say that it knew all the truth about God. But without hesitation it has always said: We know that He has revealed Himself as Creator, Redeemer, Sanctifier. He is Father, Son and Holy Ghost.

ANNOUNCEMENTS

It is with deepest regret that we must record the passing, on Wednesday evening, of Georgina Osler Abbott. Not only Saint Mary's Church, but the whole community will miss her quiet strength, her wisdom and sweetness, her openhanded charity that gave herself with her gifts, her fortitude and faith. May she rest in peace, and enter into the joy of her Lord.

Next Sunday, September 17th the 9 o'clock Holy Communion with Instruction will be resumed. Although the service is designed primarily for the Church School, quite a number of adults have not only found the hour timely and the simplicity of the service refreshing, but also the brief instruction informative and beneficial; and the growth both in numbers and in "worshipfulness" of its congregations has been steady.

Sermons are important: St. Paul cries "Woe unto me if I preach not the Gospel!"; but we are a teaching Church - and an amazing number of devout worshippers have been so little instructed in the materials, structure, direction and meaning of the sacramental life that their spiritual acts are far less fruitful than they should be.

With the aim of correcting this unhappy state, we began last year a series of short talks on the Holy Communion, beginning with the Opening Collect, and continuing straight through, taking each prayer or action consecutively. Next Sunday we plan to resume this series at the Invitation to the General Confession.

ANNOUNCEMENTS

The September meetings of the Women's Auxiliary and Saint Mary's Aid will be held on Thursday, September 28th.

This Autumn will mark the 50th Anniversary of the United Thank Offering. Far more important than the vast sums raised, more important even than the Missions so supported, is the inculcation into thousands and thousands of lives of a deep and sacramental activity of praise and thanksgiving. In this day when man's sinfulness has flooded out in incalculable destruction, pain, horror, and death, it gives us heart to remember that the eternal quiet flood of His Holy Spirit is pouring out of Christian hearts for the healing of the nations - "a river, the streams whereof make glad the city of God."

Miss Frances C. Young, who has carried on the United Thank Offering so faithfully in this Parish has been forced to resign due to ill health. Pending the appointment of a new representative, Mrs. Stimson has kindly consented to act in her place.

Sunday, October 1st, has been set for the commemoration of the anniversary, and the presentation of the Parish "little blue boxes". If any member of the Parish would like to suggest a fitting form of commemoration, The Rector will gladly adopt it. Also, we would like to have material for next weeks leaflet setting forth the history and work of the United Thank Offering Movement.

Friday, September 9th, is the feast of St. Michael and All Angels. The Epistle (Rev. XII 7) provides much food for thought, when we realize the cosmic significance of the little skirmishes against "That Old Serpent" in each individual Christian heart. And the words of our blessed Lord in the Gospel - "for I say unto you that in heaven their angels do always behold the face of my Father" - should raise questions in the minds of all of us whose faith is ever modern and ever simplified.

There will be two celebrations on that day, at 7 and 9:30.

As Father Lamb will be remembering that day three happy anniversaries (his Baptism, first Communion, and first priestly function) he will take the 7 o'clock celebration. Let us share his thanksgivings on that day, either at the altar with him, or in our private devotions.

On Thursday, September 21st, occurred the death of the Rt. Rev. Philip Mercer Rhinelander, seventh Bishop of the Diocese of Pennsylvania and Boston, Mass. A requiem was said at All Saints Altar on Saturday, September 23rd. We will all pray for his peace.

ANNOUNCEMENTS

By Friday afternoon a little over a hundred dollars has been collected for the United Thank Offering presentation. Surely our strength is increasing, and Saint Mary's will be blessed for her works.

A Rummage Sale will be held about October 19th. Please send your rummage and donations to the Parish House before October 18th. We will appreciate your cooperation in helping to make this sale a success.

A MESSAGE FROM THE PHILADELPHIA FEDERATION OF CHURCHES TO THE CHURCHES OF PHILADELPHIA AND VICINITY CONCERNING THE CHURCH IN THE PRESENT WORLD SITUATION:

The present world situation challenges the Church to penitence. War delineates sin in sharp outline. It emphasizes the stupidity, pride and folly of man. Wrong attitudes to life have been created and the wrong kind of a world has been built. In this Christian people have had their share. Our churches and their people are urged to spend much time in penitential prayer, confessing their own sins and those of all mankind.

The Church is challenged today to proclaim its message with renewed courage and power. There is no other way to the attainment of righteousness, justice and peace but the way of Christ. There is no other solvent for the sins and ills of mankind but the Gospel of Christ. The Church must practice a genuinely Christian way of life or a stark materialism will push the whole world over the brink into destruction.

If ever there was a time to proclaim the Christian Gospel with fervor and conviction, that time is now. The Church must maintain, unimpaired, its consciousness that it is a world fellowship. This is not a day for despair and defeat, dark though the sinister shadows may be. This is a day for courage, confidence and faith. Man's extremity has always been God's opportunity.

The Philadelphia Federation of Churches summons all the churches of Philadelphia to be incessant in prayer for the needs of the whole world, especially for all peoples in war-torn areas, and to be rededicated to the enduring spiritual objectives of the Christian religion through which alone salvation may come for this confused and embittered world. Let us be steadfast in our purpose to keep America in ways of peace and to help in building the kind of world from which the evil of war is banished and the philosophy of force has yielded to the Gospel of Love. ANNOUNCEMENTS

The flowers today are given by Miss Martha Sproule, in memory of Thomas and Louise Sproule.

The Rector plans to be in the Clergy Room of the Parish House mornings (except Thursday) from nine to eleven. As the Church telephone has been disconnected, calls should be made at the Rectory (Baring 1275) between 8:30 and 9, or between 12:15 and 12:45 or after 6 in the evening.

Of course there are emergency situations both in your life and in his; sometimes he cannot be reached, at other times you will have to get in touch with him at other hours. It is his deep desire to be always available. But these regular hours are set for the sake of freeing him for pastoral calls, for worship and study and for necessary recreation.

The Church is open from 7 in the morning until six in the evening, yet it is rare that any one is found worshipping there, alone with God. The press of modern living, exhausting as it is to our physical, mental and spiritual resources, carries with it another and deeper harm - it paralyzes the very will to escape, to recharge and redirect our lives. It is urgent that we break the vicious cycle by forcing ourselves to take time for solitary prayer and worship. The Church is perhaps the only place where this can successfully be done. But many of you dread the idea - fearing that the experience would bring only confusion, self-consciousness, and futility. Please do not hesitate to ask your Rector's help: he will gladly lay aside all other duties to guide one parishoner into the simple technique of self-forgetful, ordered, recreative, fruitful worship.

Nor should "the assembling of ourselves together" be neglected, or relegated to Sunday. Each day begins, continues, and ends in God; and our 7 A.M. and 5:30 P.M. Daily Services will stamp each day - and you! - as God's.

The October issue of Holy Cross Magazine is on the table. May I especially recommend Fr. Baldwin's "What is Catholicism?" Dr. Bell's "The Church in the World of Tomorrow", and Rachel McDowell's "If I were a Clergyman". Your two dimes will be well spent.

The new issues of the "Forward Movement" were finally located - sopping wet - in the back of the Rector's car. Fortunately enough they were rescued and dried to meet the needs of the Parish; and the Rector apologizes again for his besetting sin of absentmindedness.

No Intercessions or Thanksgiving requests in the box for months. Can it be that the whole Parish finds nothing needed, and at the same time nothing to be thankful for?

A Rummage Sale will be held about October 19th. Please send your rummage and donations to the Parish House before October 18th. We will appreciate your cooperation in helping to make this sale a success.

The Reverend W. Brooke Stabler, Chaplain of the University of Pennsylvania, will preach this Sunday. He of course needs no introduction here, or the assurance of our welcome. In spite of his tremendously heavy schedule he has offered to help both by preaching and taking services until the new Associate is appointed. We take this opportunity of thanking him heartily for this help.

On Friday evening, November 17th, Saint Mary's Boy Scout Troop asks us to be their guests for the evening. It is not recognized as generally as it should be that this is our Troop. Scouting has always recognized that their activities are Church-centered, since their goal is Christian boyhood growing into Christian manhood, and that goal cannot be arrived at apart from Church.

And perhaps too few of us have seen with our own eyes the number of boys we have, the smartness of their appearance, the skill with which they master many difficult and useful techniques. They are eager to show us!

And perhaps they too have not seen with their eyes the adult life of this Parish, or the cordiality of our interest in them. You will show that by being their guest that evening. Will you be there?

Many annoying interruptions have all but stalled, temporarily, the Rector's calls and debt-reduction appeals. In spite of these, he is tremendously thrilled with some of the contacts he has made, and the growing loyalty and warmth both to him and to the Parish. And somehow the Fund grows even before he has a chance to speak on it. \$1427 now - approaching the half-way mark. All the larger gifts we dare hope for have been received, and from now on it is up to each one to make his own gift large enough to help the fellow who cannot make more than a tiny one. The average must be \$11 from now on. Who will pull his own and someone else's weight?

The Diocese is in the middle of the Every Member Canvass. Saint Mary's has to wait a bit before planning next year's work until we see how this year is coming out. It is our hope to make the Fourth Sunday of the month our Canvass Sunday. We vitally need a group of men and women who will volunteer to work and pray with me, and go out to each member and friend of the Church and tell the story of our work. Will you be one? Do write or call the Rector!

ANNOUNCEMENTS

The preacher at the Late service this morning will be The Reverend Francis W. G. Parker, O.H.C. At 5 P.M. he will preach at Calvary Church, 41st and Brown Streets.

Mr. Frederick Hipple will extend his constant service to our Parish by taking over the Pence Can collections. In order to get his records straight he would like to know the names of those who have Pence Cans who have not been called on recently. The first one he brought in - his own simply astounded us with the amount of pennies daily given in thankfulness to God since January. A full Pence Can creates and reflects a full heart.

This year, as you know, we are girding our loins to take the full burden of our Missionary Quota (-over \$2100, but little enough with which to spread the cause of Christ and show forth the love of God!) A renewed participation in this penny-offering to God with our Grace at meals, if done together by the whole Parish, will go surprisingly far. Supposing 200 of us agreed together to use the Pence-Can faithfully:

200	366 Days (leap year)
.03¢ per day	6.00
\$6.00	Total: \$2196.00
	Quota: 2148.55
	Balance \$47.45

The individual share - \$10.98 - if given day by day would not even be felt by most of us.

The Young People's Fellowship meets Sunday evenings in the Rectory and is growing in numbers and enthusiasm. One youngster brought three friends last week!

On Saturday Evening, December 9th, our Troop is going to have a Card Party and Dance in the Parish House at 8 o'clock. Tickets can be procured at the back of the Church at the end of the Service today.

We hear also, talk of a large group of people planning to sit together near the front of the Church in order to sing the hymns and "make a joyful noise before the Lord". They even talk of coming to the Rectory Friday evenings to learn the Canticles, the Kyrie, The Sanctus, The Gloria. The Rector finds it hard to restrain his enthusiasm at the idea of a singing Church; but he contents himself to await developments.

Anyway, his attitude towards Saint Mary's would stamp him as a "manic depressive" (without the "depressive" phase) if it were not more than justified by the whole tone of the Church this Fall.

Early Monday morning, we moved a table, a Cross, two candlesticks, and two Chapel chairs to St. Philip's Church, and with them created a tiny but simple and dignified Chapel on the second floor of the Parish House. Here Matins or the Litany will be said Monday mornings at 9:00 instead of in the bleak barren cold Church building. One or two of the Red Cross workers have promised to "assist" when they can. We know they will be amply rewarded for their help by the new spirit to their day's work that God gives us when we worship as "two or three together".

Any members of the Parish who wish to attend will of course be more than welcome, and there are always more chairs. Enter the Parish House door (4115 Baltimore Ave).

The regular meeting of the Vestry will be held on Friday evening, December 8th at 8 P.M. in the Parish House.

There will be a meeting of the Altar Guild on Wednesday, December 6th after the 9:30 Celebration.

The Parish Council will meet Monday evening, December 4th at 8 P.M. in the Parish House.

We are looking anxiously for some woman to volunteer to do some simple embroidery on a dozen Purificators which lack the appropriate Cross embroidered in the center. Miss Maxwell has left samples in the back of the Church for anyone wishing to see just what is needed. We have also a violet burse and veil which lack only the gold and silver embroidered Cross to complete the beautiful set of vestments for this season of the year. How we would love to have that done!

ANNOUNCEMENTS

Carrying out an idea of the Rector's, Saint Mary's Parish School designed, cut the blocks, and hand printed the cover of this Bulletin. It is intended to continue this practice which is used as a medium for teaching the seasons of the Church Year - the appropriate colors, symbols, and significance.

The symbol of Advent used is the Tau Cross, sometimes called the Old Testament Cross, and the Anticipatory Cross. The Tau Cross is the Cross of prophecy, and being thought to be the true form of cross raised up with the serpent by Moses in the wilderness, is considered a type of Our Lord. It may be enclosed in a geometrical form such as the circle - signifying eternal life in Christian Art - or the octagon, signifying regeneration. (Note: that most baptismal fonts are octagonal shape). The violet color is used as appropriate for the penitential intention of Advent.

The beautiful Chrysanthemums on the Altar, the first Tuesday in Advent, were given by Mr. Robert Wark, in memory of Thomas and Edith Wark.

The Men's Club will meet in the Rectory on Tuesday Evening, December 12th at 8 o'clock for the adoption of a Constitution and the election of officers for the ensuing year. All men of the Parish are invited. Refreshments will be served after the meeting.

At a meeting of the Altar Guild of Saint Mary's Church held on Wednesday morning, the following officers for the new year were elected:

Miss Alice Maxwell, President
Mrs. H. Lamar Crosby, Vice-President
Mrs. E. H. Hickey, Secretary
Miss Helen Williams, Treasurer

Contributions are asked for our Christmas Decorations. Envelopes for this purpose will be found in the pews. Your attention is called to this now in order that the Committee may have some guide as to placing the order for the decorations, and not use funds intended for other purposes. Please make your contribution as liberal as possible as we want our Church to be in "Wedding Garments" for the King on His birthday.

The many friends of Mrs. Laura Seymour will be glad to know that the Rector and Mrs. Stimson called on her the other day in that amazing Masonic Home in Elizabethtown. She confessed herself a little strange to the place yet, and homesick for her friends and her Church; but she was vigorous and well, and the joy that comes from love and trust shone from her like a light. This letter from her speaks volumes:

Friday Morning

My dear Mrs. Stimson:

Thank you so much for your nice letter forwarded to me here. I was in the hospital here until yesterday. The doctor said I must have rest and quiet as my heart was behaving badly, but now, I am feeling quite well again, and am getting settled in my new home. We are not all in one building; there are nine homes, I am in the Berks Home and have a very cheerful room on the first floor with three windows on each side, beautiful trees, and shrubs all around. All guests go to one dining room in the main building. The tables seating eight, the half could not be told of the wonders here! You must see to believe. When the flowers are in bloom and everything showing its prettiest do come see it. It is a beautiful drive up here.

I was so very sorry to leave without having an opportunity to say "good-bye" to all my friends at Saint Mary's. Will you tell them please I love them all, and am coming back some day for the Turkey Supper. I am praying that God will prosper the dear Church in the way He sees best to help it to go forward.

We had services here yesterday, all forms have their week. We will have Communion once a month, not every day. Masonry began with the first Temple so no one is allowed to forget our worship of our God. I still can't believe I am here to stay, it all happened so suddenly. If I am not happy here, it will be my own fault. Everyone is so very kind to me.

With most sincere good wishes for Saint Mary's and loving remembrances of you and your husband,

I am, as always,

Affectionately,

LAURA M. SEYMOUR.

ANNOUNCEMENTS

Wednesday, Friday, and Saturday of this week are Embré Days. There will be celebrations at 7 and 9:30. Thursday, December 21st is St. Thomas' Day. There will be celebrations at 7 and 9:30 and Evensong as usual at 5:30.

CHRISTMAS DAY in Saint Mary's begins as usual with the Eve, when at 11:30, we have Carol singing, Procession, and blessing of the Creche. The "Midnight Mass", preceded by an adoring hush as we sing "Silent Night" upon our knees, will burst out in glorious thanksgiving and praise, rich in the beauty of decoration, the beauty of candles, the beauty of music, the beauty of ritual and vestment, the beauty of worship, the beauty of holiness in uplifted hearts and faces. Come and adore Him.

On Christmas Day, the Reverend Walter G. Klein will celebrate at 7 o'clock. At ten thirty, there will be a simple Choral Eucharist with a short address by the Rector.

May we again call your attention to the envelopes for our Christmas Decorations. Will each one do his part, even for a little, as we do not want to touch our regular funds consigned for other purposes.

Gifts are still coming in for our debt annihilation fund. Remains only the Rector's back salary, and another four hundred dollars pledged to Missions - the last thousand that is the hard one to find. And, "lest we forget", our temporal and spiritual authorities will present us early in the year with the "things that are Caesar's" - Rectory tax, Diocesan, Episcopal, Convention, and Sustentation dues, towards which we must begin to save out funds.

Therefore, let us fill and turn in our Pence-Cans, and consider prayerfully what we can give to Him through His Church on His Birthday.

Those who studied the Proposed Budget mailed to them will learn - some with relief, and some with disappointment that at the December Vestry meeting, it was regretfully, but unanimously voted to reduce the "Quota" of \$2145.55 to an "Expectation" of \$1500. This was done because in

the first eleven months of 1939 LESS THAN \$500. HAD BEEN GIVEN TO MISSIONS, and the remaining thousand dollars pledged, has been a serious item to meet. Of the total about half came from pence-cans.

In the estimated income the finance committee has allowed \$250 for the pence-cans this year. The Rector, realizing that our entire quota would be raised by two hundred faithful pence-can users, and that we will have one or more faithful young men calling regularly in the interest of the fund, was anxious to raise that estimated fund to at least \$750, but members of the Vestry intimated politely they thought him somewhat of an optimist - a criticism which he knows is just, but which he considers a compliment.

But wouldn't it be fun to "show them up"? - to convince our Vestry that Saint Mary's is grateful to God for every meal we eat, and at the same time determined that our Lord's Kingdom must, and will go from our own community to the ends of the earth; to drown their arguments in a flood of pennies? The Rector wouldn't the least mind having even his own calculations proved niggardly; and Rector and Vestry, both would be delighted at the discomfiture of being proven poor guessers!

Saint Mary's had to write the Bishop that we could not do our full part yet. The letter rankles; let's surprise him next fall - let's try for our quota: LET'S EACH USE OUR PENCE-CAN!

Has anyone lost a "movie camera"? One left in the clergy room awaits a claim of ownership. Also a spectacle-case (blue silk covering, no mark of identification) found last Sunday. This will be placed on the table in the rear of the Church; and a fountain pen.

A turkey supper will be held in the Parish House, Thursday evening, January 18th, from 5:30 to 7:30. Tickets are 75¢, and may be obtained from Mrs. Louise Markel (Park), 4923 Walnut Street, (Telephone, SHE. 4559). Contributions of money (no matter how small) are requested to be given to Mrs. J. Walter Maxwell, 231 S. 41st Street. Homemade cakes and candy will also be for sale. Please reserve this date to eat with us, and tell your friends about it.

A "two-piano" concert will be given in the Parish House, Thursday, February 1st, at 8 P.M. The artists will be Mrs. William B. Stimson and John Stokes Adams, Jr. Refreshments will be served and a silver offering taken.

The flowers on the Altar today are given "In Memoriam" by Miss Nina D. Lackenbacher.

The Rector is happy to announce that his salary has been paid in full. He and Mrs. Stimson wish to express their heartfelt gratitude to those whose sacrifices have made this possible.

The Rev. James H. Jacobson, newly appointed Pastor to Students, plans to arrive on Friday evening in time to have supper with the Friday student group at the Rectory, and meet with the Vestry later in the evening.

He will be the preacher at the late Celebration on Sunday, January 21st. Do inform your friends, who will no doubt wish to come with you to hear him, and meet him.

The following is a portion of a letter received this past week from our Presiding Bishop:-

"Increasingly I am hearing of beneficial results to our parishes from a wide distribution of our official magazine, *Forth* (formerly *The Spirit of Missions*). The February issue will be especially important because it is the annual Lenten issue which children around the world sell in connection with their Lenten Offering.

"This issue will contain interesting stories about fields benefited by the Lenten Offering and objectives of

the Offering this year.

"I hope all our parishes will give wide distribution to this issue. The children will derive benefit from the experience of representing their Church and from the money returns. Parishioners will benefit from receiving our official magazine in its new style and under its new name."

Faithfully yours,

H. ST. GEORGE TUCKER
Presiding Bishop

of pleasant social intercourse stimulated by an excellent and attractively furnished dinner they have as usual hit the mark unerringly. The amount of work they do is staggering (and this includes George and John); and it is hoped that the sense of accomplishment added to the thanks of the Parish will in some measure reward them!

Saint Mary's Church extends its heartfelt sympathy to Dr. and Mrs. Mockridge for the loss of their daughter Elisabeth, who died early Monday morning.

In a lifetime dedicated to our Lord and His Church it is hard to choose which of her many services was most valuable. A skilled dramatist, she regularly directed pageants and mystery plays in several churches that became known for their beauty. As a graduate of Saint Faith's Deaconess Training School she labored incessantly for the poor, the underprivileged, the neglected and despised. In her father's parish no task was too humble or irksome for her to undertake with fidelity, cheerfulness and selflessness; and her devotional life was characterized by disciplined regularity in public and private prayer and worship and constant quiet fervor. In every phase she was absolutely unsparing of herself, totally consecrated to the "Doctrine, Discipline and Worship" of the Holy Catholic Church. She caught up within herself the whole mystical meaning and beauty of the Church as the Bride of Christ - the Bride transfigured with adoring love and at the same time wholly spent in service: so spent indeed that when her illness came there was little strength to meet it - only courage and steadfast faith.

Letters by the hundred have come from all walks of life, from most unexpected places, pouring out gratitude for her help and sorrow for her loss. Saint James's Church was filled for her burial; and in the Requiem sung by Father Smith one could hardly feel a trace of personal loss, so uplifting was the sense of a joyous fulfilment, as at a wedding.

When it was said to Father Wood, "She was a good bit of a Saint," he replied, "No: she was wholly a Saint."

Canon Jacobson, newly appointed Pastor to Students, will preach at the late service this morning. It will be a pleasure to hear and welcome so able a man. His work will be both difficult and important; let us assure him of our prayers and help.

Septuagesima Sunday being seven weeks from Easter, we use as our symbol the Pleiades to set forth the number seven. Many of the ancients believed that this constellation was Heaven. An early Gaelic story calls the seven stars the Seven Friends of Christ and names them as Love, Purity, Courage, Tenderness, Faith, Joy and Peace.

The pre-Lenten season starting with this Sunday is included in the penitential intent of Lent. Therefore violet color is used.

Thursday, January 25th, is the Feast of the Conversion of Saint Paul. Those who really understand that amazing event will want if possible to commemorate it at either the 7:00 or the 9:30 A.M. service.

The regular meetings of the Aid and Auxiliary will be held in the Parish House, Thursday, January 25th, at 2:30 and 3 P.M. respectively.

The duo-piano recital by Florence Stimson and John Stokes Adams, Jr. has been changed to Monday evening, February 5th, due to a conflict of dates on February 1st.

Some of the members of St. Mary's have said that "half the Parish does not know the other half." It is hoped that this recital will be used as an opportunity not only to enjoy the music, but to become better acquainted. Instead of admission tickets, there will be an offering. Refreshments will be served after the concert.

Although decimated by illness, the hardworking St. Mary's Aid gave us another of their unfailingly good turkey dinners last Thursday evening. It is too early to announce just how great a success it was financially; but in its primary objective as an evening

The Rector is going for a pre-Lenten rest and preparation. He will remember his parish constantly, and hopes they will remember him in their prayers.

The Acolytes wish to express their thanks and appreciation to those who contributed toward the purchase of their new black cassocks and girdles. They are being worn today, and we assure you the best of care will be taken of them to make them last as long as possible.

On January 16th, in her 93rd year, occurred the death of Helen Maria Keen, widow of the late William W. Keen, III, and oldest daughter of the late Rev. Thomas Coffin Yarnall, D.D., past Rector of St. Mary's Church, Hamilton Village.

Mrs. Keen was born in West Philadelphia, May 6, 1847, during her father's Rectorship here. She died at the home of her daughter, Mrs. Robert F. White, in Riverton, N.J., where she spent the latter years of her life. During her entire lifetime she was a loyal, active and devoted member of Christ's Church in the several parishes in which she resided.

She is survived by two sons, Thomas B. Keen of Old Greenwich, Connecticut, and Mr. Charles Yarnall Keen of Cincinnati, Ohio and two daughters, Mrs. Elliot G. Emery of Seattle, Washington and Mrs. Robert F. White. One other daughter, the late Mrs. James G. Crowell, was for years an active member of Saint Mary's.

Her former close association with this Parish was fittingly memorialized by the use of our six office lights and pall at her funeral.

May she rest in peace!

represent Judas Iscariot. This strange figure was drawn or carried thru the streets of the villages during Lent to the accompaniment of much uncomplimentary noise. Eventually "Jack o' Lent" was burned in the open or thrown down a convenient chimney.

Half way thru the season comes Mid-Lent Sunday, the Fourth Sunday in Lent. In England they still call it Mothering Sunday because of the reference in the Epistle to Jerusalem, "which is the mother of us all." It was an old custom for people to visit their parents on that day and carry gifts to them. They kept the day by "going a-mothering." Sometimes it was called Refreshment Sunday because the Gospel for the day tells of the feeding of the five thousand. In the north of England it was known as Simnel Sunday. Small round cakes were baked containing plums and scalloped around the edges. They called them simnel cakes.

Some of the old writers refer to the wearing of black clothing in Lent. When it came to clothes of course the women had to have something special. They wore a "friar's girdle," supposedly an outward indication of the self-denial to which the members of the mendicant Orders were especially dedicated.

Certainly we shall not sniff at these quaint customs even though many of them have quite gone out of fashion. They show that Lent had a really popular significance which found its place in the daily habits of the common people. Down beneath all of them lies a spiritual experience which is the true reason for keeping Lent at all. A deliberate and conscious purpose to keep God in first place in our lives, a cleansing of our souls by penitence and strengthening of them by additional spiritual exercises in worship, an honest effort to absorb more of the spirit of our Lord, a determination to know Christ a little better at the end of Lent than we did at the beginning -- such are the real reasons for the Lenten season. Popular customs are reminders. In themselves they have no particular value but in so far as they stimulate our memories they may be useful accessories to a more serious purpose.

The symbol used on this, the first Sunday in Lent, is the lantern, which used to signify the betrayal in the Garden. Early in our penitence should we remember that each sin is a betrayal of our Blessed Lord, no degree less than that made by Judas Iscariot.

Wednesday, Friday and Saturday of this week are Ember Days. There will be celebrations of the Holy Communion at 7 and 9:30 A.M.

The Bishop of the Diocese will make his annual visit to St. Mary's next Sunday afternoon at 4 P.M. All of those considering Confirmation are asked to give their names to the Rector at once.

If you have not taken your "Dime Card" please do so this morning. They are on the table at the rear of the church. Your attention is also called to the Forward Movement pamphlets on sale for 5¢ each. Please deposit your money for these in the plate on the table.

Lenten Customs

Curious customs have a way of gathering around popular observances when they are repeated from year to year. We have many of them associated with Christmas and Easter and a few with Lent, such as the hot-cross buns in Holy Week. Two hundred years ago in England a man was appointed at the beginning of Lent who was known as the "King's Cock Crower." It was his duty every night during the Lenten season to crow the hours in the palace precincts instead of announcing them in the usual way. Of course it was meant to be a reminder of the crowing of the cock which brought St. Peter to repentance at the time of our Lord's crucifixion. When the House of Hanover moved from Germany to occupy the English throne they knew nothing of English customs. The story goes that the Prince of Wales (later King George II) sat down to dinner on Ash Wednesday night. All at once a man entered the dining hall and began to crow. The prince was very indignant, considering it some sort of insult to his royal person. He was finally convinced that it was really an honor, but the custom was discontinued from that time.

Then there was the "Jack o' Lent," a puppet made of straw and covered with cast-off garments intended to

Father Priest has been most helpful in his simple, yet dignified, discussions of marriage, sin, Grace, and growing into God's way of living.

The program was a happy idea; I wonder why so few take advantage of the opportunity.

"CHRISTIANITY HAS THE ANSWER"

is the slogan of a "National Christian Mission" sponsored by the Federal Council of Churches and approved by our Bishop, which opens at the Academy of Music, Friday, February 23rd at 7:45. Dr. Ralph Sockman, Dr. Daniel A. Poling and Dr. Jesse Bader will speak.

Apparently there is to be nearly a year's preparation, a week's "Mission" in January, and a final period of climax ending at Easter 1941. A letter from "The Bishop's Rooms" obligates me to give due publicity. As your Rector, however, I could not, if I wished to, conceal my own hesitancy over committing ourselves impulsively to such an inter-denominational project. My enthusiasm for such great and good endeavors has been somewhat dampened by past experience, in which for me at least the hoped-for results seem not to have materialized. There are, I think, two underlying reasons for such failures. First, it is rarely made quite clear what is meant by "Christianity." The heart and will are strenuously appealed to, but the mind is kept waiting "outside the fast-closed door"; second; the attempt to stir mass activity among hardly-converted people is bound from the outset to fail -- it was never our Blessed Lord's way, for reasons obvious to those who have tried to live the Catholic life.

It is my hope that some of us will go to this opening meeting (tickets must be procured from 608 Land Title Building, RIT 8710) with a spirit of humble, hopeful alertness. If this is from God we will want to be a part of it.

The preacher at the 11:00 service will be Canon James H. Jacobsen.

The regular meeting of the Aid and Auxiliary will be held in the Parish House, Thursday afternoon, Feb. 22nd, beginning at 2:30 and 3 P.M. respectively. Tea will be served.

February 24th is the Feast of Saint Matthias,

Those of us who have had difficulty with our Lenten resolutions will prick up our ears at the words of the Collect of this Sunday: "Almighty God, who seest that we have no power of ourselves to help ourselves....."

If the first step in the mastery of life comes in finding that we want to be other than we are, surely the second step is our recognition of how impotent we are to change ourselves. This leads to the third step -- we call to God to give us His strength for our weakness. And yet some people seem to think that Religion isn't practical!

The following letter certainly merits publicity:

Dear Father Stimson:

I want you to know how much the Monday evening meetings, conducted by Father Priest, have meant. This opportunity to discuss everyday problems in an easy and informal manner is invaluable to the mental and spiritual well-being of those who are privileged to attend. It is good to be able to present for wise consideration the common perplexities and problems of just "living" and receive sensible, unprejudiced and practical replies that provide inspiration, and help in formulating fine principles of conduct.

Many of us are badly in need of guidance by the time the Lenten season comes -- sinful inclinations have had their own way until they have gained complete mastery over us, and we have neither the power nor the will to conquer them. These discussions, dealing as they do with elemental religious thoughts, provide the force for which we are groping-- an impetus to self-examination.

literally and faithfully could revolutionize our community.

Next week we meet to do honor to Saint Philip's Church on her - rather our - one hundredth anniversary. "It is very meet right and our bounden duty that we should give thanks" unto Almighty God for the noble work done in His Name by this Parish.

Most fittingly, our offering will be given entirely "for others" (with what joy we write this, being spared and sparing you the painful subject of "debts"!) One third will go to the Episcopal Hospital, one third to the work of the City Mission at the Philadelphia General Hospital (the old "Almshouse") which is in our own Parish, and one third to the support of the general missionary work.

The very fact that we are not being goaded to give by the insistent pressure of bills - in other words, that this is truly a "free will offering" will make us give gaily and warmly.

And the fact that it will help us meet one "expectation" - or dare we say press on towards our full quota! - will add zest to the giving.

No small part of the beauty and fun of the service will be that it gives us a chance to use the Te Deum as it is meant to be used, as a separate and special act of praise and thanksgiving. And in the middle of Lent, too!

The Rector wishes the names of all former Parishioners of St. Philip's who have entered into eternal life, that they may be remembered at the Altar at a special Requiem the day before (Saturday, March 2nd) and in a general prayer for the departed at the Anniversary Service.

If any former Choristers at St. Philip's would like to join our Choir for that day, we would be delighted to have them. As one supply of vestments in good repair is limited, it would be helpful if each could "beg, borrow or steal" a cassock and cotta for that service.

The Monday evening lectures (and discussions) on "Practical Religion" conducted by Rev. Benjamin R. Priest will be held at 7.45 P. M., in the Rectory, as decided by a majority vote of the congregation. We expect this change of hour to show results in a greatly increased number in attendance.

A Confirmation candidate remarked: "I have been looking through the Prayer Book, and had no idea of all the things in it."

The Prayer Book is with the Churchman from his birth to his death. It guides his parents in the creation of a Christian home for him to be born into. It helps them through the difficult hours of his birth; it brings him by Holy Baptism into our Lord's Church; it fills his growing mind with the duties, mysteries and joys of Christian living; it confirms him into adult membership, and channels God's covenanted grace to strengthen him for trial and temptation; it fits itself as a keen tool for his daily prayer and praise; it blesses his marriage, raising the new life into fellowship "in the heavenly places"; it is about him in his daily work, testing if it be good or evil; it is at his bedside in illness, it guards and sustains him in the last hour, it commits him into his Father's keeping; it voices the constant intercessions of his loved ones, wiping away their tears.

No mere man, nor generations of men could have fashioned such a Book. God's Holy Spirit kindled in the lives of Saints has forged it out of their joys and sorrows, their trials and triumphs, their prayers and praises. So forged, it is itself a forge, and the heat and beat of it will bend and mould and temper our own dull cold souls as we daily hold ourselves in its flame.

It has always been my keen desire to meet a small group regularly week by week to lead them into a knowledge of how to use this book. For I am convinced that a small group accepting it and obeying it

The regular meeting of the Vestry will be held in the Parish Office, Friday, March 8, at 8 P. M.

Morning Prayer is said daily (Monday - Saturday) in the Chapel immediately preceding the early celebration.

To shorten the late service on Sundays the "Last Gospel" will be said quietly by the Celebrant as he leaves the Altar for the Sacristy. This was its original use.

Also the "Ten Commandments" will be said at the 7.30 A. M. celebration on the first Sunday of the month, to comply with the rubric at the bottom of page 67 of the Prayer Book.

One third of the Offering at the Anniversary service will be for the work of the City Mission at the Philadelphia General Hospital. This great Institution lies in our own neighborhood, and the Diocese carries on a faithful ministry there.

Another third will go to the Episcopal Hospital, which receives aid neither from the State nor from the United Campaign.

The final third will go towards our Missionary Expectation.

If any desire to make their contributions especially for one of these projects, such funds will be allocated before the division of the general offering, so that the work so favored will gain by your special wish.

On the table at the back of the Church there are a number of copies of the Year Book of Saint Mary's Church. This is an attractive memento of our Parish and also contains informative articles on the use of the Prayer Book, the Psaltry, and the Church Year, well illustrated.

These books are for you and your friends. Do take two or three home with you.

Are you learning anything new about the "doctrine, discipline, and worship" of your Church this Lent? We wish to call your attention to the tracts in the back of the Church. They have been pretty carefully selected "for your edification." To grow in wisdom as even our Blessed Lord did for us and with us, is a primary Christian duty.

Dorothy Sayer, well known English writer of novels and detective stories, has written an article called "The Greatest Drama Ever Staged" - it is an exposition of Christian Dogma! Her thesis is that far from being "dull", it is hair-raising - that Christ was crucified for being a disturber of the peace, and that He will disturb our peace when we meet Him. The peace that He brings is different from ours. Her pamphlet is hard to get (you must send to England for it) but abundantly worthwhile.

What happened on Good Friday nineteen hundred years ago? Is it a fable? Was it a historic event? Does it have cosmic significance? Does it have personal significance? Start now to think these questions out. Get help from books. Ask your Rector or some other clergyman about it. Most important of all, get on your knees about it.

The Monday evening discussion group at the Rectory has grown like a snowball. Although there is a definite progression to the series, each evening's topic is a unit in itself, so that newcomers have no sense of being "out of it" but only a mounting enthusiasm tempered by regret that they could not attend previous ones. Questions (carefully prepared beforehand or thought up "on the spur of the moment") lead us into fascinating bypaths and digressions, often at least as important as the main topic. Father Priest answers out of a wealth of knowledge and experience, and seems to care little whether or not we allow him to complete the planned outline for the evening. The Rector has had to keep an eye on the clock for the speaker's sake; as Father Priest is entirely too generous with his time and energy.

In the last three or four years we have met our "expectation" nearly one hundred percent. To do so, the Treasurer has had to dip deeply into the general funds, because the amounts given directly for missions have fallen far short of their goal. Let's see if we can't change that this year. The Anniversary Service offering will help, but it is the faithful use of our "Pence Cans" that will turn the trick. Two hundred people using it daily as a part of their thanksgiving "for these and all His mercies" would exceed our full Quota. Are you one of them? Our faithful "can opener" will be to see you soon. "UP PENCE-CANS, AND AT 'EM!"

The Rector is trying to make arrangements to be at Holy Trinity Church, West Chester, this Sunday morning to present two friends of his for Confirmation. He "prepared" them last Summer, and it would mean much to him to witness their Confirmation.

A Food Sale will be held from three till five o'clock in the Parish House on March 23, before the

A free library and reading room, has been opened in St. James's Parish House, 136 S. 22nd St., by St. Ursula's Guild for Teachers, in an effort to fill a real need for religious matter, difficult to obtain in public libraries. The library is open Mondays from 10 to 9, and other days, except Saturdays and Sundays, from 3 to 9. Books may be borrowed for two weeks with renewal privileges. As far as possible, we will try to meet requests for new books. Your help is needed. Make use of the library for reading and study, and tell others in your Parish about it, especially members of the Woman's Auxiliary, the Girl's Friendly Society, and The Young People's Fellowship. Become a "Friend of the Library" by making a donation toward the purchase of books. Our financial resources are small, and donations of money and worthwhile books are necessary. You can help make the Library a real contribution to the religious life of the Diocese and we ask your sympathetic understanding and cooperation. For further information communicate with: Mrs. L. Blodget, 224 High St., Ger. 8117.

A Food Sale will be held from three till five o'clock in the Parish House on March 23, before the five o'clock Easter-even Service. Tea will be served at a charge of fifteen cents. Donations of food or money may be sent to Mrs. Stimson.

The Altar Guild is asking for donations for the Easter flowers. All contributions, no matter how small, will be greatly appreciated. Envelopes for this purpose will be found in the pews.

How regularly did you use your pence-can last week? We have heard of one more Parishioner who makes his thanksgivings "all-in-a-lump" by dropping in a quarter each Friday. We happen to know that he asks a blessing at each meal anyway.

The Rector begs to explain that when he used the phrase "out of debt" he was referring to the fact that all back bills are paid.

He did not mean that our mortgage's and notes had suddenly and magically been removed. They are still very much with us - about \$19,000 worth, and the drain of interest payments is like an open wound constantly sapping our strength.

Wouldn't it be a cause of rejoicing to all of us if some one bought back one of those mortgages or notes for us? It is said (NOT by Confucius!) that "There's no harm asking."

Or maybe, if the Parish (by each one adding ten percent to his pledge) not only "held the line" but won back a thousand dollars a year against the "Red" (ink) enemy that has invaded our territory.

We have been advancing ever since 1936 - first \$500 a year, now \$250. Surely we want to be cleared up before the year, \$2016!

Rector's Easter Message

Dear Fellow-worshipper:

There is little that can be said, or need be said, today. The old Russian greeting between Christians on this day -

"Christ is Risen!"
"He is risen indeed!"

tells all.

We have come together to make a "joyful noise unto the Lord", to "shout the glad tidings, exultantly sing" and to kneel together in adoring silence.

The Cross is bare, the tomb empty; Light breaks in the East. May we meet him today, and rub our eyes in ever-new amazement ere we greet Him -
"My Lord and my God!"

A new white Chasuble has been presented to St.
Mary's as a Thank-offering, and will be blessed at
the 7.30 celebration this morning.

There will be celebrations of the Holy Communion
at 7 and 9.30 A. M. on Monday, Tuesday and Wednesday
of Easter week.

The annual election of Vestrymen will be held in
the Parish Office, Easter Monday, March 25, from 7.30
to 8.30 P. M. It is requested that all persons eli-
gible to vote will be present, cast their ballot, and
make this a real Parish Meeting and election. The
Vestrymen up for re-election for a period of 3 years
are:- H. Lamar Crosby, Harold Donaldson Eberlein,
Cheston Morris Glackens and William Ives Rutter, Jr.

Anyone wishing to be of practical help to a young
man who has had a "tough break" please get in touch
with the Rector or Parish Secretary.

Among other things he needs a decent used suit
(about size 32) a shirt or two, and a couple of neck-
ties. You will be glad to know that the State is pro-
viding him with artificial legs, and that in a few
weeks he will be "up and about" and looking for a job.
He is terribly anxious to fit himself for a useful
place in this world. We would be grateful for any
ideas in this line.

The Young People's Fellowship is growing, and
meeting together three nights a week: Tuesdays for
games in the Parish House; Fridays for supper in the
Rectory followed by practice in the hymns for the fol-
lowing Sunday; and Sunday evening at the Rectory for
their formal meetings and discussions. They are a
grand crowd.

The new issue of the Forward Movement Pamphlets
are now on sale in the rear of the Church.

The meetings are very informal and any new young people attending the Sunday morning services are cordially invited to attend these meetings held in the Rectory every Sunday evening at 7 P. M.

Many thanks to Mrs. Stimson for playing the piano at our meetings. Without her, the hymns would sound a bit off key to listening ears.

Tonight the Fellowship will entertain the Young People's Fellowship of Epiphany Sherwood, in the Rectory.

Our Fellowship is progressing very well in preparations for their Spring Play to be presented in May.

We have been receiving the Weekly Bulletin of St. Paul's Church, Chattanooga, Tenn. (whose Rector, the Rev. Thorne Sparkman, conducted a Mission here three years ago) which is running a stimulating series of Questions. We note herewith a few of our own, to see if our congregation is interested.

1. The Synoptic Gospels are
 - a. Matthew and Luke (because they alone begin with the account of our Lord's birth)
 - b. Those Gospels which give a synopsis of His Words and Acts.
 - c. Matthew, Mark and Luke (because they have a common-point-of-view: i.e., placing His Ministry chiefly in Galilee.
2. The Acts of the Apostles was probably written by
 - a. St. Mark, who was St. Peter's companion and scribe.
 - b. St. Thomas c. St. Luke d. An unknown author
3. Our Lord is called the "Lamb"
 - a. Because of His gentleness
 - b. Because lambs were sacrificed as a sin-offering
 - c. Because "the Lamb" was a symbol of Kingship

Granville Munson, Jr.

You are asked to remember the special offering to be given today to the "House of Rest for the Aged", celebrating its fiftieth anniversary this year. The offering is authorized by the Diocese; the day by the Vestry. Envelopes for the purpose will be found in the pews. If you cannot locate one simply "mark" your contribution for this cause.

TIME -- Thursday, 5.30 -- 7.30 P. M.; PLACE -- St. Mary's Parish House; WHY -- the Supper given by the "Aid", to which you, and your friends, have made arrangements to be with us. If you have not made your reservations please do so at once, as the ladies would like them all in by Tuesday so they will know what a fine crowd to prepare for. Donations, of food or money, are solicited, and may be given to Mrs. H. R. Dickens, 3739 Locust Street.

Tomorrow evening the Monday evening discussions led by the Reverend Benjamin R. Priest will be resumed. This group will meet in the Rectory each Monday evening at seven-forty-five. It is open, not only to all Parishioners, but to any of their friends or any stranger interested in coming. There will be a box in the rear of the Church on Sundays, and in the Rectory Mondays, for anyone to leave questions they would like to have answered. In our Lenten series the talks ranged over a wide variety of topics (held together by the thread of our common Faith) as the members' appetite for knowledge was whetted. No doubt this series will be fully as worthwhile and even better attended.

The Sunday evening meetings of the Young People's Fellowship have been excellent the past number of meetings due to Father Stimson's interesting talks on Church History and the explanations of questions arising in the minds of the members regarding Christianity.

It may well be that Scouting will be the Democratic and Christian answer to the strange and terrible youth movements that have been used by dictator nations to mould their boys and girls to their will.

Every healthy youngster loves a uniform, an oath, a discipline, an ideal. They put meat on their bones, a lift in their hearts, a light in their eyes. Self indulgence, self-pity, self-will are scotched, and in their places grow order and manliness and obedience.

Scout-hood, hand-in-hand with education and religion, will mould our youth into the pattern that God wills for them. And Saint Mary's is proud of "Troop 96" !

The Rector bespeaks your attention to the following notice:-

"The early bird catches the worm." Harry Davis and Frank Bledsoe are starting preparations of another Christmas Card Sale such as was conducted so successfully last year and from which St. Mary's benefited. Their "weak point" last year is their "stronghold" this year. They have just received a shipment of very fine religious and sacramental cards from England, an assortment that would be well worth your time to see, and selling at reasonable prices. These cards are purchased from an Anglican Church Publishing House heretofore not represented in this country, so duplication in stores is impossible. We are grateful to these young men for this interest, and we ask your support in this undertaking as "the boys" get very little remuneration for time and expenses. So do your share for them and St. Mary's Christmas Offering. Go to it fellows! D. & B.

Thursday, April 25th is Saint Mark's Day. There will be celebrations at 7.00 and 9.30 A. M.

We owe far more to this good Saint than we realize. Undoubtedly the son of the woman in whose "Upper Room" the Last Supper was held (and where the Risen Lord later appeared to the Disciples) he meekly served them, and, boylike, followed to Gethsemane - sensing dramatic events as boys do. His curiosity led to his seizure by the soldier who arrested our Lord (Mark 14, vs. 51, 52 which is probably autobiographical) but his adroitness saved him from further trouble (the escapade would be typical of Tom Sawyer or any other engaging young scamp). Some scholars identify him as the "young man" in glistening (new?) white garments at the Tomb at the Resurrection. Saint Matthew would have two angels there, but the Resurrection is none the less miraculous if it were discovered by a lad of insatiable curiosity and venturesomeness.

At any event the youth later travels with Saints Barnabas, Paul and Peter on their missionary journeys, probably as a "dragoman", servant and secretary. A temporary breach with Saint Paul is later so completely bridged that the Apostle speaks of him as of invaluable service.

His greatest contribution to the Church comes as a result of his position as companion and scribe to Saint Peter (who speaks of him as "my son") for his written memoirs of St. Peter's sermons become the basis for his Gospel - the earliest, the most nearly "first-hand" and most valuable Gospel. In fact its authenticity was - and is - so unquestioned that Saint Matthew and Saint Luke use it as the basis of their own Gospels, copying all but seventeen verses of it.

It may be said parenthetically that at an early date the end of Saint Mark's Gospel (Ch. 16 vs 9 to end) was torn off and lost (the last words are "for they were afraid because") and at a later date a new ending was written by another hand. Many scholars have tried to reconstruct from Matthew and Luke what Mark's description - Saint Peter's account, in other words - of the Resurrection was like. The loss is

unfortunate, but of no great importance: we know the story as preached by all the Apostles.

Christians who can break away from the self-concern of their worldly affairs will want to come to the Altar on St. Mark's Day to give praise and thanks for an impudent little rascal who became a good servant to the servants of God, and then handed down to us Saint Peter's own story of the life of the Incarnate Son of God.

The regular meeting of the Aid and Auxiliary will be held in the Parish House Thursday afternoon, April 25, beginning at 2.30 and 3 P. M. respectively.

Y. P. F. Notes

The Young People's Fellowship expresses their thanks to the Stimson's for the generous help and enjoyment that everyone received last Sunday evening at the meeting of the Fellowship. We entertained Epiphany Sherwood Young People's Fellowship in the Rectory, and Fr. Stimson gave us "food for thought" then Mrs. Stimson gave us "food to eat" and everyone had a grand time. Secretary

On Saturday evening, April 13th, the Boy Scouts held a "Parents' Dinner" that will be remembered by everyone there - and there must have been well over a hundred.

Two new Scouts were inducted as "Tenderfeet", and one (the Rector's son) was advanced from Tenderfoot to Second Class Scout, having passed the twelve tests in very quick time since his induction in January. One Scout was raised as a "Star Scout", and there were several awards to older Scouts and Committeemen in recognition of service, fidelity, and proficiency. Plans are also well along for the formation of a "Cub Pack" for younger boys, and Sea Scouting and Explorer Patrols for older youths.

The Commission on Church Unity will hold a special meeting Monday, April 29th, at 11.30 A. M. in the Church House, 202 South 19th Street. This meeting held under the auspices of the Clerical Brotherhood, will hear the Rev. C. A. Simpson, Th. D., D. D., Assistant Professor in Old Testament Dept. of the General Theological Seminary, speak on "The Issues involved in the proposed concordat between the Episcopal and Presbyterian Churches." While recognizing the awkwardness of the hour for laymen the Commission urges their attendance if possible. Our prayers are asked for this meeting.

Y. P. F. NOTES

While the Rector and Mrs. Stimson were picking up a belated supper Sunday evening, they heard the Y. P. F. singing the closing hymns of their regular Sunday evening services. There being no pianist in the group, one member was leading the singing with our brave, if not always accurate, finger, picking out the tune. In spite of this inadequate support the volume of sound was truly astonishing, and was a happy contrast to earlier meetings, when, with full piano accompaniment, the response was fairly feeble. A few moments later, the piano burst forth with full power (Mrs. Stimson's supper left half finished) and the "joyful noise unto the Lord" reached a triumphant fortissimo.

Perhaps it would be well to assure the Property Committee of the Vestry that three items of Rectory damage - a leak in the roof, fallen plaster, and a broken living room door, have no traceable connection to our hymn-sings.

New pence-can money (nearly \$10) from two cans has come in. But we're lagging behind a little in our missionary giving. Have YOU a pence-can? Is it on your table three times a day?

SOME MONEY

I am a dime - I am not on speaking terms with the
butcher;

I am too small to buy a pint of ice cream;

I am not large enough for a box of candy;

I am too small to buy a ticket to a movie;

I am hardly big enough for a tip!

But believe me, when I go to Church on Sunday -

I am considered SOME MONEY!

Answers to Questions

1. This is found in Ecclesiastes, Chapter 12. The quotation is completed "and much study is a weariness of the flesh." Exact knowledge of the writer is difficult to obtain.

2. Because the six Sundays in Lent are not a part of the Lenten Fast. All of the Sundays of the year are Feast Days.

3. The total number of Christians is estimated at about 628,400,000, or about one-fourth of the total population of the world.

4. Only the United Tribes of Benjamin and Judah were left from the dispersion which had occurred centuries before.

5. No. St. Peter's is a Basilica, not the Cathedral which is St. John's Lateran (outside the Vatican City), which dates in foundation from the time of Constantine.

6. See Ecclesiastes 10:20 "...for a bird of the heavens shall carry the voice..." The expression is found in many languages besides English, and more nearly approaches this original.

POSTLUDE "Should I Not Sing to My God" Karg-Elert

Granville Munson, Jr. Organist and Choir Director

The regular monthly meeting of the Vestry will be held Friday, May 10th, in the Parish Office at 8 P. M.

There will be a Corporate Communion of United Thank-offering contributors, Thursday, May 9th, in St. Stephen's Church at 10.30 A. M. at which time the Offering will be presented.

The Diocesan Convention will meet this week in Holy Trinity Church, 19th & Walnut Streets. The program is as follows:

Monday - 5.00 P. M. - Organization

6.00 P. M. - Service - at which time the Bishop will make his address to the Convention. The sermon will be preached by Bishop Brown.

Tuesday - 9.00 A. M. - Holy Communion

10.00 A. M. - The business of the Convention will start.

St. Mary's Aid is holding a Card Party in the Parish House, Monday evening, May 13th, at 8 P. M. Bridge, and other games, will be played, and it is hoped to make it a most enjoyable time for you and your friends. Prizes will be given, and refreshments served. Tickets 50¢. It will be "something different", and we hope you will arrange to enjoy it together.

The last two Sundays we have been trying out the pulpit "amplifier" - first at a very low volume, next with a slightly higher one. Today it will be turned on even more fully, but still well below its greatest power. It would be of enormous help to the Vestry if each one of you would send a note to the Rector or Secretary giving your candid opinion as to its worth.

The flowers on the Altar St. Mark's Day (Apr. 25th) were given by Mrs. Huggins. Those on last Sunday (Apr. 28th) were given by Miss Jessie Rutter, in memoriam; and on St. Philip and St. James Day (May 1) by Miss Archambault, in memory of her father.

The questions and answers in today's Bulletin are taken from the Leaflet of Saint Paul's Church, Chattanooga, Tenn.

The Rector missed number six, and was wobbly on 3 and 5! The answers appear on the following page, but try to abstain from reading them until you have given your own answer:-

1. Who wrote "Of making of many books there is no end?"
 2. Why do the 40 days of Lent begin on Ash Wednesday, instead of 40 actual days before Easter?
 3. What proportion of the population of the world is Christian?
 4. How many tribes of Israel were in Palestine at the time of Christ?
 5. Is St. Peter's in Rome the Cathedral of the City of Rome?
 6. What is the origin of the phrase "A little bird told me?"
-

Your prayers are asked for Albert E. King, your Rector's Warden, and his family. Mr. King has not been feeling normal for some time, and he is now seriously ill in the hospital. He is being operated upon as we write this, and we can only leave the result with God, trust Him, of His mercy, to restore him to health.

Tomorrow, Monday, May 13th, is the evening of the Card Party in St. Mary's Parish House, at 8 P. M. It is aimed to show everyone a fine time, bridge and other games having been arranged for. Prizes will be given, and refreshments served. Tickets 50¢, can be purchased that evening if you have not already made reservations. Join us for a most pleasant evening, and bring your friends too.

The Boy Scout Troop "96", "our Troop", has submitted the following financial report for 1939.

To Be Our Judge

Not now, O Lord, come not to judge us now,
Now now when those who call on Thee defy Thee:
The sign of Cain brands many a brother's brow,
And, drunk with pride of blood, Thy sons deny Thee!
O, judge not now the nations battle-worn,
Which, as of old, Thou holdest in derision!
Now now: the garment of Thy faith is torn
Asunder in a hundred fold division.
Come not to judge as now when we have lost
The Comforter in doubt and disillusion -
But rather in another Pentecost
Pour down Thy Holy Ghost on our confusion.

- "The Churchman"

The Vestry wish to thank St. Mary's Aid for their
Spring contribution of \$50.00 towards the current ex-
penses of the Church.

The flowers on the Altar last Sunday were given by
Miss Marjorie Merrick in memory of her sister. Those
today are given by Cheston Morris Glackens in memory
of his wife.

The Rector has appointed Ralph Andrew Hershey as
Senior Warden.

The following resolution was passed by the Vestry,
and we are certain the thought expressed speaks for
each one of us:-

"The Rector, Church Wardens, and Vestry of Saint
Mary's Hamilton Village, record with inexpressible
sorrow the death of their beloved friend and Senior
Warden, Albert Edward King.

A devoted servant of Our Blessed Lord and His
Church all the days of his life, he gave without

stint of his time, his energy and his wisdom. Patient,
humble, warm-hearted, courageous, loyal, enthusiastic,
his was the spirit that led Saint Philip's Church;
and his was the vision that initiated the merger with
Saint Mary's; and his was the leadership that carried
us all forward to our goal.

'Not slothful in business', he poured into what-
ever work he set his hand to the full measure of his
untiring energy and the greatness and simplicity of a
truly Christian mind and heart; yet, in his busiest
day, anyone in need of help, or counsel, or friendship
found him more ready to give than they to receive.

Deeply conscious of the inadequacy of any words,
we extend to his family the sympathy that comes of
sharing in their love of him. There breaks through
our grief a sense of the joy that is his in the Para-
dise of God, and the sustaining knowledge of our un-
broken fellowship with him in the mystical Body of
Our Lord.

May he rest in peace!"

The most fatal result from any line of action is
no result. That is what is wrong with the Church to-
day. It ought to cost more to get into it, more to
stay in it, and there ought to be more difference be-
tween Church members and others. Every member, for
example, should give more money to his Church than he
gives for membership in all his (or her) clubs put
together. The men and women who do the most for re-
ligion are not its advocates, but its witnesses. Re-
ligion is best expressed in lives.

Wednesday, Friday and Saturday of this week are
Ember Days. The Church has prescribed special Prayers
and Collects to be used at this time for those enter-
ing the Ministry. There will be Celebrations of the
Holy Communion at 7 and 9.30 A. M.

It is requested that before you leave the City for your vacation you pay your "pledge" in advance, if possible, for the time you intend to be gone. The expenses of the Church continue in the Summer as usual, and unless the finances are kept up to date the Accounting Warden experiences some, "Most Embarrassing Moments."

Mrs. Stimson, parish U. T. O. treasurer, wishes to thank all contributors for their generous response to that offering. \$125.13 was presented from St. Mary's.

The Episcopal Hospital May Fete is to be held on Wednesday, May 22nd. We are very anxious to secure from the Parishes a large assortment of cakes and candies. As Chairman of the Cake and Candy table I am writing to ask you if you will assist us in securing as many donations of layer cakes, cup cakes and candies of any kinds as possible. Of course home made cakes and candies are preferred but all kinds will be acceptable. All articles should be delivered to the Hospital on Wednesday morning May 22nd any time before noon. We would appreciate your letting us know by the enclosed post card what we may count on from your Parish. Everyone was so kind last year and we hope for equally good responses this year. If you are unable to secure promises for cakes or candies, any donations of money will be appreciated. We hope to make the Fete this year a great success and hope that we may count upon the cooperation of your Parish.

Anna G. Walker

All members of St. Mary's Aid who are present will meet with their president immediately following the 10.45 A. M. service in reference to the above notice.

The Rector is forced to be away this Sunday. In his place we welcome Canon Jacobson as celebrant and preacher, with deep appreciation for his assistance.

"Trinity" - a word that had to be "coined" to symbolize a truth that the human mind can only partly understand.

But it expresses a fundamental and glorious truth: three Persons in one God! There are several avenues of adventurous meditation that fairly beckon to us, -

1. God is Love. But love is a social relationship: a unitarian God could not be "love" unless He had a beloved - co-eternal, co-loving, co-deserving. It is self-evident that "man" never was, is, or can be any of these things. Our Faith shows God from Eternity: whole, complete, perfect.

2. The Disciples knew God as the Almighty Creator-Father before they met our Lord. He was One, all other Gods were idols. To Him only they ascribed "all might, power, majesty and dominion." His Nature was omniscient, omnipotent, benevolent. To Him only was the title "Adonai" (Kurie, "Lord") given with the bowed head and hushed voice of worship.

Then into their lives came One "fully man, yet without sin" who laid claim to be Deity; (the whole New Testament, the very history of events attest that this was His claim) whose life, in word and deed, whose death and resurrection, forced them to use of Him the very same Title that they had given heretofore to the Father. Yet God was One!

Then, after His ascension, and in fulfilment of His promise, came a stirring new experience - a power that was personal but not their own; a Voice in the inmost heart. And this too was sent: it was not the Father, nor yet the Son; but it too was "Lord" and came from both. His motive and direction could be utterly trusted. He was, and is, co-equal (and impossible of contradiction!) Authority Itself. He is God the Holy Spirit.

3. In our own lives not one word, but three, can adequately express the relationship of God to our souls -

- a) He is Creator.
- b) He is Redeemer.
- c) He is Sanctifier.

And as we worship and surrender our lives wholly to this Triune Majesty we know and adore Him.

"Who, with thine only-begotten Son, and the Holy Ghost, art one God, one Lord, in Trinity of Persons and in Unity of Substance. For that which we believe of thy glory, O Father, the same we believe of the Son, and of the Holy Ghost, without any difference of inequality.

Therefore with Angels and Archangels, and with all the company of heaven, we laud and magnify thy glorious Name; evermore praising thee, and saying,

HOLY, HOLY, HOLY, Lord God of hosts, Heaven and earth are full of thy glory; Glory be to thee, O Lord Most High."

At the Vestry meeting Friday evening a good deal of interest was taken in the potentiality of a resolution to take and use pence-cans faithfully by every member of the Vestry. One cannot listen to a Treasurer's report without acutely sensing how much happier we would all be over our finances if every week four full cans were presented (that's what would happen if all were using them!) but to your Rector the significant note of our conversation was the keen appreciation expressed by each member of the spiritual importance of a penny-a-meal thankoffering by every parishioner - Please!

The regular meeting of the Ladies Aid and Woman's Auxiliary will be held Thursday, May 23rd in the Parish House at 2.30 and 3 P. M. respectively. As this is the final meeting of the season it is urged that as many as possibly can attend.

The flowers on the Altar today are given in memory of Maude Sproule. _____

We again call your attention to the sale of Christmas Cards, by Harry Davis and Frank Bledsoe, which was published in our leaflet a few weeks ago. They will begin the early part of July, and your patronage is urged.

We also take this opportunity to remind you again, if possible, to pay your "pledge" in advance, should you go out of the city on vacation, for the time you expect to be away. By **doing** so you will greatly relieve the Treasurer of some trying situations.

The flowers on the Altar today are given by Mrs. Albert E. King in memoriam.

As this will be the last leaflet printed until the Fall you are asked to pay special attention to the following notices.

As has been their custom for several years, the ladies of St. Mary's Aid will hold a Strawberry Festival, Thursday, June 6, in the "Close" from 4 to 7 P.M. Donations of cake and candy are solicited and are to be sent to Mrs. Stimson. Anyone wishing to contribute money will please send it to Mrs. Louise Markel, 4923 Walnut Street. Tickets 35¢ or 3 for \$1.00. As this will end the activities of the Aid for this season let us do our best to make it a "grand finale."

The regular meeting of the Vestry will be held Friday, June 14th, at 8 P. M. in the Parish Office. This will be the last meeting until the Fall and every member is urged to be present to consider business for the summer months.

On Friday, June 7, at 8 P.M., the Y. P. F. will put on their first play in the Parish House. The joy of having a younger group making full use of Parish House, Rectory and Church will be keenly felt by those of us who remember other days. Under the able leadership of Mrs. Howard S. Lee the group is rehearsing two nights a week in a splendid effort to make their first presentation a successful one. The Rector has been given to understand that the play is being given for the benefit of the Church. We are sure that every member of Saint Mary's is "behind them" and will express their interest by being present if possible.

Miss Gardiner's pupils will give their closing play in the Parish House, Monday, June 3 at 4 P. M. All who care to attend are invited and your presence will lend encouragement to the pupils.

During the Summer months, the heating plant in the Church and Parish House will be remodeled, with the possible installation of an entire new furnace. The Vestry are requesting special pledges and contributions to take care of this extra expense which will amount to about \$1500.00. The pledges are requested on a monthly basis starting with October 1st. The present heating plant has been one of our greatest drawbacks, and your earnest support and co-operation are asked for this item by filling in, clipping off, and returning to us promptly the following form.

The new issue of our annual Church Booklet is on the table at the rear of the Church. The information it contains is most interesting and valuable, written by one of our foremost Churchmen. The Directory in the front of it is very useful also. The books are free, and you are asked to take one for yourself and distribute them among your friends, as the subject treated, the Holy Communion, is the one universal Sacrifice of the world in any language.

Your attention is again called to the notice given last Sunday regarding the change of time of Daily Evensong from 5:30 to 5:00 P.M. each day in St. Philip's Chapel. It is earnestly hoped you will avail yourself of this privilege, as it is only by one's own richness, and example, of the Christian Life that we can make our Church a thing of prominence in it's community.

The leaflet this year is being printed by the Young People's Fellowship, as another practical expression of their loyalty and love for their Church. Having not as yet seen a sample of their work we await with interest to see what kind of a job they will do. "Paid professional printing is probably practically perfect," and no doubt a volunteer job will suffer by comparison; but not only the great saving, but the personal interest that lies behind their undertaking the work, more than makes up for any slight errors.

Speaking of the Y.P.F. there is perhaps nothing that has filled us with such hope and joy as the growth of this grand group of youngsters. Anyone who has fears that the younger generation lacks the wonderful old virtues of enthusiasm, simplicity, courtesy and integrity will receive a pleasant shock in meeting this group. Let us go out of our way to make them feel at home in St. Mary's.

The new issue of The Forward Movement pamphlet will be in the back of the Church. Those who are learning to set aside some portion of each day for the deepening and strengthening of their Faith will know the value of these brief meditations.

Sunday is the "Feast of Saint Michael and All Angels". The faith of modern man has been stripped bare - too bare of the Catholic Paraphernalia of Angels and Saints as our close relations in the great Family of God: perhaps the opening words of the Epistle will give us a wholesome shock

"There was war in the heaven: Michael and his Angels fought against the Dragon" - Surely each one of us is conscious of a warfare in our own souls. This day we are asked to realize that this battle is projected - has cosmic significance. The hosts of heaven rejoice when a grocer repents of his short scales! We are "compassed about" with spiritual beings even if we know it not.

An Octave of Prayer for General Convention is asked by the American Church Union. The octave will begin on Sunday, September 29, the Feast of St. Michael and All Angels, and continue through the following Sunday. The Union is most anxious to have your hearty interest and response. The recommended devotions and Intentions are herewith listed:

DEVOTIONS - Our Father

16th Trinity Collect
Receive Holy Communion
both Sundays and during
the week.

INTENTIONS -
SUNDAY - For all deliberations of
the Convention.
MONDAY - For questions affecting
Christian Unity.
TUESDAY - For the choice of Missionary
Bishops.
WEDNESDAY - For questions relating to
Church extension, both at
home and in pagan lands.
THURSDAY - For leadership by the pastors
of the Church in deepening
the personal lives of our
people.

at the end of each month make that an extra Thanksgiving to Almighty God for the preservation of our country and loved ones by presenting them at His Alter.

An item of intense interest to business women in the Parish, is the news of the formation of a regular Evening Branch of the Women's Auxiliary, which will meet one evening a month in Holy Trinity Parish House. This opportunity to meet other devoted churchwomen, to keep in close touch with the Missionary Work, and to contribute something personally to the furtherance of that work, will be welcomed by many enthusiastic women whose occupations have prevented them from serving in their local Parish Organizations.

There will be a meeting of this group Wednesday evening March 9th preceded by supper. For particulars please call Miss G. L. Darrache, Rittenhouse 9545.

The Rector received one note only - but one that he treasures - in answer to his parishioners send him a written promise to read over carefully the "Offices of Instruction" as a preparation for their winter's progress in the Faith. This one message was full of thankfulness for this suggestion - apparently it "struck home" - and leads him to feel that he dare urge it again for your most earnest consideration.

After all, does it really matter if we have larger and larger congregations, if we "pay one way" and have encouraging financial reports - if when we come right down to it we are more concerned with these matters than with striving for the Kingdom of God? Please - let's do "just things first" - let's seek first the Kingdom of God, "and all these things will be given" unto us.

The Rector plans to be in the Church every Saturday Evening from 7:30 'til 8:30. (Come through the "Old Sacristy" door at the East end of the Church) where he will be glad to give instruction or counsel to those who wish to make their Sunday Communions with greater realism and devotion.

The Fall activities of St. Mary's Church will start Monday Evening October 14th with a card party given for the benefit of the Church.

It will be an evening party-so that the men as well as the women can attend. Tickets are 50¢ which includes refreshments. There will also be a prize for each table, and several attractive door prizes. In addition to bridge, there will be Chinese Checkers and other games-so that all present will be entertained.

Tickets can be obtained from Mrs. Alexander D. Horn, #4633 Locust St., Mrs. Harry Dickens, #3739 Locust St., or at the Parish Office.

Donations of party sandwiches or money will be greatly appreciated.

Please come and bring your friends.

The Church School is growing more and more into a functional, live organization. It means to continue doing so and thus become the flourishing part of the Church for which it is intended. Each member of the congregation can help by sending at least one new member. The staff is untiring in it's efforts to increase the school's membership. Please submit the names of those you feel should be interested, any age, boy or girl, to either Mr. and Mrs. David O. Horn, 4507 Spruce St., or Miss Bertha Pearson, 4246 Spruce St. and the prospect will be called on immediately. We mean to be a great organization, so help us by getting more members. Then look for big things from us!

A new idea was handed to your Rector this past week - that of saving the new design of "nickel." Some have already started with them on the same basis as the Pence Can. They can be given to the "tax collector" at the same time he takes your pennies. It's a wonderful chance for those who do not use the "Cans" to catch up with those who do. Just take out of circulation all new nickels that come into your possession, put them in a safe place, and

by it. But do not think that it is easy or gentle - it will bring aches to unused muscles as well as flush to cheeks, and a sparkle to eyes.

We cordially invite anyone interested to come next Tuesday evening (post-poned from Monday because of the card party) at 7:00 on any Monday. Do not hold back for fear people will notice your awkwardness - we're much too busy with our own.

Your attention is called to the following notice reprinted from last weeks leaflet:--The Fall activities of St. Mary's Church will start on Monday Evening, October 14th with a Card Party given for the benefit of the Church.

It will be an evening party - so that the men as well as the women can attend. Tickets are 50¢ which includes refreshments. The regular monthly meeting of the Vestry, post-poned on the 11th, will be held this Friday, October 18th in the Parish Office at 8 P.M.

The flowers on the Alter today are given in memory of Iva D. Garman, a beloved former vestryman of St. Mary's.

Friday October 18th, is the feast of St. Luke the Evangelist. There will be celebration of the Holy Communion at 7 and 9:30 A.M.

POSTLUDE "Choral" From "Suite Gothique"

Granville Munson, Jr. Organist & Choir Director

The Rector wishes to publish this letter just as it came to him.

"Do men and women ... whom you know personally, who belong to your church, club or other organization ... need jobs?

If so, perhaps the Man Marketing Clinic can help them.

Executives, salesmen, teachers, advertising men, clerks, editors, engineers ... high school graduates or men in the sixties ... have been successfully aided in their search for the jobs they want and are qualified for.

This Clinic is a branch, like others in fifteen cities, of the original Man Marketing Clinic, operating successfully in New York since 1935. Here, we are glad to report, we have helped many people to get back on their feet again.

There is no cost, expense or obligation whatever. A group of business men gives its time freely to conduct the Clinic. We co-operate with, and welcome the co-operation of, public organizations, employment agencies, personnel executives, and ministers of churches.

We invite you to send any person, genuinely looking for help in job finding, to a meeting of the Clinic. One is held every Monday evening at 7:30, in the Lewis Tower Building, 15th and Locust Sts. Let him determine for himself whether the clinical method, which has been so successful with others, can help him.

This specific idea is the reason for writing you. Have you a club which might be interested to know how the Clinic operates, and how it might serve some of its members?

One of our group, a qualified speaker, will gladly arrange to visit your organization, and give a 10 minute talk about the Man Marketing Clinic. He will tell its history, its methods, its results. He will give an invitation, to any persons interested, to try the Clinic for themselves.

Write the Clinic, if you think that you or your organization would want to know more. Sorry, no phone calls ... because we have no telephone, or any overhead. But we will promptly reply to any letters or visits."

The Rev. James H. Jacobson, Canon of the Cathedral in charge of Student work at the University, will preach at this morning's service.

Saint Mary's United Thank Offering total this fall was \$118.96. While this amount fell a little short of the last offering is a sign that many women in one Church realize they have much to be thankful for, even if less to be thankful with.

On Monday evenings a spirited group meets in the Parish House to do "Danish Drill" and volleyball as one part of the much needed "toughening up" program that one country is gradually undertaking. Under the most competent leadership of Miss M. E. Schaeffer, the group flings itself around in exercises that are meant to be graceful and needed at least in being muscle-stretching, nerve-invigorating, and often quite funny.

The Rector puffs louder than anyone, and feels vastly better already. It is hoped that a few weeks practice will bring enough precision and grace that at least a selected few can put on a performance as an advertisement for one program.

"Danish Drill" aims more at coordination, grace, and rhythm than laborious exercise and huge muscles. There is an element of the dance in its figures, and the joy of dancing is quickly aroused

it's financial support) and is sadly in need of funds to replenish it's linen and vestments.

The balance will be given for general Church expenses.

We sincerely thank all who by their work and fine cooperation made our party a success; and also all those who by their presence showed their interest and love for St. Mary's.

As the time for an Every Member Canvass draws near, the Parish will be interested to have some idea as to our present financial condition. Our small endowment has yielded quite satisfactory returns so far this year, and these interest payments have helped us enormously over the rough spots. We all wish to thank Mr. Zebley and the vesty for their careful and farsighted management of our endowments.

This good news must be balanced by the less encouraging news that the total of our pledges has been gradually shrinking, rather than increasing. No doubt the number of deaths in the Parish has been a large factor in this unhappy situation; on the other hand, there must be some members of the Parish who would gladly contribute more if they sensed the full significance of the life of our church in the community and the call that our Lord gives to each one of us to make real sacrifices cheerfully.

Let me tell a story by way of illustration: A fairly recent convert was asking me the other day how things were going; and when I had outlined our progress and our problems, without a word he reached into his pocket and drew out first one dollar bill and then another and said, "Here's a little to start with." This man can only hope to be "out of the red" himself after a year or more of real deprivation, and yet our Lord's work is always first with him! May I use this leaflet to express my appreciation to him and to many like him for all they do for the spread of God's kingdom.

As of the first of October, St. Mary's is about \$250.00 in actual debt. This is far, far better than even only a year ago. It has been accomplished not only by your collective support in which every nickel helps, but also by the most stringent economy. It does not take into account our missionary pledge; unhappily we are about \$900.00 short of our year's pledge of \$1500.00. To those who feel that our church cannot afford to give so much to the work

of the general church, may I suggest that if you are right it is a grave question whether we have a right to exist as a parish! Our pledge is still very far below the fair proportion that the diocese expects of each parish: and the more the world gives ground before the spread of pagan totalitarianism the more urgent is Christ's call to us to spread his gospel far and wide.

In closing, LET US URGE THAT EVERY FAMILY AND EVERY INDIVIDUAL IN OUR PARISH RESOLVE TO USE A PENCE CAN FROM NOW UNTIL THE FIRST OF THE YEAR. When we all do so the momentum of our progress will be thrilling.

A class for beginners in the work of the Altar Guild will be held Friday Evenings at the Rectory from 7:15 to 8 P.M.

The Rector will be in the Church Saturday Evenings from 7:30 to 8:30.

The flowers on the Altar today are given in memory of Lee Walton Verdery.

St. Mary's Aid and Auxiliary will hold their monthly meeting in the Parish House Thursday afternoon, October 24th at 2:30 and 3 P.M. respectively. Dues, and summer earnings are requested at this meeting. Refreshments will be served. It is urged that all who can remain, and attend Evensong (5 P.M.) in the Church.

You are asked to hold Thursday December 5th, for the Supper and Sale to be given by St. Mary's Aid. Watch for full details in a later issue of the leaflet.

The Card-Party given last Monday evening was a grand success in every way. We think, and hope, everybody present had a fine time; and our exchequer was increased by over \$100.00. Out of this sum a substantial check will be donated to the Altar Guild (which by it's nature can give no entertainments for

There will be a Corporate Communion of St. Mary's Altar Guild, Friday, Nov. 1st, at 9:30 A.M. Immediately following the annual meeting will be held in the Parish Office. Officers for the ensuing year will be elected and dues are payable. All members are urged to attend, and anyone else who is interested in the work will be welcome.

You will want to come if possible to commemorate them; if you cannot come to the 7:00, or the 9:30 service, do remember to say one of the collects on page 268 or pages 335-336 of the prayer book. May light perpetual shine upon them!

Now comes the time of year when all good churchmen and true, come to the aid of their Budget. Within three weeks you will be informed carefully and fully what we need to meet our expenses, and why.

Perhaps, however, a word may be said at this time. Saint Mary's has in the last few years by dint of hard work and careful management enormously benefitted it's financial state.

In 1935 there was a discrepancy of \$3,500.00 between the estimated receipts and the Budget! This year the gap has been narrowed to \$1,000.00. But even a gap of that amount brings much labor and anxiety to all. Furthermore we have had to leave out many necessary things - such as items of repair and renovation which cost the more if postponed too long.

There are two facts which I want to bring to your earnest consideration in my plea that if humanly possible you raise the amount of your pledge. In the first place, Saint Mary's is proving her right to exist and her ability to weather any storms. It is far easier to give when you realize that your cause is advancing. Secondly, it is increasingly evident that our Lord's Church, and that alone will regenerate our fallen world. We will have to pay high taxes to rearm - to try to protect ourselves from utter ruin; is not a free gift for the advancement of God's Kingdom of infinitely greater effect?

We are pleased to announce that Horace F. Richter, Jr. is a Vice President of the Diocesan Y.P.F., also that our group is growing not only in size but in significance. Do get to know them, and learn something of their doings.

Monday, October 28th, is St. Simon and St. Jude's Day. There will be a celebration of the Holy Communion at 7 A.M.

There will be a Quiet Evening for Women held in St. Margaret's House, 5419 Germantown Avenue, on Saturday, November 2nd, from 4 to 9:15 P.M. The Rev. James Howard Jacobson, in charge of Episcopal work among students at the U. of P., will conduct the meeting. It is urged that all who can possibly do so attend, registering promptly with the Sister-in-Charge and specifying if over-night accommodations are desired. These meetings in the past have been found of unestimable benefit to those who attended. Let us make use of this one as well as showing St. Mary's to be alert in it's mission.

RECESSIONAL HYMN 295

Barnby

Granville Munson, Jr.

Organist & Choir Dir.

Two centuries ago, our colonial Church owed its existence and support to Missionary Societies in the Church of England. The Eighteenth Century was one of World-wide religious apathy, in which the zeal of these societies is one of the few redeeming features.

Our Church, deeply sensible of our debt of gratitude to them, finds itself in the unusual and wonderful position of being able to give at least a token of our appreciation to them by lifting from their shoulders some real part of the burdens which they are unable to carry through the years of war.

Our Presiding Bishop asked that a representation be sent from England to present their plight to our General Convention. When Bishop Hudson (Secretary of the S.P.G., one of the Societies above mentioned) brought over the English plea for \$118,000, our Convention unanimously voted to promise \$300,000! Thanks be to God, there is a spirit and nobility and life in one Church still!

Our recognition of our moral duty and privilege of helping the Mother Church in her Missionary Work leads us to look again at our own work for Christ and His Church. There is no need to argue or plead the cause of Missions; the facts do their own pleading.

1. Each individual is, by God's command, a missionary.
2. Our blessed Lord has sent us "to the uttermost parts of the earth" to witness
3. The Kingdom of God and His Christ is the only solution of our tolerable age.

Many people argue, and quite rightly, that Missionary work "begins at home." They would have us convert West Philadelphia before we try Japan. They are even "right-er" than they know; conversion must begin really at home: that is, with you and me. When you and I are converted - God speed the day! When you and I are "lost in wonder love and praise" our neighbors will come with us, our Church will grow to undreamed of power, our gifts will flow (and our prayers with them) in a great flood to other lands; God's Kingdom will be within reach!

We have a job to do, you and I; and we are beginning it now:

1. Let's get converted.
2. Let's back up our Church here and abroad with all we've got. And
3. Let's use our pence-cans on top of it!

The regular monthly meeting of the Vestry will be held in the Parish House, Friday, November 8th, at 8 P.M.

We again call your attention to the Supper and Sale to be given by St. Mary's Aid, Thursday, December 5th. Watch leaflet for full details.

The President of the Young Peoples Fellowship, Christian Richter, wishes to announce to all Young People. There will be a Corporate Communion for this group, at the 9 o'clock service next Sunday, November 10th, which will be followed by breakfast in the Parish house. Please try to be present for this service, which has been set aside for us.

Come, bring your friends, and spend a
delightful afternoon.

"The tumult and the shouting dies" after one of the most bitterly contested Presidential campaigns in years. Many things have been said, publicly as well as privately that had far better been left unsaid; many have felt a fervor of loyalty for one candidate or another greater than they have ever felt towards their country or their God. Some "view with alarm" the future of one country in the hands of any other than the man of their choice.

I think all of us however are saying "thank goodness its over"; and all of us will find the next task far easier than the last. This is, of course, to recognize that the choice has been made by the will of the people; and that one confidence in democracy means an unreserved trust in the ultimate soundness of popular choice. Therefore we are to lay aside fear and malice, "and all uncharitableness" and stand in organic strong unity as one nation fearing God, defending our freedom, and reaching out in love to our fellowman all over the world.

This Sunday begins our "Every Member Canvass." You will be called upon by some devoted layman of the Parish. Receive him or her as you would receive your Rector. Listen to what he or she has to say, talk freely about your own hopes and dreams for the Parish. Accept your pledge card and your pence-can as a real part of your Church life. This is going to be the most thorough and well-planned Campaign we've ever had; help us make it fruitful not only in pledged income but in quickened Parish life!

Your undivided attention is asked to the following. Will each one of you who is using the pence-cans please give your name to Henry Davis. This can be done either in writing him at the Parish Office or telephone Eve. 3916 any day between 1 and 3 P.M. (except Saturday). Our list appears most incomplete and our collector cannot call on you if we haven't your name. So, please whether you think you are on the list or not, get your name to the office, direct, and it will help us greatly in this matter.

Intercessions (and address) will be asked in the Church of the Holy Trinity, 19th & Walnut Sts., at 10:45 A.M. on Armistice Day, November 11th. It is urged, more than ever this year, that you attend this great central service to join your prayers with other faithfuls for God to send His Peace into this troubled world. St. Mary's has been asked to cooperate in this service and your Rector urges you to attend if possible. Dr. Salmon, rector of Holy Trinity will give the address.

Owing to our Parish Canvass beginning today the Red Cross drive will be deferred until next Sunday, November 17th. It is asked though, you bear this in mind and, due to the shortened period, will be prepared on that day to make your contribution to that great cause. Mrs. A.D. Horn, Chairman for St. Mary's, will be in the vestibule at all services to enroll you in the ranks of this humanitarian army.

The Church Periodical Club of the Diocese of Pennsylvania is presenting Princess Blue Feather in full costume, in a program of legends and songs of the Aztecs, at Holy Trinity Parish House, 217 So. 20th St., Phila., on Wednesday, November 13, at 2:30 o'clock. Silver offering. Tea will be served. Proceeds for the work of Rev. Clifford E. Barry Nobes for his work among the Igorots in the Philippines.

HERE IS THE NEWS YOU HAVE BEEN WAITING FOR! St. Mary's Aid will hold their annual Turkey Supper and Bazaar in the Parish House, Thursday evening, Dec. 5th, from 5 to 7:30 P.M. Articles, both useful and fancy, will be for sale, as well as a large variety of home-cooked foods. Supper tickets are .75¢ and can be obtained from Mrs. Louise Markel, 4923 Walnut St. or from the Parish Office. Donations of all kinds are solicited - food, money, and articles for the Bazaar. Let us fill the Parish House again, as we did a short time ago at the card party, and have a grand get-together, partake of another of St. Mary's famed suppers, and fill those Christmas needs from a varied assortment of articles on the bazaar tables.

The Rector, Wardens, and Vestry of St. Mary's, Hamilton Village, wishes to express their deep appreciation for the beautiful, and valuable, Oriental rug given by Mrs. Frederick Ehrenfeld in memory of Dr. Ehrenfeld. The rug will be used in All Saints Chapel and was one especially loved by the late Dr. Ehrenfeld.

The Rector wishes to express his special appreciation for 1 pair of brass Candle-sticks to be used in the Chapel of the Transfiguration, Maine, when built; (this is a great future ambition of the Rector's); also, for a lovely Stuette of the Blessed Virgin Mary for the Rectory here.

With, as yet, very few pledge-cards returned it is yet far too early to say anything about the financial results of our Canvass. But the more important spiritual results are of absorbing interest. Your Rector was, and is, so "steamed up" about this visitation that he took twenty-two cards himself, and made nineteen calls on Sunday. Some of his "findings" (carefully disguised) are as follows:

1. A young man who has taken his Church pretty lightly for years, finds to his surprise, a growing reality to religion. He makes his first pledge.
2. A young woman, a recent and real convert, cannot imagine how she ever lived without religion. "It makes everything so different". Her first pledge will, undoubtedly, be for somewhat more than she spends on luxuries.
3. A stalwart member of the Church can give no more than before; but can give so much more gladly, because St. Mary's out-look is so much brighter.
4. Another could hardly believe that those "splendid young men" acting as ushers were not University students, but members of the Parish.
5. A young woman confirmed some years ago has never made her Communion, and remembers nothing about her instruction. Now, she can't wait to receive her Lord.
6. A non-churchgoing lioness was "bearded in her den"; she still won't be seen in church, but grudgingly admits St. Mary's deserves her help. (It's only pride that keeps her aloof!)
7. Alas, one man who has received many ministrations from the clergy would not consider giving a dime a week. He has convinced himself he can't afford it.

8. A man whose face is lined with care, who finds sleep difficult, heard for the first time what a Retreat might do for him. He wonders whether he dare go to Holy Cross. (Will you pray for him).
9. An "agnostic" wants his tiny son baptized;- at home of course!
10. A woman, living quite out of the neighborhood, wants her name kept on our roles because St. Mary's clergy meant so much to her Mother, and because St. Mary's is doing such a splendid work. She is not having an easy time of it in business, but will help St. Mary's as well as the Church she attends.
11. Three people who have moved away, but who, for various reasons have never quite got around to asking for Letters of Transfer, have been moved to do something constructive about their active membership in their local Parishes. (But we are receiving Transfers as well as giving them!)

By the way, your Rector finds himself giving religious instruction three separate afternoons or evenings each week. With Confirmation coming on February 22nd, it is by no means too early to begin preparation. He wishes to stress two facts about it:

1. He tries to make his instruction a thorough and objective presentation of religion "as the Lord hath commanded and as this Church hath received"; - not as a doctrine, but as a life.
2. Those wishing such instruction are in no way committed to receive the Sacrament of Confirmation. They come only to learn what our Faith is; their reception or rejection of it is between themselves and their Lord.

prepared to greet Our Lord at the manger, and His Altar, on Christmas.

Again we say --- Here is the news you have been looking and waiting for!

St. Mary's Aid will hold their annual "Turkey Supper" and "Bazaar" in the Parish House, Thursday evening, December 5th, from 5 to 7:30 P.M. Articles, both useful and fancy, will be for sale, as well as a large variety of home-cooked foods. Supper tickets are 75¢ and can be obtained from Mrs. Louise Markel, 4923 Walnut St., or from the Parish Office. Donations of all kinds are solicited - food, money and articles for the Bazaar.

Let us fill the Parish House again, as we did a short time ago at the card party, and have a grand get-together, partake of another of St. Mary's famed suppers, and fill those Christmas needs from a varied assortment of articles on the Bazaar tables.

Our Parish Canvass is supposed to have been completed by today. Less than one half of the pledge cards have been returned, at this writing. You undoubtedly see what effect this could have on the Finance Committee were it not for their staunch belief that this condition exists through neglect, or oversight, on your part. It may be, for some reason, the canvasser has not been able to see you, but we appeal to all concerned to complete their "calls" and then to you to return your pledge promptly in order that we may report to you the total raised in this Parish, and that the Finance Committee will know how they stand for 1941. We ask your prayerful consideration of the matter before filling in the card as we are striving, as never before, to really balance our budget of \$8000.---May we remind you again, if you are using a pence can and have not given your name, either to the Office or the canvasser when getting your pledge, please DO SO AT ONCE. We are revising our records, and unless you are sure to notify us our collector will not know to call.

The Thanksgiving Day message is one we spend a glorious lifetime learning. To recount His special blessings; then to learn from them how constant and lavish is His love in the ordinary blessings in everyday life; finally (and with an insight which betokens spiritual maturity) a glimpse of God's greatest gifts in frustration, disillusionment, and pain. O, that "thanks-giving" may be more deeply and fervently celebrated in your heart and mind and soul this year than ever before!

The services for Thanksgiving Day will be --
Holy Communion, 7:00 A.M.
Morning Prayer and
Sermon, 10:00 A.M.
Holy Eucharist, 10:30 A.M.

The Rev. W. B. Bossard will celebrate at 7 A.M. and The Rev. W. H. Dunphy, will preach and celebrate at 10 A.M.

In 1937 we gave the Episcopal Hospital \$185. In 1938, \$103. Last year \$100.

Recognizing that every gift given at this time not only enables this great Hospital to "carry on" but goes towards our badly-under-subscribed "expectation" it is your Rector's deep hope that our giving be greater this year than "1937's". "From Him who has given us so much, how can we withhold?"

Episcopalians can be justly proud of the great Episcopal Hospital, which comes to our congregation at Thanksgiving time for the annual offering. The Hospital does its good work not only among people of the Northeast Philadelphia, but throughout the Diocese. The medical staff is one of the finest in America. The nursing school has always more applicants than it can admit. Medical standards are very high. Let us urge that all give generously.

During last year 8,505 patients were treated at the Episcopal Hospital, an increase of 297 over the preceding year. These patients received 129,867 days care, an increase of 3,296. The continuing demands upon the Hospital call for generous giving from our congregation at the Thanksgiving season.

We have not yet discovered how anyone can physically be present in two places at the same time. This regrettable stupidity on our part has placed your Rector in somewhat of a dilemma--in fact, one which he could only solve by making a definite and clear-cut decision, which involves his being absent from you on Thanksgiving Day.

It would be a most pleasant duty to be with you on that morning when we recall together all our dear Lord's incredible gifts to us; but it happens that that is the only day in which he can visit his oldest son who is away from home the first time in his life. Another priest can celebrate and preach in St. Mary's; no one else can make that happy visit to Kent School. So his choice seems clear.

God does give us a sense of "being present in spirit"; and so be very sure you will be in his prayers that day, as he hopes to be in yours.

Saturday, November 30th is St. Andrew's Day. There will be the regular celebration of Holy Communion at 7 A.M.

The new issue of the "Forward Movement" pamphlets are on sale (5¢ per copy) at the rear of the church. It is earnestly urged that each of you secure a copy of this pamphlet, as it is most helpful in its contents and daily readings. With the season of Advent approaching, and our preparation for the great feast of Christmas, if you will follow day by day the articles in the "Forward Movement" we will all be much more fully

The Season of Advent is with us again. As a time of preparation for the coming of the King, those of us to whom He is dearer than life itself will want to do something concrete and definite to "prepare the way," to make our Christmas a welcome to Him.

Periods of special spiritual discipline and training should be short and clean-cut, with some definite attainable goal and a realistic method attaining that goal. There could hardly be a more perfect example than the season at hand:-

1. It looks forward to an event, the significance of which has actually hardly scratched the surface of our lives - God made flesh.
2. The period of preparation for it - twenty-four days - is one of sufficient length for fruitful preparation, and yet brief enough not to become wearing.
3. The nature of the season - one of preparation for the coming of the King of Kings into my life and your life - directly suggests lives in which our work could go with incalculable reward -
 - a. Who is coming?
(frequent instructed meditation on the character, work, message, and meaning of Christ)
 - b. How shall I prepare myself for Him?
(rule of prayer and worship)
 - c. What can I give Him?
(practice of sacrifice)

Do not make any resolutions saying "Never again" or "Always"--say "Between now and Christmas". Do not make them without careful thought and perhaps advice. But make them - and carry them out!

STOP! Parish House, Dec. 5th, 5 to 7:30 P.M.
LOOK! At those wonderful gifts at the Bazaar.
LISTEN! For those cheery voices of good friends.

The occasion is the Turkey Supper and Bazaar given by the members of St. Mary's Aid in the Parish House, this coming Thursday evening. A grand supper to be enjoyed, 75¢ and then a visit to the Bazaar tables for those "special" gifts that are always so much of a worry to get. Treat yourself to a Christmas present if you are one of those early birds who have completed their shopping, articles of every description will be for sale, -- fancy and useful. Then too don't forget the home-cooked foods for sale. Donations of food, articles and money are solicited. These annual events each year have always proved a big success, so don't make this one an exception. Bring your friends, spend a lovely evening and make this an affair that will bulge the walls of our Parish House.

A series of Diocesan Advent Preaching Services is being held in Holy Trinity, 19th and Walnut Sts., each Thursday evening at 8 P.M. beginning December 5th. It is felt that if given the opportunity, devoted Churchmen and women will make a special effort to attend these one hour services once a week. There being no week-day Parish services in Advent, as in Lent, it is recommended you attend these general services as a more full preparation for the great feast of Christmas.

A Retreat for Women will be held in St. Margaret's House, 5419 Germantown Ave., Tuesday, December 3rd. Holy Communion 8:30 A.M. 1st Meditation 10:15 A.M.; closes at 4 P.M.

On Christmas Eve we will use on our Altar the "fair linen" (see top of page 67 of the Prayer Book) woven and presented by Mrs. H. L. Crosby - a work of art and labor of love worthy of its sacred use.

This is a remarkable piece of work, -- by -- every bit woven by hand by the donor. The design was taken from an ancient fabric in Chartres Cathedral copied and adjusted for the cloth by H. L. Crosby, Jr. Besides the usual five crosses to represent the five wounds of the crucifixion (as the Holy Sacrifice re-enacts our Lord's Sacrifice symbolizes the winding sheet in which His body was wrapped for burial) there appears a design on each end, of two doves, and between them the Host.

As we will all want to see at close-hand this lovely gift, it will be placed in the back of the Church on exhibition sometime after Christmas.

The flowers on the Altar last Sunday were given by Mr. Robert Mark in memory of Thomas and Edith Work.

The regular monthly meeting of Vestry will be held in the Parish Office, Friday, Dec. 13th, at 8 P.M.

The preacher this morning is the Rev. James Howard Jacobsen, in charge of Episcopal Student work at the University.

On Sunday Evening December 15th our Y.P.F. will entertain the group from the Church of the Saviour at a supper in the Parish House.

The rector is trying to make one hundred calls a month to make himself really known to each one of you as your Pastor and friend.

Altho his call is a social and personal one, it is meant to be more than that -- to be, indeed, the coming of your Church and your religion into your home. At each door he says a prayer and a blessing on all within; and if in your parlor he seems a thoroughly mundane person, do not think that this is all he wishes to mean to you.

If you have not received a call for some time it may be that his system of callings is inefficient; or perhaps your name has been by accident left off of his list. Do drop him a card to call his attention to the omission.

Each person called on is remembered the next day at the Altar in his secret prayers. Pray for him, too.

You will find in the news this morning envelopes for "Donation to Christmas Decorations." Will you please make use of these as we want our Church as beautiful as it can be made to His Glory on His Birthday.

and separated to live the Divine life - to be channels of His Grace on earth: a function fully as priestly and (believe me) more important than offering the sacrifice on the Altar. By our baptism and in its completion in Confirmation we are sanctified - set apart, to be "a holy priesthood."

All work, as all life, if fully offered to the Glory of God - is a "reasonable, holy, and living sacrifice". The charwoman offering her scrubbed floor to her God is making an offering as acceptable to God as any work that mortal souls can do on throne or Altar.

It gives us great pleasure to announce that in spite of at least two sizeable reductions in Thanksgiving cheques in comparison to last year, our total gift to the Episcopal Hospital was substantially more - \$115 compared to \$100. Not only does it help our Expectation, but it is a straw that shows which way the wind is blowing. St. Mary's gains strength and thankfulness.

Our next goal is twofold; to fill St. Mary's Church brimful on Christmas Eve, and to load her Altar with gifts.

Do you realize that this is addressed to you personally?

If you invited one neighbor or friend last year, plan to bring three this year (there are plenty of chairs we can place in the aisles!) If you love Him more this year than last (and surely you do!) give His Work more, and at more sacrifice, and more gladly!

Organist and Choir Dir.

Wednesday, Friday and Saturday of this week are Ember Days. Saturday, is also the Feast of St. Thomas the Apostle. The Ember Days occur four times a year, at which time your prayers are asked for those entering the Ministry. There will be Celebrations of the Holy Communion at 7 and 9:30 A.M. Wednesday. Friday and Saturday there will be a Celebration at 7 A.M. and the Ante-Communion Service at 9:30 A.M.

We wish to correct a notice that was in last week's leaflet. The flowers on the Altar, Sunday, December 1st, were given by Robert Wark (not Mark) in memory of Thomas and Edith Wark (not Work).

Please use the envelopes in the pews marked for Christmas Greens and Christmas Flowers for a contribution to these funds. We want our Church to be a "thing of beauty" for Our Lord on His Birthday, and your special "gifts" will help us to make it so.

The "Fair Linen Cloth", made and presented to St. Mary's by Mrs. H. Lamar Crosby, and described in last week's leaflet, will be blessed at the High Altar this morning immediately before the Alms are presented. We regret that Dr. and Mrs. Crosby will be out of town for Christmas, and it is only right that we should offer their work to Our Dear Lord in their presence.

The members of St. Mary's Aid wish to thank all, who so kindly, and faithfully, helped with the Supper and Bazaar, especially those of the Y.P.F. Their courtesy and service were a great aid in making the evening most enjoyable.

The Envelopes for next year's pledgers, will be in the rear of the Church each Sunday from now on to the beginning of the year. Will you please see Henry Davis and obtain yours if you have pledged weekly for 1941.

On Saturday afternoon, December 28th at 2 P.M., in the Parish House, the children of the Sunday-school will give a Christmas play. The theme of the Play was suggested by the children themselves, and has been entirely produced by them, including costumes, stage-sets and lines, under the direction of Mr. and Mrs. David A. Horn and Miss Mary E. Schaeffer. As we all know, and I hope realize, the Church of tomorrow is largely dependent upon the Sunday-school of Today, and it is, not only a privilege, But Our Duty, to support and encourage this group of children who have put their all into this entertainment. Therefore, as your Rector, I beg you to make this a positive engagement, thus showing our Sunday-school, teachers and children, that we are behind them 100%. Truly "a little child shall lead them" and we, as grown-ups will benefit greatly by their zeal and eagerness.

If we have remembered these Ember-Days to pray for our clergy and those preparing for Holy Orders, the question of our own life may well have crossed our minds. Are priests the only ones "called into this service" the only, or even the special "stewards of the mysteries".

In a sense, they are: as successors both of the sacerdotal and the prophetic channels of God's redemptive life in His Church, they (all unworthily) have been truly "set apart".

But in another and larger sense, no. Tertullian, one of the great early Theologians, himself a layman, made that forever clear "Are not even we laics priests?" We have been called

The hours of the Christmas Services are as follows: --

I trust you have ALL set aside the afternoon of Saturday, December 28th, (2 P.M.) for the purpose of attending the Christmas play to be given by the children of St. Mary's Sunday school. The "play" is, in entirety, their own production ("costumes, stage-sets and lines) under the direction of Mr. & Mrs. David A. Horn and Miss Mary E. Schaeffer. It is, not only a privilege, but our DUTY, to give all the aid and encouragement, by our presence, that we can to this "Church of tomorrow", and I am sure you will feel well repaid for the time spend, as well as practicing the Christmas Spirit among the children.

The regular meeting of the Ladies' Aid and Woman's Auxiliary will be held in the Parish House, Thursday, December 26th, at 2:30 and 3 P.M. respectively.

Granville Munson, Jr. Organist and Choir Dir.

Last Sunday the Rector presented some significant facts about our Parish's past, present, and future. Feeling that they should reach every member of the congregation and not merely those who were present to hear them, we herewith summarize the report and will mail the leaflet so that each one of you can digest it at home.

In 1938 St. Mary's pledges reached a "high" (for this decade) of \$6,600.00. While this was not enough to quite meet the budget of that year, we managed to "make out" by dint of penny-pinching and raising some funds by extra "drives". Certain funds accruing from the merger helped also.

In 1939 and 1940 we suffered serious losses, through the death of members who had given generously through the years. In fact last year our pledges fell to \$5,300.00; and we found ourselves with such arrears that the Rector and Vestry had to call on the Parish for a special drive. Due to the response of almost every member of the Parish we were able to raise \$3,000. which paid off all our obligations (including eight months of the Rector's salary and a large bill owing to the patient Mr. Ripley) and began 1940 with a balance of \$920. But with pledges reduced \$1,000. and still further reduced during the year by death and "hard times" it is no wonder that we are again somewhat "in the red": the wonder is rather how we are not even more so; for the Vestry have had to battle with some serious problems in upkeep and repairs.

What is our present situation?

Up to December 1st we have received

From pledges	\$4,408.64
From all other sources	3,643.03
	<u>\$8,051.67</u>
We have expended	\$9,458.54
Leaving a deficit of	1,406.87
Less our balance of	920.45
Net deficit	<u>\$ 486.42</u>

To which must be added

Amount pledged to Missions	\$630.68
Unpaid accounts	393.68

Making a total actual deficit of \$1,510.78

Now, lest we get too gloomy over our difficulties, our 1941 Canvass has shown a most encouraging upswing. We have many more pledges than before. They are all of small amounts, but our total (with the results not entirely in) is over \$6,100. ---more than half our previous loss regained and in a more stable way, through numbers of smaller offerings. Although this is still \$1,700. below our budget (and this means we will have our difficulties in the future!) nevertheless A VERY REAL CORNER HAS BEEN TURNED.

Of course we all realize that there are burdens that our dear Lord never intended us to carry: He is worshipped with a few cents worth of bread and wine, and priests are not very expensive nowadays. The money that we should be gladly giving to spread His Kingdom is instead being windlassed out of us for the upkeep of an expensive physical plant, with as yet far too few loyal helpers to share the burden.

But our congregations are increasing, and the spread of genuine religious fervor - of increasing love of our Lord is even more apparent. So we can carry on "with ever lightening steps and lifted heart".

Our usual Christmas offering is \$400. with other amounts (such as regular offering, etc.) bringing the total to about \$600. If every gift this day were doubled we would start the New Year practically square.

You do your part, and help someone else who can't?

RECTOR'S LETTER

I wish that I could call on every member of the Parish to say good-bye and wish each Godspeed. This is manifestly impossible, as I will hardly have time to do more than call on the sick or infirm, and those who have some special need or to whom I am still giving instruction. I ask therefore that each of you accept this message as given from heart to heart.

No priest, worth his salt, is ever equally acceptable to all; and West Philadelphia is not the most uncritical neighborhood in the world. So, of course, there are those who are "twice glad to see me; glad to see me come, and glad to see me go!" Priests, even more than layfolk, are targets of gossiping tongues; and tales come back to me that have surprised and shocked me; for priests can be hurt as well as others; and the twist to the knife is that such things could have been thought and said by Christian brothers who have shared with me the Holy Mysteries of our Fellowship. Others have - and with some right - felt that my policies have been inconsistent and vacillating. To them I can only suggest that they try to lead a Parish with as strange a diversity of personalities and backgrounds and customs as our group has.

But all these things are both customary and unimportant. I doubt if I know who are the ones who have actually disliked me or my ministration. Then I leave with a plea of mutual forbearance and forgiveness, as we all hope and need to be forgiven.

I do feel that the Parish, as a whole, would find great increase of life and strength if it suffered a "change of heart" in a few ways:

- (a) If they could look on their priest as a leader rather than an employee.
- (b) If they used more imagination, vision, and courage in solving their many problems.
- (c) If they opened their doors and hearts to each other more widely, and learned that they were not only a community, but a "cell of the Kingdom of God".
- (d) If they used their Church more, weekdays as well as Sundays, in solitary prayer and worship as well as public services. May I say if they used their knees more?
- (e) If more of them learned to come, not for what they could get but for what they could give. Penitence, thanksgiving, and glorification of God are shords, which, if struck again, and again, would bring our whole lives in tune.

But for all of you as His flock, to whom I have been an unworthy shepherd, I pray God's blessing and His peace. I have known many of you in sorrows, in trials, and in joys. We, as a group, have faced together long years of struggle and difficulty in merely keeping our doors open, and how generously you have given! We have watched together while our world plunged deeper and deeper into a holocaust, whose end is not yet in sight; and through the horror and gloom we have tried to find God's meaning and our path.

Close as all these ties of shared living have brought us, they are nothing to the strength of the first, the last, the constant bond that has bound us all together to His Altar at the foot of His Cross; "The Body of our Lord Jesus Christ which was given for thee". I have tried to lift each soul in intercession as I gave the Blessed Sacrament; and I have felt myself upheld in all your prayers.

That more can be said, or need be said?
God bless you - and pray still for me.

Faithfully in our dear Lord
W. B. S.

PASTOR'S MESSAGE

In these days of much planning for the future, it seems to me that not only the National and Diocesan Church should be making plans, but also the Church in each little community. This is particularly true since entirely new and complex problems must be met or else the church fails to function and is little or no use to those who depend upon it.

There is first of all the difficult problem of adjusting those who return from the war. No man, regardless of how strong an individual he may be, can face death and the horrors of war without having those things leave a mark upon him. To return to a normal life is going to be very hard and can only be made easier if we in the church plan to do something with our lives that will soften the impact for those who return. A parish that is alive and active can offer a very helpful hand, and one that is asleep, or nearly so will offer nothing but a shell of memories to those who have longed to return.

Secondly, there is the community problem. We all know that wages have risen to extreme heights and must eventually be lowered. Employment having reached a peak is already falling off. The parish should do everything in its power to be able to offer all sorts of help to these people when once again they grope in the dark in search of happiness.

Yes, the true church is not just a group of people who gather together in a large building to worship God. The true Church is a group of people who believe that they are the children of God and as His children obligated to serve in every possible way all of the other children of the same God. Too often we have failed to reach out the helping hand. Too often we have closed our eyes and failed to see where our help is needed. Each time that we have failed, the church has lost ground. This time, we must not fail.

I have written this in the hope that every organization in St. Mary's Church will read it and discuss it. I think that we should all formulate a plan for the future and once having agreed upon such a plan, we should see it through no matter what the cost. The world would never have been influenced in the slightest by Christendom had not those who believed in Christ dared to go forward. These are days in which we must dare and be unafraid or else fail our God and our fellow man completely.

Eastern Monarchs, Sages three,
Come with gifts in great plenty;
Worship Christ on bended knee,

Laud and honour victorie,
Power supreme, and so sing we,
Cum Virgine Maria.

Gold, in honor of the King,
Incense to the Priest they bring,
Myrrh, for time of burying,
Cum Virgine Maria.

On the feast-day of His birth,
Set on thrones above the earth
Angels chant in holy mirth,
Cum Virgine Maria.

On that dreadful day, the last,
He forgave our sinful past,
To His mercy cling we fast,
Cum Virgine Maria.

Thus to bless the One in Three,
Let the present company
Raise the voice of melody,
Cum Virgine Maria.

OUR NEW RECTOR

At the Vestry Meeting of December 8th, the Reverend William X. Smith, B.A., B.D., was unanimously chosen to be Rector of Saint Mary's Church to succeed the Reverend J. S. Stephenson. Mr. Smith is now and for some time has been Assistant at Holy Trinity Church, Philadelphia. He has accepted the Call and expects to be with us about the first of February, 1945, but his departure from Holy Trinity obviously depends on engagements in that Parish.

Rector Smith has had valuable experience in Parish work as rector of churches in Cleveland and Texas. He has also served as teacher of Greek and Latin in Kenyon College, his alma mater, where he is a Phi Beta Kapa. All of this valuable experience will be used by him in his endeavor to become a real Pastor at Saint Mary's and in leading our beloved Parish in the work of extending the Kingdom of God in Philadelphia. Mr. and Mrs. Smith will be welcome.

The Churchwoman's Club of the Diocese, at 1919 Walnut Street, will hold its Annual Epiphany Service at St. James's Church on Tuesday, January the 2nd, at 7.30 P. M. Bishop Roberts will be the speaker. Everyone is welcome.

The Woman's Auxiliary is continuing its good work although its membership is still too small. The Auxiliary sponsored St. Mary's evenings at the Snack Bar at St. Stephen's U.S.O. and the members are very grateful to Mrs. Harvey for assuming the chairmanship and for carrying on this good work so efficiently. The Auxiliary has paid \$133.00 toward our Diocesan Quota and has helped the Diocesan Committee with its "Christmas Cheer" by a contribution of \$5.00, to the Episcopal Fete Fund, \$10.00 and to the Elisabeth Price Martin League at the Philadelphia General Hospital, \$5.00.

If we had a larger group we could increase our help and givings. Every baptised woman in the Episcopal Church is a member of the Woman's Auxiliary. Please come out to our next meeting on January the 16th at 2.30, which is followed by the meeting of St. Mary's Aid.

The Christmas Offering for 1944 amounted to \$402.14.

APPRECIATION TO MR. FRANCIS

Reverend Russell E. Francis, B.A., B.D., who has kindly taken charge of Services at Saint Mary's for the past three months, will conclude his good work with today's services. Many thanks and full appreciation are offered to Mr. Francis with the hope that his work as Chaplain at the University of Pennsylvania may continue and prove most successful.

RECTOR SMITH COMES FEBRUARY 1st

Newly elected Rector of Saint Mary's, The Reverend William X. Smith, B.A., B.D. and Mrs. Smith will take up residence at the Rectory on or about the first of February, 1945. A hearty welcome awaits them, and our earnest prayer is that the Rector and the members of Saint Mary's may work together long and faithfully and that our Parish may become enlivened and spiritually enthusiastic.

The Rev. Mr. Smith's first Service at Saint Mary's will be on Sunday, February 11th. Reverend Vincent S. Pottle of the Philadelphia Divinity School will conduct all Services on Sunday, February 4th. On that day Mr. Smith has to be present at Holy Trinity Church.

Entertainment and Package Party, sponsored by St. Mary's Men's Club on Thursday night, February 1st, at 8 P. M., in the Parish House. Admission is one or more packages neatly wrapped. Bring your friends along with you so that they too may become interested in the activities at St. Mary's.

It is not too late to make a contribution to the National Offering for Theological Education which was brought to our attention last Sunday by the Bishop. Envelopes for this purpose are available in the pews. Your offering may be designated for the exclusive use of the Philadelphia Divinity School if you so desire.

PARISH NOTES

The annual meeting of the Altar Guild was held on Tuesday, January 9th, at which time Lt. Margaret Corliss U.S.N. was appointed Secretary. We are in need of new members, active and contributing; if you are neither of these please send your name to Lt. Corliss, 5106 Warrington Avenue, Philadelphia. We want a full and active Guild with which to greet our new Rector. Dues for the current year are now payable.

Those of you who sent gifts for the St. Stephen's Snack Bar will be glad to know that under Mrs. Albert Pearson, our day of service on January 12th was quite a success. We were complimented on the attractiveness of the Bar, the good food and "the best coffee". Our next day of service will be March 9th.—Wouldn't you like to help?

On February the 1st there is going to be another package party like the one last year. This one is to be even better with entertainment. The admission requirement is one package, wrapped. You will be surprised at what will come out of some. Make it a date and join in the fun.

TO MY OLD FRIENDS AT ST. MARY'S:

A word first to "bring you up to date". I've recently been flown over the Atlantic and now, transferred into the Air Corps, am near Paris and awaiting orders—probably to go to a huge Air Base in Britain. Am very cold (heat unknown) and wet (rains or sleet all the time) but in the best of spirits.

But please tell people, please, please to give themselves completely to our blessed Lord—if you only knew how the world, *how these men* are going to need something—something so far different than organized religion and nominal Christians!!

God bless you and keep you—and may this be a wonderful and beautiful Holy Feast in the Dear Church.

THE RECTOR'S LETTER

Following are the main paragraphs from Rector Smith's acceptance letter of December 19th to The Wardens and Vestrymen:

December 19, 1944.

"GENTLEMEN:

It is my happy privilege to inform you that I herewith accept your call to become the Rector of Saint Mary's Church, Hamilton Village.

My firm, my studied, my prayerful opinion is that there is much that we can do together at Saint Mary's Church. Our first aim is to be the integration of the Parish, and the establishment of a constructive and forward looking program for all the people of the Parish. With these initial objectives, we shall keep definitely in mind our further objective, as outlined to us by our Bishop: the ultimate establishment of a contact between Saint Mary's Church and the students at the University of Pennsylvania. These objectives are to be sought in the order named: first the Parish, and secondly (but as soon as practicable) the University.

The ceremonial which we shall adopt and use for the public worship of the Parish is to avoid an extreme in either direction. We shall do our utmost to keep strictly within the bounds of the Book of Common Prayer, with such additions as seem to be permissible under, and consistent with, the same Prayer Book. Our aim in the matter of ceremonial is to provide for the people a form of worship as helpful as possible to the greatest number.

Undertaking this work with you and the Parish you represent has come very clearly to me as being a matter under the guidance of God. It is truly His call that I am accepting. May He bless us now and in the future in His own work.

Yours faithfully,

WILLIAM X SMITH."

Christ is risen from the dead.
Christ the Lord is risen today,
Sons of men and angels say:
Raise your joys and triumphs high,
Sing, ye heavens, and earths reply.
Christ is risen, and becomes the first
fruits of them that slept.

The three sad days are quickly sped;
He rises glorious from the dead:
All glory to our risen Head.

Soar we now where Christ hath led,
Following our exalted head
Made like Him, like Him we rise;
Ours the Cross, the Grave, the skies
Praise the Lord, O my soul
Christ is risen from the dead.

Great is Jehovah, the Lord,
For Heaven and Earth testify to His great power!
'Tis heard in the fierce raging storm,
In the torrent's loud thundering roar;
Great is Jehovah, the Lord, Mighty is His power!

'Tis heard in the rustling of leaves in the forest,
Seen in the waving of golden fields,
In loveliest flowers' gaudy array,
'Tis seen in myriad stars of heaven.

Fierce it sounds in the thunder's loud roll,
And flames in the lightning's brightly quivering flash.
Yet clearer thy throbbing heart to thee proclaims
Jehovah's power, the Lord God Almighty.

Look thou praying to Heav'n, and hope to grace for mercy,
Great is Jehovah, the Lord!

UNITED THANK OFFERING

Envelopes or "Blue Boxes" may be presented today, or to Miss Lackenbacher, The Fairfax. The Diocesan presentation is to be Thursday, 3 May.

PENCE CANS

The Woman's Auxiliary officers thank you for your response to the appeal for monies from the Pence Cans.

There are available a few of these cans at the Parish Office. Hereafter, collections will be made every six months.

Further information about the Pence Can system will appear in the Leaflet soon.

MISSIONARY OFFERINGS

The two items above, regarding the U.T.O. and the Parish Pence Cans, lead naturally to a reminder that when money is given for such missionary projects as the United Thank Offering or the Woman's Auxiliary, each dollar helps in two ways: credit is given to the Parish organization which turns in the money, and credit is given Saint Mary's Church on our missionary quota.

In other words, these are means of having double credit for each single contribution!

A SERVICE MAN REVERSES A PROCEDURE

Much is said these days about things for the boys in Service. We have a member of Saint Mary's in the army in Germany, and he seems to believe that he has a responsibility toward his Church, as well. During the past week he sent in a five dollar contribution for the work of this Parish; about two months ago, the same young man sent in ten dollars for the same purpose.

The Women of Saint Mary's have their last regular meeting for the season on Tuesday of this week, in the Parish House, beginning at 2:00 PM.

All women are cordially invited.

The members of the Vestry have asked that the following notice be brought to your attention through the Leaflet:

The operating expenses of the Parish continue during the summer, even though you may be away for a portion of the time. Before you go away, please arrange to attend to your pledge to the Parish for the time of your vacation.

The Chairman of the Modernization Fund drive reports that to date (Thursday, 14 June) only 24 persons have made pledges for the work we need so badly on the Church and Parish House. The total amount pledged is \$741.50 --- less than one-fourth of the amount required.

The assumption is that many have neglected to make pledges. These are needed, that the required work may be done during the summer.

You will be interested to know that the contract has been let for the first part of this work, the painting of the interior walls of the Church.

Your prayers are asked, that God may guide all who take counsel together in arriving at a proper choice.

NOTES FROM THE RECTOR

ADDRESSES OF SERVICE PERSONNEL

As previously announced to you, I am anxious to obtain the exact present addresses of the men and women in the Services from this Parish. This is the only means I have of knowing how to keep in touch with these young people; and only as you let me have the addresses can I write to them.

THE TIPPET, OR BLACK SCARF

Some of you heard me explain last Sunday about the wearing of a tippet, or black scarf, for Choir Offices and other services that are not strictly and fundamentally sacramental in character.

The tippet is *not* a black stole, but was originally a scarf for protection against cold air in churches. It is simply a long rectangle of black wool crepe (or, for the holder of a doctor's degree, black silk), worn with a surplice, in the manner of a stole.

The use of the tippet is to add to the value and importance of the colored silk stole, by reserving the stole for the services when it is required. It is rather a "place-for-everything-and-everything-in-its-place" arrangement: the tippet for Choir Services; the stole for Sacramental Offices.

THE READING OF THE PSALMS

I wish to thank you for your immediate and hearty response to my request about the Psalms. I asked that you read them responsively, by dividing each verse at the asterisk, and last Sunday you did so at once. Thank you; I am sure you will find the Psalms even more devotional in character when read thus.

MUSICAL EVENTS TO COME AT SAINT MARY'S

You realize, I am sure, that the Musical Programs listed in this leaflet are of a remarkably high character. Perhaps I appreciate these more than you, because I know full well that few Parishes have such excellent opportunities for musical enjoyment. You can very easily show your appreciation by telling your friends about these programs, and by clearing your own schedule so that you can attend each Wednesday evening.

Many waters cannot quench love, neither can the floods drown it. Love is strong as death. Greater love hath no man than this, that a man may lay down his life for his friends.

Who his own self bare our sins in his own body on the tree, that we, being dead to sins, should live unto righteousness.

Ye are washed, ye are sanctified, ye are justified in the Name of the Lord Jesus.

Ye are a chosen generation, a royal priesthood, a holy nation that ye should shew forth the praises of him who hath called you out of the darkness into his marvellous light.

I beseech you, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service.

NOTES FROM THE RECTOR

A MATTER OF CORRECT USAGE

Reprinted from January, 1945 CHURCH NEWS.

Titles, both ecclesiastical and secular, are of two types: namely, adjective titles and noun titles. There is a widespread misuse of these two types on the part of otherwise educated people. An adjective must always modify a noun, and the article "the" should precede, except in direct address when the article should be omitted but the noun must always follow. Also in the use of an adjective title, the full name of the person must be used, and not merely the surname. Take, for example, "Reverend", "Honorable". To say, "Good morning, Reverend" is *incorrect English*. So also is, "Good morning Honorable". It is quite correct to say "Reverend Sir", "Reverend Father", "Reverend Doctor", "Honorable Judge", or "Your Honor".

This has nothing to do with Churchmanship; it is merely a matter of the correct use of the English language, which we are supposed to speak. The noun alone is all right in direct address: "Father", "Doctor", "Judge", "Dean", "Archdeacon".

In writing or speaking the following is *incorrect*: "Reverend Jones".

This is just as bad English as to say "ain't had" or "done got" or to use a plural subject with a singular verb, etc.

In writing, the following is *correct*: "The Reverend John Jones".

In the above, you will observe that the adjective title is used either with a noun title or with the full name of the person referred to.

The wave of bad English in this regard among cultured people is of comparatively recent origin. Let us stem the tide by speaking good English ourselves.

METHOD OF READING THE PSALMS IN SERVICES:

The genius of Hebrew poetry (and our Psalter is merely the hymn-book of the Hebrews) lies not in rhythm nor in rhyme, but in parallel and contrasted ideas. Take any Psalm you choose; note the verses, and how they are divided in the center by an asterisk. Now note that the first half of most verses is repeated in substance in the second half of the same verse; in some cases there is contrast, instead.

In order to understand this rich heritage from our Hebrew forebears, we shall start this Sunday to read our Psalms by dividing each verse at the asterisk: the one reading the service will read the first half; the people will respond with the second half.

You will find, I am sure, that most of the Psalms are enhanced by this method of reading. In 1928 when the asterisks were introduced, it was the clear intention of General Convention that all Parishes should read the Psalms in this manner.

E. Power Biggs, the well known English-American Organist, who is to appear at this church on Wednesday night of this week at 8.30 P. M., has been very much in the news lately for his outstanding feat of playing the entire literature of the great Johann Sebastian Bach in twelve recitals at the Germanic Museum of Harvard University. The *Boston Press* hailed this achievement as "unique for our day and age", and *Time Magazine* called the concerts "a revelation for listeners and critics alike". The entire hall was sold out for the duration of the concerts.

His interpretation of the great works of the romantic period has received many glowing reviews, and in modern times nobody has done more to present modern American compositions than E. Power Biggs. Playing with the Chicago Symphony Orchestra the Press hailed the performance of the Sowerby Organ Concerto as "a particularly sensitive reading, a dazzling cadenza . . . E. Power Biggs is a consummate artist . . .". In permanent form on Victor records E. Power Biggs has also made available one of the greatest modern works—the Symphony by Leo Sowerby for solo organ.

Other outstanding events to follow on Wednesday nights at 8.30 will be:

March 7th—Concert of choral music including the Bach Cantata, "Christ Lay in Death's Dark Prison".

March 14th—Organ Recital by Frederick Roye with works to include Bach's Toccata, Adagio and Fugue in C major and the Hindemith Sonata No. 1.

March 21st—CARL WEINRICH, one of the most outstanding recitalists of this country. He will play a program including Buxtehude, Bach and a group of contemporary composers. Tickets will be one dollar.

ALTAR FLOWERS:

Mrs. A. F. Pearson (BAR 3156) reports that there are several available Sundays on the Altar Guild Kalendar for memorial flowers. If you care to have a date for memorials in your family, kindly call Mrs. Pearson.

TELEPHONE MESSAGES TO THE RECTOR:

With regular hours during which Mr. Roye is in the Parish Office, you will find it more satisfactory to yourself if you will try as far as possible to make Parish telephone calls during office hours, 10 to 1, Monday through Friday. If you will comply with this request, you will greatly aid me, as well as yourself; in fact, it will be better all around. There will be emergency conditions when you will need to use other times, and please do not hesitate in such cases; generally, however, office hours should suit your needs. You will try to assist in this; won't you? Thank you.

NOTES FROM THE RECTOR

SERVICE MEN AND WOMEN:

It is my intention and desire to write personal letters to each of our young people in the armed services. In order to do this, I must ask your assistance in letting me have the exact present mailing address for each. If you have the present address for one of these people, please see that it reaches me as soon as possible.

PARISH CENSUS:

As I can find the time, I shall be stopping in the home of each member of the Parish to ask questions of information about you. This information is to be for my *personal* files; I say this so that you will feel no hesitancy in letting me have exactly the data I require. The questions will be completely pertinent, and not in the least impertinent.

THE "X" IN MY NAME:

Some of you have asked, and doubtless more of you will ask, what the "X" represents in my name: William X Smith—without a period!

My second name is X, and it does not stand for anything. That is, it is *not* Xerxes, Xavier, Xenophon, nor even Xanthippe, nor the inert chemical element called xenon. It is X, and that is all.

WHAT TITLE SHALL YOU USE IN SPEAKING OF AND TO ME?

The Church has never declared Herself, and therefore I cannot possible dictate, regarding what clergymen are to be called.

You may, therefore, and I should vastly prefer that you should, call me *either* "Mr. Smith" or "Father Smith" (and "Father" is properly abbreviated as "Fr.").

Please use whichever form you personally prefer.

BUT . . . never, *never* speak of or to any clergyman as "Reverend So-and-So". *That is logically and grammatically incorrect*, as I hope to explain fully to you next week.

PARISH OFFICE HOURS:

Mondays through Fridays, 10.00 A. M.-1.00 P. M. During these hours, Mr. Roye will be in the office to assist you, and to answer your telephone inquiries. Telephone: EVE. 3916.

Since the days of Bach and Händel the organ has been the favorite instrument of most of the world's greatest composers. Bach expressed his deepest musical thoughts through that medium, and while Händel is often remembered chiefly for his oratorios he was, during his lifetime, much more famous as an organ virtuoso, playing his concertos for the London public of the 18th century.

Today there is a great and increasing interest in the organ and its great musical literature, and E. POWER BIGGS, who is to give a recital at St. Mary's on February the 28th at 8.30 P. M. has taken a leading role in this renaissance of interest in the greatest of musical instruments.

Tickets for this recital are now on sale at the Parish Office, Mr. Roye or any member of the choir, at one dollar, plus tax.

Other events to take place are as follows:

March 7th at 8.30 P. M. Bach's cantata, Christ Lay in Bonds of Death; Sonatas for Strings and Organ by Mozart and parts from the Brahms Requiem.

March 14th, Organ Recital by Frederick Roye assisted by Peter Trump, tenor and C. Edward Trump, flutist.

March 21st, Organ Recital by CARL WEINRICH, another outstanding Concert Organist. Mr. Weinrich will play at St. Mary's following a concert tour coast to coast. Tickets will be on sale at one dollar.

NOTES FROM THE RECTOR

TODAY—PALM SUNDAY

I hardly need remind you that the palms which you carry home with you have been blessed, and that for that reason you should be careful in your use of them. If you do not plan to keep them until next Lent, you should be sure that they are decently burned.

You will note, from the prayers of blessing used for the palms, that the blessing is really a blessing of those who carry them away; but the inanimate palms are the agencies we ask God to use in bringing this blessing.

Please note that there are several opportunities for you to make your Communion during this week. Thursday morning (Maundy Thursday) is a special service, and the Eucharist will be read at the High Altar. This is the one time during Lent when we have white for our liturgical color; I hope that many of you will wish to be with our Lord at that hour.

Thursday evening is a Meditation, and a preparation for the Easter Communion.

On Good Friday, I hope to lead your meditations in such a way that we may have a better understanding of the Atonement through the Cross.

EASTER DAY

And please note that there is no such thing as "Easter Sunday". The word *Easter* itself indicates that it is a Sunday. The only proper terminology, as you will find in your Prayer Book, is "Easter Day". There will be two Celebrations of the Holy Eucharist: at 8.00 and 11.00.

PARISH MEETING ON EASTER MONDAY

The Annual Meeting for the Election of Vestrymen is called for Monday evening, 2 April, beginning at 7.30 o'clock. The names of the men in nomination are to be found posted on the bulletin board in the vestibule of the Church.

There is to be a Cake Sale in the Parish House on Saturday afternoon from 2 until 5 P. M. in the Parish House. Tea will be served. Any contributions of money may be sent to Mrs. Mortimer Myers at 223 South 42nd Street.

NOTES FROM THE RECTOR

ANNUAL ELECTION OF VESTRYMEN

Article 6 of the Charter of Saint Mary's provides that "all lay, baptized and confirmed persons of the age of twenty-one years and upwards" who have been members of this Parish and have contributed at least two dollars and fifty cents in pew rents or pledges for each of the past two successive years are *members of the corporation*.

Article 1 of the By-Laws states that "any three members of the corporation qualified to vote may nominate candidates for election as Vestrymen, said nominations to be made *in writing* and *signed* by the nominators and *filed* with the Secretary at least ten days prior to the opening of the polls. . . ."

The time appointed for this election is Monday in Easter Week, which this year is 2 April. Ten days before this date makes Friday of this week, 23 March, the last day for nominations from members of the corporation.

The following Vestrymen have been elected in past years, and have not yet completed their terms of office: Messrs. R. J. Bennett, H. L. Crosby, D. A. Horn, M. R. Myers, F. W. Ripley, W. I. Rutter, Jr., and J. H. Zebley, Jr. One Vestryman, Mr. C. M. Glackens, has tendered his resignation, having not yet completed his term of office.

NOMINEES

The Vestry has nominated Messrs. F. A. Hipple, A. D. Horn (whose three-year terms of office have expired); Messrs. A. F. Pearson, H. R. Spencer (who have been serving in unexpired vacancies); and Mrs. G. L. Harvey, Jr. (to fill the vacancy from Mr. Glackens' resignation).

Those of you who qualify above as members of the corporation should take notice that you may nominate men to serve in the four regular three-year vacancies on the Vestry, as well as one man to fill the unexpired vacancy, a total of five vacancies. You should specify whether your nomination is for a regular three-year term of office, or for the unexpired vacancy; your ballot at the Easter Monday election will show these two classes of elections.

YOUR RESPONSIBILITY IN THIS MATTER

Carefully, *prayerfully*, and with the best interests of the Parish always in mind, you should consider the men whom the Vestry has nominated; you should consider whether there are others you wish to nominate; you should resolve within your mind for whom you intend to vote on 2 April.

Remember that IF you have nominations to be made, such nominations must be in the hands of the Secretary (Mr. F. A. Hipple, 4517 Springfield Avenue, Zone 43) not later than Friday, 23 March.

MY HOPES REGARDING THE ELECTION

Specifically, under the Charter, I am not permitted to vote for Vestrymen. But I can suggest general policies to you, the people committed to my charge in this Parish, and I can hope that you will take your active part in molding policies.

I hope that you will consider it your privilege as well as your duty to come out and vote at this Election Meeting.

I hope that you will take time for thought and prayer about the men for whom you will vote to fill the five vacancies on the Vestry. Remember that you have a responsibility for determining the policies of the Parish for a year, by your choice of men to serve on *your* Vestry.

I hope that if you have in mind men who should be nominated to the vacancies on the Vestry, you will nominate them at once; do not wait until too late, and above all, do not say later, "*Why* is not Mr. So-and-So on the Vestry?" Nominate him, if you think Mr. So-and-So should be a nominee!

At the meeting of the Vestry on Friday, 9 March, the Treasurer reported on the status of pledges received to that date for current expenses and the missionary quota. The Vestry voted to have this information noted in the leaflet.

18 monthly or quarterly pledges, totaling per annum..... \$1,263.00

56 weekly pledges, ranging from 5c to \$3.00 per week,
totaling per annum..... 2,240.40

TOTAL pledged income, per annum (74 signed pledge cards)..... \$3,503.40
(Of the above, \$305.00 is designated for Missions)

Other regular contributions, but no signed pledges:

6 monthly contributors, totaling per annum..... \$724.00

33 weekly envelope contributors, ranging from 10c to \$2.50
per week, totaling per annum..... 1,222.00

TOTAL regular, but unpledged income, per annum..... 1,946.00

SUMMARY: 113 parishoners have agreed to contribute or are
contributing for the year 1945 a total of..... \$5,449.40

This is to be compared with the budgeted requirement from pledged income, which for 1945 is \$6,594.00. There is clearly a sizable disparity between these two figures. It is expected, however, that additional pledges will be received from time to time, and that the use of the weekly envelopes will increase during the year.

At the March Vestry meeting, the following were elected as Lay Delegates from Saint Mary's Church for the Diocesan Convention, to be held beginning 30 April:

Delegates: Messrs. Bennett, Rutter, and Spencer

Alternates: Messrs. Hipple and Pearson.

These men, together with the Rector, will comprise our representation at the sessions of the Convention.

There will be a meeting of St. Mary's Women's Guild on Tuesday afternoon at 2 P. M. in the Parish House.

Wednesday night at 8.30 P. M. CARL WEINRICH will play one of the most outstanding recitals yet heard in Philadelphia. His nationwide tour had critics praise him as "The Outstanding Organist of this generation", etc. Tickets will be sold at the cloister door at one dollar plus tax.

Friday of this week (23 March), Saint Mary's Altar Guild is sponsoring a dramatic recital by Maroa Bailly. The reading to be presented is FAMILY PORTRAIT, a thoroughly reverent dramatic presentation of life in the Family of Jesus of Nazareth, somewhat in the manner of a Passion Play. You are urged to attend, and to bring your friends with you. Cards of admission are to be had from members of the Altar Guild, or from the Parish Office, at seventy-five cents each.

The date is Friday of this week; the hour is 8.00 P. M.

PASTORAL LETTER FROM THE HOUSE OF BISHOPS

From Canon 44 of General Convention: "Whenever the House of Bishops shall put forth a Pastoral Letter, it shall be the duty of every Minister having a pastoral charge to read it to his Congregation on some occasion of public worship on a Lord's Day, not later than one month after the receipt of the same. . . ."

In accordance with this requirement, the Pastoral Letter issued by the House of Bishops in Birmingham, Alabama, in February, 1945 will be read to you at the 11.00 o'clock service on Sunday, 11 March.

WANTED: TWO MISSALS

If you were to take the time to look at them, you would agree with me that the Missals—Altar Service Books—at the High Altar *and* at the Saint Philip's Altar are in a sad state of disrepair. These books are used heavily, and the pages have been quite worn out.

Is there not someone who would care to present one or both Altars with new Missals? They are splendid memorials to one who has departed this life. New copies are difficult, but not impossible, to locate.

Interested people should consult with me about this urgent matter.

THE KYRIE AT THE HOLY EUCHARIST

There seems to have been a slight confusion in my using the Kyrie ("Lord, have mercy . . . Christ, have mercy . . .") at said Celebrations. While certain English Prayer Books provide for an alternate use of the Nine-fold Kyrie, our Book of Common Prayer makes but one provision: for the Three-fold Kyrie, as printed at the top of page 70.

It is my policy, therefore, to use the service as it appears in the Book of Common Prayer. For that reason, when we are *saying* the Kyrie, it will invariably be as the Prayer Book provides; when the choir sings the Kyrie, the Nine-fold form will be used from time to time.

TWO ORGAN RECITALS AT SAINT MARY'S

Wednesday evening of this week, at 8.30, we are to have a recital by our own organist, FREDERICK ROYE. From his conduct of the music of our services, you have learned that Mr. Roye is an organist of unusual ability. You will want, therefore, to show your appreciation of his worth by being present at his recital; and you will be doing yourself service by attending. It is seldom that you can hear so able an organist at a time when the offering is a free-will one.

Next week, 21 March, a recital by CARL WEINRICH, internationally famous Organist. Mr. Weinrich will come to St. Mary's after completing a nation wide tour. Tickets will be one dollar.

MEN'S CLUB

The Men's Club will meet on Monday night at 8 P. M. in the Parish House and will be followed by a Social at 9 with the Altar Guild.

And I shall share a glorious part,

Then shall I see, and hear, and know

PARISH NOTES

SERVICE OF INSTITUTION

On another page of this leaflet you will find an outline of the Service of Institution, for Tuesday, 24 April, 8.00 P. M.

You are cordially invited to attend, and to bring your friends.

SERVICES IN THE CHURCH THIS WEEK

Wednesday is Saint Mark's Day, 25 April. There will be a Celebration of the Holy Eucharist at 10.00 A. M.

Friday, a Celebration of the Holy Eucharist at 7.00 A. M.

ALTAR GUILD MEETING

All women are invited to attend the Spring Meeting of the Diocesan Altar Guild, Wednesday, 25 April, 8.00 P. M., at Saint Peter's Church, Third and Pine Streets.

There will be a service, and address, and a social hour. Reservations are requested before Tuesday; they may be made through Mrs. George Harvey, SHERwood 7925.

UNITED THANK OFFERING

The envelopes or the "Blue Boxes" for the Spring presentation may be turned in today (22 April) or next Sunday, 29 April.

If you need an envelope, or if you wish to ask questions about the United Thank Offering, consult Miss Nina Lackenbacher, The Fairfax, BARing 6000.

PENCE CANS

The Guild members hope you have remembered your Pence Cans today. There will be someone in the Church vestibule to receive the contents of your Pence Can.

NOTES FROM THE RECTOR

SERVICE OF INSTITUTION

The Rt. Rev. Oliver J. Hart, Bishop of the Diocese of Pennsylvania, will visit this Parish on Tuesday, 24 April, at 8.00 P. M., for the purpose of instituting your Rector. You will find this service at the back of your Prayer Book.

Following the service, there will be an informal reception in the Parish House, for the Rector and Mrs. Smith.

Please mark this date on your calendar.

NEW MISSAL NEEDED

A new Missal is to be presented soon for use at the High Altar. As indicated in these notes a few weeks ago, we badly need a new Missal at Saint Philip's Altar, as well.

Is there not someone who would care to present such a memorial?

VOLUNTEER SECRETARIAL WORK

In order to handle correspondence with those in service from this Parish, I need to have some part-time secretarial aid. If you can take simple dictation, and if you can type, would you not care to help me in this?

The matter could be easily handled if I could have two volunteers to give me and the Parish two hours each week for this work: a total of four hours every week.

Can *you* help?

A RUBIC FOR YOUR ATTENTION

Just beneath the Gloria in excelsis on page 84 of your Prayer Book, you find this rubric: "Then, *the people kneeling*, the Priest (the Bishop if he be present) shall let them depart with this Blessing."

Notice that there is no invitation to kneel—no “Let us pray”—but just this directive rubric.

On Easter Day, when we had not been using the Gloria in excelsis for many weeks, most of you forgot to kneel for the Blessing. Please be hereby reminded that at the end of the Gloria in excelsis you should kneel *at once, for the Blessing.*

In brief : as soon as you have finished saying or singing the Gloria in excelsis, kneel at once—and you will be ready for the Blessing.

THE WOMAN'S AUXILIARY

The following reminder is for your guidance:

We are trying very hard to enlarge our Auxiliary interests, and would appreciate hearing from those who do not attend the meetings.

Afternoons are not free for all women, but there is one thing all can do, and that is to remember the pink envelopes in your box of offering envelopes. Every contribution helps in our work.

PENCE CANS

There will be someone in the vestibule of the Church on Sunday, 15 April and also on Sunday, 22 April, to collect money from Pence Cans.

The Guild would greatly appreciate any amount, large or small, which you may have collected in your Can. We hope all of you have received envelopes for this use. If not, please call the Parish Office for one.

Following the service, there will be a social hour with refreshments served in Saint Peter's Parish House.

Do plan to attend this meeting, and notify our Parish Altar Guild, so that reservations may be made for you.

A WHITE COPE FOR THE PARISH

Through the Diocesan Altar Guild, it has been possible to locate suit-
 able material for a White Cope for the Parish—provided there is someone
 who would like to give such a gift to us.

This Cope would replace the one which was the personal property of
 the former Rector. With it, we could plan to have a proper Procession
 when Christmas comes. (That seems a long way off, but it takes time to
 make a Cope!)

You may have further information on this matter by consulting Mrs.
 George Harvey, Mrs. Albert Pearson, or the Rector.

RECONSTRUCTION AND ADVANCE FUND OF THE GENERAL CHURCH

During weeks and months to come, you will be hearing of this Fund,
 which is intended to help replace the properties of the Church in areas
 where the war has leveled churches, hospitals, and schools to the ground.

Watch your church papers for further information.

PROCESSION FOR WHITSUNDAY, 20 MAY

As at Easter, the Procession next Sunday will begin fifteen minutes
 before the usual time of the late Eucharist. Next Sunday, then, the Pro-
 cession at 10.45; the Holy Eucharist at 11.00.

NOTICES FOR THE LEAFLET

In order to have the Leaflet mailed to each of you every week, it is necessary to give the copy to the printer on Mondays. This means, for example, that notices for the week of 20-26 May must be prepared on Monday, 14 May.

The Leaflet is for your use; if you will let the Office know of notices you wish inserted *two weeks ahead*, your announcements can be printed.

WOMEN OF SAINT MARY'S

The Aid and the Woman's Auxiliary of Saint Mary's will have their regular third-Tuesday-in-the-Month meeting on Tuesday of this week, 15 May, beginning at 2.00 P. M.

All women are invited and urged to attend this meeting, and to take part in the all-important projects of the groups.

COMING EVENT: THE STRAWBERRY FESTIVAL

5.30 P. M., Thursday, 7 June, in the Church Yard. This will be the first Parish Supper in some time, and you should save the date. There will be strawberries and ice cream, as well as a supper, with tables for bridge for those who desire.

RATION POINTS AND COUPONS

We could have more Parish get-togethers, but for the difficulties of rationing. It may be that some of you could spare a few blue or red points or a sugar coupon, in order to build up a reserve of rationed foods for Parish uses.

If you find that you can assist in this, please notify the Rector.

SILVER BOX FOR ALTAR BREADS

We possess two large Altar Bread cannisters, but no small one. For week-day services, a much smaller one would be most helpful and convenient. Even with the shortages of silver items, such a Box is to be had at the present moment.

Would someone care to contribute between ten and fifteen dollars, to provide a permanent memorial for the use of all of us?

NEW MISSALS FOR THE HIGH ALTAR AND FOR SAINT PHILIP'S CHAPEL

Both of these needed Missals have been given or promised. They will be ready for use in a short time.

ALTAR GUILD NOTES

Members on duty during May are Mrs. John Zebley and Miss Cora Watkins.

If you know of those to whom Altar flowers might well be taken, please consult with Mrs. Albert Pearson (BAR 3156).

Regular meeting of the Altar Guild, Monday, 14 May, 8.00 P. M.

NOTES FROM THE RECTOR

RIISING FOR HYMNS AND CANTICLES

As I explained to you last Sunday, it is most helpful to have the Congregation arise for Hymns and Canticles, as soon as the Organist begins to play them through. Let us, therefore, make it our general practice to do this.

THE DECALOGUE AND THE EXHORTATION

There are two rubrics in the Book of Common Prayer which we have been ignoring: at the bottom of page 67, and at the middle of page 85. Beginning next Sunday (Trinity Sunday), we shall abide by them.

On the *last* Sunday of each month, at the Eucharist at 8.00 o'clock, we shall have the full recitation of the Decalogue (the Ten Commandments), with their responses (pages 68 and 69); between the Prayer for Christ's Church and the short Exhortation (page 75), I shall read the Exhortation appointed on pages 85 and 86.

Many of you will remember that before the Prayer Book was revised in 1928, this Exhortation was printed in its proper sequence in the Service, and was, therefore, more widely used; it was formerly appointed to be used once each month.

THE USE OF COPEs IN THE PARISH

You will notice at the 11.00 o'clock Eucharist this morning what a truly handsome Red Cope we have for our use.

We have located sufficient silk brocade, in precisely the same pattern, for a White Cope. Probably many of you would like to have a part in providing the funds for this item. We have already received one contribution.

MEN IN SERVICE FROM THE PARISH

I am still trying to provide myself with a complete mailing list for those on our Honor Roll. Thus far, I have the twenty-two names printed in the Leaflet two weeks ago.

At this writing (Monday morning, 14 May), I have received the addresses (or the promise that they will be sent to me) of the following additional names, to be added:

H. Farnan Bleakney
Granville Munson
William R. Neff, Jr.
Benjamin VanRensler
A. Sidney Williams, Jr.
Frank T. Woodrow

I should be most pleased to have military addresses for any others you believe should be added to our list of War Prayers.

Lord, let thy Spirit, from earthly passion weaning,
Lead me along thy will's all-holy way;
To find by faith on Jesus' bosom leaning,
'Mid trial, doubt and need, in him my stay.

Lord, let thy Spirit, thy Word's deep wealth unsealing,
Lighten mine eyes with truth's celestial fire;
In life, in death, the narrow path revealing
Towards the promised land of our desire.

Lord, let thy Spirit, new love, new life bestowing,
Create a holy heart my breast within;
That I, unto my Saviour's likeness growing,
May bear his image through a world of sin.

Lord, let thy Spirit, each idol form down tearing,
Cast from my soul the thoughts, the sins that stain;
Within those walls a temple meet preparing,
Where Jesus evermore may dwell and reign.

MEMORIAL FLOWERS

There are a number of open dates in our Altar Flower Kalendar. The Altar Guild has been supplying flowers on these dates, but this depletes the treasury of the organization. Furthermore, this is a splendid way for some of you to memorialize your departed: by taking dates for flowers.

Please 'phone Mrs. Pearson (BAR 3156) to make arrangements for the Flower Kalendar.

A NATIONAL FLAG FOR THE CHURCH

As doubtless you noticed last Sunday, when we faced the Flag as we sang "The Star-Spangled Banner", we are badly in need of a new flag for the Church. The present one is not only badly soiled, but also seriously riddled with holes from age.

If we can have a new flag, we can display it in a more prominent place, and we can be proud to have it so. In these days of strong national feeling, we think more of our flag than in some days.

A good flag would cost about twenty-five dollars. Quite possibly there is someone who would like to present it as a memorial.

PERSONAL WORD FROM THE RECTOR

The Service of Institution on 24 April was a delightful experience. I feel definitely that I am truly your "Priest and Rector" now.

The Reception which followed was most attractively arranged and conducted. Mrs. Smith and I thank you deeply and sincerely for the reception and for the kindness which inspired it.

RECONSTRUCTION AND ADVANCE FUND

The General Convention in session in Cleveland, realizing the tremendous task of reconstruction facing us as the war draws to its close, acting through the National Council, has called upon all of us for assistance in this tremendous undertaking.

As the military aspect of the war is narrowed down to a smaller and smaller theater of activity, and more and more of the earth's surface is liberated for the normal uses of civilization, there arises one of the greatest challenges the Christian Church has ever been called upon to face.

As our enemy is driven back, we find that he has destroyed completely everything in the country over which he travels and fights. In the Philippines, every Church property, Church mission, home, dormitory, hospital—has been wantonly destroyed or damaged beyond any possibility of repair. All of this must be rebuilt. Hence we are called upon to produce a fund for *reconstruction*.

You can easily picture the condition that will face us when we liberate the sections of China occupied by that same enemy now. It will be the same story over again, magnified. That is the part to be taken care of by *advance* funds of this same call.

In this program will also be included some very necessary work in other countries directly or indirectly affected by the war. This work will be done in Liberia, certain sections of South America, and among the colored people in the United States.

The Christian Church has never yet failed to meet the call of Christianity. We must not fail now in this, the greatest of our challenges. We *will* not fail, if each does his part.

SHUT-INS' DAY

Next Sunday, 3 June, which is being observed as Shut-Ins' Day, the members of the Congregation are urged to mark the occasion by visiting, or by sending greetings, to their shut-in friends.

STRAWBERRY FESTIVAL

The women of Saint Mary's, under the general chairmanship of Mrs. H. R. Dickens, are presenting a Parish "get-together" in the form of a Strawberry Festival, in the Church Yard on Thursday of next week, 7 June.

This is to be an occasion to meet, visit, and entertain our friends. Starting at 5.30 P. M., and extending to 8.00 P. M., there will be refreshments, including a supper, together with other attractions. Tables will be arranged for those who care to play bridge. The men are taking an active part in this evening's plans; they have an interesting item to present to you.

Contributions are one dollar, which includes the supper.

NOTES FROM THE RECTOR

THE "LONG" EXHORTATION

In last week's Leaflet, I made a slight misstatement. You will recall that I informed you that on the *last* Sunday of each month, we shall use the Decalogue (Ten Commandments) with responses at the 8.00 A. M. Eucharist.

The Exhortation on page 85 *should* have been announced for use on the Sundays which the rubric requires, and not each month.

Today, Trinity Sunday, at 8.00 A. M. we shall be having the Decalogue *and* the Exhortation.

THANKS FOR YOUR RAPID RESPONSE TO APPEALS

Recently I have asked for many things for the Parish. I am happy to state that many of you have responded to these requests. We now have in hand the two new Missals, the silver Bread Box, some ration points for a Parish fund, and the promise of a new American Flag; furthermore, you have been very quick to understand the value of rising at once when the Organist gives out Hymns and Canticles.

For all of these, I thank you kindly.

FLOWERS and GREENS

Flowers and greens in the Church for Christmas-tide are given in loving memory of

Isabelle M. Knotwell—Edward Quincy Everett—Robert French—Helen Carter Leidy—Aglæ Bache—Helen Williams—David and Catherine Hume—William and Alice Hulme and daughters—Thomas O. Mitchell—Sarah Roan Lewis—Edward Richardson—William C. Farr—Margaret and Anna—Lyle Jay Perkins—Kate Northmore—William and Elizabeth Schafer and their daughters, Kate and Dora—Lloyd D. Jefferson—and others.

May they rest in Peace . . . Let Light Perpetual shine upon them, O Lord!

Many other members and friends of this Parish also contributed to the provision of flowers and greens, as well as those who gave some in memory of those named above.

OFFERTORY CAROLS

SLUMBER SONG OF THE INFANT JESUS (Gevaert)

'Mid ox and ass in humble shed,
Sleep, sleep, in Thy lowly bed:
Heavenly Cherubim, shining Seraphim
Hover all above, around the Lord of
Love.
Sleep, King of Angels, Sleep!

'Mid lilies pure and roses red,
Sleep, sleep, in Thy lowly bed:
Heavenly Cherubim, etc.

'Mid gentle shepherds, worship-led,
Sleep, sleep, in Thy lowly bed:
Heavenly Cherubim, etc.

IN BETH'EM'S MANGER LOWLY (Traditional XVI Century, arranged by Dickinson)

In Beth'lem's manger lowly,
There lies a little Child,
All fair and sweet and holy,
The Saviour undefiled.
Jesus! Saviour!

I choose Thine own to be.

The shepherds poor adore Thee;
Great kings bring tribute rare:
I lay my heart before Thee,
Thou Child beyond compare.
Jesus! Saviour!

Thy Child beyond compare!

We come to Thee, Lord Jesus;
Our hopes and joy Thou art.
From sin Thou wilt release us,
And comfort ev'ry heart.
Jesus! Saviour!

Now comfort ev'ry heart.

LONG YEARS AGO IN BETHLEHEM (From Tyrol, arranged by Elmore)

Long years ago in Bethlehem,
There was a sight, 'tis told:
The gates of heaven did open wide
For humans to behold.
God's little angels, boys and girls,
All played and danced in leaps and whirls.
The Infant Christ in manger lay
On earth below.
As children should, they worshipped Him,
His face with smile aglow:
Gloria in excelsis Deo!

Now let us follow yon bright star,
That wonder for to see.
Go pack your knapsack, get your lamp,
For dark the road may be.
You take your gift, and I my sheep;
We'll run and sing; the lamb will bleat.
We must away and linger not
This joyous night.
The little Babe, and Mary too,
Are such a holy sight.

What shall we do when Him we see
A-lying in the hay?
We'll kneel and worship Him as Lord,
And then our prayers we'll say.
You give your lamp, for oft the road
Will be His only earth's abode;
And I my sheep to Him must give—
Our Shepherd He.
And both of us He's sure to bless:
From sin, all children free.
Gloria in excelsis Deo!

PARISH NOTES

WEEKDAY SERVICE

Celebration of the Holy Eucharist, Friday (Conversion of Saint Paul), at 8:00 A. M.

VOLUNTEERS FOR OUR CHOIR

Perhaps you have heard that volunteers are to be added to our Choir. This is an invitation to any who attend this Church and who can sing reasonably well to join. There are already some members of the University Choral Society who plan to be with us, as well as some recruits from the Young People who meet in our Parish House on Sunday evenings; you may have noticed the recent advertisement in the *Evening Bulletin*, inviting interested people throughout the city. Present indications are that we shall obtain a suitable group to sing with the regular members of the Choir.

If you sang in the Choir "back home", or if you used to be in a Choir here at Saint Mary's, why not be at home, and sing with us now?

Remember: any member or friend of Saint Mary's is invited to join. The first meeting will be a get-together rehearsal tomorrow night (Monday, 21 January), in the Parish House, at 8:00 o'clock.

INQUIRERS' CLASS

Beginning next Sunday, 27 January, the Rector will conduct a series of classes for those who would like to learn more about the Episcopal Church. To these are invited any who may desire to be prepared for Confirmation; those previously confirmed who feel the need for a "refresher course" are invited, as well.

You should feel free to invite to these meetings any persons you may know who would find either of the above definitions applicable; in particular, you should inform the Rector of any whom you have approached on the matter of Confirmation in this year's class (which will be confirmed on 25 March).

The classes will be in the Church, starting at 4:00 P. M., for several successive Sundays, starting 27 January.

UNITED NATIONS CLOTHING DRIVE

Articles of clothing suitable for use in this well-publicised drive may be brought to the Parish House (*not* the Rectory, please!), whence they will be delivered to the proper agency. As you well know, this is an urgent need in rebuilding our world.

PARISH NOTES

WORK AMONG YOUNG PEOPLE IN THIS PARISH

Several statements have appeared in these pages regarding the Sunday evening group already in operation, and regarding a 'teen-age group soon to be initiated. If, as the reputed saying goes, repetition makes for emphasis, your Rector sincerely hopes that these mentions have established the matter in your minds.

We have a work to do—a work which builds for the future of this Parish. The handful of you who have so generously helped with the Sunday evening group will testify that it is a most pleasant sort of work. And, as you already know fully, it is that in which you have a real part which holds attraction for you.

For the maintenance of the Sunday evening work among older Young People (18 years and upward), we need:

Volunteer couples to exert general oversight on specific Sundays each month.

Volunteers to procure, prepare, and serve the simple foods at the snack-bar.

Cash contributors, to the extent of about \$150 for the year. These are needs already in existence. As your Rector sets about plans for a Friday evening group for 'Teen-Age Young People (13-18 years), he needs:

A volunteer couple to act as official Advisors. This couple would find great joy in leading these young folks.

Cash contributors, to assist in setting up a simple snack-bar for the group. The amount of money needed cannot be determined until the project is actually under way.

Suggestions from Parish people in general on the matter of program for the group.

This entire field of work among Young People is a vital and critical need for the Parish. We can no longer neglect the youth, if we expect the Parish to flourish.

Some of you will be drafted for certain of these needs; all of you are invited to take part.

What can and will YOU do???

PARISH DIRECTORY

At the Church door are available for all who care to have them, copies of a Parish Directory. Please take a copy home, and keep it near your desk. You can save yourself a great deal of bother in this way.

The response to the plea for additional singers has been gratifying. There is, however, room for a few more. If you like to sing, and can be here for Friday evening rehearsals and for Christmas Eve, won't you *please* volunteer your services for this special occasion? (This is the last week in which additional voices can be admitted to the Choir—so *hurry!*)

THE FIRST SUNDAY OF A NEW YEAR

As we enter together upon the work of another year added to our lives, please allow me to extend to all of you my most cordial good wishes. I mean these to be for you personally, as well as for us collectively in the Parish.

As separate souls in the hand of God, we have many tasks ahead in 1947, and with His guidance, we shall achieve them. As a Parish, we have His work to accomplish, and under His leadership, we shall attain to those ends He wishes.

May God bless you and us with His fullest blessings in 1947!

Faithfully your Rector,

WILLIAM X SMITH.

Thursday, 9 January: Celebration of the Holy Eucharist, 7:30 A. M.

Sunday, 12 January: Regular schedule of Services.

Older Young People, Parish House, 6:00-8:00 P. M.

A PERSONAL WORD OF THANKS from the Rector

Many of you extended to Mrs. Smith and me your greetings at Christmas time, both in word and by mail. We thank you kindly for these.

There were several of you, as well, without whose willing aid we could scarcely have had a Christmas Festival in the Church as we did: those who contributed toward greens and flowers, those women who worked so hard to arrange all things for Services; the men and boys who labored with the decorations; the acolytes who manned the Services so ably—all in addition to the regular Staff members. To all these, my heart-felt thanks. . . .

WELCOME TO NEWCOMERS AND STRANGERS

We are delighted to have you with us, as together we worship the one true God—both now in the Eastertide season, and at all other times, as well.

Please let the Rector have your name and address (on a yellow card at the rear of the Church) before you leave today: *and come again!*

THE ANNUNCIATION—one of Saint Mary's own days

Because the day the Prayer Book calls "The Annunciation of the blessed Virgin Mary" came this year in Holy Week, it has been transferred to *Monday, 5 April*. There will be a Celebration of the Holy Eucharist at the High Altar at 10:00 A. M. This is one of the days devoted to our Parish name-Saint, and we have special vestments in her color (blue) for the occasion.

ALTAR GUILD SPECIAL OFFERING

Many of you do not have regular offering envelopes, and do not, therefore, know about the special offering for the Altar Guild on the Feast of the Annunciation.

Your financial assistance for the Altar Guild is solicited. As you know, the Guild depends upon offerings alone for its finances, and does not conduct money-raising affairs. Recently, a large expenditure was made, to supply the various candles used in the Church for the next year.

Don't you want to help the Altar Guild? Place your contribution in the alms basons, or hand to the Rector, marked in either case for the Altar Guild.

LENTEN MITE BOXES

Your Mite Box or your Mite Box Offering should be turned in at the Church as soon as possible. This Offering helps our Parish to meet its missionary quota, as you well know.

ADVANCE NOTICE OF FUTURE EVENTS

Wanamaker's Organ Recital, Wednesday, 14 April: Our Organist, Mr. Teague, will be guest recitalist at 11:15 A. M. The organ in the Grand Court of the Wanamaker Store is considered the world's largest. Many of you will wish to hear Mr. Teague play there.

Movie program, 16 April: Two feature films, "Ski Chase" and "Wings Over Ireland," as well as cartoon comedies, will be shown in the Parish House at 8:00 P. M. This hour-and-a-half-show, and the refreshments to follow, are presented to you by the Men's Club. For all this, the Club asks that you donate thirty-five cents each person.

Organ Recital at Saint Mary's, Sunday, 18 April: It has been the personal custom for our Organist and Choirmaster, Mr. Teague, to play an organ recital each year in the Church where he is Organist. Two weeks from today, 4:30 P. M. is the date you should save now—and speak about it to your friends who are interested in good organ music.

THE UNITED THANK OFFERING—1948

THE UNITED THANK OFFERING, as everyone knows, is an offering from the women of the Church, old and young, rich and poor, professional and business women, wives and mothers, women living in large cities, or small towns, or isolated places—and so it is potentially an offering from all Churchwomen everywhere, as a thanksgiving for all of God's gifts so freely bestowed on us, for life, and health, and safety.

THE SPRING PRESENTATION SERVICE will take place on Thursday, 13 May, at 10:30 A. M. in the Church of the Holy Apostles and The Mediator, 51st and Spruce Streets. The Preacher will be the Rt. Rev. John B. Bentley, D.D., who recently resigned as Bishop of Alaska to take up the mission work of the National Council and of the Overseas Department. The Celebrant will be the Rt. Rev. Oliver J. Hart, Bishop of Pennsylvania.

ALL WOMEN of the Church are invited and *urged* to attend.

Place your offering in the alms basin; or give it to the Rector; or give to Miss Nina Lackenbacher, (The Fairfax, 43rd and Locust Streets, Philadelphia 4). Please use the special blue envelope, or mark your offering plainly for The United Thank Offering. Checks should be drawn to the U.T.O.

Your offering should be turned in on or before Sunday, 9 May, 1948.

NOTES ON TODAY'S MUSIC

While Leopold Stokowski was organist and Choirmaster at Saint Bartholomew's Church in New York, he wrote today's setting of the *Benedicite, omnia opera Domini*. In a "free chant" style, he achieves striking effects by telescoping the beginning of a new verse on top of the one being sung; at the same time this creates harmonious tension and resolution. Do follow the words in your Prayer Book on pages 11-13, so that when next this Canticle is scheduled, you may take an active part.

The *anthem* is by the present Organist-Director at New York's Cathedral of Saint John the Divine. This Composition, published in 1946 and dedicated to Bishop Manning, has several parts: a quiet recitative sung in unison, a middle section of praise, a return to the recitative, and an Alleluia Amen conclusion.

THE PARISH ALTAR GUILD

As noted above in the Kalendar, the regular meeting comes on Monday evening. All women and girls of the Parish are most cordially invited to attend the meeting, and to enter into the activities of the Guild.

Volunteers are especially needed for the Brass Polishing groups (both morning and evening), and also for the regular Saturday work of preparing and tending the Altars.

NEXT SUNDAY—WHITSUNDAY

Another of the great Festivals of the Church Year comes next Sunday. You will surely wish without fail to plan to be in your Parish Church to observe the Birthday of the Church, and to call to mind the great Coming of the Holy Ghost on Pentecost.

BENEFIT CARD PARTY—THE HOUSE OF REST FOR THE AGED

WELCOME

We of Saint Mary's Church, Hamilton Village, are highly pleased to have newcomers and visitors join us in our worship of Almighty God.

We trust, however, that you will not feel yourself a "stranger" after your first visit among us; we want you to count yourself as a friend in and of the Parish.

In order that we may the more quickly come to know you, please write your name and address on one of the yellow cards to be found at the rear of the Church; hand the card to someone at the door when you leave, or give it to one of the ushers, or place it in the alms basin.

Above all else, do come again!

SPEAKING OF ANNIVERSARIES...

Several Parishes in this city have recently been observing anniversaries of their founding. Did you know that we shall soon be starting our *one hundred twenty-fifth year*, here at Saint Mary's Church, Hamilton Village?

The cornerstone of the original building on this site was laid in 1824. This Parish pioneered in the part of the countryside which was originally known as *Hamiltonville*—hence our Parish name!

WELCOME TO NEWCOMERS AND STRANGERS

The Rector and people of Saint Mary's Church are always happy to have new friends...and we count ourselves doubly fortunate, if we may truly call you *friends*. To help in this, please let us have your name and address before you leave the Church today.

TIME FOR PENCE CANS

Please bring them with you to Church on Sunday, 30 May (today), or Sunday, 6 June (next Sunday).

If some of you have not used these Pence Cans, the Parish Office will gladly supply you with one, and explain its use.

SOME PARISH ACTIVITY NOTES

Since this is the last regular issue of the weekly Leaflet until the fall, the following items are brought to your attention; some are for the near future, and some for the more remote future:

The Church School, with classes for pre-school age beginners, will continue its sessions at 11:00 A. M. through Sunday, 6 June. Everyone on the staff and in the classes will then take a vacation until Sunday, 10 October.

The Women of Saint Mary's will hold the *Spring Festival* on Thursday, 10 June, in the Parish House. A cold supper, strawberries, and ice cream will be served, from 5:00 to 7:30 P. M. Please make reservations (at one dollar) not later than Monday, 7 June, with Miss Ethel Pancoast, 1042 South 51st Street, zone 43 (BE 6-3025). Only those with reservations by that date can be served.

The Men's Club is making full plans for next fall and winter, starting off with an all-boys-and-men dinner in October. All boys and men are urged to attend the final meeting of this spring on Tuesday, 15 June, 8:00 P. M., in the Parish House.

The last meeting of the season for the *Women of Saint Mary's* will come at 2:00 P. M., in the Parish House, on Tuesday, 15 June. Tea will be served after the meeting; all women are invited.

The Annual Bazaar comes in the early part of December, with the exact date to be announced later. Please keep this event in mind during summer vacation time, and start planning and working for this Parish-wide event.

DID YOU KNOW???

That when this Parish was established in the country west of the Schuylkill River, it was begun as a summer chapel for people who were living "out of town" for a part of the year, to escape the heat of the city???

That the work of the Church was so well established here by 1824 that a name was chosen even before the name for the political area had been determined???

That as a consequence, this Parish took the name "Hamilton Villiage," since it appeared that that name was to prevail, instead of the later "West Philadelphia"???

That in July of 1824 the cornerstone of the original Saint Mary's Church was laid???

KALENDAR FOR THE WEEK

(Unless otherwise noted, Services are in the Church, meetings in the Parish House.)

Sunday, 23 May: Regular schedule of Services, as in this Leaflet.

THIS AFTERNOON'S MUSIC—*L'Enfant Prodigue*

You will, of course, want to avail yourself of the unusual opportunity of hearing our own Organist, Soloists, and Choir in the presentation of the lovely "Prodigal Son," by Debussy.

These people have been working hard on this program, and they are depending upon *you* to provide the sort of audience which gives any public performer the added impetus to bring out his best.

As you know, the Choir has long needed new cottas; this program is being presented as a means of adding to the slowly growing fund for this essential replacement need.

Your presence is desired, therefore, this afternoon, and also your generous financial support... *but be sure to be here at 4:30!*

THIS WEEKLY LEAFLET

Next Sunday's will be the last regular issue of the Leaflet until the autumn. If there are announcements which should be printed in that issue, be sure to let the Rector have them not later than noon today (Sunday, 23 May)—and earlier, if possible. We expect to carry on with mimeographed Service sheets during the summer weeks and months, but these will not be mailed out to our Parish list each week.

A THOUGHT FROM THE LEAFLET OF A NEARBY PARISH

Your absence from Sunday worship
...discredits your Saviour
...weakens your Church
...disheartens your fellow-members
hurts those outside the fold
discourages your clergy
...and...
...damages your personality

WELCOME

We of Saint Mary's Church are happy to have newcomers and strangers with us, as we worship Almighty God. We hope and pray, however, that you will be a newcomer only the first time, and that we may make you feel so much at home that you will wish to be with us again, and soon.

Please let the Rector have a notation of your name and address, before you leave the Church today.

KALENDAR FOR THE WEEK

(Unless otherwise noted, Services are in the Church, meetings in the Parish House.)

Sunday, 25 April: Regular schedule of Services, as in this Leaflet.

11:00 A. M., Beginners' Departments of the Church School.

Friday, 7:30 P. M., Parish Choir rehearsal. All who are interested in singing are invited to attend.

Sunday, 2 May: The Holy Eucharist at 8:00 and at 11:00 A. M., Church School (Beginners) at 11:00 A. M.

SUNDAY NIGHT OPEN HOUSE

These informal gatherings are now discontinued, until the fall. With better weather, young people naturally wish to engage in more and more outdoor activities, and the need for our "open house" is past.

During most of this season now ending, invaluable aid in arranging for food each week has been given by Miss Dorothy Sheip, of this Parish.

Further information about this activity may be had from Miss Sheip, or from Miss Ellen Hutchinson, or from Mr. George Geller—or from the Rector.

REMINDER TO ALL WOMEN OF THE PARISH

Miss Nina Lackenbacher, of this Parish, asks that all women of the Parish be reminded that the Spring Presentation of the United Thank Offering (affectionately known as the U. T. O.) comes in a little over two weeks.

Keep in mind the splendid work done by the U.T.O.—largely a work which no other Church agency could manage to undertake. Remember the many things for which you should give thanks in a concrete way.

More information will appear in this Leaflet next week.

LENTEN OFFERING: MITE BOXES

Please take note that Mite Boxes and Mite Box offerings should be turned in at once. The Rector is anxious to have a complete report ready within the next few days.

If you have a Mite Box which you have forgotten to bring, write yourself a note, or tie a string around your finger: but *don't forget!*

EXCERPTS FROM A GENERAL PARISH LETTER, April, 1948

...About two months ago, the boiler and most of the heating system in the Church completely failed. Heat was urgently needed to conduct our worship in the Church and our activities in the Parish House. The boiler had to be completely rebuilt, many radiators had to be replaced, and automatic safety controls had to be replaced and new ones added. At a cost of \$1,499.71, heat was restored to our Church and Parish House.

As if this misfortune were not enough, the repairs to the Church had just been completed, when the boiler in the Rectory literally exploded. It was completely destroyed. Fortunately, no one was injured. But heat was required in the Rectory, just as it is required in your home, and a new boiler was installed at a cost of \$1,234.05.

You will recall that our Budget for 1948 contained items for repairs to the Church of \$1,000.00, and repairs to the Rectory of \$200.00. These amounts, based on past experience, are what we expect to pay for a normal, day-to-day upkeep of our property—not for large emergency expenses.

...You can see that we must raise a special emergency fund to pay for these two necessary and unexpected expenses. A total of \$2,733.76 must be raised promptly, and *in addition to* our regular contributions. Our heating contractors have done the work we so urgently needed, and have sent us their bills, which are now past due.

We all share in the Worship of God at Saint Mary's, and we all share in other related activities at Saint Mary's, and for practical reasons we want to be warm at the same time.

We all must accept responsibility to support this worship and these activities, and we must therefore all dig deep and pay this unusual and utterly necessary bill.

...This is a financial emergency for our Church, and emergency action is the only solution. We know that sacrifices will be required of us all, and we feel sure that you will gladly sacrifice to come to the aid of your Church.

Faithfully yours,

THE VESTRY

The interests of the group are many and varied, and the women do an invaluable work for the Parish. All women are invited to the meeting.

A MUSICAL REMINDER FOR NEXT SUNDAY

Please keep free of engagements for next Sunday afternoon, 18 April, to take advantage of the following:

At 4:30 o'clock, Mr. Teague will present to you and your friends his annual Organ Recital, here in Saint Mary's. The American Guild of Organists has chosen this Sunday for special musical observances, and it is in honor of that Guild that the recital has been set for next week.

MUSIC NOTES FOR TODAY

Of particular interest in the musical portion of our Service is the return of the *Te Deum laudamus* and the *Jubilate Deo*, both of which have been omitted since before Lent began. The *Te Deum* will be sung as a three-part song form—that is: A-B-A. Verses 1-6 are sung to a setting by Mr. Monk; verses 7-12 are to music by Mr. Croft; verses 13-end are sung again to Mr. Monk's tune. By dividing the chant in this manner, musical contrast and a feeling of relief are achieved.

The *Jubilate Deo* is the sprightly and appropriate setting by Mr. Richard Purvis, Organist and Choirmaster at Grace Cathedral in San Francisco. This setting was written while he was Director of Music at the Episcopal Academy in Overbrook, and it is dedicated to the Choir of the Academy. The music is sung in unison, and expresses the true feeling of rejoicing in the *Jubilate*.

MITE BOXES

Remember to bring your Mite Box to the Church as soon as you can do so, in order that you may take part in meeting our Missions Quota. As you prefer, you may present your Offering in cash or by check, indicating for what purpose it is intended.

VESTRY ELECTION RESULTS

The following members of the Parish were elected to the Vestry, to serve until Eastertide, 1951: Messrs. William P. Cheadle, William T. Hogan, Alexander D. Horn, and Harry R. Spencer.

Those still serving unexpired terms are: Messrs. Robert J. Bennett, H. Lamar Crosby, George L. Harvey, Jr., David A. Horn, Lee P. Kinkade, Mortimer R. Myers, William I. Rutter, Jr., and John H. Zebley, Jr.

The Rector has appointed Mr. Bennett to be *Senior Warden*.

The Vestry has elected Mr. A. D. Horn to be *Junior Warden*; Mr. Rutter to be *President of the Corporation*; Mr. Spencer to be *Secretary*; Mr. Zebley to be *Treasurer*; and Mr. Myers to be *Assistant Treasurer*.

The Committees concerned have named Mr. Harvey to be *Chairman of the Finance Committee*, and Mr. Hogan to be *Chairman of the Committee on Church Property*.

This Parish-wide event is scheduled for next week, with Mrs. A. D. Horn, 4633 Locust Street, zone 39 (SH 7-3093) in charge of arrangements.

Dear Ones departed this life

WELCOME TO NEWCOMERS AND STRANGERS

We are happy to have you join us in our Palm Sunday worship of God; we shall be pleased to have you with us at other times, as well.

Please let the Rector have your name and address, on a yellow card at the rear of the Church, before you leave the Church today.

THE PALMS: their proper use and disposition

As you take home a bit of palm today, please remember that all these branches have been dedicated to God's use. A blessing has been asked on each of you as you carry a branch, with the palm itself as the "outward and visible sign" of that blessing.

You should, therefore, be careful about disposing of your bit of palm branch; proper final disposition is to burn it reverently.

A WEEK OF HIGH SPIRITUAL SIGNIFICANCE

This entire Holy Week is one of intensive preparation for Easter Day. (And *do* notice that the correct name is "Easter Day"; the other form is redundant and incorrect.)

Note the many Services offered to help you in your own preparation, particularly the Celebration of the Holy Eucharist on Thursday, the Preparation Service on Thursday evening, and the Three Hours' Devotion on Friday.

It is entirely possible for *every member of the Parish* to take part in at least one of these Services this week.

Note also that the Festival Procession on Easter Day is to be at 10:45 o'clock—fifteen minutes earlier than our usual hour of Service. You will wish to arrive earlier, then, next Sunday.

VESTRY ELECTION, Monday, 29 March

Full notice is posted on the Bulletin Board in the vestibule of the Church.

FOOD SALE (Women of Saint Mary's) ON EASTER EVEN

A sale of cakes and candy and other good foods will be offered to you on Saturday of this week, Easter Even.

Tea will be served... Come and visit with the others, and buy something for Easter.

Mrs. W. W. Leech is in charge of arrangements. She will welcome your donations for sale at the tables. (Please bring your foods early!)

The Cake and Food Sale *opens at 2:00 P. M.*

MITE BOXES

To avoid confusion, we suggest that you return your Boxes to the Church *after* Easter—preferably on Sunday, 4 April.

TODAY'S MUSIC

The Offertory Music this morning takes the form of a short Lenten Cantata, *The Last Supper*, by Eric Thiman. Some of the thematic material is derived from Plainsong sources, and use has been made of three German chorale melodies; the harmonization of these is by Mr. Thiman, with the exception of the last (the beautiful "Schmücke dich") which was harmonized by Johann Sebastian Bach.

PASSIONTIDE: see page 132 of your Prayer Book

Beginning with today, *the last two weeks* of Lent are called Passiontide—this week as well as Holy Week. In fact, you will notice that the Prayer Book provides the name of Passiontide, but does not mention the term Holy Week. In these two weeks, the color for the veiling of Crosses is the deep "Passiontide red"; certain minor changes are made in the regular Services of the Church; and our thoughts are particularly directed toward the sober events of the last days of our Saviour's life.

This is a period for intensive preparation for Easter.

ELECTION OF VESTRYMEN

Easter Monday, 29 March, is the day appointed by our Charter and By-Laws for the election of Vestrymen. You of the Parish may make nominations (inquire of the Rector for the procedure), not later than Thursday of this week, 18 March. Those nominated by the Vestry are on the official notice posted in the Church vestibule.

FLOWERS FOR EASTER

Tuesday of this week, 16 March, is the last day on which names may be added to the list for memorial flowers in the Easter Leaflet. Many of you have been waiting to turn in your cash contributions and your memorial names; please do not delay longer.

Present indications are that we shall be having very few flowers for Easter—since the Altar Guild can arrange to have only as many as you provide. The time to remember this matter is *now*.

MITE BOXES

These boxes, for self-denial offerings during Lent, are provided for your convenience, so that you may assist our Church School, and also that you may take part in this nation-wide project. In this Diocese, your offerings in Mite Boxes also assist in helping the Parish meet its own Missions Quota.

Kindly note that Mite Boxes should be turned in here at the Church *after Easter*. Ample reminders will be provided later—but kindly do not bring these boxes on Easter Day.

"EASTER DAY" and "HOLY THURSDAY"

While we are speaking of terminology, with mention of Passiontide and Holy Week, let it be noted also that the day to which we now look forward is properly and correctly called *Easter Day*. The very name "Easter" implies that it is a Sunday, and you will find that your Prayer Book is careful always to call it "*Easter Day*".

Farther...much farther...in the future is the day which is properly called "Holy Thursday", for you will observe that your Prayer Book in the Tables and Rules, speaks of "Holy Thursday, or the Ascension of our Lord..." The Thursday before Easter is *not* correctly called Holy Thursday: that is an entirely different day in the Church Kalendar.

A NEWLY HAND-LOOMED FAIR LINEN

On display at the rear of the Church today is a "fair white linen cloth" as the Prayer Book calls it in the rubric at the top of page 67. This cloth has been entirely hand-loomed by a member of this Parish, Mrs. H. L. Crosby.

The design, which is woven into the cloth, and not embroidered on it, was made by H. Lamar Crosby, Jr., and was adapted to this particular linen by Mrs. Crosby.

There are probably not a half-dozen Parishes in the country which can have hand-made linens, and we are deeply indebted to Mrs. Crosby for her many hours of loving labor. (She reported to the Rector that she spent one entire day, and completed six inches of it; the entire length is fifteen feet!)

This lovely piece—the second the donor has made for us—was blessed for Altar use on 22 February, and will be used at the High Altar on Easter Day.

THE FOURTH SUNDAY IN LENT...

This Sunday is widely known as "Mid-Lent", and also variously as "Refreshment Sunday" (from the Gospel for the day), and as "Mothering Sunday" (from the Epistle for the day).

In this last connection, the ancient custom of the British Church was for all people to attend the Services of their *mother* Church, and also to remember their own human mothers with gifts for the occasion. This is the Church Year's own *Mothers' Day*, which has been so observed for many centuries, long before the commercial day in May which has arisen recently. Your prayers are asked on this Sunday, then, for your home Parish Church, and also for your own mother—whether she be in this life or in the Life of the World to come.

TODAY'S MUSIC

"Blessed are they that mourn" are the opening words of the Offertory anthem this morning. The setting is taken from the famous *German Requiem* of Johannes Brahms.

The second anthem, to be sung during the Ablutions, is the beautiful "When Thou Art Near" of Bach, with the soaring soprano solo by Miss Helen Critch.

ALTAR GUILD MEETING: an invitation

Girls and women of the Parish are cordially invited to assist in the interesting work of the Altar Guild. The regular meetings are on the second Monday of each month; there is, therefore, an opportunity to start this work on Monday evening, at 8:00 o'clock.

THE RED CROSS DRIVE is all this month. Give!

SPECIAL MUSIC NEXT SUNDAY

As noted previously, on Passion Sunday we are to have a special musical presentation in our Church, by our own Organist and Choir: *The Last Supper*, a cantata by Eric Thiman.

You will wish to make definite plans to be present for this, next Sunday at 11:00 o'clock.

EASTER FLOWERS

Only a very few contributions have been received for Easter flowers. The Altar Guild can arrange to make the Church festive for Easter only so far as you, the people of the Parish, provide funds for flowers.

Please do not neglect this important matter.

If you wish to have names listed in the Easter Leaflet for memorials, such names (together with your contribution) must be in the hands of the Rector *not later than the end of next week.*

THE PRESIDING BISHOP'S APPEAL

It was gratifying to see as many people present as came to the 11:00 o'clock Service last Sunday to hear the Presiding Bishop's radio address. The experience proved two things: that our people will give a hearing to such an appeal, and also that we can arrange radio reception in the Church when it is advisable.

Your Rector made the following report to Bishop Hart last Monday, regarding the part taken by our people on the day of the radio appeal:

32 persons contributed in their own name	\$161.50
31 persons contributed in unmarked envelopes	23.51
3 persons pledged future contributions of	32.00

This makes a total of \$217.01, from 66 persons.

Since we are asked to urge *every person* to contribute whatever is possible, those of you who did not contribute, or who did not write your names on your contributions, will receive a further appeal by mail for assistance. The minimum amount we of this Parish are asked to give by October is \$750.00.

NOTE FOR ALL WOMEN

Next Sunday, 14 March, the Women of Saint Mary's (both afternoon and evening groups) will have a Corporate Communion at 8:00 A. M. All women are invited; a simple breakfast will be served afterward, for which reservations must be made *by Wednesday 10 March*, to Miss Alice Pancoast, 1042 South 51st Street, zone 43, BELgrade 6-3025.

LENTEN MITE BOXES

Many of you have taken Mite Boxes home with you, and by this Mid-Lent Sunday, they should be well filled. If you should need another, we still have some available for you.

This offering is sponsored by Church Schools throughout the country, and all money received is used to apply on our Parish Missions Quota. *Your* help is urged.

OUR MOST CORDIAL WELCOME

. . . . to newcomers and strangers among us, as we begin the new Christian Year on Advent Sunday, and at all other times, as well. Please let the Rector have your name and address on one of the yellow cards at the rear of the Church before you leave today.

KALENDAR FOR THE WEEK

(Unless otherwise noted, Services are in the Church, meetings in the Parish House.)

Sunday, 28 November: Regular schedule of Services, as in this Leaflet.

Sunday, 5 December: 8:00 and 11:00 A. M., Celebrations of the Holy Eucharist; 11:00 A. M., Nursery and Kindergarten Departments of the Church School; 6:00-8:00 P. M., Open House, older young people.

FLOWERS AND GREENS FOR CHRISTMAS

You are invited to share in providing festive decorations for the Church for Christmastide. Contributions in any amount may be handed to the Rector, together with names of any faithful departed whom you may wish to remember in this way; names will be listed in the Christmas Leaflet.

One of the usual observances of Advent is to refrain from having Altar flowers during the season; this is a helpful practice, since it makes our Christmas array the more welcome and festive appearing. You might be reminded, therefore, by the absence of flowers on these Sundays in Advent to assist in providing flowers and greens for Christmas itself!

THE EXHORTATION, Page 85

On this Sunday, the rubric provides that the so-called "long" Exhortation shall be used at the time of the Celebration of the Holy Eucharist. It will be used today, therefore, at the 8:00 o'clock Service, between the Prayer for the Whole State of Christ's Church and the Exhortation on page 75.

The notes of preparation and of Judgment are strong in this "long" Exhortation, and it suggests an outline for our own soul-preparation in the Advent Season.

ADVENT NOTE FOR YOUR PRIVATE DEVOTIONS

The Collect for every day in Advent, page 90, offers a splendid reminder of the notes of the Season: the First Coming and the Second Coming of the Lord. Your own preparation for Him will be much more helpful if you will use this prayer *daily*, throughout Advent.

Aney. Sergeant Hall, 34th and Chestnut Streets, zone 4.

THEOLOGICAL EDUCATION

On this Sunday nearest Saint Paul's Day, the Presiding Bishop and our own Bishop ask that we remember by prayer and gift the vastly important work of providing adequate educational facilities for young men preparing for the Sacred Ministry of the Church.

Your offerings, marked clearly as for Theological Education, should be handed or sent to the Rector. Since this Offering does not count on our Parish Missions Quota, the Rector will send money directly—half to the Philadelphia Divinity School, and half to his own school, Bexley Hall. (This division has been adopted by many Parishes in the Diocese.)

All eleven of our Church's Seminaries need your aid... We can at the very least lend a helping hand to two out of the eleven!

SOME OF THE BEGINNINGS OF THIS PARISH

For several years before 1817, occasional services were held in a village school house of the countryside west of the Schuylkill River. Later, services were conducted at a home at what is now Thirty-ninth and Chestnut Streets. In 1817 it was learned that William Hamilton, Esq. had left some land for the erection of an Episcopal Church; it is upon this property that Saint Mary's now stands. The section of the countryside was known as Hamilton (or Hamiltonville), and the Parish retains the name in its official title: Saint Mary's Church, *Hamilton Village*.

By 1824, about forty members had been connected with the work, and some \$2,000 raised for a building. In that year, *one hundred twenty-five years ago*, Bishop White, then in his seventy-eighth year, laid the cornerstone: this stone now lies in the pavement at the tower entrance to the Church.

If you have been here before, and if you are not actually on our Parish lists—have you ever filled out one of those yellow cards for us? If not, please do so *today*.

THE PRESENTATION...THE PURIFICATION

The full name for Wednesday of this week is to be found in your Prayer Book on page 231. Since this is one of the few days in the Christian Year when we call to mind our patron Saint for whom the Parish is named, it is a day of great importance to us. The Kalendar above indicates the hour of Service on Wednesday.

SOME FACTS ABOUT THE BIBLE

Since our Episcopal Church is based so completely upon the Holy Bible, and since there seemed great interest in certain facts about the Bible as presented by the Rector several weeks ago, certain of these items are given here for your guidance in understanding your Bible better:

The Bible contains 3,566,480 letters—810,697 words—31,175 verses—1,189 chapters—66 books, plus the Apocrypha.

The longest chapter is Psalm 119; the shortest chapter is Psalm 117. The longest verse is Esther 8:9; the shortest verse is Saint John 11:35.

The word "and" occurs 46,627 times; the word "Lord" appears 1,855 times. The Name of God is not mentioned at all in the Book of Esther.

All the letters of the English alphabet appear in Ezra 7:1.

Two chapters in the Old Testament are identical: Isaiah 37 and II Kings 19.

And did you ever notice that by counting the letters in the names of the two major parts of the Bible you can remember how many books in each? Old (3 letters) Testament (9 letters)—39 books; New (3 letters) Testament (9 letters)—27 books. Total, 39 and 27—66.

Unfortunately, the above statistics do not include the Apocrypha, from which some of our finest readings and certain Canticles are taken.

HIGH-LIGHTS FROM THE HISTORY OF THE PARISH

In 1824, *one hundred twenty-five years ago*, Bishop White laid the cornerstone of the original Church on our property on Locust Street.

Three years later, in 1827, the Church was consecrated, and the Parish admitted into union with the Convention of the Diocese. Of the one hundred sixty-odd Parishes of the Episcopal Church in Philadelphia County, fewer than a dozen are older than Saint Mary's, and no other now existing was established in West Philadelphia until nearly a score of years after 1827.

Since the work of the Parish was in the country, it was largely a summer congregation until 1837, when the first Rector was elected. The Parish advanced slowly but steadily, and in 1844 the Rev. Thomas C. Yarnall became Rector. He remained a full fifty-four years as Rector, until 1898. In 1894, at his Golden Jubilee, many of the furnishings now in use were presented to the Parish. After his retirement, Dr. Yarnall was Rector Emeritus until his death in 1911, at the age of ninety-six. To his devoted work is due in large measure the firm establishment of the Parish as it is today.

In 1846 the Church was enlarged; in 1850 the Rectory was built, with one of its rooms used for the Church School; in 1874 a separate building was erected to provide a Parish House; a fire in 1896 so damaged this building that another (the present) Parish House was erected.

The Parish had grown so much under Dr. Yarnall's Rectorship that a larger Church building was urgently needed before the original one had been in use more than fifty years. Largely because of what were called "Puseyite" sympathies at Saint Mary's, and as a result of the strong party feeling from the Oxford Revival in England, a number of families withdrew in 1855 and established another Parish less than a half dozen blocks away. Despite this loss of support, however, the Church building was far too small, and in 1871 plans were made for a new building. The cornerstone was laid in 1872, and the present Church consecrated in 1890; at that same time the High Altar was installed.

A CENTURY AND A QUARTER

In one hundred twenty-five years of constant witness for Christ in this community, this Parish has seen many people and events come and go. For example, has it ever occurred to you to compare our Parish history with that of the nation?

In 1824, when the cornerstone of the original Church building was laid, it was during the second administration of the Fifth President of the United States, James Monroe—the same Monroe of the now world-famous Monroe Doctrine.

Saint Mary's Church has stood firmly here, watching the passing scenes of the world, for all but the first forty-eight of the years of the existence of the United States. We have seen our nation grow, and pass through many crises. In these years, prayers have been offered in Saint Mary's Church for the Presidents of the United States, from that fifth one mentioned above up to the present thirty-third (or thirty-second, depending upon which counting you prefer).

Our Parish history has closely paralleled that of the nation, and we certainly have as good reason for proper pride as has the nation. But, as in every case, we have a responsibility for carrying on and for developing what the past has taught us.

One hundred twenty-five years! What of the next century and a quarter?

If you are not yet a working member of one or more of the various organisations of the Church, why not look into this group? Attend the meeting, and learn what you may do to be of help. Will you give the time? We need you!

This is to be in the form of a special Mexican Supper—enchiladas, frijoles, ensalada, tostadas, chilis, etc.—followed by the regular business session. Women of the Parish (particularly those who are employed during day-time hours) are invited to attend.

PRE-LENTEN SEASON (see your Prayer Book, page 118)

We now enter a short season of the Christian Year, the two and a half weeks of Pre-Lent. The liturgical color is violet; we do have flowers on the Altars, but we do not use either the *Te Deum laudamus* or the *Gloria in excelsis*; certain other slight adjustments are made, also.

This is our opportunity as mentioned in the Hymn (No. 235): "... three Sundays will prepare for the time of fast and prayer; that, with hearts made penitent, we may keep a faithful Lent..."

SPECIAL OFFERING FOR THE PARISH LEAFLET

You are invited to assist at this time of year with an extra offering to help defray the cost of this Leaflet. As has been pointed out to you before, while this publication is a valuable asset to our Parish program, it does add a substantial item to our budget.

Your help is invited, either through the special envelope in your packet of pledge envelopes, or through additional yellow envelopes. This offering may be placed in the regular offerings, or handed to the Rector, or turned in at the Parish Office.

OUR ONE HUNDRED TWENTY-FIFTH ANNIVERSARY

Plans are afoot for a gala celebration of the One Hundred Twenty-Fifth Anniversary of the Parish, with the main events to take place in the early fall of this year.

We must of necessity face the prospect of this celebration with the sober realisation that a proud and illustrious history lays serious responsibilities upon us—that we may prove worthy of the trust that those before us have put upon us. We are much more deeply obligated than we should be, were we answerable only to ourselves!

It is generally interesting to note what actual points of contact we have with past events; there are many patriotic groups whose origins look to the past history of the nation. In this Parish, we may well have the same concern with elements of continuity. While we naturally have no one available who was present in 1824 when the original cornerstone was laid at Saint Mary's Church, Hamilton Village, we do have at least two lines whereby we can trace our heritage:

We have one member of the Parish, now residing in Kirklyn, Upper Darby, who is a descendant of the William Hamilton, Esquire, who gave the land for the Church, and who is perpetuated in the name of the Parish.

We have two sisters, members of the Parish who still live within our community, who are able to remember having attended the Services of this Parish in the original building (begun in 1824 and replaced in 1872 by the present Church).

In these three ladies, we have that tie with the past which makes us aware of our responsibility to that past.

It may very well be that there are others with similar backgrounds in the history of this Parish, but these are the only ones known to your present Rector. Please inform the Rector of such facts as may be of assistance in making plans for our Anniversary.

CHURCH PUBLICATIONS

How many people of this Parish keep themselves informed as to the activities of our Church beyond Parish walls? That is an interesting and informative speculation.

For your basic and fundamental information, you should read regularly some one or more of the available publications intended to inform you. There are, for example, the one official Church monthly, *Forth*; and the unofficial national weeklies, *The Living Church* and *The Witness*; there is our valuable and helpful Diocesan monthly, *The Church News*; besides these, there are many others... Do you read any of them?

What we do in this Parish is important and urgent, but we must never lose sight of our proper place in the Church which is far greater than the mere limits of Saint Mary's Church, Hamilton Village!

Then, for your assistance in the life of devotion, how many of you use such helps as *Forward Day by Day*? Two years or more ago, every person on our mailing list was offered the opportunity to receive these regularly; less than one-fourth of the list asked to have this done. As we face Lent this year, what about planning your daily devotions around the Lent, 1949, *Forward Day by Day*—which begins with Ash Wednesday...???

A GUIDE TO CHRISTIAN LIVING

The above title is the name of a splendid little booklet on the Book of Common Prayer. The author, the late Dean of one of our Divinity Schools, so characterizes our Prayer Book.

The pamphlet is so helpful that your Rector feels its twenty-odd pages will be of assistance to you in a better understanding and appreciation of the Prayer Book. Next week a copy of this little illustrated treatise will accompany your mailed copy of the Leaflet.

The immediate reason for placing this in your hands is the coming 400th Anniversary of the Book of Common Prayer, for in June, 1549, the first complete English Book of Common Prayer came into official use. During this year, therefore, we should all spend time and effort at becoming better acquainted with this highly important Prayer Book of ours.

The word is included in the Leaflet this week, so that next week you may be somewhat prepared for the special booklet, "A Guide to Christian Living," by William Palmer Ladd.

THE CHURCH—HERE AND ELSEWHERE

In this year of 1949, when we are looking more and more at the history of this Parish and of the one hundred twenty-five years of its existence, our thoughts well turn to our relationship to the Church as a whole, both in these past years and for the future, as well.

A recent official publication of our National Council includes this pertinent paragraph:

"...The Church is no man-made institution, though much of its work depends on men energized by God's spirit. The Christian therefore will gladly give of himself, of his time, and of his means to further its mission. This giving will go far beyond the so-called generosity which starts only after all other demands have been met. He cannot enjoy in solitary isolation the spiritual riches he has received. Realizing the boundlessness of God's love, he recognizes no distinction between them that are far off and them that are nigh. By his enthusiasm and zeal, he seeks to draw others into the circle of Christ's followers, and to bring Christ to any who know Him not..."

On the basis of this simple but pungent statement of one of the responsibilities of our being in the Christian fellowship, how well do we stand the test?

Have we seen ourselves always in proper perspective? Have we taken into proper account the sobering facts that, as a Parish, we are just as important as the largest Parish in the nation—and also that, as a Parish, we are no more important than the most lowly individual member of our whole world-wide Church. Has lack of perspective allowed us to fall into the sin of acting as if the only thing that matters is what we can see here at home?

We have nearly one hundred twenty-five years of experience, and we may be perfectly certain God is expecting much of us in the actions of the future. With God's continuing help, we shall go ever forward!

10:00 A. M., Celebration of the Holy Eucharist.

At both Services, the Imposition of Ashes for those who so desire.

7:30 P. M., The Litany, the Penitential Office, and Address.

Among the Services listed above, it should be possible for every member of the Parish to begin Lent in this, his own Parish Church. Since, as the old adage states, "well begun is half done," then by all means take advantage of that good start on the very first day of Lent!

The devotional Address at the evening Service on Ash Wednesday will be a guide for your further observance of Lent, so that from the season you may obtain real help on your way toward a better understanding of God.

"A GUIDE TO CHRISTIAN LIVING"

As you were informed last week in advance, each person on our regular mailing list is receiving a copy of this most helpful pamphlet based on the Book of Common Prayer, as written by William Palmer Ladd, late Dean of the Berkeley Divinity School.

In this year of the 400th anniversary of the Prayer Book, it is well for you to inform yourself as fully as possible about that great treasury of devotion, both public and private. This little booklet should be of assistance to you.

And please note: If, after having looked at the pamphlet, you find it of value to yourself, put it with your own Prayer Book, so that you may refer to it again and again. (If, on the other hand, you do not plan to keep it, kindly send or bring it back to the Church, so that it may be placed in the hands of someone else.)

1824-1949

We have a Parish Anniversary during this year, since it was one hundred twenty-five years ago that the cornerstone was laid for the original Church building to serve the congregation of Saint Mary's Church, Hamilton Village.

This means, for example, that on Wednesday of this week we shall be taking part in the one hundred twenty-fifth Ash Wednesday which has been observed in this Parish! A Prayer Book four hundred years old has been in regular use for nearly one-third of its history, right here on Locust Street, in Saint Mary's Church...Think of the thousands and thousands of people who are together repeating those magnificent prayers from the Prayer Book with you, here in your Parish Church!

MAY WE—ALL OF US—KEEP A FAITHFUL LENT.

We are happy to have you with us, and we hope to be able to make you feel quite at home here. Do come again!

KALENDAR FOR THE WEEK

(Unless otherwise noted, Services are in the Church, meetings in the Parish House.)

Sunday, 6 March: Regular schedule of Services, as in this Leaflet.

11:00 A. M., Church School: Nursery and Kindergarten Departments.

6:00 P. M., Evening Prayer for college and university students.

Wednesday (*Ember Day*), 10:00 A. M., *Celebration of the Holy Eucharist*.

Friday, 7:30 P. M., Parish Choir rehearsal.

EASTER FLOWERS

This year, as in former years, you have an opportunity to help provide flowers for the Altars for Easter Day; let the absence of such decorations during Lent be your reminder.

There is no better time possible for remembering the faithful departed than on the Day of the Resurrection!

Hand or send your contributions to the Rector, with names to be remembered, either in full or (better yet) by Christian name alone.

EMBER DAYS—THIS WEEK

The Prayer Book provides that the Wednesday, Friday, and Saturday of the week following the first Sunday in Lent shall be observed as Ember Days, with prayers both public and private for the Sacred Ministry of the Church. You will find suitable prayers on pages 39, 40, and 260 in your Prayer Book.

SUNDAY EVENINGS FOR UNIVERSITY PEOPLE

Our Church's Chaplain at the Christian Association, the Rev. Allen F. Kremer, together with the Rector, are working out the details of a new cooperative move toward meeting the religious needs of Episcopal students on the campus of the University of Pennsylvania and on other nearby campuses.

During the month of March, this is to take the form of planned Sunday evenings, centering in our church and Parish House. There will be Evening Prayer and a short address in the Chapel at 6:00 o'clock; a light supper in the Parish House at 6:30; division into various "interest groups" after the supper.

While this is primarily for college and university people, older young people of the Parish are invited—provided they take part in the whole program. (For the present, this activity is to be limited strictly to young people of the groups indicated; later plans may include Parish people in general.)

THANKS FROM THE MEN'S CLUB

We wish to thank all those who contributed to and/or attended the Card Party on Tuesday evening, 22 February. This activity was a great success, for besides providing an enjoyable evening for those present, the party was the means of adding about seventy-five dollars to the treasury of the Club. (At present, the Men's Club is helping the Vestry to make needed physical improvements to our Parish property.)

A DATE TO SAVE—24 MARCH

The Women of Saint Mary's, in addition to their regular pledge for Parish support, have taken it upon themselves to raise money for some sorely needed steel folding chairs for the Parish House. This will certainly be welcome news to parishioners in general.

With this in mind, the women are serving on Thursday evening, 24 March, one of their delicious meals—this time to be a roast pork and sauerkraut dinner (with an additional vegetable for those who do not eat sauerkraut). The price will be one dollar, with all proceeds to go toward the Chair Fund.

No tickets are to be mailed. Please make reservations through Miss Ethel Pancoast, 1042 South 51st Street, zone 43, BELgrade 6-3025, or through the Parish Office.

LENTEN PROJECT BY THE ACOLYTES

As a Lenten activity, the Acolytes have begun a really different and unusual project. During the forty days of Lent, some member of the organization will call upon you to explain in detail how you can help them, and at the same time take part in the program of evangelism throughout the Church.

Watch for the one who will see you, and let him explain!

QUIET EVENING

At least during the time your present Rector has been in the Parish, there has not been a Parish-wide opportunity for men and women generally to take part in an evening of directed meditation.

Watch for next week's definite announcement of the date and hours for such a Quiet Evening, to be conducted by the Rector, during the week of 13 March.

OUR ONE HUNDRED TWENTY-FIFTH ANNIVERSARY

The general plan for the events of our Anniversary Celebration will soon be complete; you will receive ample information.

While the actual date is in July (the cornerstone was laid on 6 July, 1824), the Celebration will take place in October.

LENTEN QUIET EVENING: Tuesday of this week

At the joint request of the Men's Club and the Evening Branch of the Women of Saint Mary's, your Rector will conduct a Quiet Evening on Tuesday of this week, starting at 7:30 o'clock sharp, in the Church.

The time has been set so as to make it convenient for members and friends of the Parish—both men and women—to take advantage of this opportunity for quiet consideration of our devotional lives. It is entirely possible that some in the Parish have never taken part in such a time of quiet and meditation, to these, a most cordial invitation is extended.

"ONE GREAT HOUR" on Saturday, 26 March

This is advance notice, so that you may be sure to reserve the time between 10:00 and 11:00 P. M. on the last Saturday in March. At that time, more than twenty of the Christian bodies in the nation will join forces in presenting a great radio program over all four major networks. You will want to listen!

Our Church is leading the way in this project, and after last year's successful appeal from the Presiding Bishop, these other bodies are combining in our plans.

Further reminders will reach you before 26 March, but you should mark the date on your calendar *now*...

OUR ANNIVERSARY CELEBRATION

Please remember to inform the Rector about any possible matters having to do with the history of this Parish, during its one hundred twenty-five years. We want to gather together every available scrap of information, long before the actual celebration in October.

NEWS FROM THE WOMEN OF SAINT MARY'S

ALTAR GUILD MEETING

Monday evening, 8:00 o'clock. Women and girls of the Parish render a valuable service to the Parish in this group. Why don't you attend.

SAUERKRAUT SUPPER

Thursday, 24 March, 5:30-7:30 P. M. Make reservations now, with Miss Ethel C. Pancoast (Belgrade 6-3025), or through the Parish Secretary, Miss Bertha T. Walshe (9:00-12:00 A. M. any week-day), at one dollar each.

SEWING GROUP

These women did a great deal of work in preparation for the Bazaar last December, and now the organization is to resume meetings, starting at 10:00 A. M. on Tuesday of this week (15 March), to do other sewing needed in the Parish.

We wish to organize at this meeting, and we are sure much can be accomplished for the Parish, under the able leadership of Mrs. G. A. Benkhart, Chairman. Bring a light lunch, scissors, and thimble. Tea will be provided for the lunch.

To those who find it impossible or inconvenient to attend these meetings on the first and third Tuesdays of each month, but who wish to help in the work: send your name to the Parish Office, and we shall be glad to give you sewing work to do at home. To those who do not sew, but who wish to help: we should appreciate cash contributions to purchase supplies as needed.

SPECIAL SPEAKER AN OLD FRIEND

At the regular meeting, third Tuesday, on 15 March, there will be particular interest in having as speaker Mrs. Arthur H. Richardson; she grew up in this Parish, the daughter of Mrs. F. H. Lee, and is married to the son of the late George L. Richardson, former Rector of this Parish. The Rev. Arthur H. Richardson is at Brent School, Baguio, Philippine Islands.

We invite those who knew Mrs. Richardson as a girl in the Parish, and also those who have not had that privilege, to come to the meeting to hear of the work in Baguio. Following the meeting, there is a social hour, with a simple tea served.

EASTER BASKETS

Again this year, the Evening Branch members are taking orders for those beautiful hand-made concoctions that made such a big hit last year.

Remember to place your order at once, to avoid the last-minute rush. No; the price has not been increased, but is the same as last year—they are still just seventy-five cents each!

KALENDAR FOR THE WEEK

(Unless otherwise noted, Services are in the Church, meetings in the Parish House.)
Sunday, 20 March: Regular schedule of Services, as in this Leaflet.

11:00 A. M., Nursery and Kindergarten Departments, Church School.

6:00 P. M., Evening Prayer (college and university students).

Monday, 8:00 P. M., Regular meeting, Parish Vestry.

Thursday, 5:30-7:30 P. M., Sauerkraut Supper.

Friday, *The Annunciation of the Blessed Virgin Mary*, Celebration of the Holy Eucharist, 10:00 A. M.

8:00 P. M., Parish Choir rehearsal.

Saturday, 10:00-11:00 P. M., Nation-wide radio program sponsored by our Church (all network stations), "One Great Hour."

LENTEN MITE BOXES

As in past years, mite boxes are available for members of the Parish generally, so that all may join in the Church School Lenten Offering (this year with special emphasis on Puerto Rico).

Let a definite part of your Lenten self-denial show itself by cash placed in your mite box. Not only is this a good discipline; not only does this help our Church work in the West Indies; but also every cent of this offering assists the Parish to meet its Missions Quota.

Remember: a good mite box *rattles* when shaken! (A slothful mite box is quite silent.)

"ONE GREAT HOUR"—Saturday, 10:00-11:00 P. M.

Best estimates indicate that some fifty millions of people will be listening with you at the time of this history-making and precedent-breaking broadcast. After last year's highly successful radio appeal by our Presiding Bishop, over twenty other Christian bodies asked to take part in a similar appeal this year, for Christians in desperate need abroad.

The program itself carries a script prepared by the Pulitzer Prize winner, Robert E. Sherwood, distinguished playwright; it will be presented on the air by a notable company of leading figures of stage, screen, and radio. The program closes with an appeal to all Christian people in America.

You will want to count yourself among the listeners to this "One Great Hour".

EASTER FLOWERS

Your contributions for this purpose (whether or not accompanied by names to be included among memorials in the Easter Leaflet) should be turned in promptly to the Rector.

Can you envisage a better day for remembering the faithful departed than Easter, the commemoration of the Resurrection itself?

SAUERKRAUT SUPPER, Thursday evening

The Women of Saint Mary's present to you an opportunity to enjoy yourself and also to assist in a cause of highest merit in our Parish program. Meals served by our women have a splendid reputation (and this is to be no exception), and now they are preparing this supper as an activity above and beyond their regularly planned schedule—because they are determined that we shall have a supply of proper folding chairs for use in the Parish House. Proceeds from the supper are for this fund.

Make your reservation at once, then, through Miss Ethel Pancoast (BELgrade 6-3025) or through the Parish Secretary, Miss Bertha T. Walshe (EVERgreen 6-3916, 9:00-12:00 A. M. any week-day), at one dollar each. Then come to the supper, with the certainty of a good meal and the assurance that you are helping to provide those sorely needed chairs!

OUR CHURCH ORGAN HAS A GROWING REPUTATION

The Philadelphia Chapter of the American Guild of Organists will be guests in the Parish on Tuesday evening of this week, on the occasion of a lecture on "Organ Tone," by Arthur Howes, expert organ designer, formerly Organist and Choir Director at Saint Paul's, Chestnut Hill, and now Director of the Organ Institute, Andover, Massachusetts.

The local chapter of the Guild asked to be allowed to have this highly technical demonstration at Saint Mary's, and we are proud to know that our instrument is considered to have unusually fine organ tone.

EDUCATIONAL WEEK FOR THE BLIND

Plan to stop in some day this week at the Gimbel Auditorium, to see the work of those who cannot see. As you know, this activity takes place each year—but did you know about the manner of its sponsors? Churches and clubs take different days, with several combining to manage each of the days except Monday, which is sponsored by *the Episcopal Church alone*.

Several of our women are assisting tomorrow. Why not drop in to see what is being done in this fascinating and worth-while work?

THE CHRISTIAN CHURCH'S "MOTHERS' DAY"

Next Sunday (the Fourth Sunday in Lent) is for several reasons widely known as "Mothering Sunday". Long before the crass commercialism of the recently started second Sunday in May, Christian people were remembering their mothers on *Mothering Sunday*.

A suggestion: plan *now* to remember in your prayers your own mother during this week, and particularly next Sunday. If she is in the Life of the World to Come, keep her in your prayers; if still in this life, how about surprising—and pleasing—her with a really *Christian Mothers' Day* gift?

A WORD OF WELCOME AND A REQUEST

We of this Parish always delight in greeting and welcoming those who may not have been with us before. Please let the Rector have your name and address, before you leave the Church today.

KALENDAR FOR THE WEEK

(Unless otherwise noted, Services are in the Church, meetings in the Parish House.)

Sunday, 27 March: Regular schedule of Services, as in this Leaflet.

11:00 A. M., Nursery and Kindergarten Departments, Church School.

6:00 P. M., Evening Prayer (college and university students).

Wednesday, 10:00 A. M., *Celebration of the Holy Eucharist*.

Friday, 8:00 P. M., Parish Choir rehearsal.

THIS SUNDAY: Mid-Lent, Refreshment Sunday, Mothering Sunday

Today is known by the names mentioned above—Mid-Lent because we are almost exactly half-way between Ash Wednesday and Easter Day; Refreshment Sunday from the liturgical Gospel account of the Feeding of the Five Thousand; Mothering Sunday from a verse in the liturgical Epistle (Galatians iv:26).

Concerning this last, one reference (Sheen, *The Way of the Epistles*, page 93) says: "...the Church is our mother. In the old days, apprentices and servants came home to their Parish Church (*i. e.* Mother Church) on this Sunday, and went with their families to the Mother Church. They even brought their mothers a present of a simnel cake.

I'll to thee a simnel bring,

Ere we go a'mothering. (*Herrick*)

These lines were written by the poet Herrick in those days when this old custom was observed regularly..."

Remember, then, on this Mid-Lent Sunday, your Mother Church and also your natural mother—and refresh yourself for the days to come!

LENTEN MITE BOXES

Your own contributions help meet the pressing needs for which this Church-wide offering is devoted: the supporting and strengthening and advancing of the work of the Church throughout the world. The field particularly designated this year is Puerto Rico.

You may be interested to consider that a Mite Box is one place where a dollar is not the same as one hundred pennies... A Box turned in heavy with pennies has obviously been filled bit by bit, and presumably with thought and prayer; a dollar bill in the same Box would probably indicate only one occasion for thought. Place a coin *each day* in your Mite Box, and you will be amazed to see how heavy it becomes!

This Offering will be gathered after Easter, and will apply toward meeting our Parish's Missions Quota.

"ONE GREAT HOUR" UNDER LEADERSHIP OF EPISCOPAL CHURCH

By the actual date of this Leaflet (27 March), this broadcast will be in the past, but its impact upon the people of the United States will only have begun.

Our Church pioneered last year in using radio to present the needs of our fellow-Christians in need abroad. This year, all the major Christian groups in our country have joined forces with us. The appeal made to all of us is clear, precise, and definite.

Your response to this leadership and this appeal will appear in your filling your special blue envelope today...

EASTER FLOWERS, MEMORIAL OR OTHERWISE

In order to know how to place orders for Easter flowers, the Altar Guild needs to know what funds are to be available. It is entirely as you contribute that festival arrangements can be made.

You may wish to remember your departed friends and family, by taking your part in this. If you wish names listed in the Easter Day leaflet, your contribution and names must be in the hands of the Rector not later than 7 April—and much sooner, if at all possible.

In any event, your special contributions will assist the Altar Guild in making plans. Please attend to this matter *today*, handing or sending your messages directly to the Rector.

ONE HUNDRED TWENTY-FIFTH EASTER AT SAINT MARY'S

Because of its particular interest to us in this Anniversary Year, we expect to make of Easter, 1949 a high point in the continuing work of this Parish. Each year since 1824 has found people of this Parish recalling anew the wonders of the Resurrection.

Now that you are half-way through this one hundred twenty-fifth Lent, have you been making the best possible use of the season? There is still time, but the time is growing short!

And while we are thinking of Easter, let us resolve that this Anniversary Year will find us *all* using the proper name: *Easter Day*. (Since Easter Day is always a Sunday, there is no need of reduplicating titles, and you will note that your Prayer Book, pages 162-165, reminds you again and again that it is *Easter Day* which we celebrate.)

LENT IS A CALL TO WORSHIP

Lent is this, and much more, too. It offers a glorious opportunity for deepening our spiritual lives. But worship and spiritual lives and all the other benefits of Lent come to no one automatically. The glory of Easter will be in direct proportion to the amount of real effort you put into your Lent.

Take stock *now*; rest a bit in the middle of Lent; decide within your own soul what steps lie ahead—and set forth with the determined assurance that with God's help, this Lent shall bring you to a true and worth-while festival of Easter Day.

WELCOME TO NEWCOMERS AND STRANGERS

We are glad to have you with us. Please let the Rector have your name and address, on a yellow card at the rear of the Church, before you leave the Church today—and *do come again!*

Sunday, 3 April, *Passion Sunday*: Regular schedule of Services, as in this Leaflet.

11:00 A. M., Nursery and Kindergarten Departments, Church School.

Tuesday, 10:00 A. M., Sewing group.

Wednesday, 10:00 A. M., *Celebration of the Holy Eucharist*.

Friday, 8:00 P. M., Parish Choir rehearsal.

PASSION SUNDAY and PASSIONTIDE (Prayer Book, page 132)

Beginning with today, the last *two* weeks of Lent comprise Passiontide—this week as well as Holy Week; in fact, you will notice that the Prayer Book provides for the use of the name "Passiontide", but makes no mention of the term "Holy Week". In these two weeks, the color for the veiling on the Crosses is a deep *Passiontide red*; certain minor changes are made in the regular Services of the Church; and our thoughts are particularly directed toward the sober events of the last days of our Saviour's life. This is a period for intensive preparation for Easter.

PALM SUNDAY and EASTER DAY, 1949, IN THIS PARISH

In order that we may truly begin our Easter Day at an hour consistent with the Gospel's mention of "...very *early* in the morning the first day of the week...", we are this year to have a full Choral Eucharist at 6:00 A. M. on Easter Day. This will be truly the chief Service on the Day of the Resurrection, and at an hour when we can appropriately sing out that the Lord is risen, and also welcome the happy morning—without waiting until half the day is already past.

There will also be the usual plain Celebration of the Holy Eucharist at 8:00 A. M.

Then at 11:00 A. M., we shall take advantage of the usually missed opportunity to include the glorious canticle which the Prayer Book provides for Easter Day in place of the usual *Venite, exultemus Domino*: we shall be using the *Christ our Passover*, pages 162-163. In addition, this presents a perfectly magnificent time to join aloud in the great hymn of praise, *Te Deum laudamus*. Proper Psalms and Lessons make this observance of Easter Day complete. All of these opportunities exist in the proper use of the Prayer Book provisions for Morning Prayer on Easter Day. (It should also be noted that it has been increasingly difficult, and is this year absolutely impossible, to obtain the services of an assistant clergyman for administering the Sacrament to a large number of people at 11:00 o'clock.)

Our usual schedule will be further changed, in that on Palm Sunday there will be a Celebration of the Holy Eucharist at 11:00 A. M., instead of Morning Prayer, our usual Service on the second Sunday of the month.

EASTER FLOWERS

Thursday of this week, 7 April, is the last day on which names can be added to the list for memorial flowers in the Easter Leaflet. Many of you have been waiting to turn in your cash contributions and your memorial names; please do not delay longer.

Hand your list of names and your contributions to the Rector at once. Additions to this fund can be made after Thursday, but no names can be listed later than that day.

MITE BOXES

These boxes, for self-denial offerings during Lent, are provided for your convenience, so that you may assist our Church School, and also that you may take part in this nation-wide project. In this Diocese, your offerings in Mite Boxes also assist in helping your Parish meet its own Missions Quota.

Please note that the boxes are to be turned in at the Church *after Easter*. Ample reminders will be provided later, but kindly do not bring your offering on Easter Day itself.

ELECTION OF VESTRYMEN, Easter Monday, (18 April)

Full notice of this annual Parish Meeting appears on the Bulletin Board in the Church vestibule, including names of those nominated by the Vestry, and also the means whereby further nominations may be made.

SEWING GROUP MEETS AGAIN ON TUESDAY

These women, meeting the first and third Tuesdays of each month, have organised, and have made plans for supplying equipment needed in our Parish House. They are now making bridge-table covers, and aprons for waitresses—both of which items have been lacking for years. It should be welcome news to know that we shall have them in the near future.

New members are cordially invited to come Tuesday. The group would also appreciate cash contributions to pay for materials to be used.

FOOD SALE (Women of Saint Mary's) ON EASTER EVEN

Cakes and candies and other good foods will be available to you on Saturday afternoon of next week, Easter Even. Tea will be served.

Come and visit with the others, and buy something for Easter.

Mrs. W. W. Leech is in charge of arrangements, and she will welcome your donations for sale at the tables. (Please bring these items early!)

The Cake and Food Sale *opens at 2:00 P. M.*, Saturday of next week.

PASSIONTIDE IN THIS ANNIVERSARY YEAR

As you plan to devote more and more time to your Lord and His Church during these two weeks to come, please remember also to include your earnest prayers for this Parish in its one hundred twenty-fifth year.

WELCOME TO NEWCOMERS AND STRANGERS

We are happy to have you join with us in our Palm Sunday worship of God; we shall be pleased to have you with us other times, as well. Please let the Rector have your name and address, before you leave the Church.

SPECIAL NOTE regarding Passion Gospels

The very nature of the Holy Week liturgical Gospels makes it widely customary to *omit* the usual "Glory be to Thee, O Lord" and "Thanks be to Thee, O Christ" before and after their reading. The rubric provides that the former *shall* be said, but it is appropriate that it should be said by each hearer, silently.

It is also customary to pause briefly and to make a special reverence at the words "He gave (*or* yielded) up the ghost..."

These suggestions apply to all Gospels on Palm Sunday, and on Monday, Tuesday, and Wednesday. At the Maundy Thursday Gospel, relating the Institution of the Lord's Supper, the usual responses are made, aloud.

THE PALMS: their proper use and disposition

Since the palms are the "outward and visible sign" of a blessing asked upon each one who carries a bit of palm branch from the Church, you should remember this dedication to God's uses. You will wish, therefore, to be careful about disposing of your piece of palm: proper disposition is to burn it reverently.

A WEEK DEVOTED TO HOLY PURSUITS

Seven days of intensive preparation for Easter! Note the several Services offered to assist in your devotional life during this Holy Week, particularly those listed for Thursday, Friday, and Saturday.

It is entirely possible for *every member of the Parish* to take part in at least one of the Services during this week.

In your private devotions, a better understanding will be had if you will take the time to read for yourself the latter chapters of each of the four Gospels, relating the whole Passion of our Lord. (At the Three Hours on Good Friday, these Passion Gospels will be read in full.)

A FEW REMINDERS

Food Sale on Saturday (Easter Even), beginning at 2:00 P. M. Plan to come to the sale, and remain for the Service in the Church at 5:00 o'clock.

Vestry Election on 18 April (Easter Monday). Full notices appear on the bulletin board in the Church vestibule.

Mite Boxes should be returned to the Church after Easter.

Your *Easter Offering* should be prepared this week, so that you may present it at one of the Services next Sunday, Easter Day.

WELCOME TO NEWCOMERS AND STRANGERS

We hope we may make you feel at home at Saint Mary's, and we shall look forward to seeing you again.

Please let the Rector have your name and address (on a yellow card at the rear of the Church) before you leave the Church today.

A MUSICAL TEA: this Sunday afternoon

The Women of Saint Mary's are sponsoring this event, *for men and women*, in the home of, and at the invitation of, Mrs. Alexander D. Horn, 4633 Locust Street.

Charlotte Horn Fares will present some piano numbers, and tea will be served. A silver Offering will be received, the proceeds of which have been designated for the Chair Fund.

Plan to come and bring your friends: Sunday afternoon, 24 April, 4:00-7:00 o'clock, at the address mentioned above.

THE UNITED THANK OFFERING—Spring, 1949

The Spring Presentation will take place on Monday, 2 May, 1949, at Saint Clement's Church (20th and Cherry Streets). Our Bishop, the Rt. Rev. Oliver J. Hart, will be Celebrant and Preacher.

Miss Nina Lackenbacher, United Thank Offering Chairman for this Parish, asks all women to be reminded of this Service, and that all keep in mind the splendid work of the U.T.O., largely a work which no other Church agency could manage to undertake.

Remember the many things for which you should give thanks in a concrete way! Enclose your offering in the blue envelope, and place it in the alms bason, or give it to the Rector, or mail it to Miss Lackenbacher (The Fairfax, 43rd and Locust Streets, Philadelphia 4). Checks should be drawn to the order of the United Thank Offering.

Plan to prepare your offering well in advance of the date of the Service, 2 May—and plan also to attend the Spring Ingathering.

THIS PARISH TO CELEBRATE IMPORTANT ANNIVERSARY

Remember that in a few weeks we shall mark the end of the first one hundred twenty-five years of the continuous existence of Saint Mary's Church—Hamilton Village—and that in October we shall have a great celebration in honor of that milestone. The actual anniversary is in July, but our Celebration will take place in October.

Keep the Parish and its *next* century and a quarter in your mind and prayers as we approach these dates.

Property: Messrs. Hogan, A. Horn, Lloyd. These have named Mr. Hogan their Chairman.

NEW BISHOP SUFFRAGAN

At the time of this writing, the election has not yet taken place, but by the time you read this, you will know who has been chosen as second Suffragan Bishop for this Diocese. Your prayers are asked for him and for his new work.

The question frequently arises: What is the difference between a Bishop Coadjutor and a Bishop Suffragan? The primary distinction is that a Coadjutor has the right of succession, while a Suffragan does not. In the present instance in this Diocese, if the Diocesan Bishop should die or resign, the Diocese would have to elect a Bishop, and the present and future Suffragans would remain Suffragans. A further difference lies in the fact that a Coadjutor must remain in the Diocese where he is, while a Suffragan could be elected to serve in another Diocese, even as Coadjutor or as Diocesan.

In this Diocese, then, *the* Bishop is Bishop Hart; *a* Bishop Suffragan is Bishop Remington; *a* Bishop Suffragan will be the newly-elected man.

A CORPORATE COMMUNION TODAY

This morning at 8:00 A. M., the members of the Altar Guild of the Parish have their Corporate Communion. Breakfast is to follow the Service, with all members invited to be present.

ROGATION DAYS AND THE ASCENSION OF OUR LORD

As you know, the word "Rogation" refers clearly to *prayer*; on the Rogation Days, therefore, your prayers are particularly asked—for the crops and fields of the world. Your Prayer Book provides at least three such prayers, on pages 39-40 and 261-262.

In the Table of Fasts (just a few pages before the beginning of Morning Prayer in the Book of Common Prayer), there is some explanation of these Rogation Days as *days of solemn supplication*. Even more interesting in that place is the notation that these days come just before "Holy Thursday, or the Ascension of our Lord..."

The term *Holy Thursday*, then, does not properly refer to the Thursday before Easter—though often incorrectly used then—but to this week's great Festival which always comes on a Thursday, the Ascension.

Please keep in mind that Ascension Day is one of the five major feasts in the Church Year, and is one of the *Feasts to be observed*—and the days of this mandatory list are often called Holy Days of Obligation.

THURSDAY OF THIS WEEK—10 A. M.

Celebration of the Holy Eucharist, to mark our Lord's passage into Heaven forty days after His rising from the dead.

Flowers at the High Altar on Holy Thursday will be given in loving memory of David Baugh Miller.

SPRING FESTIVAL—Thursday, 9 June

The Women of Saint Mary's are planning their Spring Festival for the date mentioned above, from 5:30 to 7:30 P. M.

For something new this year, the supper will center around real home-made chicken salad, together with the usual wonderful dessert of strawberries, ice cream, and cake.

Tickets, at one dollar and a quarter each, are being mailed to those on our Parish list. Please make your reservations not later than 6 June, by writing or telephoning to Miss Ethel C. Pancoast, 1042 South 51st Street (zone 43), BELgrade 6-3025.

MAY FETE AT THE EPISCOPAL HOSPITAL

Many of you have attended these affairs in the past, and you will want to plan to be present again this year; others should include it in the 1949 schedule.

From 10:00 A. M. until 9:00 P. M. on Wednesday of this week (25 May), the grounds of the Episcopal Hospital, Front Street at Lehigh Avenue, will be devoted to the May Fete. There are booths, luncheon, dinner, and other events for you.

BENEFIT ENTERTAINMENT FOR THE DIVINITY SCHOOL

In order to provide for the increasing numbers of students preparing for the Ministry, the Philadelphia Divinity School has purchased another house on 43d Street, near the other School buildings. A bare building, however, needs all sorts of furniture: beds, chairs, tables, desks, rugs, and so on.

The students at the School present an entertainment to raise funds for this purpose, on Friday evening of this week (27 May), in the Parish House of the Church of the Holy Apostles and the Mediator, 51st and Spruce Streets, starting at 8:00 o'clock.

Tickets are one dollar each, and may be obtained through our own Parish Office.

The Dean of the Divinity School and the Rector of this Parish both depend upon you to assist in this matter. The Diocese is turning certain of its missionary offerings to the School to help meet this need, and surely people generally are interested. (Those who take as many as five tickets will be recorded as patrons.)

WANTED: Real help in the program of the Parish

As you well know, our Church School for Kindergarten and Nursery youngsters has been on a good sound footing for the past season or so. Miss Josephine Jenckes, with the aid of a student from the Divinity School (this past year it has been Mr. Wilson Rowland), has rendered the Parish an invaluable service in fitting together the various parts of the problem.

We have taken into account the inescapable fact that ours is a neighborhood with small children, and we are concentrating our efforts at meeting the needs of the age available. More and more, the children we have in our School are bringing their friends and neighbors.

But this very success poses a real and serious problem...

Miss Jenckes and our Divinity School helper (together with Miss Susan Search, who ably handles the clerical details of the School) can do as much as three people can—but they cannot do *everything*! In short, the critical need that faces us for the Church School season beginning in the autumn is that of providing teachers.

We need...and we *must have*...four members of this Parish who will deny themselves, who will give their time each Sunday, who will help to provide the staff required for our School.

The alternative?

Unless we have the teaching staff we need, we shall have to say to our Church School youngsters and their friends, "Sorry; we can't teach you anything about Christ and His Church."

Please think it over.

THE 400TH ANNIVERSARY OF THE BOOK OF COMMON PRAYER
Whitsunday, 1949

For the occasion, the Bishop of this Diocese has authorised for our use the following prayer:

Almighty God, our Heavenly God, who didst lead thy servants to translate the services of thy Church into a language understood of the people, and to gather them together into the Book of Common Prayer: make us ever thankful for this our heritage of worship, that praying with the spirit and with the understanding, we may truly magnify thy holy Name; through Jesus Christ our Lord. Amen.

This prayer is commended to the use of the people of this Parish, and will be used at the regular Services today.

You are invited to attend a great Diocesan Service in commemoration of this Anniversary—this evening at 8:00 o'clock, at the Church of the Holy Trinity, 19th and Walnut Streets. Because of an anticipated overflow congregation, it is suggested that you plan to arrive in ample time.

Full information about this Diocesan Service is to be found in the May-June issue of the *Church News*, page 10.

In order that you may make the best possible use of the occasion of the 400th Anniversary of the Book of Common Prayer, your Rector suggests that you may care to refresh your memory or implement your information about the Prayer Book and its fascinating history. The following books and booklets can be obtained for your own home library, and may be borrowed from the Rector:

"A Guide to Christian Living," by William Palmer Ladd (Oxford Press)—a little pamphlet of extreme importance; copies are to be had on the Tract Table at the rear of the Church.

"An Outline of the Prayer Book" by Frank E. Wilson (Morehouse-Gorham). This is a splendid 100-page survey of the whole history and background.

"An Outline of the English Reformation," by Frank E. Wilson (Morehouse-Gorham). For historical background, this booklet should be read in connection with the above item.

"The First and Second Prayer Books of Edward VI," Everyman's Library (Dutton). This gives the complete text of the earliest Prayer Books, in modern type.

"The New American Prayer Book: Its History and Contents," by E. Clowes Chorley (Macmillan).

"The Romance of the Book of Common Prayer," by Francis G. Burgess (Morehouse-Gorham). Comments and suggestions well calculated to make the Book live in your memory.

SPRING FESTIVAL—Thursday of this week

Remember that tomorrow, 6 June, is the last day on which to make your reservations for this important Parish dinner. Write or telephone to Miss Ethel C. Pancoast, 1042 South 51st Street (zone 43), BEIgrade 6-3025. Let her know how many places you wish to have provided, at one dollar and a quarter each.

This is to be a real Spring Festival, with home-made chicken salad, other good foods to go with the salad, and all topped off with a dessert of strawberries, ice cream, and cake.

See you Thursday evening—5:30 to 7:30!!!

OUR PARISH'S 125TH ANNIVERSARY CELEBRATION

We now have a tentative engagement with the Bishop of the Diocese, the Rt. Rev. Oliver J. Hart, to be with us for the great Celebration Service to be held on the third Sunday in October of this year.

This Service, while it is to be the culmination of our Celebration, is only one of several important events in prospect for this anniversary. Further information will reach you in ample time for you to plan to take full part.

Throughout the weeks and months to come, remember in your prayers both the background of the Parish from 1824 until now, and also the future of the Parish: what of the *next* century and a quarter?

A MATTER OF IMMEDIATE CONCERN TO THE PARISH

This is a situation which was brought to your attention last week: the problem of enlisting personnel for conducting our Church School for the season to begin in the autumn.

In order to maintain the valuable and exceedingly successful work which we now carry on, we must have four full-time teachers to work with our Divinity School student helper and with our Superintendent, Miss Josephine Jenckes.

Consider prayerfully whether or not this is intended as a call to service for you: read for yourself a little verse of the utmost importance, Isaiah vi:8... Read also Acts ix:6...

THE REGULAR PUBLICATION SEASON FOR THIS LEAFLET

Next Sunday, Trinity Sunday, will bring the last of the regularly printed issues of this Parish Leaflet, and the last one to be mailed to our Parish list until the end of the summer.

Beginning with two weeks from today, therefore, the Service Leaflets will be available only at Church Services. Items which should appear in these latter Leaflets should be in the hands of the Parish Secretary or the Rector at least two weeks before the date of issue in which their inclusion is desired.

THE BEGINNINGS AND THE ESTABLISHMENT OF THIS PARISH

It seems hardly possible, now that we find ourselves in the midst of a great city, that in 1824 our Parish was located "out in the country". That was the case, however, and the work of the Church which finally developed into the establishment of Saint Mary's Church, Hamilton Village, was originally begun as a ministration to people from the city who came out to the country (away out west, across the Schuylkill River!) to escape the city's summertime heat.

For several years before 1817, occasional Services were held in a village school house. Later, Services were conducted at a home at what is now 39th and Chestnut Streets. In 1817 it was learned that William Hamilton, Esq., had left in his Will some land for the use of an Episcopal Church; it is upon this property that Saint Mary's now stands. The section of the countryside was known as Hamilton (or Hamiltonville), and the Parish retains the name in its corporate title: Saint Mary's Church, Hamilton Village.

By 1824, some forty members had been connected with the work, and about \$2,000 raised for a building. In that year, Bishop White (then in his seventy-eighth year) laid the cornerstone: this stone now lies in the pavement at the tower entrance to the Church. It is this event, the laying of the cornerstone, which we celebrate one hundred twenty-five years later.

In 1827, the Church was consecrated, and the Parish admitted into union with the Convention of the Diocese. Of the one hundred sixty-odd Parishes of the Episcopal Church in Philadelphia, fewer than a dozen are older than Saint Mary's, and no other now existing, was established in West Philadelphia until nearly a score of years after 1827.

This was largely a summer Parish until 1837, when the first Rector was elected. In 1844, however, occurred the election of the Rector who was to guide the whole of the future of the Parish: the Rev. Thomas C. Yarnall. During the fifty-five years of his Rectorate, he brought the Parish into its full development. At his retirement, Dr. Yarnall was elected Rector Emeritus, in which capacity he continued to serve the Parish until his death in 1911, at the age of ninety-six.

In 1846 the Church was enlarged; in 1850 the Rectory was built; in 1874 a separate building was erected for a Parish House, but in 1896 a fire so badly destroyed this that another (the present) Parish House was erected; in 1871 it was evident that the Church building was too small for the growing congregation, and in 1872 the cornerstone was laid for the present Church edifice; in 1890 the present Church was consecrated, and at the same time the High Altar was installed. *All of these vitally important steps were accomplished under the indefatigable leadership of Dr. Yarnall.*

These events, and others, were the firm beginnings upon which the influence of this Parish have been laid, and for which we have a deep responsibility toward the future.

1949—OUR 125TH ANNIVERSARY YEAR

THE HIGH ALTAR

The first glance within Saint Mary's shows plainly that the very center of all the Parish is (and has been, and always will be) the High Altar.

The only one of its kind in this country, it would undoubtedly be listed in Baedeker guide books, if it were in some town or city of Europe.

Newcomers assume that the Altar and reredos are at least partially of painted surfaces; indeed, many long-time members of the Parish find it difficult to believe the fact that *there is no paint on the entire Altar and reredos.*

In the apex is a representation of the Ascension; the main panel is of the Crucifixion (after Guido Reni); the long panel above the retable is the Nativity, including the Adoration of the Shepherds on the left and the Visit of the Magi on the right. These three panels, as well as all other decoration of the Altar and reredos, are entirely of mosaic of the finest workmanship.

Sculpture; mosaic; marble work; panels of Agnus Dei, Alpha and Omega, symbols of the Eucharist and of the Passion—all were executed in Rome by masters of their separate arts. The various stones came from Egypt, Syria, Palestine, and the East.

In 1876, the Altar was on display in the Italian Art section of the Centennial Exposition, here in Philadelphia. It had been planned and executed at the direction of the Wetherill family, and was with their permission so displayed before its installation at Saint Mary's in its present location. The ends of the Altar bear memorial inscriptions honoring the donors.

THE 125th ANNIVERSARY FUND

THE PAST AND THE PRESENT

After an appeal in June from the Rector, a number of members of the Parish have given contributions toward a fund to make possible many of the details of our 125th Anniversary Celebration.

To the forty-three persons who helped in this manner, the Parish owes and gives a deep vote of gratitude. With the support thus afforded, the Rector has been able to put into effect nearly all of the plans originally contemplated for our Celebration.

THE FUTURE

It now appears that there will be a small balance left in the fund mentioned above. During Anniversary Week, certain of the offerings will be added to that balance, as a continuation of the Anniversary Fund.

Offerings at the Organ Recital on Sunday and at the Musicales on Tuesday are designated for this purpose. In addition, you can support this fund on the two Sundays of the Celebration (9 and 16 October), by enclosing your contributions in the blue envelope marked "Special Offering for the Parish—One Hundred Twenty-Fifth Anniversary of the Parish."

A NEED, AND THE MEANS OF FILLING IT

It is increasingly evident to all that we should have adequate equipment for completing our Altar Rail from wall to wall. As you have noticed, there is a space at each end, as well as a large center opening, with our magnificent marble Rail filling only a little more than half of the actually available space.

Communicants hesitate to kneel in the openings, with no Rail before them, and the result is that far fewer are at the Altar Rail at any one time than could be accommodated. This means, as you have observed, that a great deal of extra time is consumed when large numbers are making their Communions.

It is entirely feasible to have appropriate metal gates made for these openings, and thus to complete our Altar appointments.

The Rector proposes at this Anniversary time to start a fund for providing such gates—as a thanksgiving for our 125 years, and also (as such assistance may be forthcoming) as memorials to the faithful departed of the Parish.

Your offerings, received in the 125th Anniversary Special Offering envelopes, will provide the beginnings of this special fund for a needed purpose.

THE VISITATION OF THE BISHOP

Our Diocesan, The Rt. Rev. Oliver J. Hart, arranged his schedule several months ago so as to be with us today for our 125th Anniversary Celebration. The entire Parish thanks him for having found time in his busy life to be here on this occasion.

It happens that today is not only our Celebration Sunday, but also the exact anniversary of Bishop Hart's Consecration, seven years ago. He is observing this anniversary at 4:00 o'clock this afternoon, in a special service at the Church of the Advocate (18th and Diamond Streets); all are invited to attend.

We are therefore pleased to have our Bishop share his own anniversary with us, as we celebrate ours.

THE BISHOP'S FUND

At the time of the Visitation of the Bishop, the offering is designated for "The Bishop's Fund." Offerings so marked, as well as all undesignated offerings, will be given to him for this Fund.

THE COMPLETION OF OUR ALTAR RAIL

and

THE 125TH ANNIVERSARY FUND

It has become increasingly apparent that we need to have four metal gates (a single one at each end, and a double one in the middle) in order to take full advantage of our Altar Rail space. Most people hesitate to kneel at the Altar without support in front, and our marble Rail makes provision for only a little more than half the total width of the Sanctuary.

Many of you will wish to contribute toward a fund to provide these gates, and this Anniversary of ours provides a splendid occasion. Your thanksgiving offerings for this purpose should be enclosed in the special blue Anniversary envelopes. If you wish, your contribution can be counted as a memorial to some of your departed family or friends.

You are invited at this time to take part in providing for the Parish a desperately needed bit of equipment.

SOMETHING NEW, and SOMETHING BLUE

The ladies of the Choir have new vestments, worn for the first time last Sunday. The outfit consists of a fitted skirt, a spencer, and a hat. Money for these came from the Choir Fund, to which you have contributed in the past at special musical events by the Choir. The Parish Sewing Group and the women of the Choir provided the labor, all under the expert guidance of a member of the Choir, Miss McMullen (whose professional name is "Miss Dee").

After you have struggled for years with a motley assortment of kneeling hassocks in the pews, you must have noticed the new blue ones, in leatherette, which are in most of the Church—again something new for our 125th Anniversary. These hassocks have been provided by funds from the Women of Saint Mary's, from the Men's Club, and from the Parish treasury itself. We need more than the seventy-five we now have, but at least this is a good start.

A PRAYER OF DEDICATION

(suggested for use at this our 125th Anniversary Celebration)

Since it is of thy mercy, O gracious Father, that another day is added to our lives; we here dedicate both our souls and our bodies to thee and thy service, in a sober, righteous, and godly life: in which resolution do thou, O God, confirm and strengthen us; that, as we grow in age, we may grow in grace, and in the knowledge of our Lord and Saviour Jesus Christ. Amen.

The above is taken from the Book of Common Prayer, page 588, the section for Family Prayer.

WELCOME TO NEWCOMERS AND STRANGERS

Saint Mary's Church welcomes you to the House of God. Please make yourself right at home here, and let us know what we can do to assure you of our joy at having you.

A WANT AD FROM THE CHURCH SCHOOL

WANTED: one book case or chest of drawers to keep Church School equipment in proper order. Perhaps someone in the Parish has a piece of furniture no longer needed, but usable for this purpose in the Parish House. If you have something to fill this need, please consult with the Rector, or Miss Josephine Jenckes, or Mr. Frederick Hipple.

125TH ANNIVERSARY CELEBRATION SOUVENIR BROCHURE

Brochures including programs for the entire Celebration Week were distributed to those present at the Anniversary Banquet. There are more copies available, and they may be had upon request at the Parish Office; if you write, we shall be happy to mail your copy to you.

A copy of this booklet, together with clippings from the various newspaper accounts, will give you a convenient and complete record of how we celebrated our 125th Anniversary.

ANNIVERSARY CELEBRATION PHOTOGRAPHS

In the cloister vestibule of the Church today are displayed copies of the "candid" photographs taken during Celebration Week, as well as some few taken previously.

At your request, we can arrange to have prints made of the ones you may care to have for your own enjoyment. They will be available in the future as well as now, but you will want your copies soon, while the events portrayed are fresh in your mind.

125TH ANNIVERSARY FUND

At this writing, about one hundred forty contributions have been received, totaling approximately one-third of the probable cost of metal gates needed to complete our Altar Rail. As the Fund grows, we shall have proposed sketches available for your inspection.

Your contributions to this Fund, either as Anniversary thanksgivings or as memorials to those departed, should be given to the Rector, clearly marked *125th Anniversary Fund*.

A PERSONAL WORD FROM THE RECTOR

The 125th Anniversary has come and gone, and our Celebration Week is finished; but pleasurable memories will endure for a long, long time.

When I first began to lay plans for the Celebration (those plans began in the summer of 1948!), the whole Celebration seemed pretty remote, and most of those to whom I spoke that far ahead seemed rather apathetic about it. After all, how can one become much excited about an event that is not to come for another year and a quarter?

As time passed, however, more and more of you good people of the Parish caught an enthusiasm which was a great joy to me. Many of you put in countless hours in making the preparations which were so essential—and I am deeply grateful to you for it.

It is not possible adequately to list those who were such helpers, but each one who did a bit of the work may and should take a measure of the credit for the outstanding success of our Celebration. As your Rector, I stand ready to testify to the good offices of many of you. On behalf of the Parish, I give you my thanks; and for myself, I say quite simply that without the yeoman duty done by many of you, it would have been impossible to attend to all of the details. It has been a good work done for Christ and His Church, through your help to this Parish.

We enter now upon the sixth quarter century of the life of Saint Mary's Church, Hamilton Village—we carry on, rededicated to those great purposes which were in the mind of those of 1824 who gave us our beginnings.

Gratefully and sincerely,

William X Smith

TO REMEMBER THE FAITHFUL ON ALL SAINTS' DAY

The first day of November is set aside in the Church Kalendar for remembering before God *all* the saints. The narrow interpretation of the word "saint" could be taken to mean only those few for whom days are set aside at other times in the year; a wider—and more general—interpretation is to include the dozens and hundreds and thousands of others whom we call to mind in grateful prayer to God.

In this Anniversary year of ours, we should recall those who began the work of this Parish, and we should commend them to God, and also commend ourselves to their examples.

Very likely there are those whom *you* would like to have remembered by name on All Saints' Day: those who have lived in God's sight during your own lifetime or previously, and who now live in God's closer presence. Such names as are turned in to the Rector *before Tuesday* will be read at the Altar on All Saints' Day. Please hand your written list to the Rector as soon as you can, but in any case before Tuesday morning, so that the list may be properly prepared for use at the Eucharist at 10:00 o'clock.

COMING EVENTS—DATES TO SAVE

Thursday, 10 November: An all-Saint-Mary's Card Party, under the joint sponsorship of the Women of Saint Mary's, the Evening Branch of the Women of Saint Mary's, and the Men's Club.

Thursday, 17 November: A Parish Meeting, at which the organised groups in the Parish will present reports, and opportunity will be available for discussion of the over-all program of the Parish for 1950.

Thursday, 1 December: The annual Parish Bazaar and Supper.

Save these dates, and watch these pages for further information.

PENCE CANS

Do *you* have a Pence Can?

Do *you use* it, if you have one?

If your answer is "no" to either or both of these queries, why not consider *now* taking part in this work, by informing yourself on one of the next two Sundays?

To those who now have and use Pence Cans: Please bring the present contents of your can on Sunday, 6 November, or Sunday, 13 November. There will be someone at the rear of the Church to receive it.

Money received from this source helps to pay the Missions Quota of the Parish.

A PERSONAL INVITATION

Every year the family looks forward to Open House and Tea. It's a lovely occasion. The Bishops and their wives are on hand. Many of the clergy throughout the Diocese come to the House for the afternoon. The Board of Managers are present to serve tea. The ladies of the family put on their best bibs and tuckers and everyone has a grand time. We would like you to consider this your personal invitation to come this year on Tuesday, November 8th, any time between two and five P. M.

House of Rest for the Aged,

We of this Parish are happy to have you with us, as together we offer our worship to Almighty God.

Since we feel closer to Him when we know those with whom we worship, kindly let us have your name and address (on a yellow card, at the rear of the Church) before you leave *today*.

And do come again!

PARISH MEETING—Thursday of this week

In order to assist all the people of the Parish to gain a full understanding of the program we are now carrying on, a Parish Meeting of a type not previously held here has been called for Thursday evening of this week, 17 November.

Each organised group in the Parish has been asked to prepare a brief report of activities. Through such statements, it will be possible for all to have a better understanding of what individual groups accomplish; it is entirely likely, also, that some persons who are not yet affiliated with some of the groups will desire to join in the varied work. In addition, the Vestry will report to you on various business matters that concern the Parish as a whole.

With the over-all view of our work thus obtained, it may be possible to solve Parish problems in the period for free discussion which will be an important part of the Meeting.

You are invited—and we shall be looking for you.

A MEANS OF EXPRESSING YOUR THANKS FOR THANKSGIVING DAY

Recently, at a meeting of the Staff of our Church School, a decision was reached, to the effect that the children would be given the opportunity of helping the less fortunate with foodstuffs for Thanksgiving Day. This opportunity is being offered to the adults of the Parish, as well.

Upon consultation with the Episcopal City Mission, we find that the Family Service Bureau conducted by our own Church has pressing need for the very sort of help we can give. Just before Thanksgiving Day, therefore, we shall take to that Bureau the donations brought here to Church the next two Sundays (13 and 20 November). Bring your contributions at 8:00 or at 11:00 on either of those days; suitable arrangements will be made for receiving your gifts.

The types of things most urgently needed are:

Canned goods, and the larger the cans, the better!

Staple groceries.

Used clothing—not so much for children as for adolescents, and also in the larger adults sizes.

THE BAZAAR—Thursday, 1 December

Save this date!

Bazaars always have tables or booths where various kinds of things are offered for sale. This Bazaar is to be no exception. The following tables have already been arranged: Foods—Gifts—Baby items—Aprons—Household items—25-cent items—Attic Treasures—Wrapped Packages from a Christmas Tree—Christmas Cards—New Ideas—etc.

All of the Women of Saint Mary's, both "afternoon" and "evening" groups, are taking part in the preparations, dividing the work among all who will help.

Another feature of Bazaars (and most assuredly a highly important feature of Saint Mary's Bazaars!) is the Dinner... Again this year, you may depend upon it that the Dinner will be an event to remember.

Further details of the Bazaar will reach you in plenty of time.

Save this date!

NOTE TO ALL WOMEN OF THE PARISH AND COMMUNITY:

If there is some way in which you can and will help with the Bazaar, please inform Miss Carrie W. Merryman, 214 St. Mark's Street, zone 4, Evergreen 6-4234; as Executive Chairman of the Women of Saint Mary's, she is in charge of all details.

My Name —

The Christmas Seal

My birthplace, Denmark

I've been a naturalized American since 1907.

My age is 43, as of December 7, 1949.

My employers are the people of the USA who buy and use me on their Christmas letters and holiday packages.

I'm a symbol of their protest against TB, which in 1907 was the leading cause of death in this country. It still kills more people between the ages of 15 and 34 than any other disease.

My occupation? Turning Christmas Seal dollars into strong weapons against TB, in order to:

Inform on the enemy — tell people how to avoid TB, how to protect their children from it, what to do if symptoms appear.

Encourage all adults to have an annual chest X-ray.

Urge taxpayers to provide hospitals for the care of their tuberculous sick.

Help to re-educate the recovered so they may be self-supporting.

Provide funds for medical research so that one day (soon, we hope) a way may be discovered to end TB for all time.

My job will not be finished until TB is finally eradicated from this country and all countries.

FOODS AND CLOTHING FOR THANKSGIVING

Our Church School is sponsoring an ingathering of foods and clothing, to be turned over to the Family Bureau of the Episcopal City Mission; our contributions are to be taken to that Bureau before Thanksgiving Day.

Canned goods (particularly the larger cans), staple groceries, and usable clothing (for adolescents and for larger-sized adults)—these are the general types of things needed.

Bring what you wish to donate to either Service on Sunday, 20 November.

THANKSGIVING DAY

Remember that the day is set aside for thanking Almighty God for His good gifts to us. Your own schedule for the day should, therefore, include *prayers of thanksgiving*, preferably in God's Church.

There will be a Celebration of the Holy Eucharist in this Church at 10:00 A. M. on Thursday.

AN APPEAL FROM THE CHURCH SCHOOL

We are desperately in need of a teacher for a class of six children, seven and eight years old...

What shall we do with these children? Shall we say to them, "We are sorry, but we have no place for you: you had better go to Church School somewhere else"????

Would you want us to say that? And if we did, what of the future of Saint Mary's?

Is there not *someone* in the Parish who is enough interested to help?

THE BAZAAR—Thursday, 1 December

Interesting plans are afoot for this year's Bazaar. Be sure to mark this date as *taken* on your own calendar. Soon you will receive full information about the Turkey Supper; please make your reservation as soon as possible.

Remember: *The Bazaar, Thursday, 1 December...*

FLOWERS AND GREENS FOR CHRISTMAS

You are invited to share in providing festive decorations for the Church for Christmastide. Contributions in any amount may be handed to the Rector, together with names of any faithful departed whom you may wish to remember in this way; names will be listed in the Christmas Leaflet.

One of the usual observances of Advent is to refrain from having Altar flowers during the season; this is a helpful practice, since it makes our Christmas array the more welcome and festive appearing. You might be reminded, therefore, by the absence of flowers on these Sundays in Advent to assist in providing flowers and greens for Christmas itself!

THE EXHORTATION, page 85

On this Sunday, the rubric provides that the so-called "long" Exhortation shall be used at the time of the Celebration of the Holy Eucharist. It will be used today, therefore, at the 8:00 o'clock Service, between the Prayer for the Whole State of Christ's Church and the Exhortation on page 75.

The notes of preparation and of Judgment are strong in this "long" Exhortation, and it suggests an outline for our own soul-preparation in the Advent Season.

ADVENT NOTE FOR YOUR PRIVATE DEVOTIONS

The Collect for every day in Advent, page 90, offers a splendid reminder of the notes of the Season: the First Coming and the Second Coming of the Lord. Your own preparation for Him will be much more helpful if you will use this prayer *daily*, throughout Advent.

KALENDAR FOR THE WEEK

(Unless otherwise noted, Services are in the Church, meetings in the Parish House)

Sunday, 4 December: Regular schedule of Services, as in this Leaflet.

11:00 A. M., Church School, in the Parish House.

Tuesday, 11:00 A. M., Sewing Group.

Thursday, 8:00 P. M., Men's Club, regular meeting.

Friday, 8:00 P. M., Parish Choir rehearsal.

Sunday, 11 December: 8:00 A. M., The Holy Eucharist; 11:00 A. M., Morning Prayer and Sermon; 11:00 A. M., Church School.

OUR VISITING PREACHER TODAY

The Rev. Charles H. Long, Jr., whom we are happy to have as our guest today, is acting Chaplain of the University of Pennsylvania. He has just recently returned to this country from China, where he was serving with Bishop Roberts in the Missionary District of Shanghai, until the influx of the Communists necessitated first the return of his family to this country, and later his own return here.

Both as a neighbor of ours in the University, and also as a Philadelphian who has had recent experience in an important and critically strategic mission field, we bid him every welcome among us at Saint Mary's.

ADVENT: PREPARATION

A part of your own preparation in Advent should be an increased interest in—and reading of—the Holy Scriptures, as particularly brought to mind on this "Bible Sunday". We ask God's assistance, that we may "... read, mark, learn, and inwardly digest..." those same Holy Scriptures.

CHRISTMAS FLOWERS AND GREENS

As in previous years, you are invited to share in providing the festive decorations for the Church at Christmastide. Contributions in any amount, large or small, should be given to the Rector promptly, together with the names of any departed persons whom you may wish to remember in this specific manner. Names received within the next ten days will be printed in the Christmas Leaflet.

A REQUEST FROM YOUR POSTMASTER

The Post Office is very anxious to have all Christmas cards and packages delivered prior to Christmas, and in order that all mail may be delivered in time, it is necessary that people mail early and *use zone numbers*.

This is a request to assist us all in the prompt delivery of mail, and also so that postal employees may have a proper holiday on Christmas Day; for they, too, would like to attend Church Services and have time to spend with their families.

RECITALS OF ORGAN MUSIC, by Mr. James Vail

This evening, 4 December, at 8:00 P. M., the Musical Service at the First Presbyterian Church (15th and Locust Streets), is to be a recital played by our Parish Organist and Choirmaster, James Vail.

In addition to his work in this Parish, our Organist is a student at the Curtis Institute of Music, and is also Assistant to Dr. Alexander McCurdy at the First Presbyterian Church. In this last-named capacity, Mr. Vail is the featured organ soloist at the recitals at the First Presbyterian Church from 12:30 to 12:55 P. M. each noon, Mondays through Fridays.

Why not plan to take advantage of these several opportunities to hear our Organist? (As you should know, you can also hear him each Sunday before and after our 11:00 o'clock Service, as he presents for your enjoyment and devotion his preludes and postludes.)

AN ANCIENT PRAYER FOR THE ADVENT SEASON

Stir up, we beseech Thee, O Lord, our hearts to prepare the ways of Thine only-begotten Son; that by His advent we may be enabled to serve Thee with purified minds; through the same Jesus Christ our Lord. Amen.
(*Gelasian Sacramentary*, A. D. 494.)

SOME FACTS ABOUT THE BIBLE

Since our Episcopal Church is based so completely upon the Holy Bible, here are some items you may care to note:

The Bible contains 3,566,480 letters—810,697 words—31,175 verses—1,189 chapters—66 books, plus the Apocrypha.

The longest chapter is Psalm 119; the shortest chapter is Psalm 117. The longest verse is Esther 8:9; the shortest verse is Saint John 11:35.

The word "and" occurs 46,627 times; the word "Lord" is used 1,855 times, the Name of God is not mentioned even once in the Book of Esther; all the letters of the English alphabet appear in Ezra 7:1; two chapters are identical—Isaiah 37 and II Kings 19.

WELCOME TO NEWCOMERS AND STRANGERS

We are pleased to have you with us, and we ask one thing of you—to let the Rector have your name and address (on one of the yellow cards at the rear of the Church) before you leave today. And *do come again!*

KALENDAR FOR THE WEEK

(Unless otherwise noted, Services are in the Church, meetings in the Parish House)

Sunday, 11 December: Regular schedule of Services, as in this Leaflet.

11:00 A. M., Church School, in the Parish House.

Monday, 8:00 P. M., Parish Altar Guild, regular meeting.

Wednesday, *Ember Day*.

Thursday, 8:00 P. M., Evening Branch of the Women of Saint Mary's, regular meeting.

Friday, *Ember Day*.

7:30 P. M., Parish Choir rehearsal.

Saturday, *Ember Day*.

Sunday, 18 December: 8:00 and 11:00 A. M., Celebrations of the Holy Eucharist; 11:00 A. M., Church School.

THE ADVENT EMBER DAYS

The Prayer Book provides that the Wednesday, Friday, and Saturday following December 13th shall be observed throughout the Church as Ember Days; further these days are among those "...on which the Church requires such a measure of abstinence as is more especially suited to extraordinary acts and exercises of devotion..."

At the most casual level, the Ember Days are times when all Church people should offer special prayers in their own devotions. As you know, the particular purpose for these prayers at Ember Seasons is the constant betterment and increase of the Sacred Ministry of the Church. Suitable prayers are provided for you on pages 39, 40, and 260 in your copy of the Book of Common Prayer.

ADVENT—PREPARATION

Remember for Whom we make ready in Advent! As you make room for Him in the coming Christmas festival, remember also that His title is *Christ*, and that no Christian would think of abbreviating the very Name of his Lord at the time of the Lord's Birthday: the day is correct only when written in full—*CHRISTMAS!!*

HAVE YOU SEEN...??

The detail from the mosaic Nativity panel of our High Altar, as reproduced on the cover of the current issue of the Diocesan *Church News*? Copies of this issue are available at the rear of the Church.

CHRISTMAS FLOWERS

As you know, there is no provision in Parish funds for flowers for the Altars at any time; for making arrangements for all flowers, the Altar Guild depends upon sums contributed by interested members of the Parish. Since the Altar Guild is not a money-making organisation, you of the Parish have it entirely within your power to determine what adornments we can have for our Altars.

This problem comes to the fore particularly at Christmas and Easter, when you are invited to assist in making truly festive decorations possible.

At the meeting of the Altar Guild tomorrow evening (12 December), definite plans must be made for Christmas. Including contributions received last Sunday, twenty-eight persons have contributed about two-thirds of the amount we usually have available for Christmas flowers and greens.

If you care to assist in this matter, do not neglect to turn in your contributions *today*. Remember also that you may have names listed in the Christmas Leaflet, if you care to turn in the names of the faithful departed to be so honored—but those names must be in the hands of the Rector not later than Wednesday of this week, 14 December, or they cannot so appear in the Christmas Leaflet. (As of last Sunday, only eight names had reached the Rector's desk for this listing.)

A CHRISTMAS EXHIBITION OF ECCLESIASTICAL ART

The Woodmere Art Gallery, 9201 Germantown Avenue, presents a special display daily 10:00-5:00 and Sundays 2:00-6:00.

We of this Parish are particularly interested, since the gallery has asked to place on display two of our exquisite hand-loomed Fair Linens, as made by and presented to this Parish by Mrs. H. Lamar Crosby. It is a pleasure for us to have others enjoy with us these lovely and quite unusual pieces of hand work.

CHRISTMAS TREES

On Saturday of this week, 17 December, from 8:00 A. M. to 10:00 P. M. a special committee working for the Educational Week for the Blind is to hold a sale of 25,000 Christmas trees at Franklin Field on the campus of the University of Pennsylvania.

The purpose of the project is two-fold: to provide funds for agencies for the blind to carry on their work; and to offer Christmas trees at a price within the reach of everyone.

All trees are being shipped from New Brunswick, Canada, and will be full-grown balsam firs. Ranging from five to eleven feet in height, these trees are to be sold at one dollar and two dollars each, depending upon size.

This sale offers all of us an unusual opportunity to obtain Christmas trees at a reasonable price, and also to assist in the work done for the sightless people of Philadelphia.

TO NEWCOMERS AMONGST US

We of this Parish are most happy to have you with us. You may be a "stranger" the first time, but we shall do everything possible to make you so much at home that after that first time, you will be a *friend*.

In order that the Rector may learn your name, please fill in the spaces on a yellow card at the rear of the Church, and hand it to him as you leave the Church today. (If you have been here before, and have neglected to do this, please do it *today*.)

MEETINGS THIS WEEK

Monday, 8:00 P. M., the Vestry.

Tuesday, 2:00 P. M., the Women of Saint Mary's.

NEXT SUNDAY—CHRISTMAS DAY

You will note from the schedule on the next page of this Leaflet that we are, as usual, to have a Midnight Service on Christmas Eve, *Saturday*. *Note particularly*, however, that the hours of Service on Christmas Day are slightly different from our customary Sunday schedule, with two Plain Celebrations of the Holy Eucharist—one at 9:00 A. M. and another at 11:00 A. M.

This plan allows for those who prefer a choral Service to attend the Midnight Service, while providing two different times of Service on Christmas Day for those who prefer a quieter opportunity for making Christmas communions.

THE CHRISTMAS OFFERING

You are invited to share in the special offering presented and received each year at Christmas. In this Anniversary Year, all of us have many reasons for thanksgiving—and we may well express that gratitude by making a generous offering to our Church.

THE NATIVITY OF OUR LORD AND HIS MANIFESTATION TO THE GENTILES

According to the clear statements of the Gospels in recording Christ's Birth at Bethlehem, the shepherds were amazed at the events which they saw, and they came to the Manger and worshiped the new-born Saviour. According to the equally clear statements of those Gospels, the Wise Men arrived from the East some time later.

We should, then, reserve a proper place for those Wise Men—at the Epiphany—and not confuse two different events by imagining vainly that the Wise Men were present at the same time as the shepherds. A so-called "Christmas card" with Wise Men depicted is an historical anomaly.

Give those Wise Men their proper place, but *not* at Christmas!

Greetings of the Season

In any Parish, Christmas, the Feast of the Nativity of our Lord, the Festival of the Incarnation, has particular significance. To us of this Parish dedicated to Saint Mary, Christ's Birth has an even deeper meaning. We find here the embodiment of all God has done for us men and for our salvation; we rediscover our God born upon this earth through the agency of our patron Saint; in a real sense, Christmas is our very Name-Day!

In days of confusion and unrest throughout the world, we need to bear clear witness to those about us, that they may see our deep dependence upon God and His Christ. A highly important part of this is done through receiving Him for ourselves in our Christ-Mass communion.

May the true spirit of the Christ-Child and of Saint Mary be with you, and remain with you, now and forever more.

All of us at the Rectory send to you our most hearty and sincere good wishes—and our prayers, as well—at this time of Christmas, the Holy Days (called "the Holidays"), and throughout all of 1950 to come.

Faithfully yours,

William K Smith

GREETINGS FOR 1950

Our great Anniversary Year is now past, and we begin with renewed energy the work for God through His Church in the 126th year of this Parish. May God give us all His blessing!

My prayer is that Saint Mary's Church may find and do the work of God Himself through the whole length of 1950, and that having discovered what His work is, each person may be strengthened for the fulfilment of His tasks.

Sincerely yours,

William X Smith

NEXT SUNDAY—A Feast of Lights, 4:30 P. M.

It has been many years since there has been a Candle-Light Service in this Parish. Since this is an extra observance of great helpfulness and beauty, it ought not longer to be overlooked.

Next Sunday is the Sunday within the Octave of the Feast of the Epiphany, and it offers us a splendid opportunity for reviewing the real meaning of the Epiphany Season, and in their proper place to give due credit to the Wise Men at the time of their arrival at Bethlehem.

Plan to come to this Service next Sunday at 4:30 P. M., and *bring your friends and neighbors.*

THE CONVERSION OF SAINT PAUL

In your own devotions this week, plan to read Acts ix. 1-22 (to be found in your Prayer Book, pages 229-231). This will remind you of the importance of that Conversion, and of the events therein.

For daily use, and particularly for Wednesday, the day set aside for recalling his Conversion, your Prayer Book provides this splendid prayer:

O God, who, through the preaching of the blessed Apostle Saint Paul, hast caused the light of the Gospel to shine throughout the world; Grant, we beseech thee, that we, having his wonderful conversion in remembrance, may show forth our thankfulness unto thee for the same, by following the holy doctrine which he taught; through Jesus Christ our Lord. HAMILTON VILLAGE CAPERS—Thursday the 27th

The Women of Saint Mary's are pleased to present this activity to members and friends of the Parish. It is to be an old-fashioned variety show, and Mr. G. A. Benkhart, who is producing this for the women, has spent a great deal of time and effort to make it a good one. There will be a magician, a harmonica player, a performer on the musical saw, and also singing and dancing. Performers will be from the Parish as well as from outside. After the show, refreshments will be served.

Tickets for HAMILTON VILLAGE CAPERS are fifty cents for children and seventy-five for adults (with tax, the totals are sixty-five and ninety-eight cents, respectively). To supply yourself with the tickets you will need, please consult with Miss Ethel C. Pancoast, 1042 South 51st Street, zone 43, Belgrade 6-3025.

We know you will support the women in this new venture of theirs, and that you will do your part to make it a wonderful success.

THE VESTRY FOR 1950-1951

The Eastertide reorganisation is now complete, and full details will be presented to you in next week's Leaflet.

"ONE WORLD IN CHRIST"—a report

This Parish has turned in \$293.00 as a result of the radio appeal on 12 March; there is also another \$5.00 pledged for later payment. That total may sound like a goodly amount, but a further explanation should be given: out of our entire Parish and mailing list of almost 250, only 30 envelopes were returned with contributions by name and 33 others without names. In addition, each of our two women's groups made contributions.

In other words, the amount given represents only about one-fourth of the Parish!

MITE BOXES—LENTEN OFFERING

Please return your Mite Box to the Church as soon as possible, so that we may make up our report for the Diocese. Remember that this Offering counts on our Parish's Missions Quota.

And come again!

PARISH SEWING GROUP—Tuesdays

Any and all women who can help with general sewing are urged and invited to attend these work-gatherings, in the Parish House, starting at 11:00 A. M.

"EXPECTATION SUNDAY"

As you doubtless know, this Sunday after Ascension Day is affectionately known by the name of "Expectation", because while we are in the Octave of the Ascension, we find ourselves looking forward to the great importance of Whitsunday (next week). In the Collect for the week, we ask God to "...leave us not comfortless..."

POSTAL DELIVERY SERVICE AND THIS LEAFLET

In order that members of the Parish may be kept informed, we prepare and mail each week to all on our list copies of this Leaflet. While these mailings are third-class, still they should reach the addressees (particularly those who are within the city of Philadelphia) within two or three days of the time of mailing—and each week the Leaflets are taken to the General Post Office at 30th Street on Wednesday afternoon.

The present cut-back in postal service has made delivery on these Leaflets even slower than ever, and the only explanation we can get from the Post Office is that third-class matter is handled when time is available. (But, as you have noticed, even first-class mail is becoming inordinately slow.)

If *your* Leaflet does not reach you in Saturday's mail at the latest, write to the Postal Inspector and explain the situation, and ask him to check on the matter for you—and to let you know his findings.

An aroused public can and should convince the Postmaster General that economies in the department can be effected in many ways, but most certainly NOT by the present intolerable cut-back. One Church paper ("The Living Church" for 14 May, pages 12-13) has suggested wisely that a good place to begin real economies is by eliminating the franking system for members of the Congress and others, so that everyone would have to include the actual cost of mailing, just as the Parish does in mailing Leaflets.

Write to your postal inspector!

WELCOME TO NEWCOMERS AND STRANGERS

We of this Parish are happy to have you join with us in our worship of the glorious and undivided Trinity—and we should be most happy to have you with us again, and regularly.

STRAWBERRY FESTIVAL—Thursday evening of this week

Have you made your reservation yet for the Strawberry Festival on Thursday, June 8th? Why not plan your foursome now for canasta that evening, and have those friends as your guests for the delicious chicken salad supper, to be served from 5:30 to 7:00? Remember to let Miss Ethel Pancoast (BEIgrade 6-3025) have your reservation by Monday, June 5th. Tickets for adults are \$1.25, and for children 65 cents.

As an added attraction, there will be a special table of fancy goods, highlighted by a fascinating orange tree of surprises.

TODAY IS "SHUT-INS' DAY"

The first Sunday in June is widely observed nationally and internationally as a time to remember shut-ins, both civilian and military. Make a special effort today to visit that friend of yours—or take time to write a cheery note. (It is so easy to *intend* to do this; so make today the time when you actually *do* it!)

PUBLICATION YEAR FOR THIS LEAFLET

This is the last regularly printed issue of Saint Mary's Leaflet until the end of September. You will note that we have now completed the *forty-eighth* year of publication in this Parish; the new Volume to begin in the late summer will be Vol. xlix.

If your address should change during the summer, or if you know of people who should receive this Leaflet each week by mail, please inform the Parish Office promptly, so that when mailings are resumed, our list may be accurate and complete.

For the Sundays when we do not have a regularly printed Leaflet, we shall have mimeographed service sheets available at the Church, but not mailed out in advance.

VACATIONS—BUT NOT FROM GOD!

It is proper that everyone who can should have a vacation from the regular work routine, but no one should forget that God expects His creatures to worship Him regularly, even in hot weather...A Church somewhere is reported to have had a sign in its bulletin board all summer for passersby to read: "The devil *never* takes a vacation!"

If you go away for a time, you should attend Church Services as regularly as when you are at home.

A vacation, yes—but not a vacation from God!

KALENDAR FOR THE WEEK

Today: Regular Services, as listed in this Leaflet; 10:00 A. M., Bible Class; 11:00 A. M., Church School, in the Parish House; 6:00 P. M., Canterbury Club supper and meeting; 7:00 P. M., Choral Evensong.

Wednesday, 8:00 and 10:00 A. M., Celebrations of the Holy Eucharist.

Thursday, 10:30 A. M.-2:30 P. M., Quiet Day, sponsored by the Woman's Auxiliary of the Convocation of West Philadelphia; starting with a Celebration of the Holy Eucharist at 10:30 A. M.

Saturday, 12:45 P. M., Benefit Dessert-Bridge, in the Parish House.

ALL SAINTS' DAY

Today, and for the next week as well, we commemorate the Saints—not alone those who are listed in our Prayer Book, but also what the hymn calls the “hundreds of thousands” of others now in God's keeping.

At the two Celebrations of the Holy Eucharist today we shall recite the names of those whom you have asked to have remembered before God at His Altar. May the souls of the faithful departed rest in peace; let light perpetual shine upon them, O Lord!

SPECIAL OFFERING FOR THE ALTAR GUILD

As you know, not only does proper care of the Altars require work (lots of it!) on the part of a faithful group of devoted women, but also there are many expenses attendant upon that Altar care. You might be amazed to learn the present-day cost of such things as candles, laundry, and cleaning supplies—to say nothing of replacement as required for linens and vestments. Only a small part of the annual cost of caring for the Altars is covered by certain endowed funds; the balance must be raised somehow.

You are invited to assist in meeting this need by making a special offering at the time of All Saints' Day, to help the Altar Guild. Blue envelopes are provided for your use in preparing your offering.

BENEFIT DESSERT-BRIDGE—Saturday, 12:45 P. M.

Remember this important activity, and plan to come to the Parish House to take part in it. The entire proceeds will go to The Rev. and Mrs. Arthur H. Richardson (both formerly of this Parish), to assist them in the training of Filipino girls in nursing school in the Philippines.

This Saturday—12:45 P. M.—75c each person.

PARISH BAZAAR

This year the Women of Saint Mary's have planned the Bazaar as a Thanksgiving, rather than a Christmas, affair. The date is Thursday, November 19th. There will be tables with interesting and useful articles for sale, and also the Turkey Dinner.

More information will reach you soon, but for now: *save the date!*

TRACTS AND PAMPHLETS

Have *you* looked at the new assortment of booklets available to you at the rear of the Church? You are almost certain to find something of interest and information displayed there. By depositing the cost as indicated, you will help to make it possible to keep the rack filled.

IMPROVEMENT FUND

The latest available report reveals the fact that 61 pledges have been received, for a total of \$5,183. The various items now completed or contracted for total almost exactly this amount. This means that a number of additional improvements still remain to have action taken—but also there are a great many of the people of the Parish who have not yet made pledges.

Your pledge—and *yours*—will make possible the completion of our improvement list.

PENCE CANS

Please bring the contents of your Pence Can to the Church either October 25th or November 1st. This money goes directly toward the Parish Missions Quota; and if you do not have a Pence Can, we shall be happy to supply one for your use.

DESSERT-BRIDGE TO HELP PARISH MISSIONARIES

On Saturday, November 7th, starting at 12:45 P. M., The Women of Saint Mary's are sponsoring a dessert-bridge in the Parish House, with the entire proceeds to go to a special work in the Philippine Islands.

Each year our women choose a missionary project for special help—over and above their annual pledge to Parish support—and this year they have voted to help The Rev. and Mrs. Arthur H. Richardson, of Baguio, P. I. The Richardsons, both of whom grew up in this Parish, are themselves putting some Filipino girls through nursing school, at an annual cost for each girl of \$150.

Individual donations for this benefit are 75c (a table for four at \$3.00), and any of The Women of Saint Mary's would be glad to take your reservations. Your support will be appreciated.

DIOCESAN CHURCH NEWS

Miss Sue Search will again be available at the Church door to take your subscriptions to this important magazine. It is only one dollar for a year, and half of this is to go to help the Episcopal City Mission in its work with children placed in Episcopal homes.

WELCOME TO NEWCOMERS AND STRANGERS

We are happy to have you with us in God's House, and we invite you to join us again—and soon—as together we worship Him. You are further invited to take part in the other aspects of our entire Parish program.

KALENDAR FOR THE WEEK

Today: Regular Services, as listed elsewhere in this Leaflet; 10:00 A. M., Bible Class; 11:00 A. M., Church School, in the Parish House; 6:00 P. M., Canterbury Club; 7:00 P. M., Choral Evensong.
Monday, 8:00 P. M., Regular meeting, Parish Altar Guild.
Thursday, 6:30 P. M., Supper, The Women of Saint Mary's; 8:00 P. M., regular meeting, The Women of Saint Mary's.

PROSPECTS FOR THE FALL AND WINTER

On every side there are highly encouraging signs of real progress in this Parish for the months to come.

In the first place, there is renewed interest in Corporate Communion for various groups in the Parish; the Church School Staff, the Servers' Guild, the Altar Guild, and The Women of Saint Mary's, have all had or have scheduled such Corporate Communion. This indicates a healthy intention to tie together individuals in the Parish family, and to bring all closer to the Lord at His Altar.

In matters of our physical property, it is to be noted that while only a fraction of the people have yet responded to the appeal of the Improvement Fund, still the total now pledged and/or paid is in excess of \$5,000. On the basis of present receipts, oil heating has already been installed in all three of our buildings, the clerestory windows in the Church are being repaired and weatherproofed, and the interior of the Church is shortly to be painted. Furthermore, as part of our regular Parish maintenance program, there is a new asphalt tile floor in both kitchens and the hallway in the Parish House, and the entire interior of the Parish House has been repainted. These items represent a vast amount of necessary work accomplished, in line with our firm intention to have our whole property in the best possible condition for the Parish program for the fall and winter.

Your Rector again has his full time to devote to Parish worship, work, and life, since there has been a considerable change made for this year regarding student work. This Parish now supplies the facilities for such student work as centers here, with the Rev. Charles Lawrence in complete charge of those activities, and with no Parish responsibilities; but the Rector is once more in complete charge of all Parish matters, with no student responsibilities; and all matters of Parish worship and life are to be referred to the Rector.

All these prospects spell out a wonderful season ahead for us, as we labor together for God and His Church in this community.

DIOCESAN CHURCH NEWS

The time has come to renew that subscription to this important magazine, at only one dollar for a year (half of which is given by the Diocese to the City Mission, for work among Episcopal children committed to families by the courts). Miss Sue Search will be at the rear of the Church today, and she will gladly assist you in taking part in this enterprise.

UNITED THANK OFFERING—Fall Presentation, 1953

In the world of our time, the U. T. O. holds special significance, and all are urged to keep in mind this splendid work, so that this fall's contribution may be truly representative of *all* women of the Parish. Here is an opportunity to give thanks to God for daily blessings, great and small.

The Fall Ingathering will be at Saint Stephen's Church, 19 South 10th Street, Thursday, November 19th, 8:00 P. M. Bishop Voegeli of Haiti will be the speaker.

Place your Offering in the alms bason, or hand it to the Rector, or send or hand it to Miss Lackenbacher (The Fairfax, 43d & Locust, zone 4), or to Miss Krieger (426 South 42nd, zone 4). Use the special blue envelope, or mark your Offering plainly for The United Thank Offering (checks should be drawn to the U. T. O.). Your Offering should be turned in not later than November 15th.

The Rector is calling a meeting of those interested in a brief course on Church doctrine and practice, and on the Book of Common Prayer. These lecture-and-question-and-answer sessions will be presented on each of the next several Sunday afternoons, in the Church.

While the purpose is primarily to instruct those preparing for Confirmation next month, others who may wish a "refresher course" are cordially welcome to attend.

WELCOME TO NEWCOMERS AND STRANGERS

We of Saint Mary's Church are happy to have you with us. Please make yourself right at home, in our Services, and also in our activities for the Parish and for the University personnel.

Come to the Coffee Hour and get acquainted—and come again!

INFORMAL COFFEE HOUR

For some weeks now, The Women of Saint Mary's have been sponsoring these most helpful and successful get-togethers, immediately after the Sunday 11:00 o'clock Services. We hope that all present at that hour today will come back to the Parish House to greet old friends and to make new ones.

FOR MEN AND BOYS ONLY

This year the First Sunday in Advent falls on the 29th of November, two weeks from today. Throughout this country on that day, the men and boys of untold thousands of Parishes will gather at their Parish Altars to offer God thanks for benefits past and to rededicate themselves to God for the new Christian Year.

We are asking the men and boys of this Parish to plan now to attend this Corporate Communion on the 29th. Further information will reach you next week.

FOR EVERYBODY

You will note that the 1953 Christmas Seal campaign begins today. Elsewhere in this Leaflet is information about the Seals. To help fight tuberculosis, *buy and use Christmas Seals!*

FOR THE WOMEN

On Sunday, December 6th, at the 8:00 o'clock Service, The Women of Saint Mary's and the Parish Altar Guild are combining to hold an Advent Corporate Communion. Plans are being made to contact every woman in the Parish, and *you* are urged to attend.

Breakfast will follow the Communion. Our guest speaker will be Mrs. Lily Cheston Myers, newly installed president of the Diocesan Woman's Auxiliary. Reservations for the breakfast (85c) should be made with Mrs. William X Smith, EV 6-3916, not later than Friday, December 4th.

PHILADELPHIA COUNCIL OF CHURCHES SPONSORS QUIET DAY

Your Rector has been asked to conduct the annual Interdenominational Quiet Day for Women, Tuesday, November 24th, at Saint Margaret's House, Germantown. Those who wish to attend should make reservation with Sister Ethelwyn, VI 4-4612. Such reservations should be made promptly, as there is a limit to the number who can be accommodated.

A REMINDER

Tomorrow is the deadline for making reservations for the Bazaar Turkey Dinner. You won't want to miss it—so don't forget to make your reservation.

EVERY-MEMBER CANVASS

Next Sunday, November 14th, we shall begin the annual Every-Member Canvass for Saint Mary's Church. As always, it is important that we attain our goal financially. If we all pray that God bless the canvassers, and also that He guide our pens as we make our pledges, the Canvass will be a success, and Christ's work in our Parish will be effectively continued.

Signed, Frederick A. Hipple, *Canvass Chairman*.

UNITED THANK OFFERING—Fall Presentation, 1954

Unfortunately, the In-Gathering Service this fall comes on the same day as our Bazaar, so that we cannot plan to have representation. This makes no change, however, in the need for the U. T. O.

The gift of money for the U. T. O. is a tangible form which women the Church over use to express their thankfulness to God for daily blessings, both great and small. We hope this fall's contribution will be truly representative of the women of our Parish.

Place your offering in the alms bason; or give it to the Rector; or send or hand it to Miss Nina Lackenbacher (The Fairfax, 43rd and Locust Streets, zone 4). Use the special blue envelope, or mark your offering plainly for The United Thank Offering. (Checks should be drawn to the U. T. O.). Finally, your offering should be turned in not later than next Sunday, November 14th.

BAZAAR—next week Thursday (the 18th)

The next page of this Leaflet gives you the details. Be sure to do two things: (1) save the date, and (2) make your dinner reservations promptly.

Those who have attended past Bazaars will not want to miss this one, and newcomers have a treat in store. Do come! You will be sorry if you don't, and we shall be sorry not to have you with us . . .

HAPPY NEW YEAR!!

KALENDAR FOR THE WEEK

Today: 8 & 11, regular Services; 11 AM, Church School,
in the Parish House.
Thursday: 8 PM, Parish Choir rehearsal.
Friday (The Epiphany): 10 AM, Celebration of the Holy
Eucharist.

THE EPIPHANY --- Friday of this week

One of the five major feasts of the Christian Year
(and the one on which those misplaced Christmas-card
Wise Men come into their own) is The Epiphany, or the
Manifestation of Christ to the Gentiles.

The little we know about the Wise Men is found in
the second chapter of Saint Matthew's Gospel. Read this
for yourself, and see how much is fact and which is just
traditiona. For example: Were they kings? Were there
three of them? Do we know their names? When did they
arrive (see verse 16)?

NEXT SUNDAY --- Epiphany Candle-Light Service

This year's Feast of Lights will come on Sunday,
January 8th, at 4:00 P.M. Those who have attended past
Services will recall how we present a graphic reminder
of how God's light is spread from one to another until
finally it reaches each individual. Those who have not
been at past Services will wish to do so this year.

The hour has been set to fit into the schedule of
Church School and other children, and those of people
generally in the Parish and community.

THEOLOGICAL EDUCATION

The Presiding Bishop asks us to remember by prayer and gift the vastly important work of providing educational facilities for men preparing for the Ministry.

Every one of us can pray and give to lend a helping hand to some of our Church's eleven Seminaries. Your offering, clearly marked for "Theological Education", should be handed or sent to the Rector. Such offerings may be given for Bexley Hall, the Rector's own school; they may be designated for one of the others; or you may care to give generally --- in which case our Bishop suggests an even division between the Rector's Seminary and the Philadelphia Divinity School.

Large amounts are naturally welcomed, but lesser amounts also count up! Do take part in this year's nationwide Offering for Theological Education.....

FINANCIAL PROSPECTS FOR 1956: a report

The "in Church" system used for Loyalty Sunday was most effective. As of the January Vestry meeting, there were several more pledges than for 1955 (some 30-odd of which are new ones), for a total of \$9,109, representing an increase in the amount pledged of nearly \$1,400 --- almost a 20% increase. Furthermore, all but 1.2% of the amount pledged for 1955 was actually received. (Those delinquent for 1955 should catch up at once.)

Those who have not yet pledged for 1956 should do so: we shall then be very near the \$10,000 needed.

PRE-LENTEN SEASON (Prayer Book, page 118)

We now enter another season of the Church Year: two and a half weeks of Pre-Lent. As is apparent from the names of the Sundays, there are about seventy (Septua-gesima), sixty (Sexa-gesima), and fifty (Quinqua-gesima) days before Easter. The liturgical color is violet; we do have flowers on the Altars, but we do not use either Te deum laudamus or Gloria in excelsis; certain other slight adjustments are made, also.

This is our opportunity as mentioned in the Hymn (#235) which says, "....three Sundays will prepare for the time of fast and prayer; that, with hearts made penitent, we may keep a faithful Lent...."
